PREFACE.

THE portion of the old Oudh Gazetteer referring to the Gonda district was mainly the work of Mr. W. C. Bennett, who also wrote the report on the first regular settlement. Much of this is of permanent value, as also were the contributions of Dr. W. Hoey. The scheme of the present Gazetteers has necessitated a complete re-arrangement and the introduction of much new material, for the collection of which I am greatly indebted to Mr. L. C. Porter and Mr. E. de M. Humphries, successively Deputy Commissioners. I must also express my acknowledgements to Mr. H. R. C. Hailey, who, by his intimate knowledge of the district and his ready help and advice, has afforded me valuable assistance.
