HONORARY SECRETARY

Text of Resolutions passed at the meeting of the Council of the All India Muslim League, held on the 14th & 15th of November 1943, at the Anglo Arabic College Hall, Delhi, under the Presidentship of Mr. M A. Jinnah.

Resolution No. 1.

“The Council of the All India Muslim League places on record its deep sense of sorrow and grief at the sad demise of Hazrat Maulana Mohammed Ashraf Ali Shah Sahib Thanavi. The late Maulana was a profound scholar and exponent of Islam, an author of several hundred books on Muslim Theology and a spiritual guide of great eminence with lakhs of followers and disciples. The yeoman services rendered by him, for the cause of Islam, through precepts and practices are too many to be enumerated. His death is mourned all the more as the late Maulana’s blessings and support to the Muslim League have proved very forceful in counteracting the vicious forces let loose by interested persons to break the solidarity of the Mussalmans of India. This Council offers fervent prayers to the Almighty that the departed soul may rest in abiding peace and continue to inspire those working for the consolidation of Muslim India. This Council conveys its sincere sympathy and condolence to the members of the late Maulana’s family as well as to his numerous Khalifas and innumerable disciples and followers.”

effective action.”

Resolution No. 5.

“The Council of the All India Muslim League, after careful and earnest consideration, has come to the conclusion that the Khaksar organization, which was originally a purely social and religious organization, has shown by its writings and actions that it is now pursuing a general policy which is hostile and antagonistic to the policy of the All India Muslim League. In the circumstances, the Council resolves that no member of the Muslim League should hereafter join or continue to remain as a member of the Khaksar organization.”

Resolution No. 6.

“The Council of the All India Muslim League has learnt with alarm and misgivings that the Jewish Agencies have again started anti-Arab propaganda and are pulling the strings in America and England for further immigration of the Jews to Palestine to the detriment of the just and legitimate interests of the people of that country. This Council considers it necessary to remind the British Government that the re-opening of the immigration question will be directly in conflict with even the policy outlined in the White Paper and contrary to the solemn pledges given by the Ex-Viceroy Lord Linlithgow in his letter dated 27th June 1940 to Mr. M.A. Jinnah the President of the All India Muslim League in the following passage :—

Resolution No. —2,

Whereas, as the first step towards consolidating the strength of the Muslims in Pakistan areas and preparing them for the heavy and onerous responsibilities inherent in the status of an Independent Sovereign State, the All India Muslim League has, with the support and co-operation of the Muslims, succeeded in establishing its Governments in all the Pakistan Provinces, which has naturally opened up vast opportunities to the Muslim representatives in the Assemblies and Cabinets for service to their people in the Provincial sphere of activities like education, agriculture, irrigation, providing with facilities for labour, economic holdings and fair rent for tenants etc, and whereas it is acutely realized that neither the people nor the Provincial States, which have for long been denied opportunities for a fair and natural development due to historical, political and, in some instances, communal considerations, will be able to ameliorate their lot to any appreciable degree or effectively function as a State without a gigantic and co-ordinated drive in the field of economic reconstruction and state industrialisation, this Session of the All India Muslim League hereby authorises the President to appoint a Committee, with power to co-opt, to prepare a comprehensive scheme for five year programme for the economic and social uplift, State Industrialisation in Pakistan Zones, introduction of free Primary basic education,

views with grave concern and alarm the tragic consequences resulting from it in Bengal and some other parts of the country, and emphatically urges upon the Government of India and the British Government to adopt, immediately, more vigorous and effective measures to cope with the food problem in the country and to remove distress prevailing in Bengal and other parts of the country and further urges upon the Government to take effective precautionary measures against recurrence of similar condition either in Bengal or in any other part of the country.

The Council calls upon the people of Bengal to give their whole-hearted support and co-operation to the present Ministry which is doing its very best for alleviating the distress prevailing in the province and to prevent its recurrence in future.

The Council appeals to the Mussalmans all over India to continue to give their help to the people of Bengal either in cash contributions or in kind."
