

GOVERNMENT OF INDIA
PLANNING COMMISSION

SECOND FIVE YEAR PLAN

1956

PC. 31
50,000

GOVERNMENT OF INDIA
PLANNING COMMISSION

SECOND FIVE YEAR PLAN

1956

Price Rs. 4/8/- or 7sh.

Explanatory Note

The expression 'lakh' and 'crore' signify 100,000 and 10,000,000 respectively

SECOND FIVE YEAR PLAN

CONTENTS

APPROACH AND ORGANISATION

	PAGE (xi)
INTRODUCTION	(xi)
CHAPTER I.—DEVELOPMENT OF THE ECONOMY : ACHIEVEMENT AND PERSPECTIVE	I
1 The First Five Year Plan	1
2 Key Factors in Development	6
3 Changes in Economic Structure	12
4 Physical and Financial Planning	15
5 Perspective and Flexibility	17
CHAPTER II.—APPROACH TO THE SECOND FIVE YEAR PLAN :	21
1 Objectives and Techniques	21
2 The Socialist Pattern of Society	21
3 Objectives	24
4 Employment	26
5 Industrial Policy	28
6 Reduction in Inequalities	32
7 Economic Policy and Techniques	37
8 <i>Annexure</i> —Industrial Policy Resolution	43
CHAPTER III.—THE PLAN IN OUTLINE	51
1 Plan Outlay and Allocations	51
2 Investment in the Second Plan	56
3 Targets of Production and Development	58
4 Agriculture and Community Development	61
5 Irrigation and Power	64
6 Industrial and Mineral Development	66
7 Transport and Communications	69
8 Social Services	71
9 National Income, Consumption and Employment	73
10 <i>Appendix</i> —Plan Outlay by States	76
CHAPTER IV.—FINANCE AND FOREIGN EXCHANGE	77
1 Finance for the Public Sector	77
2 Savings in relation to Public Investment	82
3 Deficit Financing	83
4 Resources of State Governments	87
5 The Role of Public Savings in a Developing Economy	90
6 Investment in the Private Sector	92
7 Foreign Exchange Resources for the Plan	94

Exports	96
Imports	99
Invisibles	101
The Deficit	102
<i>Appendix I: Financing of the State Plans—Part 'A' and 'B' States</i>	106
CHAPTER V.—EMPLOYMENT ASPECTS OF THE PLAN	109
Size and Nature of the Problem	109
Choice of Techniques	112
Employment Estimates for the Second Plan	114
Programmes for Special Areas	119
Educated Unemployed	120
CHAPTER VI.—ADMINISTRATIVE TASKS AND ORGANISATION	126
Tasks in the Second Plan	126
Integrity in Administration	127
Administrative and Technical Cadres	129
Economy and Efficiency	132
Public Enterprises	136
Planning Machinery in the States	138
Annual Revision of National and State Plans	139
Public Participation and Co-operation	141
Publicity for the Plan	146
CHAPTER VII.—DISTRICT DEVELOPMENT ADMINISTRATION	148
Recent Developments	148
Village Planning and Village Panchayats	150
District Plans	155
District Development Machinery	159
Coordination and Supervision	163
CHAPTER VIII.—PERSONNEL REQUIREMENTS AND TRAINING PROGRAMMES	165
Engineering Personnel	166
Craftsmen	169
Agricultural and Allied Personnel	170
Village and Small Scale Industries	172
Social Services	172
General Considerations	174

CHAPTER IX.—LAND REFORM AND AGRARIAN REORGANISATION	177
Place of Land Reform in the Plan	177
Abolition of Intermediaries	180
Rights of Owners	183
Tenancy Reforms	184
Meaning of Personal Cultivation	186
Resumption for Personal Cultivation	187
Regulation of Rent	189
Rights of Ownership for Tenants	190
Distribution and Size of Holdings	191
Ceiling on Agricultural Holdings	193
Level of Ceiling	195
Exemptions from the ceiling	196
Compensation	197
Schemes of Resettlement	197
Agrarian Reorganisation	198
Consolidation of Holdings	199
Land Management Practices	200
Cooperative Farming	201
Pattern of Village Development	205
Administration of Land Reform Programmes	208
<i>Annexure</i> : Distribution and size of holdings	213
CHAPTER X.—DEVELOPMENT OF CO-OPERATION	221
Co-operation and National Planning	221
Review of Progress	223
Reorganisation of Rural Credit and Marketing	225
Producer and other Co-operatives	228
Training and Organisation	230
Land Reform and Co-operative Credit	232
CHAPTER XI.—COMMUNITY DEVELOPMENT AND NATIONAL TENSION	235
Programme for the Second Plan	241
CHAPTER XII.—RESEARCH AND STATISTICS FOR PLANNING	246
Research Programmes	246
Evaluation	249
Statistics	251
<i>PROGRAMMES OF DEVELOPMENT</i>	
CHAPTER XIII.—PROGRAMME FOR AGRICULTURE	255
Review of the First Plan	255
Approach in the Second Plan	259

3	Production Targets	262
4	Development Programmes	268
5	Horticulture	272
6	Agricultural Research and Education	273
7	Marketing of Agricultural Products	276
8	Agricultural Statistics	280
CHAPTER XIV.—ANIMAL HUSBANDRY AND FISHERIES		281
<i>I.—Animal Husbandry and Dairying</i>		281
1	Introduction	281
2	Cattle Breeding Policy and Programmes	284
3	Dairying and Milk Supply	285
4	Control of Diseases	287
5	Sheep and Goats	288
6	Poultry	289
7	Research and Education	290
<i>II.—Development of Fisheries</i>		292
1	Inland Fisheries	293
2	Marine Fisheries	293
3	Research and Training	296
CHAPTER XV.—FORESTS AND SOIL CONSERVATION		298
Forests		298
1	Progress during the First Plan	301
2	Forest Programmes for the Second Plan	302
3	Soil Conservation	306
4	Programmes for the Second Plan	307
CHAPTER XVI.—AGRICULTURAL WORKERS		313
1	Approach to the Problem	313
2	Programmes	318
CHAPTER XVII.—IRRIGATION AND POWER		321
<i>I. Irrigation</i>		321
1	Water Resources	321
2	Existing Development	322
3	Future Development	324
4	Programme for the Second Plan	325
5	Tubewells	329
<i>II. Power</i>		331
1	Power Resources	331
2	Existing Development	332
3	Future Development	335

Programmes for the Second Plan	335
Small Town and Rural Electrification	340
Utilisation of Power	342
<i>III. Flood Control</i>	<i>343</i>
<i>IV. Investigations, Surveys and Research</i>	<i>345</i>
Investigations	345
Surveys	346
Research	347
<i>V. Planning and Organisation</i>	<i>349</i>
<i>Annexures</i>	<i>358</i>
I. Principal Irrigation Works	358
II. Cultivated and Irrigated Area 1954-55	360
III. Principal Irrigation Projects in the Second Five Year Plan	362
IV. Outlay and benefits—Irrigation Projects	364
V. Principal Power Generation Schemes in the Second Five Year Plan (i) Public Sector	366
(ii) Private Sector	369
VI. Outlay and benefits—Power Projects	370
CHAPTER XVIII.—DEVELOPMENT OF MINERAL RESOURCES	372
Progress in the First Plan	372
Investigations	375
Mineral Production	376
Programme for the Second Plan	377
Coal	378
Programmes of Investigation	382
Survey of India	386
CHAPTER XIX.—PROGRAMME OF INDUSTRIAL DEVELOPMENT	387
Progress during the First Plan	387
Progress in the Public Sector	387
Investment in the Private Sector	389
Production levels in different Industries	390
Industrial Plant and Machinery and Capital goods	391
Regulation of Industry	392
Programmes in the Second Plan	392
Industrial Policy	393
Industrial Priorities	393
Programmes in the Public Sector	396
Problems of Technical Manpower	402
National Industrial Development Corporation	403
Investment Outlay and Sources of Finance	404
Features of Development in the Private Sector	406

Assessment of Industrial Progress in the Second Plan	411
Development of Raw Materials	414
<i>Annexures</i>	
I. Industrial Projects in the Public Sector	417
II. Industrial development in Private Sector and under N.I.D.C. during the Second Plan	421
CHAPTER XX.—VILLAGE AND SMALL INDUSTRIES	429
Progress in the First Plan	429
Objectives and Basic Policies in the Second Plan	431
Common Production Programmes	433
Outlay on Village and Small Industries	440
Programme of Development	443
Handloom Industry	443
Decentralised Spinning and Khadi	444
Village Industries	445
Handicrafts	443
Small Scale Industries	450
Sericulture	454
Coir Industry	455
Administration, Training and Research	456
CHAPTER XXI.—TRANSPORT	459
Introduction	459
I. <i>Railways</i>	460
Progress during the First Plan	461
Targets for the Second Plan	463
Outlay under the Second Plan	465
Coordination of Transport	474
Policy and Organisation	475
The Role of Railway Workers	475
II. <i>Roads</i>	476
Central Road Programmes	476
State Road Programmes	478
III. <i>Road Transport</i>	478
IV. <i>Tourism</i>	480
V. <i>Shipping</i>	480
VI. <i>Ports and Harbours</i>	483
VII. <i>Inland Water Transport</i>	486
VIII. <i>Civil Air Transport</i>	487
CHAPTER XXII.—COMMUNICATIONS AND BROADCASTING	491
Introduction	491
Posts and Telegraphs	491
Indian Telephone Industries	495
Overseas Communications Service	495
Meteorology	496
Broadcasting	497

CHAPTER XXIII—EDUCATION	500
1 Introduction	500
2 Elementary Education	502
3 Basic Education	506
4 Secondary Education	508
5 University Education	511
6 Technical Education	512
7 Engineering and Technology	513
8 Social Education	516
9 Higher Rural Education	517
10 Teachers	518
11 Scholarships	520
12 Cultural and other programmes	521
CHAPTER XXIV.—SCIENTIFIC AND TECHNOLOGICAL RESEARCH.	523
1 Development of Atomic Energy	525
2 Programme of Scientific Research	528
3 Adoption of the Metric System	530
CHAPTER XXV.—HEALTH	533
1 Hospital Services	533
2 Health Units	534
3 Medical Education	536
4 Dental Education and Dental Services	537
5 Nursing and other Training Programmes	537
6 Medical Research	541
7 Indigenous Systems of Medicine	543
8 Control of Communicable Diseases	544
9 Water Supply and Sanitation	550
10 Nutrition	551
11 Maternal and Child Health	552
12 Family Planning	553
13 Health Education	554
CHAPTER XXVI.—HOUSING	555
1 Subsidised Industrial Housing Scheme	556
2 Low Income group Housing	557
3 Rural Housing	558
4 Slum Clearance and Sweepers' Housing	561
5 Other Housing Schemes	562
6 Housing Statistics and Surveys	563
7 Housing Problems	565
8 Urban Development	568

CHAPTER XXVII.—LABOUR POLICY AND PROGRAMMES	571
1 Introduction	571
2 Trade Unions	572
3 Employers' Organisations	574
4 Industrial Relations	574
5 Discipline	578
6 Wages	578
7 Social Security	580
8 Rationalisation	581
9 Contract Labour	582
10 Agricultural Labour	583
11 Women Workers	584
12 Development Programmes	584
CHAPTER XXVIII.—WELFARE OF BACKWARD CLASSES	588
1 Tribal Welfare Programmes	589
2 Harijans	598
3 Ex-criminal Tribes	599
CHAPTER XXIX.—SOCIAL WELFARE SERVICES	601
1 Welfare of Women and Children	602
2 Welfare of Physically and Mentally Handicapped Persons	603
3 Youth Welfare	603
4 Other Welfare Programmes	604
5 Resources for Social Welfare	605
6 Prohibition	606
CHAPTER XXX.—REHABILITATION OF DISPLACED PERSONS	610
1 Displaced Persons from West Pakistan	610
2 Displaced Persons from East Pakistan	611
3 Programmes in the Second Plan	611

Index

A

- Administrative Tasks in the Second Plan, 126-127
- Afforestation, 302
- 'After-care' Services, 602-603
- Agrarian Reorganisation, 198-199
 - consolidation of holdings 199, 271
 - cooperative farming 201-205
 - cooperative village management 205-208
 - Land management practices 200-201, 211-212
- Agriculture and Community Development, 61-64
 - outlay, 262, 618-628
- Agricultural
 - Credit (Long Term Operations) Fund, 225
 - education, 510, 512
 - income tax, 89
 - labour, 583-585
 - Labour Enquiry, 313-317, 320
 - programmes
 - approach in the second plan, 259-262
 - development, 255, 268-272
 - production targets, 262-268
 - Research and Education, 273-276
 - Statistics, 280, 314-315
 - workers
 - basic approach and policy, 313-318
 - programmes for welfare of, 318-320
 - Agro-economic Research, 276
- Aircraft, 50
- Air Transport 46, 50
(see also Aviation)
- Aluminium, 50, 378, 404, 407
- Ambar Charkha Programme, 172, 441, 444-445, 457
- Annual Plans, 18, 92, 139-140
- Antibiotics, 50
- Archaeology, 552
- Area
 - cultivated and irrigated, 360-361
 - reclaimed, 258
 - under commercial crops, 259
 - under food crops, 259
- Arecanuts, 266
- Arms and Ammunition, 46, 50
- Artificial Insemination, 285, 287, 291
- Asbestos, 376
- Atomic Energy, 46, 50
 - development of, 525-527
 - power, 332, 339
 - use in agricultural research, 274
- Automobile Industry, 408
- Aviation, Civil, 488

B

- Backward classes
(see Welfare of backward classes)
- Balance of Payments, 4, 94-96
- Basic Education
 - and community development, 508
 - junior basic schools, 508
 - physical targets, 506, 508, 511
 - post-basic schools, 511

- Basic education—*contd.*
 - productive aspect, 507
 - training of teachers, 506
- Basic Industries, 25, 43, 45
- Bauxite, 372, 378, 382
- Bee-keeping, 448
- Beggar Problem, 247, 605
- Betterment Levy, 89, 352
- Bhoodan, 144, 198, 208, 319
- Borrowings
 - Governmental, 79-80, 84
 - Market, 80, 82, 83
- Broadcasting, 497-499
 - community receivers, 146, 498
 - outlay, 499
 - television, 498
- Budgets
 - budgetary resources of Centre and States, 77-78
 - reclassification of revenue and capital items, 57, 90
- Bullock cart, improvement of, 479-480.

C

- Capital
 - formation, 6, 7, 10, 57, 82, 109
 - gains tax, 34, 91
 - output ratio, 8, 9, 11
- Cashewnuts, 267
- Cattle
 - breeding, policy and programmes 284
 - diseases, 287
 - population, 284
- Ceiling
 - on agricultural holdings, 193-195
 - compensation to owners, 137
 - exemptions from, 196-197
 - level of, 195-196
 - on income, 35-36
- Cement, 2, 17, 378, 395, 407
- Chemical Industry, 50, 401-402, 409
- Child Health, 552
- Chrome Ore, 50
- Chromite, 375-377, 383
- Clays and Ceramic Raw Materials, 376, 377
- Coach Factories, 462, 467-468.
- Coal
 - assessment of reserves, 372
 - coking coal, 380
 - demand by the end of Second Plan, 378
 - export demand, 374, 382
 - geological investigations, 383
 - Industrial Policy Resolution, (1948) 378
 - metallurgical 380
 - Mines (conservation and safety) Act, 373
 - output, 378-379
 - pegging, 373
 - production, 372, 374, 377-379
 - South Arcot lignite project, 382
 - State Collieries, 378
 - target, 380
 - transport, 379

C—Contd.

- Coal—*contd.*
 —washeries, 397
 Coconut, 266
 Coffee, 268
 Co-education, 504
 Coir, 455-456
 Coke Oven project, 401-402
 Colombo Plan, 20
 Communications—
 —means of, 491
 —outlay, 491
 —over-seas communication services, 495-496
 Communicable diseases
see Control of
 Community Development and National Extension—
 —approach, 235-236
 —coverage, 236
 —priorities for Second Plan, 243
 —Programmes for Second Plan, 241-243
 —progress in the First Plan, 237-238
 —Third Evaluation Report, 238
 —training of workers, 238-240, 245
 —tribal areas, 244
 Community Workshops, 48, 433
 Compulsory Education, 504, 505
 Consumer Goods Industries, 113-114, 410
 Consumption Expenditure, 74-75
 Contour Bunding, 271
 Contract Labour, 582
 Control of—
 —communicable diseases, 544
 —filaria, 545
 —leprosy, 548-549
 —malaria, 544-545
 —tuberculosis, 546-548
 —pests and diseases, 266, 272, 275
 —venereal diseases, 549-550
 Controls, 86
 Cooperation—
 —administrative tasks, 231-232
 —and national planning, 221-223
 —consumers', 229-230
 —institutional agencies, 222-223, 225-226
 —personnel requirements, 230-232
 —producers', 228-229
 —review of progress, 223-224
 —rural credit and marketing, 222, 225-226, 228
 —scope of, 223
 —State participation in, 225
 —targets for the Second Plan, 227
 —training and organisation, 230-231
 —urban, 223
 Cooperative—
 —farming, 201-205
 —housing societies, 566-567
 —marketing, 277
 —seed stores, 270-271
 —societies, 277, 294
 —industrial, 48, 436-438
 —labour and construction, 319
 —milk producers 287
 —non-credit, 224
 —primary, 222-223
 —rural credit, 226
 —sugar factories, 403

- Co-operative—*contd.*
 —trade and ware housing, 278
 —village management, 205-207
 Copper Ore, 50, 376-377, 384
 Cottage and Small Scale Industries—
 —approach to problems of, 31-32
 —common production programmes, 433-435
 —decentralisation of, 432
 —factors in favour of, 32
 —role of, 47
see also Village and small Industries
 Cotton, 2, 263-264
 —textiles, 395, 410
 Criminal Tribes
see Ex-criminal Tribes
 Cultural and other Programmes, 521
 D
 Dairy Farms, 286, 287, 291
 Dairying, 285
 Decentralisation—Study of Problems relating to, 248
 Deep-Sea Fishing, 295
 Defence Equipment, 50
 Deficit Financing, 78, 81-86
 Dental,
 —colleges, 173
 —education and services, 573
 Development blocks, 237
 —coordination and supervision of programmes, 163-164
 —machinery in districts, 159-163
 Diamonds, 376
 Diet, 260
 Dispensaries, Veterinary, 287
 Displaced Persons
 —agricultural land for, 613
 —education of, 614
 —from East Pakistan, 611
 —from West Pakistan, 610
 —housing schemes, 613
 —medical facilities for, 616
 —outlay on rehabilitation, 610
 District Plans, 155-159
 Dolomite, 378, 384
 Domestic Savings, 77, 81, 92
 —as per cent. of national income, 74
 Drugs, 50
 Dry Dock, 400
 Dry Farming, 271
 Dyestuffs, 50

E

- Economic and Social Overheads, 24
 Economic Development, Key Factors, 6, 7
 Economic Indicators, 4
 Economy and Efficiency in Administration
 132-136
 Economy Committee, 92
 Educated unemployed, 120-124
 Education—
 —agricultural, 510, 512
 —Cess, 505
 —elementary, 502
 —girls', 504, 510

Education—*contd.*

- health, 512
- pattern of expenditure on, 500
- physical targets, 501, 510
- programmes in national extension and community projects, 501
- rural, 517-518
- secondary, 509-510
- social, 500, 516, 517
- University, 511
- wastage and stagnation in, 503-504, 509, 511

Electricity—*see* Power

Electricity Duty, 89

Employment—

- additional, 75
- agricultural, 118, 314-316
- choice of techniques, 112-114
- construction activity, 115-116
- estimates for second plan, 115-119
- exchanges, 110
- expansion of opportunities, 26-27, 111, 124
- programme for special areas, 119-120
- surveys, 110-111
- (*see also* unemployment and under-employment)

Endowments and Trusts—

- mobilisation of resources for social welfare, 606

Engineering Industries, 50, 407

Estate Duty, 35

Ex-Criminal Tribes, 247-248, 588, 599
(*also see* Backward Classes)

Expenditure—

- maintenance, 78-79
- non-developmental 78-79
- tax, 34

Export—

- control, 40
- targets, 415

Exports, 96-99

External Resources, 74, 78, 81-82, 92, 102-104

F

Family Planning, 553-554

Farm Management Studies, 276

Ferro-alloys, 50

Ferro-manganese, 407

Fertilizers, 50, 258, 261, 266, 269-270, 274, 395, 400

Finance for the Public Sector, 77-78

Financing of State Plans, 106-108

First Five Year Plan—

- achievements, 2, 3
- agricultural workers, 313, 318, 320
- agriculture, programmes for, 255-258
- animal husbandry and fisheries, 281, 283
- civil aviation, 487-488
- communications and broadcasting, 491, 494, 496, 497
- education, 500-502, 510, 513
- employment aspects, 109-110
- flood control, 343
- forests, 301

First Five Year Plan—*contd.*

- health, 534, 536, 538
- housing, 555, 556, 557
- industrial development, 387-392
- irrigation, 321-323
- labour policy and programmes, 571
- mineral resources, 372-377
- national income, investment, savings, and consumption, 2, 3, 74
- objectives, 1, 2
- outlay,
 - aggregate, 2
 - by states, 76
 - ports and harbours, 483-484
 - power, 332-334
 - priorities, 53, 54
 - railways, 459-463
 - rehabilitation of displaced persons, 610
 - roads and road transport, 476-478
 - scientific and technological research, 523-525
 - shipping, 480-482
 - social welfare services, 602, 606
 - soil conservation, 306-307, 309
 - village and small industries, 429-431, 440
 - welfare of backward classes, 588, 592, 597, 598, 599

Fiscal Monopolies, 91

Fisheries, 292-294, 296

Floating Debt, 84

Flood Control, 343-345

Fodder, 282, 283, 285, 287

Food

- consumption per adult, 259-260
