FOREWORD.

In reply to the invitation of the Indian Statutory Commission, the Government of Bengal have in the first part of this volume collected material relevant to the enquiry of the Commission, and have endeavoured to describe the working of the system of government introduced by the Government of India Act of 1919. The second part contains the conclusions which in their opinion are indicated by the experience of the past seven years and the suggestions which they have made for the revision of the constitution.

Contents.

PART I.

CHAPTER.	PAGE.
