DEWAN'S OFFICE,  
JANJIRA-MURUD, 1ST JUNE 1930.

FROM

P. R. KAPADIA, ESQUIRE, B.A.,  
DEWAN, JANJIRA STATE.

TO

HER HIGHNESS,  
LADY KULSUM SIDI AHMED KHAN,  
REGENT BEGUM SAHEBA  
OF JANJIRA.

Your Highness,

I have the honour to place before Your Highness the Annual Administration Report of the Janjira State including the dependency of Jafarabad, for the official year ending 31st March 1930.

2. The only incident which marred the even tenor of the administration of this State during the year was the Shriwardhan communal riot referred to in para 2 of my letter submitting my report of last year. However, under Your Highness' sagacious guidance and owing to Your Highness' solicitude for all classes of the subjects of the State irrespective of caste or creed, the trouble was got over in course of time, and it is only hoped that both the communities have learned to think that the origin of the trouble was not worth fighting for.

3. Measures of public improvements, convenience and well-being were, as Your Highness is well aware, continued and all State Departments and buildings received their share of attention as far as our means permitted. The works of outstanding public convenience and urgent need carried out during the year were the construction of the bridge over the Chikhlu river, where it crosses the Dighi-Shriwardhan Road, the opening of the Dispensary for women and children named after Your Highness, the completion of the Shriwardhan Wharf and the construction of a new wharf at Dighi.

4. His Highness the young Nawab Saheb's unusually good progress was maintained during the year at the Rajkumar College where Government have considered it desirable in the interest of His Highness that the Nawab Saheb should continue for a year longer.

5. In presenting this my fourth Administration Report with sincere pleasure and appreciation of Your Highness' great solicitude for the advancement of the State,

I beg to subscribe myself,  
Your Highness' most obedient servant,

P. R. KAPADIA,  
*Dewan, Janjira State.*

CHAPTER I.

GENERAL AND POLITICAL.

Janjira, a first class Indian State in the Political Agency of Kolaba in the Konkan, comprises of two tracts, the Janjira State proper, with its head-quarters at Murud on the west coast and the dependency of Jafarabad to the south of Kathiawar, with its head-quarters at the port of Jafarabad, also on the Arabian Sea coast. Janjira State proper—made up of three Talukas, Murud, Shriwardhan and Mhasla—lies to the south of Bombay and is bounded on the north by the Revdanda creek, on the east by the Kolaba District, on the south by the Bankot creek and on the west by the Arabian sea.

Its area is 324 sq. miles and population according to the census of March 1921, 87,534. The total income, calculated on an average of the last five years, amounts to Rs. 7,44,878 against Rs. 7,43,307 reported last year.

The dependency of Jafarabad is situated in the extreme south of Kathiawar. Its area is 53 sq. miles and population according to the census of March 1921, 10,996. The total income averages Rs. 1,17,343 against Rs. 1,11,915 reported last year.

2. The State does not pay any tribute to the British Government or to any State. On the other hand it receives from Junagadh State an annual tribute of 363 Rayals (an old Junagadh coin) or about Rs. 500.

3. After the hot weather visit to Kesoli, the summer resort of the ruling family, Their Highnesses the Nawab Saheb and the Regent mother returned to Murud on 14th June 1929. His Highness left for Salav in company of Her Highness the Regent Saheba on his way to Rajkot on 29th June 1929, but owing to heavy rains His Highness could not proceed further immediately but went to Bombay on the 10th July 1929, and reached Rajkot on 14th July 1929. Her Highness returned to Murud on 10th July 1929. His Highness the Nawab Saheb left Rajkot on 1st October 1929 on closure of the college for the October vacation and returned to Rajkot on 10th November 1929, reaching there on the 11th. Her Highness the Regent Begum Saheba left for Bombay on 11th December 1929. His Highness the Nawab Saheb left Rajkot on account of the X'mas vacation on 20th December 1929 and arrived at Bombay on 21st December 1929. Their Highnesses came to Murud on 23rd December, and went back to Bombay on 3rd January 1930. His Highness the Nawab Saheb left Bombay on 4th January 1930 and arrived at Rajkot

on 5th January 1930. Her Highness the Regent Begum Saheba returned to Murud on 26th February 1930.

His Highness the young Nawab Saheb has been attending the Rajkumar College at Rajkot for the last seven years. In ordinary course His Highness would have finished his study at the Rajkumar College in April 1930 and joined an Arts College this year. But in the interests of His Highness' future better education and achievements, the Government of Bombay having decided that His Highness should stay at the Rajkumar College for a year more, His Highness did not appear for the Diploma examination held in April 1930, though he was quite fit and prepared for it, and almost topped his class. He has just been appointed an "Officer" at the College. By his good progress in studies during the year he has won a prize, and by his interest in athletics a Cup in the running race. In forwarding the usual annual report the Principal of the College remarks:—

" He is a very promising Kumar with ability above average; he works well and will I hope take a high place in next year's Diploma. He developed in mind and body a great deal, and has begun well as an Officer".

On his return from Rajkot His Highness in company of Her Highness the Regent Begum Saheba, proceeded to Kesoli, the hot weather resort of the ruling family on 22nd April 1930.

The official birthday of His Highness falls on the 7th March and his seventeenth birth-day was observed with the usual celebrations both at Murud and at Jafarabad on the 7th March 1930, with the usual congratulations and good wishes from the Sidi Bhaibands, State officers and other gentry as well as subjects both of Janjira and Jafarabad.

4. The Armistice day, the 11th November, was observed by entire suspension of work for two minutes at 11 a. m.

#### PERSONNEL OF THE ADMINISTRATION.

5. There were only a few changes in the personnel of the principal officers.

Mr. S. Y. Rajadhyaksha, B.A., LL.B., Sar Nyayadhish, having gone on leave from 11th April 1929 prior to retirement from 1st August 1929, on account of failing health, Mr. Ramkrishna Babaji Dalvi, a pleader from Alibag, was appointed to officiate as Sar Nyayadhish from 22nd May 1929.

Mr. C. S. Malkan, B. E., Executive Engineer, having resigned, Mr. Ramkrishna Yeshawant Kulkarni, Upper Subordinate, P. W. D., was appointed to act as Executive Engineer.

These changes are shown in Appendix I as they stood on 31st March 1930.

6. The Darbar Gazette continued to be printed at the beginning of every month and besides its ordinary purpose was utilised to give correct information of public concerns of the State to the public at large who have no other means of knowing them in their correct aspect.

## ZAMINDAR SABHA.

7. As a concession to the agitation of an exiguous section of the community this Sabha was revived after two years during the year of report. A meeting was held on the 18th May 1929 and was presided over by the Dewan of the State. Out of 89 members invited, 53 were present. Most of the usual questions which had been received in writing were answered at the meeting, but no intelligent discussion whatsoever took place, and the meeting, as was fully expected, evoked nothing beyond the most lukewarm interest even among its few lip advocates.

8. A very deplorable event and one which generally exercised both the administration and the public of the State for several months during the year of report was the communal riot at Shriwardhan, the cause of which was indeed very petty and one over which none but short sighted people could have quarrelled. The cause was the enclosure by barbed wire fencing of a Mahomedan Kabrasthan by the Mahomedans of the town under the orders of H. H. the Regent, and the riot by the Hindus took place on the ground that they had a right of way through the enclosed place, being not content with a clear and better way only a few feet away. The authority of law and order had to be asserted at all costs and risks, and over 75 Hindu rioters were arrested and proceeded against according to law. In the end after being under regular judicial trial for a period of four months and committed to the Court of Sessions, they thought it right to ask Her Highness' pardon for their thoughtless and unlawful acts and Her Highness was graciously pleased to pardon them.

## CHAPTER II.

## ADMINISTRATION OF LAND AND LAND REVENUE.

(The figures in this chapter are for the revenue year from 1st August 1928 to 31st July 1929.)

## TERRITORIAL CHANGES.

9. The total number of villages in the State proper continued to stand at 245, of which 216 were unalienated and 29 alienated.

The total number of villages in Jafarabad is 12 all of which are unalienated.

## LAND TENURES.

The following are the land tenures in force in the State:—

|                                       |   |            |
|---------------------------------------|---|------------|
| (1) Dhara or Khalsa (Survey tenure).  | } | Janjira.   |
| (2) Inam.                             |   |            |
| (3) Kowli.                            |   |            |
| (4) Khoti-Junekul.                    |   |            |
| (5) Khoti-hak.                        |   |            |
| (1) Dhara or Khalsa. (Survey tenure). | } | Jafarabad. |
| (2) Giras.                            |   |            |
| (3) Pasaita or Barkhali.              |   |            |

## SURVEY SETTLEMENT.

10. Survey settlement rates are in force in all the unalienated and 17 out of 29 alienated villages; the ryots have been paying them without

difficulty. In the case of Kowli lands the Makta or rent is paid in kind which arrangement is convenient to the State, as Sanadi disbursements in a large number of cases have to be made in grain (rice).

In Jafarabad, though survey rates have been introduced, the survey tenure does not largely prevail, and large tracts are held on annual tenancies.

#### CULTIVATED AND WASTE LANDS.

11. The total area under cultivation is 1,03,450 acres of land under survey tenure and 1,248 bighas of Kowli and unsurveyed lands in Inam villages, against 1,03,114 acres and 1,248 bighas last year. The increase of 336 acres is due to the giving out of forest lands in the inam village of Pabhara for cultivation.

#### WASTE LANDS.

12. The total arable waste land at the end of the last year was 8,017 acres 32½ gunthas, assessed at Rs. 3,839-9-8 and 108 acres 14½ gunthas assessed at Rs. 158-1-9 were resumed for nonfulfilment of the conditions of their grant. Thus the total arable waste land available for cultivation was 8,126 acres 7½ gunthas assessed at Rs. 3,997-11-5. Out of this 99 acres 20½ gunthas assessed at Rs. 26-8-0 were given out for cultivation and 8,026 acres 27 gunthas remained waste at the end of the year. To this have to be added Potkharaba and unassessed lands measuring 39 acres 15 gunthas of which 4 acres 25½ gunthas was given out for cultivation during the year.

In Jafarabad the area of assessed waste land in the preceding year was 3,211 acres 15 gunthas; out of this 680 acres 16 gunthas were given out for cultivation, while 867 acres 33 gunthas were relinquished, the total unoccupied area at the close of the year being 3,398 acres 32 gunthas. Although the State is now free from raids of decoits, lands near the boundary limits far away from the villages are still lying waste for want of confidence on the part of tenants.

#### LAND REVENUE.

13. In the State proper the Land revenue demand, collection and balance were as under :—

|   | Rs.           |
|---|---------------|
| Balance for collection on 1st August 1928               | .... 7,033    |
| Current year's demand :—                                |               |
| Fixed land revenue                                      | .... 2,29,244 |
| Miscellaneous & fluctuating revenue                     | .... 13,325   |
|   | <hr/>         |
| Total demand for the year excluding outstanding balance | .... 2,42,569 |
| Total demand including outstanding balance              | .... 2,49,602 |
| Suspensions   | .... Nil.     |
| Remissions including previous years' arrears            | .... 8,278    |
| Balance for collection                                  | .... 2,41,324 |
| Amount collected  | .... 2,32,364 |
| Balance outstanding on 31st July 1929                   | .... 8,960    |

There was an increase of Rs. 10,188 in the fixed land revenue due to the introduction of revision survey settlement in Mhasla Taluka and also an increase of Rs. 6,352 under the head "miscellaneous and fluctuating revenue" due to income derived from authorised cultivation in the lands at Kharsai and in warkas lands, value of gawthan trees and fines imposed for unauthorised cultivation.

Almost the whole of the revenue was collected without difficulty. The number of notices issued under Section 152 of the Land Revenue Code was 278, against 326 last year, and that of those under Section 148 was 3 against 2 last year. In no case were coercive measures under Sections 153, 155 and 157 of the Land Revenue Code found necessary.

In Jafarabad the land revenue demand, collection and balance were as under :—

|  | Rs.    |
|--|--------|
| Arrears outstanding on the 1st August 1928               | 41,049 |
| Current year's demand :—                                 |        |
| Fixed revenue  | 37,371 |
| Miscellaneous and fluctuating revenue                    | 9,573  |
|  | <hr/>  |
| Total demand for the year excluding outstanding balance. | 46,944 |
| Total demand including outstanding balance               | 87,993 |
| Suspensions  | Nil.   |
| Remissions   | 59     |
|  | <hr/>  |
| Total deduction  | 59     |
| Balance for collection                                   | 87,934 |
| Amount collected   | 60,680 |
| Balance outstanding                                      | 27,254 |

The large outstanding balance is in respect of years before 1926-27 and though the arrears have been reduced during the last three years what is left is difficult of realization, as the tenants are changed and the arrears are old.

The number of notices issued was 140 against 102 last year. As many of the tenants are annual tenants, the land revenue demand fluctuates from year to year.

#### REVISION SETTLEMENT.

14. Revision survey settlement has been completed and introduced in Murud, Shriwardhan and Mhasla Talukas. In the Mhasla Taluka the work of Pot Hissa Survey and Record of Rights is in progress.

#### ALIENATION SETTLEMENT.

15. No settlement of Inams, Kowls etc. was made during the year under report.

In Jafarabad no settlement was effected during the year under report.

#### BOUNDARY DISPUTES.

16. There were no disputes about the boundary limits in Janjira or Jafarabad territories.

## TAKAVI ADVANCES.

17. During the year no takavi was advanced. Out of the outstanding balance of Rs. 21,300, Rs. 3,692 were recovered leaving a balance of Rs. 17,608 comprising of Rs. 3,871 on account of instalments due but not paid during the year, Rs. 2,998 arrears of the preceding years and Rs. 10,739 instalments for the recovery in future years.

In Jafarabad no takavi was advanced during the year. The total amount due for recovery was Rs. 5,463-9-8 of which Rs. 204-8-0 were recovered during the year leaving a balance of Rs. 5,259-1-8 at the close of the year. The advances have been made for agricultural purposes.

## RECORD OF RIGHTS.

18. The work of the Record of Rights was taken in hand in the Mhasla Taluka and done in 43 villages during the year.

## CHAPTER III.—PROTECTION.

## LEGISLATION.

19. During the year under report the provisions of Section 8 (4) of the Extradition Act, 1903, (XV of 1903) relating to the forfeiture of bail-bonds executed by sureties in the case of offenders arrested in the State and required for trial in British India, administered areas of Agencies or any Indian State, were applied to the Janjira State including the dependency of Jafarabad.

The Acts in force in the State are enumerated in Appendix II.

## MILITARY FORCE.

20. The sanctioned total strength of Military force during the year was 233 as against 236 last year, as shown in Appendix III. The decrease is due to the fact that among the Habshi Bhaibands three men died and no new men were appointed; five men died among the Chhorwads and services of one man were dispensed with and six men were appointed. The force consists of 21 fort garrison men, 13 gunners and 199 irregulars. They are all Sidi Sardars, Habshi Bhaibands, Janjirkars and Chhorwads. They carry old fashioned swords or old matchlocks of native manufacture. The gunners fire guns on ceremonial occasions. None of the men referred to above has received any military training. They are counted under the category of "military force" only in name. They are not fit for any sort of military service nor are they equipped for such service. Their duties are confined to the Janjira fort where they live mostly in their family houses. Some of them have sought homes outside the fort also. They watch the fort and attend Durbars. The total cost of the force was Rs. 33,020 against Rs. 32,166 during the previous year. They are old hereditary retainers and paid mostly in kind (Paddy).

The desirability of reducing the number of Sanadis by not filling in vacancies wherever possible and by employing those among them who are fit for active service in the Police and other departments of the State is kept in view, but the progress is extremely slow in view of vested interests and confirmed customs and privileges, as well as on account of apathy, poverty, want of enterprise and idleness on the part of the holders.

The military force in Jafarabad was 8 as against 7 last year. The cost of these irregulars was Rs. 858, against Rs. 822 in the preceding year.

#### IMPERIAL SERVICE TROOPS.

21. As reported before, the Janjira Imperial Service Signalling units were disbanded in April 1917, as they were found unfit for active service.

#### POLICE.

22. The total sanctioned strength of the Police force in the State proper excluding Jafarabad was 133, against the same number last year. It consisted of 1 Inspector, 4 Sub-Inspectors, 1 Chief Constable, 26 Head Constables and 101 Constables. Out of these one Head Constable and ten Constables were employed on Abkari duty. Besides a party of ten Constables was employed almost throughout the year as a precaution against the riot at Shriwardhan which broke out in the early part of the year.

The force is under the supervision of an Inspector who has passed through the regular course in the Central Police Training School, Nasik. During the regrettable communal riot at Shriwardhan referred to in chapter I, Sidi Mahmud Damad, the Inspector, displayed great tact, forbearance and courage in a situation, which at one time was fraught with great risk and danger owing to a few thoughtless leaders having worked up the feelings of an ignorant Hindu mob to a high pitch of excitement. His bold stroke of suddenly arresting a few of the most prominent and influential ring-leaders tactfully on the third or fourth day, followed by the arrest in quick succession of most of the other inciters and mischief-makers broke the back of the riot, which some 3000 to 4000 mostly illiterate Hindus of all castes from the town and surrounding villages were misguided into joining. He also rendered valuable assistance by his investigations to the State Counsel and I am glad to place this appreciation of his good work on that occasion on record. It is to be regretted that two or three of the very worst leaders, escaped apprehension at the start, absconded far away from the State limits and are still at large somewhere in British limits. A watchful eye is kept on them for apprehension as soon as possible.

The total cost of the Police department was Rs. 34,316 against Rs. 35,864 in the previous year.

The total strength of the permanent Police force in Jafarabad was 23, consisting of 1 Sub-Inspector, 3 Head Constables and 19 Constables. One supernumerary Head Constable and one Constable were employed throughout the year as a precaution against dacoits who are not infrequent in these parts.

The total cost of Police in Jafarabad was Rs. 6,469 against Rs. 7,465 in the preceding year.

Further details as to cost, discipline and education of the force are given in Appendix IV.

23. The total number of cognizable and non-cognizable cases dealt with by the Police in the State proper including 23 pending at the close of the last year was 131; of these 36 were noncognizable. Out of 95 cognizable cases 38 were committed to the Courts of Magistrates, 14 were struck off, 4 placed on the dormant file and 39 remained with the Police under investigation against 23 the year before. Besides one supplementary cognizable case was committed to the Court of 1st Class Magistrate by the Police during the year under report.

In addition to these, 8 were sent by the Magistrates under Section 202 of Criminal Procedure Code for investigation, by the Police. Out of these 6 were disposed of during the year and two remained pending at the end of the year. The Police took up 19 cases under section 61 of the District Police Act involving 22 accused persons, all of whom were convicted. Out of the three pending cases in the Magistrates' Courts at the end of the last year in one case the accused person was convicted and two remained pending trial with the Magistrates at the close of the year under report. Out of the 39 cognizable cases committed to the Courts of Magistrates, convictions were obtained in 28, in 9 cases the accused persons were acquitted and 2 cases remained pending at the end of the year in the Magistrates' Courts. Last year 20 cognizable cases were committed to the Courts of Magistrates, in 16 of which convictions were obtained, in 2 cases the accused were acquitted and 2 cases remained pending at the end of the year.

The number of persons apprehended by the Police in cognizable cases including one remaining with the Police at the end of the last year was 209, all of whom were committed for trial. Out of them 45 were convicted, 162 were acquitted and 2 remained pending trial in the Magistrates' Courts at the close of the year.

Out of the 72 offences 1 was of murder, 1 of culpable homicide, 9 of grievous hurt, 28 of theft, 14 of house-breaking and theft, 1 of criminal breach of trust and 18 other offences.

The total number of cognizable and non-cognizable cases dealt with by the Jafarabad Police during the year including 24 pending at the close of the last year was 52 as compared with 67 last year. Out of these 37 were cognizable cases and 15 non-cognizable cases. Out of the 37 cognizable cases 6 were committed for trial, 2 were struck off the register and 29 remained under investigation with the Police. Convictions were obtained in all of these 6 cognizable cases. Last year the number of cases committed was 10, in 7 of which convictions were obtained and in three cases the accused were acquitted. The number of persons arrested by the Police in cognizable cases was 65, all of whom were committed for trial. Of these 58 were convicted and 7 were acquitted.

Further particulars as regards the working of the Police are given in Appendix V.

24. The total value of property reported as stolen during the year under report was Rs. 2,959 in the State proper and Rs. 277 in Jafarabad against Rs. 1,629 and Rs. 1,155 the year before. The value of the property found was Rs. 813 and Rs. 60 or 27·4 and 21·6 per cent respectively. The corresponding figures of the last year were Rs. 1,301 and Rs. 187 or 79·8 and 16·1 per cent respectively.

The details are given in Appendix VI.

25. No case of decoity occurred in Jafarabad during the year under report.
26. The ratio of Police to population and area was 1 to 658 souls and 1 to 2·4 sq. miles in the State proper and 1 to 478 souls and 1 to 2·3 sq. miles in Jafarabad.

#### CRIMINAL JUSTICE.

28. The following courts were in existence during the year.

- 1 Sadar Court.
- 1 Sessions Judge's Court, Janjira.
- 1 Additional Sessions Judge's Court, Janjira.
- 1 Sessions Judge's Court, Jafarabad.
- 1 Additional Sessions Judge's Court, Jafarabad.
- 1 District Magistrate's Court.
- 3 First Class Magistrate's Courts.
- 2 Second Class Magistrate's Courts.
- 4 Third Class Magistrate's Courts.

This is, no doubt, a formidable array of courts for the size of the State but it has to be maintained in conformity with the law followed in the State and for convenience of administration, but in all these criminal Courts work is very light. In particular, the State Dewan who is also the Sessions Judge never takes any Sessions cases as he has to sit in High Court in appeal cases as Her Highness, the Regent Begum Saheba's adviser.

In the State proper there was at the beginning of the year a balance of 5 cases involving 10 persons. 186 new cases involving 504 persons were sent for trial during the year against 201 cases involving 502 persons last year. Out of the total 191 cases implicating 514 persons, 181 cases involving 490 persons were disposed of, leaving 10 cases implicating 24 persons at the close of the year.

In Jafarabad there was no case pending at the end of the last year. During the year under report 35 cases involving 139 persons were sent for trial against 51 cases involving 82 persons last year. There were thus 35 cases implicating 139 persons for disposal, all of which were disposed of during the year under report.

The details as regards the disposal of cases and persons sentenced or otherwise dealt with are shown in Appendices VII & VIII.

29. The following Courts exercised appellate powers :—

- 1 District Magistrate's Court.
- 1 First Class Magistrate's Court.

There was one appeal involving one person pending undisposed of by the Appellate Court at the close of the preceding year. 6 appeals involving 6 persons were presented during the year. There were thus 7 appeals for disposal during the year all of which were disposed of during the year.

Details are given in Appendix IX.

The average duration of suits was 50 days as against 19 days in the preceding year. 1 suit of the value of Rs. 21-12-0 related to landed property and other rights and 25 suits of the value of Rs. 8,401 related to money transactions, the figures for the last year being 3 suits of the value of Rs. 1,331 and 29 of the value of Rs. 3,852 respectively. The nature and value of the suits are given in Appendix X.

No complaint was filed and disposed of during the year in the Mamlatdar's Court at Jafarabad.

## EXTRADITION.

36. One person was surrendered to the State by the British authorities and one was given over to the British authorities by the State during the year.

In Jafarabad 2 persons were handed over to the British authorities.

In the matter of extradition there was no want of reciprocity on the part of the neighbouring States or the British authorities.

## PRISONS.

37. There is one Central Jail at Murud under the superintendence of the Chief Medical Officer and a resident Jailor. The building is partly upperstoreyed and is commodious. It was thoroughly repaired during the year, the frontage being largely dismantled as it was in a dangerous condition. The Jail has in all 14 cells and 2 wards with kitchen rooms for male and female convicts. The Jail guard is placed at the entrance gate on the ground floor. The upper floor is used for office purposes. At the close of the last year there were 14 prisoners in the Jail. During the year 27 more were received. Out of the total number of 41 prisoners, 23 were released on completing their sentences, three died in the Jail and 15 remained in the Jail at the end of the year. Of these 15, 2 convicts were undergoing transportation for life, and 11 were long term and 2 were short term prisoners. The total cost of maintenance and control was Rs. 2,399 against Rs. 2,384 last year. The average cost per prisoner was Rs. 149 against Rs. 146 previous year. The prisoners are employed in the

Jail garden, on the new agricultural farm and occasionally on petty public works. The proceeds of their labour amounted to Rs. 47-13-10 against Rs. 100-10-8 in the last year. Further details are given in Appendix XIII.

At the close of the last year there were two lunatics in the Jail. 4 lunatics were admitted during the year under report. Of whom 4 were released and 2 remained at the close of the year.

No civil prisoner was in the jail at the end of the last year. Only one civil prisoner was received during the year and was released.

Three prisoners who suffered from Nervous Debility & Cho-Diarrhoea, Brancho-Pneumonia & General Debility, Periphreal Neuritis and General Debility respectively died in the jail during the year. They were under the treatment of the Chief Medical Officer of the State who is also the Superintendent of the Jail.

There is one Jail at Jafarabad under the superintendence of the local Medical Officer. The building is strong and commodious. This building was also thoroughly repaired, especially the frontage, and double entrance gates were provided—a precaution usually taken in all Jails where long term prisoners are kept. It has 9 cells and 2 cook-rooms. The Jail guard is placed at the entrance gate on the ground floor. At the close of the last year there were 9 prisoners in the Jail. During the year 13 were received. Further particulars are given in Appendix XIII.

Discipline was maintained in the Jails. The health of prisoners was good.

#### LOCK-UPS.

38. There are three lock-ups in the State, viz., at Murud, Shriwardhan, and Mhasla. The Central Jail at Murud is also used as a lock-up for that town; the other two are used both for undertrial prisoners as well as for convicts sentenced to imprisonment for terms not exceeding one week. Five undertrial prisoners and 2 short term prisoners were confined in the lock-up at Shriwardhan during the year. One short-term and one undertrial prisoner were confined in the lock-up at Mhasla. At Murud, inclusive of 2 remaining from the last year, 100 undertrial prisoners were confined in the Central Jail. This large number includes very nearly 80 persons accused of rioting, arson and other serious offences committed at Shriwardhan during the riot of April 1929. The average of detention in custody of undertrial prisoners was 24·3 days against 20·2 days last year. The cost of maintenance of these prisoners was Rs. 1,920 as compared with Rs. 85 last year.

There is no separate lock-up at Jafarabad and undertrial prisoners are confined in the Jail. There was one undertrial prisoner remaining in the Jail

at the end of the last year. The number of those confined during the year was 7, against 16 in the preceding year. The cost of maintenance was Rs. 5 against Rs. 91 in the preceding year. Further particulars are given in Appendix XIII.

39. Five documents remained unregistered pending inquiry at the close of the last year. The number of documents received for registration during the year under report was 1,540. Out of the total documents submitted for registration 1,542 were registered, 2 refused and one remained pending inquiry at the end of the year. The number of documents received and registered in the previous year was 1,392 and 1,394 respectively. The value of the documents registered was Rs. 11,30,327 against Rs. 12,69,904 last year, details of which are given in Appendix XIV.

The total receipts amounted to Rs. 6,570 and the expenditure to Rs. 1,604, the corresponding figures for the last year being Rs. 6,207 and Rs. 1,619. The details are given in Appendix XV.

In Jafarabad the Mamlatdar is the Sub-Registrar and the work is done by his establishment. The number of documents received and registered during the year under report was 46 against 34 last year. The value of the documents registered was Rs. 62,567 against Rs. 20,031 last year. The total receipts were Rs. 663 against Rs. 276 in the previous year. No separate expenditure is incurred on account of registration in Jafarabad.

#### MUNICIPAL ADMINISTRATION.

40. There are three Municipalities in the State, viz., those at Murud, Shriwardhan and Jafarabad. These Municipalities were established in 1888 under the Janjira State Municipal Act 1888.

The Murud Municipality held 9 general meetings and 30 meetings of the Managing Committee. The Shriwardhan Municipality held 8 general meetings and 33 meetings of the Managing Committee. The total income of Murud and Shriwardhan Municipalities amounted to Rs. 14,647 and the expenditure to Rs. 18,306. The chief sources of income of Murud and Shriwardhan Municipalities are octroi and house-tax. The Murud Municipality constructed a building for its office at a cost of about Rs. 4,000 this year, as it had none of its own upto this time and its Office was housed in the building of the Murud General Library.

The Jafarabad Municipality held 16 general meetings and 24 meetings of the Managing Committee. The total income of the Jafarabad Municipality amounted to Rs. 4,235 and the expenditure to Rs. 4,415.

The Municipalities in the State paid such attention to road repairs and lighting as their income could permit.

### CHAPTER IV.

#### PRODUCTION AND DISTRIBUTION (1929).

##### (a) WEATHER AND CROPS.

41. The monsoon set in on the 6th June 1929. The rainfall in June was heavy, in July and August sufficient and in September moderate. The

rainfall on the whole was seasonable. Taking the crop of 12 as. as an average crop, the rice crop was 12 as., and Warkas (Nagli and Wari) and sesamum 11 as. Wal as a second crop was also good. The yield of coconut and betelnut was good and fetched fairly remunerative prices. The total average rainfall was 99.57 inches.

In Jafarabad the monsoon set in on 8th June 1929. The total rainfall was 22.35 inches as compared with 24.35 inches last year. A most unusual fall of 16.40 inches was received in two days on the 13th and 14th of July. This was a record breaking downpour. It was, as is always the case with abnormal downpours, of little use except for softening the soil, where it fell, for sowing purposes. On the other hand it did some harm to landed properties and resulted in scantier rainfall than usual later on when wanted for maturing the crops. The Bajri crop was fair but Jwari, sesamum and groundnut failed for want of seasonable rain. The average yield of Bajri and Jwari was about 10 as. and 1 to 2 as. respectively. Cotton was about 1 anna in the rupee and sesamum about 4 annas. Further details are given in Appendix XVII.

#### (b) WAGES AND LABOUR.

41. The wages of unskilled labourers ranged from 8 as. to 12 as., and those of ordinary carpenters and masons, who are treated as skilled labourers, ranged from 12 as. to Rs. 1-8-0 per day. These are held to be high rates for this State and are due to the large demand for labour at Bombay. At present large numbers migrate from every village to Bombay. As many of these do not return during the monsoon the work in the fields suffers.

In Jafarabad the wages of unskilled labourers were from 6 as. to 8 as. and those of skilled labourers from Rs. 1-8-0 to Rs. 2-0-0 per day. These were high rates of wages and partly due to high prices of food stuffs and partly to the large demand for labour at Bombay.

A good number of Mahomedan traders from Janjira also go to Africa and Baghdad for business.

#### PRICES OF FOOD GRAINS.

43. The prices of rice and a few of the inferior food grains were lower in Janjira and also in Jafarabad as compared with those in the previous year. Rice crop very largely preponderates in this State and is its staple food grain. Rabi crops such as wheat and gram are not grown in the State proper.

The State being within easy reach of Bombay, prices of all crops march largely with those prevailing in the Bombay markets. The details are given in Appendix XVIII.

#### (c) FORESTS.

44. The total establishment of the Forest department numbered 71 as compared with 68 last year. It consisted of 1 Inspector, 2 Rangers, 1 Awal-Karkun, 1 Surveyor, 23 Round guards and 43 Beat guards. In Jafarabad where there are no forests at all, the forest establishment is negligible, the little tree growth here and there of Babul and Gorad being looked after by the

village Havaladar. On the other hand the forests in the State proper are very valuable and form one of the chief sources of State revenue.

45. The coupe system has been introduced into the State since the last two years. The total area of the reserves including protected forests is roughly 51,658 acres, divided into two separate working circles, *viz.*, fuel and teak pole. The area of the fuel working circle has been estimated at 41,645 acres and divided into 10 felling series, each again being divided into 20 coupes averaging about 200 acres each. The total area of the teak pole circle is roughly 7,532 acres divided into 2 felling series each comprising 40 coupes with an average area of about 100 acres. 2,481 acres have been set aside for shikar reserves.

The total area of Kirdava (cultivable) forests is roughly estimated at 88,268 acres, divided into 9 felling series of 20 coupes with an average of about 500 acres each.

46. The total receipts from forests (exclusive of Jafarabad) amounted to Rs. 69,191, against Rs. 87,088 the year before. The decrease is due to the fact that the price of fuel having gone down, some of the coupes put to auction were not sold on account of low bids. The wood exported from the State is mainly taken up by the Bombay mills, and the long continued strikes in them adversely affected this very important industry of the State.

The expenditure was Rs. 17,031 against Rs. 16,442 in the previous year.

In Jafarabad the receipts were Rs. 159 against 105 last year and no expenditure was incurred.

47. Free grants of timber for religious and other public purposes were made during the year to the value of Rs. 157.

48. After a coupe is cleared, care is taken to foster the natural growth in it and plantation of new seeds is also resorted to. A large quantity of Teak, Ain, Kinjal, Harda, Kaju, Khair and Mango seeds, was sown in parts of Murud, Shriwardhan and Mhasla Talukas and the plants are reported to be doing well.

49. The number of offences committed during the year was 83 involving 224 persons. The number of old cases under investigation was 60 involving 150 persons, the total cases being 143 against 168 last year. Of these 87 cases involving 234 persons were detected and disposed of during the year departmentally and fines to the extent of Rs. 2,222 were levied. The number of undetected cases at the end of the year was 56.

50. There were six forest fires against 8 last year. The forest area involved was 134 acres. No damage was however done to the forests.

51. Enquiry as regards amounts to be paid to the owners of the lands for their trees cut by the contractors was completed in seven villages, *viz.*, Wawdungi, Pale, Kondivli, Dhorje, Nandale, Gani and Kanghar, during the year. A total sum of Rs. 11,503 was paid to the owners during the year under report.

52. During the year one Ranger, two Round Guards and two Beat Guards were fined and one Beat Guard was dismissed for negligence of duty.

## (d) TRADE AND MANUFACTURES.

53. The import and export trade of the State (both in Janjira and Jafarabad) is all by sea. The ports on the Janjira coast as well as that of Jafarabad are being gradually blocked up by sand bars. The imports increased from Rs. 12,58,219 to 12,71,512, a net increase of Rs. 13,293, and the exports decreased from Rs. 5,40,692 to Rs. 5,13,410, a net decrease of Rs. 27,282. The increase under imports occurred in Grain, Ghee and Oil, Metals and Country liquor. The decrease in exports occurred under most of the important commodities, viz., firewood, betelnuts, and coconuts, dried fish and myrobalans.

In Jafarabad, the exports decreased from Rs. 10,28,579 to Rs. 8,46,233, a net decrease of Rs. 1,82,346. The imports increased from Rs. 8,05,450 to Rs. 8,33,920, a net increase of Rs. 28,470. The decrease in exports is due partly to Toll Nakas being posted by the neighbouring States for levying duties and partly to want of sufficient stock of grains on account of bad season. The export from this port consists of grain, ghee, dried fish and chunam and imports of rice, grain, cotton and woollen stuff, metals, firewood, timber, sugar, and Kerosene oil.

54. There are no factories in the State to speak of. There is a small oil and flour mill at Jafarabad worked by an oil engine. There are also three mills in the state proper, one at Murud, where wood sawing, paddy husking, chunam grinding, etc., is done, another at Mhasla and a third one at Shriwardhan. Nor are there any special industries in the State. There are a few weavers in Shriwardhan Taluka who weave coarse sarees. There are small industries in several villages where articles such as copper pots, wicker work, earthen-ware, shoes, etc., are made to meet the local wants, but the articles are of inferior quality and not even sufficient to meet local requirements. In Jafarabad woollen blankets, coarse cotton cloth and native shoes are made for local consumption.

## (e) PUBLIC WORKS.

55. The total expenditure on public works including Local Fund works in the State proper during the year under report was Rs. 1,51,888 as compared with Rs. 1,46,780 in the previous year. The details are given in Appendix XIX. The increase is only on paper as an old standing unadjusted amount of Rs. 15,000 was adjusted during the year.

56. The country is covered by high hills and is cut up by creeks, of which the three principal ones have now been bridged. The construction and maintenance of roads is, therefore, very expensive. There are about 100 miles of pacca roads connecting all large places and markets in the State. Ordinary repairs to these roads cost Rs. 7,130. Special repairs to the cost of Rs. 14,891 were made to the more frequented ones, the first to rank among them both in use and length, being the Murud-Borlai Road on which Rs. 5,387 were spent. It is 18 miles long and runs along almost the whole coast line of the Murud Taluka. Rs. 305 were expended in building two culverts on the Salav Talekhar Road; Rs. 451 on pitching to Kesoli Road; Rs. 2,921 for Murud town roads on metalling and on building three culverts; Rs. 3,200 for the Dighi-Shriwardhan Road on metalling etc., Rs. 2,525 for Mhasla-Shriwardhan Road on metalling and building two culverts; the last two ranking only next to the Murud-Salav Road in length and use in the respective Talukas.

The construction of a new bridge on the Chikhlap river on the Dighi-Shriwardhan road in the Shriwardhan Taluka involving a diversion of the road on both approaches thereto, was commenced this year and completed at a cost of Rs. 9,999. It supplied a very long felt want in the Shriwardhan Taluka, as Traffic over the Shriwardhan Dighi Road—the only means of communication during the rains—used to be held up during the greater part of the rains. Rs. 2,900 were spent on new Usroli Talekhar Road this year and Rs. 450 on the Borlai-Mandla bridge.

Rs. 44,299 were spent on new buildings during the year, *viz.*, Huzur Office rooms and a pavilion attached to the hot weather bungalow of the ruling family at Kesoli, a New Guest house at Murud, Police Sub-Inspector's Quarters at Murud, kitchen and privies for the Lady Kulsum Begum Dispensary at Murud, School Building at Nandgaon, Tahasildar's office at Mhasla, Police lines, Shriwardhan, and the Mhasla Market. Special repairs to 46 buildings were made at an expenditure of Rs. 30,105. The total cost of ordinary repairs to buildings in Murud, Shriwardhan and Mhasla Talukas, including those in Janjira and Kansa forts, cost a further sum of Rs. 7,100.

An amount of Rs. 10,966 was spent on improvement of water supply during the year. A sum of Rs. 6,753 was spent in connection with the Victoria Water Works, which supply drinking and domestic water mainly to Murud town, Rs. 3,296 on new works and Rs. 1,742 on repairs and Rs. 1,715 on establishment and contingencies. Rs. 3,527 were spent on the construction of new wells at Khar-Amboli, Chichghar, Borlai-Mandla, Nandgaon, Sawroli and Wandre in Murud Taluka, Shista and Wadshet-Wave in Shriwardhan Taluka and Surai and Waral in Mhasla Taluka and Rs. 687 on repairs to wells at different places.

Rs. 674 were spent on repairs of reclaimed salt lands in Murud and Mhasla Talukas and Rs. 705 on petty works.

Establishment charges of Public Works Department amounted to Rs. 10,789 against Rs. 11,332 in the previous year.

57. The total expenditure during the year under report on Public Works in Jafarabad was Rs. 21,767 against Rs. 15,597 in the previous year. Out of these a sum of Rs. 14,656 was spent on new buildings, Rs. 1,897 on annual repairs to public buildings, Rs. 4,449 on petty works and Rs. 764 on establishment.

#### (f) POST OFFICES.

58. There are two combined Sub-Post and third class Telegraph Offices in the State, one at Murud and the other at Jafarabad. There is also a Sub-Post Office at Shriwardhan and Branch-Post Offices at Mhasla, Wadavli, Borlai-Panchtan, Borlai-Mandla, Nandgaon, Hareshwar and Dighi, the last six being under the respective village school-masters. All these are British Post Offices and are worked under the direct control of the British Post and Telegraph Departments. Motor Mail Service between Salav and Murud which was rendered possible by the Borlai bridge and was introduced in October 1928, worked satisfactorily during the year.

#### (g) MINT.

59. His Highness the Nawab Saheb possesses coinage rights, but no coining is done in the State.

(h) GENERAL CONDITION OF THE STATE AND THE PEOPLE.

60. There is nothing particular to report under this head. The economic and financial condition of the State is quite satisfactory and the people contented. The only untoward occurrence of the year was the communal riot at Shriwardhan referred to above. Besides being a communal fracas the authority and prestige of the State were also involved, in-as-much as the fencing of the Mahomedan burial ground, to which the Hindu community took exception, had been put up under the orders of the State. With the exercise of patience and tact, accompanied by a stern assertion of the majesty of law and order, the trouble was got under in course of time.

The condition of the wage-earning classes remained unchanged.

Water supply was adequate and agricultural stock sufficient.

61. The Anjuman-i-Islam Institution which has long been established in Murud continued to do useful work among the Mahomedans; and the Bhandari boarding house for boys of that community continued to be maintained entirely by contributions from Bhandari people. The private High School at Jafarabad which is working under the Kelvani Uttejak Mandal of Bombay, consisting of educated persons and well-to-do merchants, continued to do very good educational work there. There are now two hostels attached to it for the convenience of boys coming from up-country.

Under receipts in Janjira the causes and sources of the more important increases and decreases are given below :—

Under Land Revenue, the increase (Rs. 8,533) was due to revised assessments in the Mhasla Taluka ; under Customs (Rs. 2,631) to better receipts from Jakat, Port dues, Steamer fees and Wharfage ; under Abkari (Rs. 1,679) to better receipts from Country Liquor Shop License Fees, Toddy Shop License fees and Ganja License Fees ; under Criminal Courts, Jail and Police (Rs. 7,277) to the receipt of fines from the large number of the accused in the Shriwardhan Riot case. Local Funds receipts were better (Rs. 3,687) on account of increased revenue from one anna cess, on account of revised rates in the Mhasla Mahal and from Ferries. On the other hand the decrease under Forests (Rs. 17,897) was due to smaller receipts from the sale of coupes apparently as a result of the introduction of the coupe system ; under Salt (Rs. 2,014), Stamp (Rs. 2,882) and Civil Courts and Registration (Rs. 1,809) to smaller receipts under those heads than in the preceding year. The decrease under Miscellaneous (Rs. 1,301) was due to less income from interest on loans to private individuals. The decrease under Deposits (Rs. 9,119) was due to smaller amounts received in deposit. The decrease under Advances (Rs. 56,293) was due to the fact that last year large sums were recovered on account of oldstanding advances and loans from two Inamdars.

In Jafarabad, under Receipts the increases are distributed in small sums over various heads. Two noticeable decreases occurred (1) under Land Revenue (Rs. 11,874) due to the fact that in the preceding year a large amount of old arrears was recovered which was not the case in the year of report ; and (2) under Miscellaneous (Rs. 28,021) due to the fact that last year Municipal Sudhara Deposits which belonged to the State, and other time-barred deposits were credited to the State accounts.

Under expenditure in Janjira the more important increases and decreases are noted below :—

The increase under Public Works (Rs. 3,666 over last year's expenditure and Rs. 10,807 over and above the budgetted amount of Rs. 1,30,000) was only nominal, being partly due to the adjustment of an old advance given in 1921 for constructing a new Office Building at Kesoli and partly to the distribution of the expenditure on the Electric Power House over 'Darbar', 'Public Works Department' and 'Wharfage' which heads receive advantage of the lights ; under Revenue and General Administration (Rs. 4,973) to reorganization of Taluka and Talathi establishments ; under Criminal Courts, Jail and Police (Rs. 9,339) to the unusual expenditure of lawyers' fees and on additional Police ; under Education (Rs. 1,418) to the reorganization of the staff of the High School ; under Salt (Rs. 1,225) due to purchase of Salt at a little higher rate to secure better quality ; under Abkari (Rs. 10,412) to the duty and cost of Mowra Liquor imported from the British Warehouse ; under Customs (Rs. 2,436) to the fact that larger amounts were expended on construction of and repairs to Wharves ; under Dispensary (Rs. 2,728) to the opening of the new Lady Kulsum Begum Dispensary for women and children in the town of Murud ; under Local Funds (Rs. 1,890) due to larger amounts expended on sinking new wells and special repairs to Local Board roads ; under Pensions (Rs. 1,471) due to increase in Gratuities and Pensions.

The decreases noticeable are under Refunds (16,182) due to the fact that last year larger refunds of Land Revenue had to be made to the ryots owing to remission of revised rates, and payment to the ryot larger amounts on account of Malki huk on Forests. Under Miscellaneous (Rs. 4,798) due to the fact that last year a sum of Rs. 4,208 was debited to the Khasa Sarkar accounts on account of several past years' dues of a levy at Jafarabad called the "Saheb Zada"—an annual perquisite to the heir apparent ; under Deposits (Rs. 29,443) due to smaller amounts on account of deposits being recoverable ; under Advances (Rs. 2,752) due to smaller amounts advanced this year.

Under expenditure in Jafarabad the noticeable increases were under Public Works (Rs. 6170) due to special repairs to His Highness' residence at Lonsapur, Stables and Cattle (Rs. 3,225) due to the transfer of a used motor car from Janjira to Jafarabad for use there.

The decreases were mostly of small amounts below Rs. 1,000/—under most heads. Those in excess of Rs. 1,000 were under Darbar (Rs. 1,683) due to small expenditure on Darbar charges ; under Miscellaneous (Rs. 1,115) due to smaller expenditure on Printing. The largest apparent decrease is under Deposits (Rs. 27,287) due to the fact that last year Municipal Sudhara Deposits and other time-barred deposits were credited to the State.

## CUSTOMS.

65. The receipts under this head in the State proper exclusive of the subsidy of Rs. 13,000 for Customs, Salt, Abkari and Opium received from the British Government under the convention of 1884, were Rs. 8,140 against Rs. 7,054 last year. By the convention, this State has adopted the British Tariff and the British Customs system at all the ports in the State proper and no export or import duty is levied except on goods exported to or imported from foreign ports. The rates for the latter are the same as those in force in the British ports under the Indian Tariff Act III of 1896.

The read buoy was as usual placed on the Whale Reef off the Rajpuri point during the fair season for the information of mariners.

Jafarabad falls under the category of foreign ports under the Government of India, Finance Department (Central Revenues) Notification No. 95, dated the 16th July 1927.

The receipts for this port amounted to Rs. 37,295 and the expenditure Rs. 3,173 against Rs. 37,491 and Rs. 3,251 respectively last year.

No offence against the Sea Customs Act was reported during the year as in the previous year.

The income derived from Landing and Wharfage fees was Rs. 8,346 during the year. Rs. 12,382 were spent on improving landing at Janjira and thoroughly reconstructing those at Dighi and Shriwardhan bunders.

The total quantity of Salt issued from the Salt Works in Jafarabad was 12,735 maunds. The price realized was Rs. 1,001 against Rs. 796 last year and the expenditure was Rs. 354 against Rs. 120 in the preceding year.

#### EXCISE.

##### (a) OPIUM.

66. In the State proper the balance from the last year's stock was 56 lbs. and 17 tolas and 6 lbs., 1 tola and 135 grs. were purchased during the year. There was a net increase of 4 tolas and 45 grains due to the climatic effect. The total quantity sold was 47 lbs., 6 tolas and 45 grains against 43 lbs. and 9 tolas last year, the balance left being 15 lbs., 16 tolas and 135 grains. Opium was issued to the licensee at the fixed rate of Rs. 37-8 per lb. and the realizations amounted to Rs. 1,768. Rs. 1,870 were received from license fees. Expenditure incurred under this head on account of opium purchased during the year was Rs. 104 as compared with nil in the last year.

Jafarabad had an opening balance of 46 lbs. and 35 tolas and 96 lbs. were purchased during the year. There was a net increase of 36 tolas due to the effect of the climate. The total quantity sold was 109 lbs., 3 tolas and 45 grains against 108 lbs. and 4 tolas. The balance left at the close of the year was 34 lbs., 26 tolas and 135 grains. Opium was issued to the licensee at the fixed rate of Rs. 37-8 per lb. and the realizations amounted to Rs. 4,090 against Rs. 4,054 last year. The last year's license for retail sale of opium continued till 31st July 1929 and from 1st August last the sale of opium has been continued departmentally and the rate of selling price was Rs. 381-2 a lb. No income of the license fees was received as no license for the right of retail sale was given during the year.

No offence under the Opium Act was reported during the year and no case of breach of license conditions was detected in the State proper as well as in the Jafarabad dependency.

##### (b) TOBACCO.

67. The income under this head is derived in the State proper from a fee charged on all tobacco imported into the State for local consumption. The amount recovered during the year was Rs. 852 against Rs. 874 in the preceding year.

In Jafarabad licenses were issued for the sale of tobacco and a monthly fee of Rs. 10 in Jafarabad and Rs. 5 in villages was levied. The income thus obtained amounted to Rs. 1,872 against Rs. 1,625 in the previous year.

## (c) ABKARI.

68. The system of Abkari administration in the State proper is the same as that in the Bagayat portion of the Kolaba District. There is one distillery at work in the town of Murud where liquor is distilled from toddy. All surplus toddy, remaining unsold after the authorised period, is taken to the distillery for distillation. The total number of licenses of toddy shops during the year was 68 against the same number last year. The number of coconut trees covered by them was 4,806 against 4,696 in the preceding year. In addition to these, 21 tree-foot-booth licenses were issued during the year under report and the number of wild palm trees covered by them was 738 against the same number of tree-foot-booth licenses and 1230 trees last year. Besides one domestic consumption toddy license for two wild palm trees was granted during the year under report.

The rates of tree-tax in force in the State were Rs. 12 for each coconut tree and Rs. 2 for each wild palm tree.

The rates of still-head duty levied on liquor issued from the State distillery were Rs. 5-10-0 on 40° U. P. and Rs. 3-12-0 on 60° U. P., *i. e.* the same as those for Kolaba District. The selling price was reduced from Rs. 1-12-0 to Rs. 1-6-0 for 40° U. P. and from Rs. 1-2-6 to Re. 1-0-0 for 60° U. P. of toddy liquor as well as Mowra liquor. Thus the rates at which liquor was issued to shopkeepers were Rs. 7-0-0 for 40° U. P. and Rs. 4-12-0 for 60° U. P. of toddy and Mowra liquor during the year under report.

The separate shop system was in force in the State. All liquor shops were sold by public auction for a period of 12 months commencing from 1st April 1929 to 31st March 1930. The number of country liquor shops in the State was 16 against 15 in the previous year. There was only one foreign liquor shop, *viz.*, that at Murud.

No prices were fixed for the retail sale of raw toddy and country liquor during the year under report.

The total sales during the year were as under:—

| Year    | 60° U. P.<br>gallons. | 40° U. P.<br>gallons. |
|---------|-----------------------|-----------------------|
| 1928-29 | 1,348                 | 3,977                 |
| 1929-30 | 1,325                 | 3,599                 |

The decrease is attributed to the facts that there were not so many marriages among the drinking classes as during the last year and to the want of big forest contracts. There are no prospects of sales being improved on account of the continued depression in trade.

The subjoined table shows the quantity of liquor distilled in the State and that imported from Bombay and quantity sold during the year:—

| Item.                              | Quantity of spirit in L. P. | Issued to shops bulk gallons. |           |               |           |

The total strength of the Abkari establishment in the State proper during the year consisted of 1 Inspector, 3 Sub-Inspectors, 1 Clerk, 1 Head Constable, 10 Constables and 2 Farashes. The Inspector is taken from British service.

During the year under report one case of possession of toddy in excess of the prescribed limit was sent up for trial under Section 43 (1) (a) of the Abkari Act and the accused was sentenced to pay a fine of Rs. 5 or in default to undergo simple imprisonment for seven days. The fine was paid.

Eighteen cases of breaches of terms of the licenses were detected during the year. They were all disposed of departmentally by inflicting fines amounting to Rs. 85 in 15 cases and in 3 cases the licensees were warned.

|---|----------|----------|

The haul was good but on account of the fever epidemic which spread in the fishermen's camp they departed to their native places earlier than the usual time.

It subsided by the end of February. The number of deaths was 255. Prompt

Instruction in drill is also imparted to the boys in the High School by a trained Drill Master from the Police force. Several Vernacular schools have also been provided with gymnasium apparatus. In order to give impetus to the physical sports and games, athletic tournaments of the High School at Murud were held from 4th to 6th of March 1930.

97. The private Anglo-Vernacular School, opened at Jafarabad by the Jafarabad Kelavani Uttejak Mandal on 1st June 1927 has reached the status of a High School, and is doing most excellent teaching work on up-to-date lines. Physical development of the students of the School is attended to as much as the mental, every boy being compulsorily required to take physical exercise of one kind or other. A piece of land measuring 25,000 square yards required by the Mandal for the purpose of erecting school buildings, boarding houses etc., was handed over to it during the year.

There is a gymnasium attached to the Gujarathi School at Jafarabad.

100. The total expenditure was Rs. 6,119 against Rs. 5,749 last year, the excess being due to the re-organization of the village schools' staff this year.

## CHAPTER VIII—MISCELLANEOUS.

### PRINTING PRESSES.

101. There is one private printing press at Murud which is given most of the State printing work, mainly forms and the State Gazette. The total amount spent on printing work during the year was Rs. 6,027.

The Libraries at Murud and Shriwardhan receive contributions from the State and the Jafarabad Library from the Municipality there. Pending some repairs to the light at Jafarabad, a fixed white light is exhibited at Jafarabad Light House. The total cost of maintenance of this Light House was Rs. 701 against Rs. 626 last year.

The Light House at Nanoli was inspected on the 4th February 1930 by Mr. Oswald, Chief Inspector of Light Houses.

the Pot Hissa Survey and Record of Rights in villages of Murud, Shriwardhan and Mhasla Talukas some of Mr. Anderson's forms with some modifications to suit local requirements have been adopted.

#### CONCLUSION

107. In spite of the preoccupations and anxious times created, and continued for well nigh half the year under report, by the communal riot at Shriwardhan and its aftermath, uninterrupted progress was kept up in matters of works of public utility and convenience and of administrative measures of state as in recent years. The trouble which was fortunately confined to Shriwardhan town and its surroundings was not permitted to affect the progress of works and measures of public utility even of the town itself, as evidenced by the fact that two of the most important of such works carried out during the year, appertained to the Shriwardhan town and its neighbourhood and supplied very long felt public needs, *viz.*, the provision of a safe and convenient landing place or wharf at Shriwardhan and of a substantial bridge on the Dighi-Shriwardhan road, the only thoroughfare to Shriwardhan and Mhasla during the rains. Your Highness will be pleased to learn that the Shriwardhan wharf has attracted the attention even of British Officers, one of whom has requested me to supply the plans and estimates thereof for adoption at other similar ports in British territory in the neighbourhood.

Thanks to Your Highness' solicitude for the women and children of the State a fine dispensary for women and children combined with a Maternity Home was provided during the year under a qualified lady doctor and Your Highness' name has been suitably given to the institution.

During the year I visited all the Talukas of the State for special matters and general inspection and enquiries about works of public utility and local wants. I also paid a visit to Jafarabad for the same purpose.

The principal measures of public improvements carried out during the year were :—

- (1) Extension, consolidation and improvement of the wharf at Shriwardhan and the construction of an approach road and a bridge leading to it. This was practically a thorough overhaul and renewal of old inconvenient and rough landing place.
- (2) Construction of a new girder bridge with reinforced cement concrete floor over the Chikhlap river on the Dighi-Shriwardhan Road.
- (3) Opening of the Lady Kulsum Begum Maternity Home and Dispensary for women and children at Murud.
- (4) Construction of new Police Lines at Shriwardhan.
- (5) Tahasildar's Office at Mhasla.
- (6) Construction of a wharf at Dighi on the Dighi-Shriwardhan Road.
- (7) Reorganisation of the establishments of the Revenue Department of the State.
- (8) Reorganisation of the Sir S. A. High School at Murud and village schools of the dependency of Jafarabad.
