## NOTE.

Under Section 67 A (3) of the Government of India Act the proposals of the Governor General in Council for the appropriation of revenue or moneys relating to certain heads of expenditure have to be submitted to the vote of the Legislative Assembly in the form of demands for grants. Rule 44 of the Indian Legislative Rules lays down that, subject to the discretion of the Finance Member, a separate demand shall ordinarily be made for each Department of the Government and that each demand shall contain, first, a statement of the total grant proposed and then a detailed estimate divided into items.

2. This volume contains the demands for grants of the Central Government other than those relating to Railways which are submitted separately to the vote of the Legislative Assembly. It contains also the estimates relating to the heads of expenditure that are protected from the vote of the Legislative Assembly under Section 67 A (3) of the Government of India Act, these being shown in italics to distinguish them from the votable items in the budget. The details of the demand relating to the Posts and Telegraphs Department are included in a separate volume. Similarly the details of the non-voted appropriation relating to Defence are furnished in a separate volume, while the details under certain other wholly non-voted heads of expenditure are given in the Appendix to the Demands for Grants.

3. In most cases a separate demand has been proposed in respect of each Department, expenditure that cannot readily be classified under particular Departments being represented by separate demands. In the case of centrally administered areas a single demand has been made for each area in respect of all the heads of expenditure controlled by the head of the administration, while other heads of expenditure are included in the respective Subject demands for those heads. For facility of finding out the total expenditure incurred in each area at a glance, the expenditure included in the Subject demands is shown in a footnote to the main Area demand. Capital expenditure incurred in England is shown in the same demand in which the corresponding Indian expenditure is included. As regards revenue expenditure incurred in England, part of the expenditure is included in two separate demands, one under the control of the Secretary of State for India and the other under the control of the High Commissioner for India, while the rest of the expenditure is included in various other demands. The following table shows at a glance how the various classes of expenditure incurred in England are treated in the Demands for votable grants and Appropriations for non-votable expenditure :—

(b) Interest on Ordinary Debt . . . . .	Demand No. 25—Interest on Debt and Reduction or Avoidance of Debt.
(c) Interest on Other Obligations. . . . .	Demand No. 26—Interest on Miscellaneous Obligations.
(d) Civil Works . . . . .	Demand No. 73—Civil Works.
(e) Superannuation Allowances and Pensions. . . . .	Demand No. 74—Superannuation Allowances and Pensions.

(j) Defence expenditure . . . . .	Non-voted Appropriation Defence.
(ii) All other expenditure . . . . .	Demand No. 86—Expenditure in England—Secretary of State for India.

4. Generally speaking each demand contains, first, a statement of the total amount required, then, details by sub-heads under which the grant is accounted for by the Department concerned and, lastly, a detailed estimate under each sub-head divided into items. New items of expenditure included in the budget for 1934-35 are printed in thick type, as well as such items of recurring expenditure as were accepted by the Standing Finance Committee during 1933-34 and were met by reappropriation. References have been given in the footnotes, where necessary, to the Proceedings of the Standing Finance Committee.

5. For purposes of classification of expenditure in the accounts the main unit is the major head, e.g., "1—Customs", "2—Taxes on Income", etc. The figures in Budget Statement B are by such major heads. For various reasons it is not possible to have a demand for grant in respect of each major head.

For instance, each of the major heads "22—General Administration", "30—Scientific Departments" and "37—Miscellaneous Departments", besides relating to a number of Departments, is too unwieldy for a single demand and has, therefore, had to be split up into a number of demands; in the case of expenditure incurred in centrally administered areas and expenditure in England, a number of major heads, as already explained, have from the point of view of control of the expenditure had to be included in a single demand in each case. A single major head is thus distributed, in some cases, over a number of Subject demands, Area demands and demands relating to expenditure in England, and to arrive at the total under the major head given in Budget Statement B the figures pertaining to such major head in all those demands have to be added up. Further, working expenses of commercial departments which are shown in the accounts as deductions from revenue are included as expenditure in the Demands and Appropriations. It may be added that refunds are treated as deduction from revenue in the accounts; but, as they constitute payments by the Government of India, grants have to be made to meet them as in the case of other expenditure. The provision for all refunds is included in a single demand—Demand No. 77—Refunds—except in the case of the Posts and Telegraphs refunds, the provision for which is included in the demand relating to the Posts and Telegraphs Department. A general agreement of the total figures in the demands with those in Budget Statement B is given in footnote (a) on page (vii) of the Table of Contents prefixed to the Volume.

(a) These fees are charged for the work done by the Customs staff in the interest of merchants and ship-owners outside the free service hours which in the case of preventive and outdoor work generally are the 12 hours from sun-rise to sun-set, or on holidays and Sundays. These fees were paid almost in full to the staff earning them but it has been decided as a measure of retrenchment to make a 10 per cent. reduction in the rates of payments to the staff from 1st January 1932. In practice these fees are first credited to Government and the payments are made to the staff by a debit to the budget grant.

(b) These fees are entirely credited to Government which provides the necessary establishment.

(c) These penalty fees are paid by merchants and shipowners for working cargoes on Sundays and closed holidays, in addition to the overtime fees mentioned in (a) above. These receipts are distributed among certain specified Seamen's and Customs Welfare Institutions after crediting Government revenues with the amount disbursed as Crown overtime, subject to the qualification described in (c) on the next page.

(c) As on account of depression in trade the receipts from penalty fees have fallen considerably, it was decided with the approval of the Standing Finance Committee held on 23rd January 1932 that the penalty fees should not be reduced beyond Rs. 88,000, (plus Rs. 16,000 a year towards interest payment for the debt of the Mayo Marine Club, Rangoon which it had taken for construction of its building for 1932-33 and 1933-34, subject to reconsideration if Burma was not separated by that time) by payment of Crown overtime. It has subsequently been decided with the approval of the Standing Finance Committee held on 16th December 1932 to make an annual payment of Rs. 12,870 in lieu of (Rs. 16,000 a year mentioned above) for two years from 1st April 1933 or until separation of Burma whichever is earlier to enable the Club to repay the first two of fifteen equated annual instalments of the loan of Rs. 1,25,000 sanctioned by the Government of India. Owing to a small reduction proposed in the grants to the existing beneficiaries from 1934-35 the original provision of Rs. 88,000 has been slightly reduced. Accordingly a provision of Rs. 1,00,000 is included under sub-head "A. 11—Grants-in-aid, Contributions and Donations—Payments to Seamen's and Customs Welfare Institutions," under India Circle.
