## PREFACE.

THE old Gazetteer of Fatehpur was compiled by Mr. J. P. Hewett, I.C.S., and was mainly derived from the Settlement Report of Mr. A. B. Patterson. A supplement to this volume was published in 1887 by the late Mr. F. S. Growse, C.I.E., in the shape of a small work dealing for the most part with the archæological remains found in the district. Both of these have been carefully corrected and brought up to date by Mr. A. C. Walker, I.C.S., who also supplied me with much additional information and has rendered valuable assistance in the compilation of the new Gazetteer.
