PRICE CONTROL IN NAZI GERMANY

The accompanying document, "Price Control in Nazi Germany" by Dr. Ernest Doblin, now Chief of the Central European Section of this Branch, was prepared at the request of the New School for Social Research to which Dr. Doblin was attached before his appointment to this staff. The report was well on the way to completion before Dr. Doblin undertook his duties with the Office of Price Administration. The New School for Social Research has agreed to reduplication of the memorandum in its present form.
