## **PART II**

### **Introduction**

GIPE library has the precious collection of microforms nearly 400 films, and 10000 fiches.

This is an attempt to list the microform collection systematically. This bibliography is basically arranged according to the originals forms i.e., Reference Books, Books, Theses, Census, Gazetters, Letters of G.K.Gokhale.

Each entry in the section of bibliography is arranged as follows -

#### **Reference Books**

The arrangement of the entries is according to authors and subject index is also prepared for the same.

#### **Books**

This section is arranged alphabetically according to authors and entries derived for the subject headings from the title and the table of contents, and a subject index has been prepared.

#### **Thesis**

The entries in this section are arranged alphabetically according to the name of the researcher. The subject headings are derived from the title and the table of contents.

#### **Journals**

In this section entries are arranged according to the title of the journal. Subject headings are derived with the help of title, table of contents.

### Census

The list is arranged according to the year of the Census and under each year, entries are arranged alphabetically by the name of the state. The index to this section is geographical one has many cross references.

### Gazetters

These boxes are rearranged according to the state and within a state according to the district. An district index has been provided for quick and easy reference.

### Letters

The entries in this section are arranged according to the reel numbers provided by the ' National Archives of India ' and a name index is prepared.

It is hoped that this bibliography make the users aware of the microform collection and it will help the staff to make the collection available to readers.
