NOTE

This volume contains the detailed estimates in support of demands for grants other than those for railways and posts and telegraphs as well as the estimates under the non-voted heads other than military services. The details in respect of the excepted heads are given in separate volumes.

The new items of expenditure included in the Budget Estimates for 1924-25 are printed in thick type. Such of the items as have received the approval of the Standing Finance Committee are marked with an asterisk. Non-voted items are printed in italics. Brief explanations of important variations in details are furnished in the form of footnotes to the detailed estimates.

The grants for minor areas, *e.g.*, Delhi, Baluchistan, etc., are brought together under a separate demand for each area.
