## XXIV.—TRAVELLERS' BUNGALOWS

There are three kinds of travellers' bungalows in the district, (i) dâk bungalows, (ii) rest houses and (iii) Political, Civil and Military Works inspection bungalows.

Officials drawing Rs. 100 per mensem and over, N. C. O.'s and private gentlemen, are entitled to accommodation in a dâk bungalow on payment of one rupee a head for every 24 hours, with half and one-fourth fees for short stays not exceeding 6 and two hours respectively; in a rest house the charge is eight annas with half fees for less than five hours. Officials in superior service drawing less than Rs. 100 per mensem and European soldiers are entitled to shelter in a special room set apart in the compound on payment of one anna a head for every 24 hours, with reduced fees for lesser periods as above. Servants are housed in out-houses; sepoy, police, etc., in the adjoining shelters or *bardâshikhânās*, free of charge. One anna and six pies a day are charged for every horse tethered in the compound of a dâk bungalow and rest house respectively. Eight annas a day is charged for each tent pitched in the compound by a person not using the dâk bungalow; four annas is charged for each wheeled vehicle, planquin or tent and one anna for each horse, package, box, etc., remaining more than 24 hours in the compound before or after the arrival of the owner. In dâk bungalows the khânsama supplies food at the prescribed rates (soldiers at half rates) and also cooks provisions furnished by travellers on payment of eight annas a day per head. In rest houses travellers must make their own arrangements for supplies and cooking, but where possible the man in charge provides wood, etc., on payment. None but Government officers, travelling on duty, can stay in a dâk bungalow for more than 48 hours if other officers require accommodation, unless specially permitted by the officer in charge.

These bungalows are specially reserved for departmental officers on tour. The gazetted officers of the department owning the bungalow have prior claims to accommodation in order of seniority; subject to this rule, the officer in charge of a bungalow may lend it, without payment, to any gazetted officer of any other department travelling on duty, and may also permit others to occupy it, when available, for a period not exceeding seven days.
