R. S. NIMBKAR,

Journalist.

My dear Comrade,

Your kind letter.

I believe, you have received all the details from Cawnpore. Mr. Satyabhakta, to my disappointment, has not replied me.

I agree to your proposal, about reception to be accorded to Com. Shafiq. I have asked Mr. Joglekar to write to you.

Then as regards Mr. Ghate, Mr. Sadanand is a swelled head already and I honestly think he will be of no use to us.

Expecting occasional letters from you.

My dear comrade Begerhotta.

Your insured letter of 14th August to hand. The Indian communists abroad are fully in accord with you to combat the mischievous progadanda carried by Satyabhakta & Co. of Cawnpore. With that object in view we have published a leaflet called "National Communism", which will reach you soon. Please see that it is reprinted in India and given a wide publicity. We appreciate your determination to start an educative propaganda among the Indian Masses.

Our party of Great Britain will be requested to send you all available material which you require.

I can recommend to you some of the papers published in England, which I hope you will soon begin to receive, as the Party of Great Britain will be requested to send you all those publications and others not mentioned herein.

7. The Masses of India.

Received your money order with thanks. It was not necessary to send it. We cannot cash it and therefore are sending you back.

We were very glad to hear that comrades Gohar Rehman, Nasim and Majid are there. We could not write to them because we had no address of theirs. Give them our greetings. Congratulate Com. Shafique on our behalf and give him our best wishes.

With fraternal greetings.
