PREFACE.

THE former Gazetteer of the Basti District was compiled by Mr. H. C. Conybeare, I. C. S., who availed himself principally of the old Settlement Report of 1863, and notes contributed by Mr. J. B. Thomson, I. C. S., and other district officers. Since that time the district has undergone a fresh settlement and the valuable report of Mr. J. Hooper, I. C. S., has provided a mass of information for the present volume. In addition, I have to express the debts of gratitude I owe to Mr. F. B. Sherring, I. C. S., who undertook the original revision of Mr. Conybeare's work, and more particularly to Mr. H. T. Morgan, I. C. S., who has spared no pains in collecting the large amount of new material necessitated by the alteration of the general scheme of the District Gazetteers, and has rendered great assistance in reading the proofs. The ancient history is from the pen of Mr. R. Burn, I. C. S.
