Mr. N. B. Mathur, Superintendent, Nazair Kanun Hind Press, Allahabad.

Messrs. A. M. & J. Ferguson, Ceylon.

PREFACE.

This volume deals with the administered areas of the Sibi District, including the Nasírábád, Sibi, Sháhrig and Kohlu tahsíls, as well as with the Marri and Bugti tracts, which are under the control of the Political Agent, Sibi, and of which a separate description is given in Chapter V. The same officer also exercises political control over the Dombkis and Kahéris, but as these tribes reside within the limits of the Lahri Niábat of Kachhi in Kalát State territory, their affairs are only briefly touched upon in this volume, and a more detailed account will be found in the Gasetteer of Kachhi.

The greater part of this work consists of original matter collected and collated by Rai Sáhib Diwán Jamiat Rai with the help of the Gazetteer staff. The Rai Sáhib has also personally served in the district, and his varied and intimate knowledge of the country has been of the greatest assistance.

Much useful information has been derived from Dr. Duke's Report on the Thal Chotiali and Harnai Districts (1883), Mr. Bruce's Report on the Marri and Bugti tribes (1884), Mr. Dames' Report on the Sibi District (1879), Mr. Colvin's Note on the Administration of the Nasírábád Niábat (1898), the Settlement Reports of the Sháhrig and Sibi tahsils written by Mr. E. G. Colvin, C.S.I., I.C.S., and Khán Bahádur Mír Shams Sháh, and from the Baluchistán Census Report of 1901 compiled by Mr. Hughes-Buller, I.C.S. The articles on the Khost Colliery and the Petroeum borings near Khattan have been supplied by Mr. A. Mort, Mining Manager, Khost Colliery in Baluchistán. Much of the material has also been reproduced with the necessary local adaptations from Mr. Hughes-Buller's Gazetteer of the Quetta-Peshin District.

My thanks are due to Major Macdonald, the Political Agent, Sibi, who has passed and corrected the drafts, to Diwan Ganpat Rai, C.I.E., Extra Assistant Commissioner of Sibi, for much useful information furnished in connection with the Marri and Bugti tribes, and to the local officials for the prompt manner in which they attended to the numerous references made to them.

A. McCONAGHEY, Major.
