ADMINISTRATION REPORT OF MUNICIPAL CORPORATION OF GREATER BOMBAY **FOR THE YEAR 1982-83**

.

.

· · ·

i .

.

Pursuant to Section 124 os Bombay Municipal Corporation Act, I am presenting herewith the Administration Report for the year 1982-83. 1

The year under review was financially a critical one. The depleting resources posed a grave challange to the implementation/completion of developmental projects as also to the maintenance of standard of civic amenities. Strict economy measures were launched to cut down unproductive expenditure and to complete essential projects as well as to maintain the services at a reasonably satisfactory level.

D. M. SUKTHANKAR, Municipal Commissioner. .

, '

5

GENERAL

CORPORATION, STANDING COMMITTEE, IMPROVEMENTS COMMITTEE, EDUCATION COMMITTEE AND THE TREE AUTHORITY.

CORPORATION

Dr. Prabhakar S. Pai, who was elected Mayor at the First Meeting of the Corporation, held on 5th April 1982, held that Office throughout the year.

2. One hundred and forty Meetings of the Corporation, including twelve Special Meetings and adjourned Special Meetings, one hundred and seven Meetings of the Special Committees and seven Meetings of the Consultative Committees were held during the year.

3. The total number of Councillors was reduced from 140 to 138 as Shri S. S. Patel, ceased to be a Municipal Councillor with effect from 20 th March 1982 due to expiry of maximum. Icave of absence permissible under provisions of Section 17(d) of the B.M.C. Act. and Shri B.R. Gawde, expired on 9th April 1982.

4. The Corporation accorded (1) Civic Reception to The Lord Mayor of London., (2) Civic Reception and presented Civic Address to Gyani Zail Singh, President of India. (3) Civic Reception to Shri J. R. D. Tata, the father of Civic Aviation in India, and (4) Dr. Mato Mikić, the President of Assembly of Zagreb.

STANDING COMMITTEE : `

Shri E. R. Koparde, who was elected Chairman of the Standing Committee at their Meeting, held on 10th April 1982 held that Office throughout the year.

One hundred and ninety-eight Meetings, including regular and Adjourned Meetings and Special Meetings and Adjourned Special Meetings, were held during the year. No Meeting of the Sub-Committee was held during the year.

IMPROVEMENTS COMMITTEE :

۰<u>د</u>.

Smt. Indumati T. Patel, who was elected Chairman of the Improvements Committee at their . Meeting, held on 13th April 1982, held that office throughout the year.

Shri D. D. Jani, was elected member of the Committee on 18th January 1983 vice Shri N. K. Baria, resigned.

Fifty-four Meetings including regular, and Adjourned Special Meetings were held during the year. No Meeting of the Sub-Committee was held during the year.

EDUCATION COMMITTEE :

Shri S. B. Chavan who was elected Chairman of the Education Committee at their Meeting held on 7th April 1982, held that Office throughout the year.

Shri V. M. Chadda, was elected member of the Committee on 3rd May 1982, vice Dr. P.S. Pai resigned

Forty-six Meetings including regular and Adjourned Meetings and Special Meetings and Adjourned Special Meetings were held during the year. No Meeting of the Sub-Committee was held during the year.

TREE AUTHORITY :

No change took place in the composition of the Tree Authority during the year.

Four Meetings of the Tree Authority were held during the year.

Shri K. N. Kolhatkar continued to hold the post of Municipal Secretary during the year under Report.

No circumstances arose in this department in which it was necessary to invoke the provision of the Municipal Servants Act, 1890.

There was no separate Award of Adjudication during the year 1982-93 so far as this department is concerned.

LIST OF MEMBERS WHO HELD OFFICE AS ON 31ST MARCH 1983.

CORPORATION

W. O. (M.C.) Department.

Ward Officers

With a view to render efficient services to the Citizens numbering over 82 lakhs spread over an area of about 437 sq. kms. the administration of Municipal Deprtments has been decentralised by setting up Ward Offices which now number 21. Each ward office is in charge of a Ward Officer who has been delegated wide powers. The citizens can approach to him in the respective ward office for redressal of their grievances in the matter of civic amenities.

The functions carried out at ward level are as under :-----

(a) Maintenance of Municipal Properties, Roads, and Drains Inspection of Private Building and factories as also ensuring adequate water supply, (b) collection of taxes and rent of Municipal estates, (c) Regulation of licensable commodities and enforcement of shops and establishment Act, (d) Registration of Births and Deaths, vaccination maintenance of despensaries and disposal of refuse e) Post Control, (f) Public sanitation and disposal of refuse, (g) Primary education, (h) Maintening sanitation and improvement of slum colonies and (l) Preservation of Trees etc.

Central Control Room

The Complaints Section dealt with the complaints received in the Central Control Room by referring them to the departments concerned and following them up systematically to ensure prompt redressal of grievances. It remained open on all the days of the year including Sundays and Holidays

Working of this control room was reorganised in consultation with Dy. C. E. (Prod.). Three labourers from each of two gangs were reduced i. e. three Labourers out of eight were reduced from each of two gangs. In addition to this one vehicle was also reduced

The total number of complaints registered and followed up during the year under report was. 6,241 as detailed in the accompanying statement, as against 8853 in the preceding year.

This section worked in close co-operation with the Fire Brigade, and Water Supply Control Room and ensured that in cases of house collapses and such other emergencies, the Municipal Officers and staff reached the site in time, to mitigate the hardships of the victims. Co-operation among various agencies including Repair Board was also brought about on such occasions.

Information on civic matters was furnished to the members of the public on request.

Organisation and Methods Division

The Organisation and Methods Division is working since 1957 to adopt various methods and systems of working and organize the same in various departments of the Corporation and two officers are attached to the same.

During the year, the following activities were carried out by this division.

(1) Standardization of forms and registers.

Standardization of fomrs and registers was done as and when required by the various departments of the Corporation.

(2) Re-arrangement of Municipal Records.

During the inspection of all the Wards and Departments it was seen that the records wereweeded out periodically and arranged systematically.

(1) Case-Study.

On introduction of computerisation of pay-rolls, the assessment of the work of Timekeepers was made and it was found that nearly 30 per cent. of Establishment work is reduced.

(4) Methods Study.

(i) On introduction of levy of fees for Outdoor and Indoor patients in Medical institutions, the new system of the working of the collection of fees has been introduced and question of payment of special allowance to the staff, concerned has been standardized.

(ii) Planning and Organization in regard to staffing pattern Kandivli and Govandi Centenary Hospital was done by this division.

(5) Spread of Marathi Language.

Necessary steps to accelerate the use of Marathi in the day to-day administration are being taken; Marathi being official language of the Corporation.

(6) Inspection of Offices :

The work of regular Inspection of offices done by this Unit hithertofore has been discontinued as similar work is also undertaken by the Vigilance Staff of Chief Accountants Department,

(7) Training.

Training programmes are conducted as and when necessary.

(8) Recruitment.

(i) The Organisation and Methods Officers serve as a member of the panel set up for recruitments upto Clerical level. The recruitment of Security Guards is attended by this Division.

(ii) Form of notice, application form and recruitment procedure of Labour Category has been standardized.

(iii) One of the officers of this division conducted the Typing and Shorthand tests of the candidates called for Selection.

(9) General.

(i) Submission of consolidated weekly reports received from Heads of Departments and Ward Offices to the Dy. Municipal Commissioner.

They are scrutinised and a consolidated report is submitted with comments thereon for perusal of bigher authorities.

(ii) The work of compilation and printing of important circulars upto 1982-83 issued by M.C,'s Office is completed.

(*iii*) The work of preparation of compendium of qualifications prescribed for various posts in the Municipal Corporation is under progress.

(iv) The work of preparation of manual of qualifications of the entry posts, method of recruitment etc., is under progress.

(v) The total number of proposals of furniture and equipments are scrutinized therneby reducing the expenditure to the minimum, was 683.

(vi) The total No. of Establishment proposals including continuation of temporary posts and bringing certain posts on permanent Establishment Schedule scrutinised, was 225.

V.S. MORYE, Organization and Methods Officer (II) (Municipal Commissioner's Office).

Public Relations Department And The Bombay Civic Journal

Shri J. B. Mahajan M.A., LL.B., was Public Relations Officer and Editor, Bombay Civic Journal, during the year 1982-83.

The department carried out publicity about the various activities and services rendered by different Municipal departments, functioned as a liaison between the members of the public and the various civic departments and acted as a clearing house in respect of criticisms and suggestions. appearing in local newspapers. It also carried out health education work and dissemination of information about Municipal activities among the public through various media.

One information counter at the Municipal Head Office Extension building continued to give necessary guidance and information to the public, in addition to the carrying out the sale of various civic publications.

The Civic Diary 1983 and the Civic Guide 1983 containing useful information on civic affairs were brought out with offset printing in attractive form, in English and Marathi. Other publications included the list of Municipal Councillors and Officers. In addition to this, the Public Relations department extended active co-operation in bringing out multi-coloured Municipal Year Book 1982-83 in an attractive form. Special publicity material, such as posters, folders, stickers, cinema slides etc. on various civic activities were also prepared and distributed to the Institutions and individuals all over Greater Bombay.

PROTOCOL, LIAISON AND EXHIBITIONS

One of the major functions of this department is the arrangement and management of V.I.P. visits. This includes receiving V.I.P.'s on their arrival, as the representative of the Corporation and thereafter accompanying them to various civic installations according to the programme. The V.I.Ps. included Mayors, Dy. Mayors, Chairmen and top ranking officials of different Corporations in India as well as abroad, Ministers from different States, foreign delegates etc. During the year under report as many as 60 dignitaries from India as well as from foreign countries visited this Corporation. Amongst them, to mention a few, were the Lord Mayor of London, Sir Christopher Lever and Lady Mayoress, H.E. Dato Abdul Manon Bin Othman, Minister of Agriculture, Malaysia, Dr. Guang Hong Zing Ethal, group of Chineses doctors, Dr. Mato Mikic, President of the Assembly of the city of Zagreb, Yugoslavia and several Mayors, Dy. Mayors, Commissioners from all over India, namely, from Delhi, Calcutta, Patna, Cochin, Trivandrum, Calicut, Madurai, Vishakapatnam, Baroda, Nagpur etc.

This Department has also participated in and organised exhibitions at Mount Mary Fair, Bandra, the Health Exhibition organised by Lions Club of Ghatkopar, Consumers Guidance Committee, Ghatkopar, Citizens Action Group, Kalbadevi, Maharashtra Women's Council at Matunga, Labour camp, Dharavi, Photographic exhibition on Leningrad city at Birla Kreeda Kendra, etc. The department also presented a nice float showing Civic activities in the Float Display arranged by the State Government on the occasion of the Republic Day Parade held on 26th January 1983 at Shivaji Park.

The Health Museum which was situated at Bombay Sanitary Association Building Shamaldas Gandhi Marg (Princess Street) since 1956 has been shifted to the Birla Kreeda Kendra, Chowpatty. The same is being visited by a large number of citizens of Bombay. It is popular with educational institutions also.

PRESS RELEASE

A Press Room equipped with lockers, telephone, typewriter etc. has been provided for the use of press reporters. During the year 1982-83, conferences and Pressivisits to Municipal institutions and installations were arranged for dissemination of information relating to civic services, activities programmes etc. Press hand-outs giving information about various civic matters and rejoinders in reply to the criticisms, suggestions etc. appearing in newspapers, were also issued promptly.

SPECIAL ACTIVITIES.

The Clean Bombay Green Bombay Campaign was carried out extensively and sustained educative publicity was undertaken through various media of publicity. Besides the annuxat competition for the Mayor's Shield was also organised by this department. Similarly arrangements for giving due publicity were also made for the receptions given by the Mayor.

The department participated in the observance of the World Health Day, National Cleanliness Day, World Leprosy Day, Social Education Week, Family Welfare Campaign, Grow More Trees Campaign, Anti-Fire Campaign, Flag Day and also various other Health Drives and exhibitions organised by various social welfare organisations. The work of collecting donations for the National Flag Day was carried out in the usual manner.

BOMBAY CIVIC JOURNAL.

Shri J.B. Mahajan, M.A., LL.B. worked as Editor, Bombay Civic Journal in addition to being the Public Relations Officer during the year 1982-83.

Inauguration of Emergency Medical Care Centre at R. N. Cooper Hospital and inaugurations of two water reservoirs at Veravali at Andheri (East) and Trombay were the two prestigious major civic water projects which were given wide coverage in the Journal during the year under review.

Emergency Medical Care Centre was commissioned at R. N. Cooper Hospital for rendering 'Trauma' care services to the people residing in Western Suburbs from Dahisar to Bandra. The Centre has 100 beds equipped and staffed adequately to deal with all accidents, burns, poision and cardiac cases.

Two water reservoirs, one at Veravali, Andheri (East) and the other at Trombay built at a cost of about Rs. $4\frac{1}{2}$ crores were commissiond to fecilitate the civic administration to give more and regular water supply to the residents of H/West and H/East and to Chembur residents in 'M' Ward.

The three features introduced in the Journal, viz', Bombayana researched by Dr. Aroon Tikekar, 'Featuring Productivity' and the List of Municipal Councillors and Municipal Elections since 1873, were also continued during the year under review.

The Diwali Number of the Journal contained articles and features written by prominent writers on various subjects which had a bearing on civic problems. Articles on Pollution Problem, population growth, public health problems, urban ills, etc. written by Indian and Foreign writers were published regularly in other issues of the Journal.

The Journal also enlightened the readers on various projects and programmes of the Corporation and other important events which included Civic Reception to the President of India and Shri J.R.D. Tata, World Health Day Celebrations, Teachers and Nurses Awards, Clean Bombay, Green Bombay Competition, Felicitation to Lord Mayor of London, Family Welfare Programme of the Corporation, Golden Jubilee of Gujarati Ginema, Felicitation to Marathi Artists and other subjects of civic interest.

BACKWARD CLASS CELL

The Backward Class Cell has been created under the control and supervision of Dy. Municipal Commissioner (P). with a special officer in charge of the Cell with a view to checking whether the Government policies with regard to reservation of vacancies for Backward Class communities as per prescribed percentage in the matter of recruitment and at the stage of promotion are being effectively implemented in the Corporation.

During the year under report, inspection of M.M.P. was taken in hand and is in process.

During the inspection proper guidance regarding 100 point roster and 50 point roster for the purpose of recruitment and promotion respectively is given to the departments. Similarly the departments are advised the sources from which suitable B.C. candidates may be obtained in case of non-availability of the same inspite of advertising the vacancies. Periodical inspections are taken to see that suggestions, instructions issued at the time of Inspection are followed and backlog is wiped out while filling future vacancies by the departments.

Besides, the department collects periodical and other information regarding recruitment and promotion of Backward Classes from various departments of the Corporation as required by the Government from time to time. Similarly, Six-monthly reports regarding appointment of Backward Class persons by recruitment and promotion in the Corporation are also submitted to the Corporation,

During the year under report as required by the Committee on the welfare of D.T./N.T., the information regarding percentage of D.T./N.T. in the service of the Corporation was collected and submitted to the Government.

During the year under report, 173 proposals involving the question of reservation were referred to the Cell for advice, scrutiny etc.

35 complaints and grievances of Backward Classes employees about the reversion, promotion seniority etc., were attended to by the department.

Ward Officer (Special Officer for Backward Classes) serves as a member on the panel of recruitment of Apprentice clerks, teachers, etc.

I. L. DARJI

WARD OFFICER

(Special Officer for Backward Classes)

14

VigilanceBranch of Engineering Department

SPECIAL TECHNICAL UNIT :---

The Special technical Unit under the Executive Engineer (Vigilance) is a branch of the Municipal Commissioner's Establishment. At present, the E. E. (V.) is assisted by three A. E.s. three S.Es. and other administrative staff.

This unit gives surprise visits to works in progress of all Municipal departments to determine whether the works are being executed as per the approved design and specifications. One A. E. and one Sub-Engineer are engaged in checking the works carried out through P. W.C.'s in all wards.

In addition, this unit keeps a watch over all technical matters, Besides this, the unit examines complaints of technical nature forwarded by the M. C. or received from the Councillors and public.

The unit functions as a co-ordinating agency among the different units of the Engineering Sections and assists the Administration in matters requiring policy revision and implementation thereof. It also keeps a watch on the results arrived at the materials testing laboratory where the building materials, and the cubes of cement concrete are tested and also on the results of checking of samples of hot mix asphalt macadam and asphalt concrete used on Municipal works at the asphalt testing laboratory. Whenever considered necessary, this unit suggests hammer tests and load tests on construction works.

Some of the details of the work done during the year 1982-83 are as follows :---

(a) Building Construction Works 136 (b) Road Construction Works 71 (c) Water supply and S. D. Works 42 (d) Slum Improvement Works 26 (e) P. W. C. Works 310 (2) Number of final bills checked ... 81 ... (3) Number of Miscellaneous visits 38 ... (4) Number of cases investigated and examined, referred by the M. C., D. M. C. and C. H. 63

(5) Amount of recovery from the Civic Contractors by way of detection of excess payment, penalties imposed on sub-standard works, etc. pointed out at the time of checking the works in progress and/or while checking the final bills.

Rs. 10,50,997.37

S. K. DHARAP, Executive Engineer (Vigilance).

Trade Unions :---

The Trade Union activities among Labour and other staff members were mostly confined to 59 unions recognised by the Municipal Commissioner as per rules and covered about 52,000 members.

Labour Relations :---

With a view to promote cordial relations between the employees and the Administration the following steps were continued :---

(i) Grievance procedure :-- Recently a Grievance Committee has been set up to discuss the problems of all the departments and wards as well as individual grievances. The Committee consists of L.O. as the Chairman, O. & M.O. II (M.C.) and the concerned Head of the Department /Ward or his representative. Whenever the meetings of the Grievance Committee are held the representative of the concerned union and the employees remain present. Such meetings are held periodically in L.O.'s chamber. Efforts are made by the Committee to settle the grievances existing at the shop/unit level not involving policy matters.

(ii) Individual Grievances :— The grievances from the individual employees and the unions are received directly to this department and the representatives of this office are attending the same.

These grievances are of various nature as stated under :---

- (1) Recruitment and retrenchment.
- (2) Promotions, Transfers, Confirmation and annual increments.
- (3) Fines, Reversion, Suspensions, Removals, Dismissals and other punishments.
- (4) Delay in payment of wages (wages of leave, O.T. etc.) and Allowance.
- (5) Delay in settlement of provident fund and other Retirement benefits.
- (6) Non Supply of equipments and uniforms.
- (7) Delay in sanctioning leave due.
- (8) House rent, accommodation and transfers of quarters.

Disputes :--

During the year under report 10 disputes were referred to the various authorities such as Govt, Labour Officer, Asstt. Commissioner of Labour, Commissioner of Labour, Conciliation Officer. Labour/Industrial Courts etc...Out of these 10 disputes, 3 disputes were referred to the Asstt. Commissioner of Labour/Govt. Labour Officer. The remaining 7 disputes were referred to the Labour /Industrial Courts and 2 have been decided and the remainings are still pending. As regards the cases referred to the Asstt. Commissioner of Labour/Govt. Labour Officer 2 have been settled and the other one is still pending (see Appendix 'A').

Scholarships to the children of the Municipal employees :-- During the year 1982-83, 665 applications for scholarship were received in this department, out of them 592 applications for scholarship were sanctioned. Three scholarships were granted to the applicants for Engineering and Medical Degrees, 180 for College Courses including Diploma Course, 243, for Higher secondary Education and 166 for Secondary Education. The total amount paid by way of scholarship to the Municipal employees was Rs. 94,710.00.

Medical Assistance Scheme to the Municipal Employees :- Under the above scheme 61 deserving employees suffering from T.B. and other diseases were given Medical Assistance amounting to Rs. 9,975.00. Under the New Scheme for grant of Medical Assistance during Major illness, 38 deserving employees were given the Medical Assistance amounting to Rs. 50,345.75 for Municipal employees and the direct dependants of the Municipal employees during the year under report.

A New Scheme of granting Immediate Cash Assistance of Rs. 500.00 each, for the direct dependant of the Municipal employees who die while in service has been sanctioned by the Corporation vide their Resolution No. 1277 dated the 11th December 1980 and 300 direct dependants of the deceased Municipal employees have been given assistance under this scheme and the total amount disbursed was Rs. 1,50,000.00 during the year under report.

Inter Ward/Inter Departmental Dramatic Competitions :- 27 Departments participated in the Inter Ward/Inter Departmental Dramatic Competitions held at the Birla Kreeda Kendra.

First three dramas were awarded the rotating trophies. One consolation prize was also awarded to the fourth drama. Prizes of Rs. 251.00 each were awarded to the Best Actor, the Best Actress, the Best Director, the Best Art Director and for the Best Lighting arrangement and 50 Consolation Prizes of Rs. 51.00 each were awarded for acting. Three Consolation Prizes were also awarded for lighting, direction and setting.

CENTRAL STORES

SALIENT FEATURES :---

The Stores Department acts as a Central Purchasing and Stores Agency of the Corporation for procuring, storing and supplying various items to all the departments. There are about 267 sohedules covering 3,000 items. The purchases are made by inviting tenders by Public Advertisement and/or by oircular letters to the known dealers.

The transactions made during the year under report are shown below in the Statement 'A'.

During the year under report the expenditure incurred on Establishment was Rs. 17,79,228, Advertisement Rs. 1,20.539 Printing and Stationery Rs. 45,027 Misc. viz. Clothing, Books and Dead Stock etc. Electricity & Telephone Charges Rs. 82,279 and Maintenance and Repairs was Rs. 15,100.

During the year all together tenders invited were 257, Quotations invited were 88, Contracts executed were 256 and Purchase orders placed were 3814.

During the year 188 notices were served on defaulting suppliers and in 3 cases tender deposits were forefeited. for delayed supplies penalties were also recovered as per terms of contracts.

During the course of the year, sorap and unserviceable articles valued at Rs. 19,494.54 were disposed off by sale.

FUTURE PLANNING

The Central Stores is working on manual system and there is no effective control on stock levels; at the ward stores and other departmental stores. In order to achieve this objective and to optimise investment in material, it has been decided to computerise the stock accounting, inventory control and suppliers accounting and the activites will be segregated in separate wings. In the final phase of computerisation, the stores activities viz. Purcha e function, Stores function, material planning and inventory control function and accounting function will be segregated in separate wings and the ward stores and other depertmental stores will be brought under the control of the Central Stores Department.

As a first phase, all the 26 ward stores are proposed to be taken over under the Main stores at Byculla for inventory control purposes and the staff in substores will continue to work under the control of the respective Ward Officers as at present. Master files for the main Stores and the Ward Stores are ready and Data Processing Unit is busy preparing computer formats. It is proposed to Start computerisation from 1st April 1983 in the first phase.

.

ADMINISTRATIVE OFFICER (ENQUIRIES)

This Department carries out the following functions :-

- (a) Investigation of complaints against Municipal employees of corruption malpractices, defalcation, misappropriation and other serious misconducts.
 - (b) Conduct of Departmental Enquiries against the Municipal Employees.
- (c) Giving advice and instructions in the matter of investigations and Departmental Enquiries to the other Departments.
- (d) Work pertaining to the installation of telephones at the various municipal offices and residence of Municipal officers.

2. During the year, the Deptt. conducted 955 investigations, paid 832 surprise visits to various municipal institutions and mustering places and disposed of 6038 papers of miscellaneous nature including some important cases of confidential nature.

The details of investigations are as under :		
(a) Cases of alleged acceptance of illegal gratification and misappropriation of Municipal money.	•••	62
(b) Cases of irregularities of major nature.		237
(c) Cases of irregularities of minor nature.	676	656
		955

In all 782 departmental enquiries were held in which prima facie cases were established

The	e defails of action taken are as under —		
1.	Dismissal	•••	Ni
2.	Removal	• •	2
3.	Withholding of increments		266
4.	Fines imposed		298

8.	Recovery on account of loss to the Corporation		. 47
9.	Exonerated as the charges were not proved	•••	25
		Total	

A total amount of Rs. 32,110 was distributed to the victims of fire, flood, House collapse etc., from the Mayors Fund Relief Committee.

A few important cases.

(1) On a reference regarding a suspicion of excess payment in respect of the work of improvement of Common House Gullies in City limits under the Supervision of Dy. C. E. (C, H. Gs.,) the matter was investigated when it was prima facie revealed that excess payment of Rs. 12,79,088 was made against 4831 challans to 24 Contractors for transporting 4831 truck-loads of filthy material to Deonar Dumping Ground during the period from Dec., 1980 to July 1981, although no such work was done. Departmental Enquiries were ordered against the staff concerned viz. Sub. Engineers, Jr. Engineers and Mukadams totalling 24 who were prima facie found guilty.

-(2) Irregularities of serious nature were detected in the M. W. Desai Memorial Municipal General Hosp., Malad (East) while purchasing non-scheduled items. The matter was entrusted to the A. O. (E)'s Deptt., for further investigations which revealed a clear cut prima facie case of misconduct against the A. M. O. concerned I Pharmacist, 1 Head Clerk and 1 clerk of the concerned Hospital, 3 Asstt. Accountants and two clerks working in the Accounts Unit of P/North Ward Office. The case is further being probed to assess whether any criminal conspiracy existed between the concerned staff and the firms supplying the articles to the Hospital.

(3) Raids were also arranged to detect and minimise the evasion of octroi duty and in four successful raids a sum of Rs. 57,078 was recovered.

(4) During a surprise raid in the vicinity of Dahisar Octroi Check Naka, a vehicle unauthorisedly carrying 31 goats was intercepted and the 31 goats were confiscated and were disposed of by auction thereby realising an amount of over Rs. 5,600'.

('E' denotes English and 'M' denotes Marathi.).

Statement II (Paper consumed).

Description	19	81-82	1982-83	
Description	Rate per Kgs.	Quantity in M. T.	Rate per Kgs.	Quantity in M. T.
(1) White (11) Nepa (111) Other kinds	Rs. 9.62 6.36 10.09	349 59.1/2 170	Rs. 8.48 6.68 9.74	273.1/2 142.1/4 57.1/4
	Total	578.1/2		473

Certain jobs were carried out through Outside Agencies at a cost of Rs. 95,867/- as again **1** Rs. 1,11,521/- in the previous year. In addition to regular work, the Press carried out printing of (1) Marathi Budget and Establishment Schedule comprising 2760 pages and (ii) Budget 'G' both ' Marathi and English in time against heavy odds.

In response to the Incentive Bonus Scheme for C. L., 45 workers responded as against 49 in the previous year. The Press is working in two shifts with a total strength of the 475 workers as on 28th February 1983 against 488 as on 28th February 1982. 37 Apprentices under Apprenticeship Act 1961 were engaged in this year as against 37 on 28th February 1982. The labour relations were very cordial and their grievances were redressed on spot wherever practicable:

As the present premises at Carnac Bridge is not adequate to meet the print requirement of the Corporation, extension of the present building was taken in hand which is in progress to the Southern Side. The same is likely to be completed by the end of this year.

Messrs. Printing Consultency Services, whom the Corporation had oppointeed as consultants to suggest the lines on which the Municipal Printing Press should be re-organised have suggested a change over from the existing letter press or hot metal process to the Offset Printing Technology. To implement the suggestion, the Press has imported one 'Photo Composing Machine' equipped with one 'Off line Key Board for working in English and Devnagari. The machine has already been put into commission. One Web Offset machine modal RO-62 has also been put into commission. Plans for additional Printing Press at Chembur have been finalised in consultation with-Messrs. Printing Consultancy Services and the same have been sent to the Government of Maharashtra for their approval to extra F. S. I. required to house the entire new Press under one roof. The Press is also importing one Rank Xerox 7000 Machine from Singapore which will be used for printing Corriganda and Addenda to the Draft Word Roolls for Municipal Election as also for other work of the Corporation. This is the first time in the history of the Corporation that the entire Corriganda and Addenda to the Electroral Rolls would be printed by Municipal Printing Press itself.

During the ensuing year, one more Photo Composing Machine with 2 Off line Key Board is proposed to be imported alongwith certain other items of machinery and equipment such as a Sheet Fed Offset, Two Mono Casting Units with System 272 which is introduced by Monotype Corporation to have corrected roolls for mono casting, etc. with a view to switch over too fiset printing.

To minimise the wastage of stationery and schedule printing items supplied to the various departments, the work of Pr paration of Model Indents of all departments have been completed on the basis of actual consumption for last three years and the same varified and approved by respective departments.

The present Schedule of the printing items was prepared some twenty years back. Since then there is considerable increased in the requirement of the departemt and about 850 various forms were deleted from the requirement in consultations with the departments. The work of the new Schedule of printing item is also completed the same will be sent for approval of higher authority. After approval the same will be got printed.

ROTA PRINTING UNIT

Important Features :

The Rota Printing Unit carry out the work of printing and supplying copies of M.C.'s and M.C.A.'s Administration Reports in Marathi, Urgent Items and accompaniments of the Agenda of the Corporation and its various Committees and all the printing work of Tree Authority, both in English and Marathi. It also undertakes the work of printing and supplying copies of annual Examination papers of the Primary and Secondary Schools of the Corporation in 11 different languages viz., Marathi, Gujarati, Hindi, English, Urdu, Kannad, Tamil, Telugu, Sindhi Devanagari Sindhi Arabic and Malayalam and printing work of other departmental jobs such as Reports, Different Formats, circulars etc.

Expenditure :

(A) Establishment	••	Rs.	6,72,800.04

.

(B) Others ... Rs. 1,91,194.97

Work Load Summary :

()	Printing of Administration Reports of M. C. and	Pages	Cost (Rs.)
(a)	M.C.A. in Marathi.	745	17,146.64
(b)	Departmental printing jobs such as Formats, circulars, reports, etc.	Jobs 1100	3,03,888.25
(c)	Urgent Items and Accompaniments and the Agenda of the Corporation and its various Committees	1207	60,122.60
(d)	Annual Examination papers of Primary and Secondary Schools	85.77 ch Impressi	6,79,884.22 ons)

In the reporting year, 48 employees were on the establishment of the Rota Printing Unit.

The various job works received in the Rota Printing Unit are of urgent and time limit nature, and the same are executed systematically.

The printing work of the annual examination etc., papers of the E. O.'s Department is of confidential nature and the same is executed very punctually and accurately.

B. M. GHARPURE, Superintendent, Rota Printing Unit.

* This includes the cost of Rs. 11.27 lacs for billing and accounting on Computer of property tax, water charges and wheel tax bills for City, Subusbs and Extended Suburbs.

II-Results achieved :---

Due to continuous collection drive, the recovery of Municipal property taxes, together with wheel tax and Octroi was in excess to the tune of 37.28 Crores as compared with last year, the details whereof are as under :--

Property taxe	es including wh	eel tax.		Total		
Collection made in 1981-82.	Collection made in 1982-83.	Excess	Collection made in 1981-82.	Collection made in 1982-83.	Excess.	- Excess
Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.
100.48	111.05	10.57	93.97	120.68	26.71	, 37.28

(Rs. in Crores).

The property taxes and Octroi are the main stay of revenues of the Municipal Corporation and, therefore, this department has to achieve the target of collection by strenuous efforts throught out the year so that the Corporation can render civic services efficiently.

There was a marked improvement in the total tax collection -including Government taxes during the year under report in as much as the Department brought Rs. 128.22 Crores as against Rs. 115.57 Crores during the previous year.

The total demand of Municipal Property taxes, including water charges and wheel tax was Rs. 179.53 Crores whereas the total outstanding which includes arrears of previous years was Rs. 68.48 Crores. These arrears include settled demand as well as unsettled demand.50% of these arrears is generally recovered during the subsequent year and balance amount remains locked up on account of various reasons shown under the statement (Appendix No. 8).

The finalisation of Reteable Value of Railway properties for the period from 1st April 1959 onwards is under process. The Railway authorities, in the meantime, have agreed to make an *ad-hoc* payment of Rs. 14.35 lacs for every year. (Rs. 8.95 lakes for Central Railway and Rs. 5.40 lacs for Western Railway).

The assessment of Bombay Port Trust properties for the quinquennium 1969-74 is also in progress.

As regards the assessment of state and Central Government properties for the quinquennium 1979-84, Shri C. D. Vaidya, Architect, who has been appointed to fix the Rateable Values of lands and buildings in charge of the State and Central Governments in Greater Bombay has taken up the matter in hand and the same is in progress.

Building Repairs Cess :-- Repairs Cess collected during the year 1982-83 is Rs. 6.26 Crores.

Maharashtra Tax on Buildings (with larger residential Premises (Re-enacted) Act 1979 :--

Under the aforesaid Act, the State Government has levied from 1-4-74 retrospectively a tax on residential premises havings floorage of more than 125 Sq. Mtrs. and the Retable Value thereof being more than Rs. 1,500/- at the rate of 10% of the Rateable value per year. The work of levy and recovery of this tax is entrusted to Assessment & Collection Department. The department has collected Rs. 87,56,000/- during the year 1982-83. Octroi :...In the year 1982-83 the rates of Octroi continued to e the same as in the year 1981-82 for first 2 months i. e. from 1st April 1982 to 31st May 1982. How ver the rates of octroi on articles falling under item Nos. 1, 2(a) & (b) 4, 5, 6, 9, 10, 14, 18, 19, 20, 23, 24, 27, 38, 39, 42, 47 to 49, 53, 55, 59 & 60, which upto 31st May 1982 were on weight measure or numbers basis, were brought on ad-valorem basis from 1st June 1782.

Octroi collection during the year 82-83 amounted to Rs. 120.68 Crores as against the amount of Rs. 93.97 Crores during the year 1981-82. This shows an increase of Rs. 26.71 Crores in Octroi collection in 1982-83 over the Octroi collection for the preceding year.

Re:

Payment was not received from Government Department before 31st March 1983. The Dy. Custodian of Evaucee properties pays as and when Fund permits.
 The payment was not received before 31st March 1983.
 The amounts await adjustments.
 Properties have been attached and steps have since been taken to expedite the sale of properties attached.
 Since the numbering of hutments, recovery has received, further setback and the arrears mounted up. The position may improve only when the question is finally settled and compensation recovered from hutment dwellers is made available.
 The recovery would be effected in due course.
 There are various difficulties for effecting recovery of taxes in respect of monthly tenancy structures.

Amount awaits adjustments. The recovery is in progress. ц<u>ю́</u>

(B) Break up of unsettled and provisional demand of Municipal Property Taxes including Water Charges, Sewerage Charges, Water Benefit Tax, Sewerage Benefit Tax, Wheel Tax but exclusive of State Education Cess and Additional State Education Cess and E. G. Cess as on 31-3-1983

EDUCATION DEPARTMENT

• •

. .

. • •

It is the obligatry duty of the Municipal Corporation of Greater Bombay, as per the Act, to provide of Primary Education to the children of school-going-age of 6-11 and this responsibility is carried out by the Education Department of the Corporation right from 1907.

In addition to Primary Education, just to give helping hand to the Government, the Corporation also undertook to run Secondary School since 1965.

The entire supervision and administration of the Department was carried out by the Education Officer, Smt. K.N. Kamat, M.A.M.Ed. as the Head of the Department, with the assistance of Officers on academic side as well as the administrative staff. Below is given the Organisational Chart of the Department ;

		Education Offi	oer	••
Dy. E.O's. Administrative Officers	A.O. (Office) & other Office Staff	Superintendents Beat Inspectors	Research Officer Assistant Research Officers	Senior Superivisor, Physical Instruction

SCHOOLS PREMISES

In order to meet the needs of Education of all the children, the Corporation has a planned programme of construction of school buildings. The position of the school premises is shown in the below given statement :

			31st Ma	rch 1982	31st March 1983			
			No. of premises.	No. of Schools meeting in	No. of premises.	No. of Schools meeting in		
1. Municipal owned	••	••	301	926	304	914 、		
2. Rented Buildings	••	••	372	385	373	379		
3. Rent Free Buildings	3	••	23	22	22	32		

The construction of additional class-rooms has helped in reducing the congestion in the class rooms.

TEACHERS '

Every year, the Department has to recruit new teachers due to increase in the number of students as also for those who are superannuated.

Private Primary Schools :

In addition to our own Municipal Schools, the Department is controlling private primary schools by way of giving them recognition and grant. The No. of students in Private Primary Schools is also increasing.

Special Education :

In addition to the Primary Schools, the Department is conducting two Junior Colleges of Education for Urdu Teachers-one for males and one for females-at Mahim and Imamwada respectively.

Non-Formal Education Classes

Activities :

-

School Social Service Centres at all the 15 I.Y.C. Centre Schools spread over 10 wards (EF/South, G/North, H/East, K/East, P/North, L,M,N. and S) continued rendering valuable service for the benefit of parents, pupils and schools. A total No of 22 fully-qualified Social Workers and 9 para-professional Workers were engaged in this work which was supervised by Administrative Officer (Schools) (Co-ordination). As in the previous year, *i.e.* 1980-81, the job of providing the Social Service and expert guidance was entrusted to Nirmala Niketan College of Social Work, Bombay 300 020, on contract basis.

The main features of this programme are as follows :

Participation of Officers of the Education Department in different Services and Workshops :

Alongwith the development of the Teachers, it is also seen that the Officers of the Department got exposed to new trends and programmes of education and, therefore, they are deputed for different Seminars, Workshops, Conferences, etc.

Education Officer, Smt. K.N. Kamat, was deputed to International Conference of World^{*} Education Fellowship held at Seoul, Korea. She also read a paper in this Conference. Further, she was deputed for the Special Attachment Programme at CEMEO—Regional Language Centre at Singapore.

Other Officers viz Supdts., Research Officer, Asstt. Research Officers also were deputed to participate in Seminars on Material Production, Value Oriented Education, Non-Formal Education at Hydrabad.

A special Workshop on Long Term Educational Planning in Metropolitan Cities was organised f or the benefit of the Senior Officers of this Department in collaboration wi!h NIEPA New Delhi. This Seminar was attended by the Education Officers of other Corporations in India (Delhi, Madras, Nagpur, Pune, etc.).

Seminars at Beat Level :

In the year 1982-83, it was not possible to organise Seminars in each of the Beats due to financial stringency. But these seminars were organised for groups of beats. As 5th of September to 14th of November was declared as a special period for universalization of education, all the Seminars were organised especially on this topic of universalization of education, where actually the participating schools were asked to take a quick survey of the non-attending children with the help of the students in their neighbouring locality. This helped the teachers to change the attitude towards education and the attendance of the students.

Balkotsav :

As usual during Balhotsav, Cultural Programmes, Dramatic Competitions, Folk dances were arranged. More than 10,000 students participated in these Programmes which were enjoyed by about 1,20,000 students and parents. The performance was very much appreciated.

FOOD SANITATION AND PREVENTION OF ADULTERATION OF FOOD

Food sanitation comprises of Control and Supervision over the Food Premises, where articles of food are manufactured, stored and kept for sale. This control is exercised by imposing a licence under the B. M. C, Act and the Maharashtra Prevention of Food Adulteration Rules, 1962. The Food Establishments are also controlled from the point of view of Prevention of Adulteration of food under the provisions of the Prevention of Food Adulteration Act, 1954, and the Rules there under. In order to improve the standard of food sanitation, eating houses and bakeries are classified as Grade-I, II and III depending upon the compliance with the conditions of the licence and other measures taken to maintain cleanliness and sanitation in the various trade operations and in the trade premises.

There is also system of medical examination of food handlers (cooks and cook-mates) in eating houses so as to prevent the spread of various diseases through articles of food.

Details of Food articles destroyed being unfit for human consumption are as under :----

Solid articles of food	Liquid food	Vegetables	Fruits
including sweets. Kgs.	Litres	Kgs.	Doz.
2,73,845	2,11,963	41,816	56,032

Registration of births and deaths :

Registration of Births and Deaths Act 1969, unified the system of registration throughout the country and made reporting and registration of births and deaths compulsory. This Act is implemented in the Greater Bombay from 1st January 1982 and has replaced the provisions of the Bombay Municipal Corporation Act. The Executive Health Officer is appointed as Registrar for Greater Bombay and all the Medical Officers of Health as Sub-Registrars for the respective areas for the purposes of registration of births and deaths.

According to the Act theinformation of live birth and still birth is required to be given in prescribed forms to the Registrar within seven days and that fo the death witdin 3 days from its occurence. The name of the newly born child can be registered free of charge within 12 months from the date of registration of births and thereafter on payment of prescribed late fee and compounding charges.

The information of death is required to be given to the Registrar within three days from the date of death. The medical practitioners and Heads of the Medical Institutions are required to issue medical certificates of cause of deaths in form No. 8. These forms are supplied by the medical officers of Health in the respective ward offices.

Vital Statistics :

The statistics regarding Birth and Birth rate, Death and Death rate, Infant mortality and infectious and communicable diseases etc., are shown in the table at page 3.

Rat Control Work : Integrated rat control with the employment of combinations of different measures was planned and executed. Total number of rats caught and destroyed was 6,38,204 (including 1,58,878 Rattus and 2,67,024 Gynoys Kok- as against 6,64,843 in 1981. No rat was found plague infected.

Other anti-plague measures viz., flea destruction, especially through cynogassing of rat holes and cleansing of areas was carried out.

Cholera: There was no case of Cholera. Preventive measures such as anti-cholera inoculations, disinfection of well water, destruction of over ripe and rotten fruits, were continued as routine measures. 2,33,508 persons were inoculated against Cholera.

Tuberculosis : T. B. Control Unit continued its activities during the year. Majority of hidden cases have been brought on the register. During the year 28265 T. B. cas.s were notified and deaths numbered 8307. Services of Health Visitors have been integrated with the services of Treatment Organisers working under Assistant Health Officer (T. B.)

B. C. G. Vaccination : There are two units for B. C. G. Vaccination *viz.*, 1) B. C. G. Technicians carry out vaccination and follow up of vaccinated school children and (2) the Municipal Mat. Homes Carryout Vaccination of neo-natal cases from private maternity institutions and children up to 14 years from the surrounding area.

T. B. Control Campaign : The Jaslok Hospital and Research Centre has organised the T. B. Control Campaign 1982 in Joint Collaboration with the Municipal Corporation of Gr. Bombay, E. S. I. Maharashtra State Anti T. B. Association, Bharatiya Arogya Nidhi etc., to commemorate the centenary of the discovery of Tuberone Bacillis by Robert Kock. The project envisages a massive and intensified campaign for control of pulmonary tuberculosis as well as operational research in the area. The Corporation has agreed to extend full assistance and Cooperation of personnel and physical facilities and to bear 50% of the cost of drugs, X-Ray films in addition to the usual provision for care of T. B. patients.

Sexually Transmitted Diseases (V. D.):

At the Municipal Anti S. T. D. (V. D.) Clinic, S. T. D. cases are treated confidentially with the latest methods of treatment after proper clinical diagnosis, confirmed by modern laboratory test carried out at the clinic's laboratory. Male and Female patients are examined and treated in separate wings of the clinic maintaining absolute privacy and secrecy. In addition. a Medico-Social Department comprising of one Male Medico-social Worker and one female Medico-Social Worker and supplemented by Health Visitor (Auxiliary Nurse) render necessary medico-social service to the patients attending the clinic. In addition, S. T. D. Reference Laboratory established in 1972 located at Kamathipura Maternity Home Premises, Chandramani Buddha Vihar Marg, Kamathipura, is working under the administrative control of Medical Officer, S. T. D. Clinic. This Reference Laboratory caters to the need of routine and specialised advance investigation of S. T. D. cases. Moreover routine blood samples of pregnant women, who are ad mitted in Municipal Maternity Homes, are investigated serologically for Syphilis.

Leprosy: Leprosy cases in Greater Bombay are treated at the out-patient clinics of the Acworth Leprosy Hospital and also at the 10 centres situated throughout Greater Bombay under the Greater Bombay Leprosy Scheme, which are also operated by the A. L. Hospital. It has also in patients section of 500 beds. Of the 500 beds, the Corporation bears the expenditure of about 275 permanent beds and 48 temporary beds. The Corporation also bears the entire cost of the out-patient clinic at Acworth Leprosy Hospital and 50% cost of the recurring as well as capital expenditure of the Greater Bombay Leprosy Control Scheme.

In addition, the Corporation have chalked out new scheme of "Detection and Control of the Leprosy cases in Greater Bombay". This scheme is fully financed by the Corporation.

The Mobile Health Unit : The Mobile Health Unit Continued to perform its following stipulated objectives during the year.

(1) Comprehensive Health cure to the Municipal School Children.

The Mobile Health Unit is working under the supervision of Assistant Health Officer (Epidemiologist) and undertaking Medical examination & immun)zation of School children and slums of Greater Bombay.

(2) Control of communicable diseases : 38236 immunization procedures against various communicable diseases were performed (Table 12).

(3) Health Drives and Family Planning Exhibitions :

In addition to the general health education performed and the mass immunization carried through its units, 298 health drives were carried out when 29405 persons were immunized against measles, T. A. B., T. A. B.C., T. T., D. T., including administration of polio vaccine and Vit. A orally. And 153444 patients days of treatment were dispensed.

VECTOR CONTROL

Potential breeding places such as wells, cisterns, over head tanks, mill-tanks, storm water entrances and drains were checked periodically for detection and destruction of mosquitoes. Necessary anti-mosquito treatments were rendered to these situations and occurrence of mosquito breeding was destroyed as an anti-malaria measure.

Mosquito Nuisance : For controlling mosquitoes causing nuisance by breeding in large numbers regular round of applications of insecticides were continued. Insecticidal fogging operations were also resorted to serve a dual purpose of anti-malaria and anti-mosquito operations.

Precautions against yellow fever : Campaign against Aedes Aegypti the vector for Yellow Fever and dengue diseases was continued throughout the year. Aedes Aegypti breeding was detected on 14_occasions and stegemiya index was 0.0006% for the year under reference.

House Fly Control : For abatement of fly nuisance and to check fly borne diseases regular anti-fly measures were continued through-out the year and were intensified during monsoon months.

Entomological Survey : Entomological Survey to assess and delimit the transmission of Filariasis by mosquitoes was continued during this year.

Malaria : Under the National Malaria Erad ication Programme, Malaria Surveillance Scheme is divided into two parts (1) Active Surveillance; and (2) Passive Surveillance. The area occupied by the City proper is covered for Passive Surveillan ce, while that of the Suburbs is covered for both. In the city blood smears are collected from the patients suffering from fever and attending the Municipal Dispensaries, Municipal and Government Hospitals and other Charitable Institutions and from those treated by private Medical Practitioners wherever possible. In the Suburban areas house to house survey is carried out for fever cases and radical cure treatment is administered to those found positive for Malaria parasite.

In case of Indigenous cases, Mass-Survey is carried out and if necessary, Mass treatment is arranged to control transmission. Wherever construction work is going on Mass Survey of the construction Labourers are carried out (Most of the Labourers come to Bombay from different places).

Filaria Control Programme : A pilot project for detection of Filaria cases by collecting blood smear survey at night has been started in H. Ward. Under the project mass survey has been carried out at Khar Danda Village and Filaria night clinic has been established at Khar Danda dispensary.

CEMETERIES

There are in all 180 cemeteries in use in Greater Bombay. Out of which 27 including the electric crematorium at Chandanwadi and Sion, are Municipal managed.

Electric Crematorium

These are opened round the clock for cremation. of dead of all religions. The charges for cremation are Rs. 125/- per adult dead body and Rs. 60/-per child dead body below 12 years of age. Two more electric crema torium are under construction one at Shivaji Park, Hindu Cemetery and the other at Oshiwara Hindu Cemetery at Jogeshwari (West). The existing cemeteries in city are sufficient, excluding those for communities like Dawoodi Bohras, Jews, Khoja, who do not re-use land for burial. At Municipal managed cemeteries, amentities are provided at Municipal cost. At privately manayged cemeteries, they are to be provided by their owners/trustees. However, at some private cemeteries certain amenities have also been provided at Municipal cost under Section 63 (k) of the Bombay Municipal Corporation Act, to avoid inconvenience to mourners.

MUNICIPAL LABORATORY

To safeguard public health, samples of various food-stuffs and samples of water from different parts of Greater Bombay were examined (Table No. 14).

The water sampling programme containued usual and the sampling was done both in the morning and evening so as to collect samples from all the wards of the City.

The Municipal Analyst attended different courts in the City and Suburbs as Public Analyst in 27 cases and the other public analysts attended courts in 12 cases.

Apart from the examination of samples of water, food-stuffs collected by Sanitary Inspectors and Food Inspectors, samples collected by the Food and Drug Administration and the B.P.T. authorities and samples of stores articles from Controller of Stores and samples from different departments of the Corporation were examined.

The Municipal and Public Analyst is a member of 10 different sub-committees of Indian Standards Institution and Central Committee for food standards.

Maintenance of Dhobighat : There is only one Municipal Dhobighat which is existing at Mahalaxmi since about 100 yrs. There are 709 wash stones for washing of cloths by dhobies. Facilities such as water supply, electricity, land for drying clothes have also been provided. The stones are given to Dhobies for washing at a monthly rent of Rs. 60/-.

Life Guard Service : The Sea shore of Juhu is guarded to save the lives of the persons from drowning. Life Guards are specially posted to watch the area from 6-00 a.m. to 6-00 p.m. and to guide the people not to go for swimming in the prohibited areas and to rescue those who are in danger. The Life Guards are provided with necessary life saving equipments, binoculars, etc. Similar life guard services are also available at Aksa Marve and Erangal beaches on Sundays, and Holidays.

Control of Stray Cattles : Stray cattles are seized and impounded by Byculla Cattle Pound under Section 441-A of the B.M.C. Act. In order to have co-operation from the members of the public in this respect, incentive payment of Rs. 50/- per cattle seized and brought to the cattle pound at Byculla and Rs. 30/- per cattle seized and brought to M.O.H. C, D, E, F/N or G/N Ward-Office is offered to the members of the public.

Maternity and Child Welfare : The Maternity and Child Welfare Services were rendered through 25 Municipal Maternity Homes, 9 Maternity Wards attached to 9 Municipal General Hospitals and 39 maternity and child welfare centres. The scheduled strength of maternity beds was 1519. The number of deliveries conducted was 66,101. The average stay of mothers in the maternity homes was 5 days. Domiciliary care was rendered to impart health education and to carry out health propoganda amongst mothers. Institutional care included antenatal, post-natal, infant and pre-school age child care, follow up work and health education by proponganda through posters, leaflets, group-talk demonstrations and film-shows. etc.

Milk was given free to the poor and needy expectant and nursing mothers, 3 months before and 3 months after delivery at the Maternity Homes. Poor mothers who delivered at their homes were also given help, in the shape of milk.

Paediatric centres were conducted at 8 maternity homes with a view (i) to providing a service to the community in which efficient, effective and comprehensive paediatric care can be given outside the hospital, by promoting good growth and development, providing immunization facilities, teaching family and community health as also nutrition. (ii) to reducing the load of the hospital out-patients departments by referring cases for dirrerent medical care and (iii) to providing a teaching field and education experience in a urban centre to doctors, nurses and allied workers.

Medical Termination of Pregnancy : All Municipal General Hospitals with Maternity Wards and almost all Municipal Maternity Homes are recognised for Medical Termination of Pregnancy under the M.T.P. Act 1971.

Family Welfare Planning : With a view to preventing or minimising maternal and infantile mortality and morbidity instructions in spacing of birth are given by trained doctors, to married man and women at the family welfare centres free of charge. Contraceptives are also given free after demonstration of the use of the same.

These activities are conducted under the supervision of the Special O ficer I/c Family Planning, F/South Ward Officers, Dr. Ambedkar Road, Parel, Bombay-400 012.

KASTURBA HOSPITAL FOR INFECTIOUS DISEASES.

Dr. (Smt.) S. N. Marathe, M.B.B.S., D.P.H., Dy. Medical Supdt. Kasturba Hospital, has looked after the work of Professor of Medicine in addition to her own during the year.

Admissions

17,157

Expenditure

Rs. 1,12,83,349

.....

. :

Pharmacy Department : A pharmacy department which was established at this hospital in the year 1972 manufactures 600 bottles per day. This department supplies the same to all the Municipal Medical Hospitals, Municipal Maternity Homes and other hospitals. Immunization Centre : 629 persons were immunized against Diphtheria, 1396 against Enteric Fever, 1396 against Cholera, 66 against measles.

Ward Laboratories : As required by the Bombay University, two ward laboratories have been started for a recognition to house posts for post-graduate studies.

Intensive Care Unit : To render prompt medical treatment to cases in acute condition requiring very prompt and intensive care, are admitted in ward No. 11 of the Hospital, The total No. of Patients admitted are 458 as against 581 during the Previous year.

Paying Beds : The paying bed facility is provided to those desiring the same volunterily.

Teaching: Instructions in Infectious Dieseases were given to 898 students including undergraduates of M. B. B. S., Ayurvedic and Homeopathic. Student Nurses, Nurses, Health Visitors, etc. from various institutions in Greater Bombay were also given instructions in Nursing Management of Infectious Diseases.

A full-fledged Laboratory, X-Ray Department, Operation Theatre, Library and Medical Record Department worked satisfactorily.

MEDICAL RELIEF.

Municipal General Hospitals : The Public Health Department conducted eleven general hospitals in the Suburbs and Extended Suburbs. Details of the work done thereat are detailed in Table No. 13.

Dispensaries : New cases treated at the 148 dispensaries, O. P. Ds altached to Gen. Hospitals and 9 Mobile dispensaries were 35,27,512 against 5970076 in 1981. The total attendance was 1,40,08,497 as against 1,75,60,508 in 1981.

Clinics for women and children were conducted at 2 dispensaries for two hours a week. 580 new cases were treated at these clinics as against 666 in 1981 and the total attendance was 1,690. Similarly 1,89,615 new cases were treated at the 39 Maternity and Child Welfare Clinics and total attendance was 6,19,368.

Municipal Eye Hospital, Kamathipura: The total number of new cases treated and the total attendance at the out-patient department of this hospital was 31,469 and 74,293 as against 38,929 and 16,302 resectively during the previous year. The number of indoor patients amongst new cases and total attendance was 1,912 and 15,642 respectively, as against 1,753 and 18,649 respectively, in 1981.

The Medico-Social Unit, established in April 1957 at Kherwadi, Bandra, by appointing a medico-social worker in order to carry out an integrated practice of medicine based on the family and community as a Unit continued working. The medical personnel specialising in different fields of medicines are working at the Khergadi Family and Community Health Centres, a Voluntary Social Organizations, rendered honorary services at the unit.

AMBULANCE SERVICE

.... "р

Municipal ambulance service is available at all Municipal General Hospitals in City and Suburbs. The services are available round the clock at the major hospitals. In other Hospital, it is in two shifts from Morning to evening. Ambulance services are also available in Maternity Homes situated at Mahim, Deonar, Bhandup and Malad. Ambulance under the control of Fire Brigade is available for removal of case of maternity, Street accident (free) and non-infectious medical cases on. payment within the limits of Greater Bombay.

Ambulance service at Sane Guruji Marg is available for removal of infectious diseases cases free and hearse for removal of dead bodies on payment within Greater Bombay.

The Services of hearse are also available on payment of prescribed charges at Juhu Hospital, Rajawadi Hospital, Borivali Hospital, round the clock and at Maa Hospital, Chembur, Mulund General Hospital (W), K.B. Bhabha Hospital, Bandra from morning to evening for removal of dead bodies in Greater Bombay.

Upgraded Dispensaries: There has been considerable over corwding at the outpatient departments of the Municipal General Hospitals, making it difficult for the medical staff of the Hospitals to pay adaquate attention to each patient. The over-crowding in the O. P. D.s is due to the attendance of a large number of patients requiring dispensary treatment. With a view to relieving the general hospitals of the heavy load of patients, 58 Municipal General Dispensaries were upgraded.

Health Prorsganda and Education : Health Propaganda and Education such as enlightening the public about the importance of environmental sanitation and immunization against various diseases, etc. was carried out through the Public Relation Department of the Corporation.

Rables : Anti Rabic treatment is given at the 14 Municipal Hospitals. 1 Private Hospital, and 5 Municipal General Dispensaries. Integrated Child Development Service Scheme : In pursuance of the National Policy for children, the Government of India have sanctioned the Integrated Child Development Scheme on an experimental basis in the first instance. Each project aims at the delivery of package of services in an integrated manner to pre-school children upto 6 years of age, exceptant and nursing mothers and to women in the age group 15-44 years.

Greater Bombay has been selected amongst the four urban slum projects to be inaugrated throughout India and the department of Social Welfare, Maharashtra State has selected Borivli, Goregaon slum area for implementation of this project. As the project falls within the limits of the Municipal Corporation, the Department of Social Welfare and the state level I. C. D. S. Co-ordination Committee decided to involve the corporation for implementation of the project in Greater Bombay.

VOLUNTARY HEALTH SERVICE SCHEME

Government of Maharashtra has introduced voluntary. Health Service Scheme from Summer vacation of 1982. The College students of 11th and 12th standards of Science Faculty can participate in the scheme which is implemented during summar and Diwali vacations every year. (The main object of this scheme is to expose these students to health activities and general awareness in their minds for social service in the field of Health.)

The participating students have to volunteer their services for collecting health information from families for Health Survey Work. On an average each student has to collect information from 15 families per day for a block of 15 days. (The data collected through this Scheme is to be compiled and used for Monitoring National Programmes. The Scheme is really laudable as it will render valuable data and at the same time involve students and communities in Health activities. For collecting the information satisfactorily, the student get one mark for completion of the information of one block. During 2 years *i.e.* during 11th and 12th standard a student can get maximum of 5 mark. These marks are considered while giving admission to Government/Medical/Dental/ Ayurvedic Colleges.)

The application form for enrollment in the Scheme and other details can be had from the Office of the Assistant Health Officer-Zone-II whose office is situated at Municipal Offices, F/South Ward, Parel, Bombay-400 012.

The entire expenditure of this scheme is borne by the Government of India.

The Patient is Provided with the Card. The Medical officer Incharge, Dispensaries, Maternfty Homes etc. see that necessary treatment is given to that Patient.

Expanded Programme of Immunisation: As per the directives from the World Health Organisation and the Government, the Scheme of Expanded Programme of immunization has been adopted since May 1978 on permanent basis. Under the scheme, every child in Greater Bombay is contacted and immunized for Diptheria, Tetanus, whooping cough, Tuberculosis within 1 to 1} years of its birth.

Multi-purpose Workers Scheme : Multi purpose Workers Scheme has been launched in different parts of India as per recommendations of the Multi-purpose Worker's Committee appointed by the Govt. of India.

The Scheme is an extension of Expanded Programme of Immunization. It aims at switch over of the semi-purpose programme to multi-purpose programmes by integrating them. In Greater Bombay, the scheme is in operation in 9 wards viz. F/South, G/South, H/East, H/West, K/East K/West, L, M, N, Wards on pilot basis and will be extended to other wards in due course. The scheme includes Expanded Programme of Immunization, Malaria Control, T. B. Control, Family Welfare Maternal and Child Health Nutrition, collection of vital statistical data regarding missing births and deaths etc.

Control of Water contamination and Health Survey Scheme : Greater Bombay receives water supply from artifical impoundage which is augmented by river water. To assess the impacts on health of the present water supply system and the new water purification and treatment plant, a prospective study is undertaken on the request of World Bank to find out whether there are quantifiable changes in the occurrence due to water related diseases in relation to environmental, Social and grographical factors. The study is to go on at least for next 2 years.

Dog Licensing Establishment : Dog Licensing Establishment primarily d als with the abatement of nuisance caused by stray dogs and to reduce the potential of such nuisance by organsing dog catching raids on routine basis. These dogs are destroyed by electocution method if not retrieved by the owners or interested parties within 3 days.

Control on certain trades and cinema and Drama Theatres : Certain trades like hair dressing Saloons, pan shops, laudries etc. are controlled from public health point of view by imposing a licease uvier Section 394 of the Bombay Municipal Corporation Act.

Similary Cinema Theatre, D.ama halls etc. are inspected to control them from public health point of view under the provisions of "Maharashtra Cinema (Rules) Regulations, 1966 and Rules for Licensing and controlling places for public amusement' respectively.

Health Education Drife: This is a fundamental aspect in preventive medicine. The various modes of audio-visual publicities are used in vulnerable areas. The talks are also arranged on radio and T.V. Immunization and intensive clinic campaigns are also carried out and purpose is en lightend about the importance of environmental sanitation, good habit for healthy living, etc.

Registration of Nursing Homes: Nursing Homes require registration under the Bombay Nu sing Home Registration Act 1949 and Rules thereunder. Certificate of Registration is issued on payment of the prescribed fees of Rs. 50 (less than 10 beds) and Rs. 100 (more than 10 beds) at the office of the Medical Officer of Health at each of the wards. Renewal of registration is done annually on payment of equal amount payable for the first registration.

Licensing of Nurses Establishment : Nurses Establishments require licence under the provisions of the Bombay Nurses, Midwives and Health Visitors Act, 1954 and the Rules and Bye-laws passed thereunder. The licence is issued on payment of prescribed fees of Rs. 100/- by the Medical Officer of Health of the Ward and is renewable every year in April. Failure to take licence is punishable with fine which extends to Rs. 250/ for the first offence and for any subsequent offence with fine which may extend to Rs. 500/- or with simple imprisonment which may extend to six months or with both.

Census :

Information regarding varity of aspects of the nation's economy like population growth its destribution, urbanisation, manpower employment, literacy, migration, housing and so on and also of the working population, fertility patterns, age and educational levels, etc. is collected holding census.

Under Section 63 (h) of the Bombay Municipal Corporation Act, taking of a census of the population of Greater Bombay, is the discretionary duty of the Bombay Municipal Corporation. The work is entrusted to the Public Health department which is collecting the statistical data of births and deaths in Greater Bombay. The census is taken decennially *i.e.* every 10 years.

Dr. S.S. SABNIS, Executive Health Officer.

The King Edward VII Memorial Hospital & Seth Gordhandas Sunderdas Medical College are functioning since 1925-26. The Hospital is the largest civicMedical Institute in the City, fully modernised and well equipped with various departments. The G. S. M. College provides training facility in almost all the faculties of Medicine and Surgery. Both the institutions are managed by the Dean with the assistance of Medical Personnel of high repute and numerous para-medical and other staff well trained in the line.

.

Dean-Dr. C. K. Deshpande, M. D., F. R. C. Path. (London). Asstt. Dean-Dr. (Smt.) S. R. Satoskar, M. B. B. S.

Ward Officer-Shri R. B. Veturkar, B. A. (Hons.)

Educational Programme: 160 candidates including 48 students from backward Communities were admitted to the M. B. B. S. Course during the year under report.

Post-graduate course were conducted for M. D./D. M., M. S./M. Ch. D. A., D. V. D., D. P. M. D. P. H., D. M. R. D., D. M. L. T., M. S. (Biochemistry) M. Sc. (Arimal Physiology), M. Sc. (Microbiology) Ph. D. on the lines of the previous year.

Hostels : There are three hostels attached to the Seth G. S. M. dical College. Male students Hostels in the College premises has 148 rooms, Ladies students hostel has 36 rooms and Male students hostel situated at Naigaun has 56 rooms. All the rooms were fully occupied during the year. All the modern amenities have been provided at the hostels.

Library : As in previous years, the library has been rendering useful service to the hospital staff in general and the student community in particular, be providing reading, borrowing, and research facilities. Undergraduate, Postgraduate, and research students have been deriving the fullest benefit from these facilities. Even research students from other colleges are allowed to read in the library on application, and proper recommendation and identification.

During the year 1982 (*i. e.* from 1-1-1982 to 31-12-1982), 573 books have been added to the collection. During the year 1982 a subscription is paid to 321 titles of medical journals.

The new library building is ready and will be occupied in January(1983.

OCCUPATIONAL THERAPY TRAINING A SCHOOL AND CENTRE :

Weaving activities: Weaving & winding work were given to patients. Patients produced handloom products like bed sheets, towels etc. worth of Rs. 9,656. which was credited to P. B. C. Fund.

Printing Activities : During the year Rs. 62,484 worth printing work was done and amount was credited to the Poor Bix Fund. Also some printing activities like binding pinning, cutting, rulling, folding, setting were given to the patients as a part of their treatment.

Splints : 1224 Splints were prepared and given to the patients and amount recovered for these were Rs. 5,066.50 which were credited to the P. B. C. Fund.

DEPARTMENT OF PREVENTIVE AND SOCIAL MEDICINE. i

The Department of Preventive and Social Medicine has now completed 23 years.

Activities and Programme :

(1) Teaching and Training activities : These are undertakan by the teachin staff of the dapartment for :

(a) Undergraduate students.

(b) Post Graduate Students

(c) Interns.

(2) Serevice Programmes : are aonducted at

(a) Urban Health Centre : Located at F/South Municipal Ward Office building.

(b) Mobile Health Clinic : Located at within the Community of Naigaun B. D. D. Chawls as an extension of Urban Health Centre.

Naigaon Community :

Malvani iHealth Centre : The activities of this centre 1982-83 as under :

I Surveys conducted following which relevant services were started

(a) Survey to find on surgical operation cases.

(b) Survey to estimate the prevalence of Physically and Mentally, handicapped patients.

(c) Nutritional survey of School children (done once every year).

(d) Health status of school children (done once every year).

(e) Survey in the community to find the scabiesmorbility.

(f) Survey of the member of pregnant women in the community and the number of dar's existant.

(g) A special cataract survey was conducted twice so as to get more them operated in the cataract camp.

(h) A Sepcial TB survey done for 65,000 population to detect new and old cases of TB in the community.

(i) Extensive survey of 0.5 year children regading common illness and ophthalmic status as per Royal commonwealth society proforma.

II. Promotive and Preventive Sereices:

(a) Creshes and Balvadi services.

(b) Under Fives Clinic : A total of 2987 children and their mother attended the clinic regularly.

(c) School Health services.

(d) Expanded imumnisation programme of 0.5 years children. This is carried out of the following places.

(i) It is the school premises for the riblings of school children.

(ii) In the under fives clinics.

(iii) At the existing health centre.

(iv) In the community from house to house.

Total oral polio vaccine given was		••• .	**	 20,729
Total DPT injection given was	`			 3,546

(e) Mother craft Clinic : 1236 pregnant women and 417 lactatins mother attended the clinics.

III -- Curative Services : 11,560 patients attended the outdoor services.

IV.—Rehabilitative Services : 82 new cases and 125 old cases of handicapped patients attended the centre for physical social and recreational rehabilitation regularly.

V.—Community Services : Family Planning Camps : 5 Camps were conducted this year in which 168 women had TL performed on them. Thus, this total and intergrated comprehensive health care programme is aimed at achieving a level of health that will permit the community to lead a socially and economically productive life.

DEPARTMENTI OF ANAESTHESIOLOGY

Department of Anaesthesiology continued to give Anaesthesia and Resuscitation services as reflected in the number of operations carried out in various operation theatres. Department also managed these service at Dr. R. N. Cooper Hospital Juhu and Municipal Hospitalat Malad. In respiratory care ward 165 critically ill patients were treated with 120 survical.

Anaesthesia O. P. D. continued to work smoothly and 8124 patients were examined.

No new equipment were accquired during the year.

Department has been actively helping Blood Bank in their blood collection drive.

Services at various Laparoscopic Camps were provided. At Malwani-Rural health centre anaesthesia services were provided.

Teaching programme continued throughout the year. This is reflected in execellent results at D. A. and M. D. examination. Results are available in college Data. Department is badly in need of a Seminar Hall for teachingpurpose. Departmental Library has 300 books both from B. M. C. and outside sources.

DEPARTMENT OF BIOCHEMISTRY AND NUTRITION

This department is concerned with training the students for Ist M. B. B. S., M. Sc. (by papers), M. Sc. (by research) and !Ph. D. The report is as under : Ist MB.B.S.

1st M.B.	B.S.			A	ppeared	Passed	Percentage
April 1982		•••	••••		10	8	80%
November 1982 M.S. Part I	•••	•••	•••		180	1 5 9	88.33%

DEPARTMENT OF PHYSIOLOGY.

During the year 1982-83, 160 students were admitted in Ist M.B.B.S in July 1982. Regular elasses in theory and practicals were started from 13th July 1981. The progress of the students were assessed in theory and practicals of regular intervals. For theory, after completion of a particular system, students had to undergo a cardtest, in which they were being questioned by staff members and marks were given. For practicals, after finishing 4-5 experiments, students were subjected to spot examination. Occasional Visuo-Audial tests were also conducted to see the day to day progress of the students. Ist Terminal examination of this batch of students was held in November 1981.

In the year 1982-83, students for F. Y. B. Sc. (Occupational Theory and Physio Therapy-O. T., P. T.) were Admitted. O. T. T. P. students were assessed for Theory and Practicals during their tarminal examination.

Seperate physiology lectures were arranged for Nurses, M. Sc. (Bio-physics) and M. D. (Physilogy) students.

Charging of fees for Out-door and Indoor patients at this hospital.

The charging of fees for the O. P. D. and Indoor patients has been introduced at this hospital with effect from 1/4/82. The patients availing treatment as Out patients and In-Patients are charged fees of Rs. 2. and Rs. 5 respectively for case papers. The O. P, D. case paper is valid for 15 days from the date of issue. If the treatment is required to be continued further, patient has to ipay Rs. 2 after 15 days for O. P. D. case paper.

As regards In-door Patients, on admission fee of Rs.5 is collected at the time of admitting the patient, such case paper is valid for 10 days only. If, however patients is required to be kept in the ward for more than 10 days, the hospital's competant authorities on considering the advice prescribes, such as stay beyond 10 days, no additional fees is levied. In absence of such certificate from the doctor attending on the patient, a fee of Rs, 5 per day of stay in the hospital is recovered.

Rs. 100 are charged to the patient for the 4th and subsequent delivery (If the first three children are lving).

For side room patient fee for ganeral admission Rs. 5 is recovered and Rs. 30 per day is levied for side room. Besides this patient is charged Rs. 60 for Minor Operation and Rs. 120 for Major Operation. This patient is also liable to pay Rs. 10 for per X-ray investigation and Rs. 10 for Pathological, Bacteriological etc. investigations.

Cases of accident brought by Police etc. and other emergency cases are treated in the hospital forth with for immediate attention treatment without demanding any fees. Similarly patient from Remand home orphanges, convents children Aid Society etc., are treated free of charge.

Municipal employees and their direct dependent family membes and Municipal Pensioner and his/her wife-husband are treated free of charged.

The Department is also training the Students of post Diploma course in Medical Electronics. Special demonstration and lectures were arranged for these students.

MEDICAL RECORD DEPARTMENT

The scheduled bed strength during the year was 1,595. There was constant over crowding in the Hospital, particularly in the Children wards and in the Female Surgical and Medical wards, orthopaedics wards even after strict scrutiny and restriction on routine admissions.

Death Classified : Out of 3,779 deaths, 684 died within 24 hours of admission, 636 after 24 hours but within 72 hours of admission and 2,459 after 3 days or more from the date of Admission. The figures are exclusive of 262 still births, Prematurity and Neonatal deaths. Death rate was 7.51 as against 7.55 during the last year.

Confinement and Abortions: The total number of confinement was 4,343 and that of Abortion was 2,170 (including M.T.P. also).

Medico Legal Cases: Resident Medical Officers attended the various courts for giving evidence in 564 Medico-Legal Cases. as follows :--

- Metropolition Magistrate Court: 285, Labour Court: 35
- Coroner Court : 15, Javelian Court 5, Session Court : 89, M.A. C. T. 135.

Depositions ! During the year 575 depositions were filed in the Coroner's Court.

Medical Certificates: Certificates were issued to different Institutions and persons during the year as under

SOCIAL SERVICE DEPARTMENT.

Following are the notable activities of the Social Service Deptt :

(1) Library for the patients.

(2) Teaching programme for bed ridden children. Social worker supervises the full time teacher.

(3) Group sessions are continued with patients in some wards.

(4) Free food to patients relatives is given through 'Sanjivani' Milk Powder Scheme is started for cleft lip and palatepatients of ward 16. Free clothes are given to patients and their relatives. Needy patients families are helped by giving ration-Wheat and rice-once a month through. Vishva Hindu Parishad:

(5) Donation in form of medicines, appliances, Tricycles, Wheel chairs, waterbeds, etc. have been collected through various charitable organizations.

(6) Entertainment programmes held in the wards. Social worker attached to Orthopaedic centre participated with our patients at Spot Meet and took them for Picnic.

(7) Provided telephone booths to paraplegies and did follow up of patients with complaints of telephone booth.

(8) Programme on balanced diet for fumale patients and mothers of indoor paediatric patients conducted regularly through Food Corporation on India.

(7) Orientation regarding the working of our hospital and Social service deptt. in particular was given to the students from school of Social work on institutional visits.

The total no. of new cases referred to Social Service Department during the year are 5,496

TUMOUR CLINIC

This clinic continues to offer the following services to hospital patients :

(1) Planning the treatment.

Urs.

(2) Management of advanced cancer cases.

(3) Follow up of operated patients.

About 500 patients were seen on out-patient Department and 250 patients were seen in indoor departments during the year Indigenous drugs traials are undertaken for advanced cases. The clinic has no grants from any sources.

DEPARTMENT OF MEDICINES.

The Department of Medicine comprises of three full-time and three Honorary Units. The following sections are under the Head of the Department of Medicine :

(1) Nephrology (2) Gastroenterology (3) Haematology (4) Division of Endocrinology and Metabolic Disorders. (5) Tentanus (6) Rheumatology and (7) Nuclear Medicine.

Dr. (Smt.) V. N. Acharya continues to Head the Department of Medicine. The Department has its own laboratory (No. 44) and Applied Biology Laboratory (No. 26) under the supervision of Dr. B. S. Kulkarni, Professor of Clinical Chemistry, The Nuclear Medicine Laboratory under Dr. G. H. Tilve performs various organ scans as a service facility.

The Haematology Laboratory forms a section of the J. C. Patel Haematology Laboratory and continues to work in both the fields of research and patient care.

The Renal Unit runs two clinics a week for prevention and management of chronic renal disease. A total of 1961 of dialyses were performed on 363 patients throughout the year. Of these 1782 were hemodialysis and 179 pertioneal dialyses. The haemodialysis service has been improved with the addition of extracorporeal D. P. M. and by the aquisition of disposable dialysers in addition to the (ii) model. The hemoperfusion cartridge has been used with effect for patients with barbiturate poisoning.

Department of Gastroenterology was taken over by Dr. S. R. Naik, Reader in Medicine, in June, 1782.

Total number of beds for Gastroenterology is now 24. In addition to the Monday afternoon OPD, a morning Clinic on Thursday for all new cases was introduced. After appropriate Work-up such patients are either sent back to referring doctors or transferred to the flollow-up clinic on Monday afternoon. Endoscopies are performed 4 times a week in collaboration with the Department of Surgery. In total 600 upper G. I. Endoscopies, 150 sigmoidoscopies, and 10 colonoscopies were performed. The teaching and service programme now includes a weekly histology meeting and service programme now includes a weekly histology meeting, a medico-surgical meeting, a post- M. O. doctors' beside demonstration and a journal club. In addition to these, the weekly Radiology meeting continues. Dr. S. R, Naik received two awards on the basis of his research work: (i) Unichem Gastroenterology Lectureship from API, (ii) Searle award for the best paper presented to the Indian Society of Gastroenterology. The work inentified a protective effect of RNA derived from amoebae against a virulent entamoeba histolytica infection in guienea pigs.

The Division of Endocrinolo y and Metabolic Disoreders saw total of 2,298 new patients and 13,295 old patients through out the year.

The department is in receipt of a grant from the wellcome Trust for Research into "Diabetes in the Tropics".

A Laboratory Manual on Radio limmuno assay was brought out by Dr. S. D. Bhandarkar and Mr. M. R. A. Pillai and published by A. B. A. R. C. Trombay.

The Tetanus Unit admitted 360 cases and suffered a overall mortality of 28% throughout the year. The major thrust of research worh continues to centre on a single dose vaccine for the prevention of neonatal tetanus which is to be given to pregnant mothers in the last trimester of pregnancy. This project has now been tahen up by the I. C. M. R. in its e paneded programme of immunization.

The Department of Nuclear Medicine undertakes a varity of studies of which brain scans (1231), Liver scans (1025). and iCharcoal T3 uptake studies (30) featured most prominently.

Rhematology Clinic continues to function on Saturday mornings. Its aims are to elucidate the various arthritidies seen in clinical practice and also to examine new therapeutic agents. Levamisol which is a modulator of the immune system is being tried with moderate success in rheumatoid arthritis. Sacrolliac joint scanning is being assessed for its value in detection and prognosis of ankylosing spondylitis.

Renal Unit and the Artificial Kidney Division :

The Nephrology Unit which looks after the preventive aspects of renal disease and renal failure is run by appointment twice a week on Mondays and Thursdays. The Clinic saw 305 patients during the year 1782. Bacteriology of urine, diet advised, and certain immunological tests were done on the spot for all the patients attending this clinic.

A total of 100 kidney biopsies were done in the clinic, many patients were fererred as emergency cases for consideration for dialysis by various iunits of this hospital and from the city of Bombay, various cities of Maharashtra and neighbouring stat s. A total of 1761 dialyses were performed on 363 patients during this year. 1782 hemodialyses and 179 peritoneal dialyses.

	· · · · ·	Actute	Poisoning	Snake Bite is	Schisophrenic	Chronic

The hemodialysis Service has been markedlykimproved with the addition of Extracorporeal D.P.M. System which can dialyses 5 patients simultaneously besides using the Drake-Willock single patient systems. Besides the already existing Kill dialysers, disposable dialysers like the hollow fibre and Gambro dialysers have been used on patients with intoxication and others with jaundice who otherwise could not receive haemodialysis for fear of hepatitis transmission.

The hemoperfusion cartridge which consist of activated chorcoal granules coated with cellophane is used for barbiturate patients with very good results,

The training programme for doctors, nurses and technicians were conducted as usual to include theory as well as practical demonstration. Each course was spread over a period of 3 months.

A method known as "modified sequential hemodialysis" was put to use with very good results on patients under going hemodialysis. Two patients underwent a kidney transplant with success and are doing well thus bringing the total number of transplants done at this institution to 18.

The Division of Endocrinology and Metabolic Disorders :

The Division gave service to out-patients as under.

	New patients	Old patients
Diabetes Clinic		11148
Endocrinology Clinic	1442	2000
Puberty and Growth Clinic	122	137
Total	2'298	13,295

The Division treated 258 patients as inpatients. the year.

The Laboratory of the Divisiong ave service to patients as shown in the Appendix. A detailed ward round was taken by Dr. S.D. Bhandarkar, Honorary Professor and Honorar Physician in-charge, every Wednesday as a part of the teaching programme. A journal review club was held twice a week.

	DEPAR	RTMENT	OF CHES	T MEDIC	INE		
There were 1794	5 new cases	registered	l in Chest a	nd Pneum	oconiosis Cli	nic 13.004	old cases

There were 1,795 new cases registered in Chest and Pneumoconiosis Clinic, 13,004 old cases attended for the regular follow up, in addition. Therewere 771 inpat ients admitted in the year 1982 of which 227 were given intensive care. The intensive respiratory care facility has been formally commissioned in form of unit with new ventilators, monitors, isolated cubicles, air conditioning, and special nursing. The unit is fully operational now. The attendance in pneumoconiosis and allergy clinic was 582 in 1982. Allergy testing was done on 68 patients, lung surgery was performed 58 cases in 1982. The work load of pulmonary function lab is given as follows :---

AIR POLLUTION HEALTH SURVEY UNIT

During 1982 specialised studies of radio Aerosol Lung Scanning in (25 subjects), histamine hypersensitivity in (29 subjects) prolonged follow up in 258 with chronic bronchitis and analyses of Carboxyhaemoglobin levels in relation to traffic density in (173 patients), (30 normals). 1,178 community subjects were completed. The definitive analyses were done for final report of the work carried out between 1977-82. Total out of 13 sections, 10 sections have been completed. The work on remaining three sections is be processed on computer. Follow nup analyses of lung function and clinical progress on 50 cases of Bronchial Asthma is being carried out. In addition a clinical and physiologic study of 124 workers exposed to nitric acid fumes was completed.

Urban Health Programme :

Under this programme comprehensive care is provided to infants and undersix clinics conducted Under unis programme comprenensive care is provided to infants and undersix clinics conducted for treatment of minor ailments, developmental assessment, immun zat on, nutr tion advice, education nutritional supplementation etc. at following centres :-(1) Malvani slum Welfare Centre Unit I and P. S. M. Dept. consultancy service provided by visiting Pediatrician every Wednesday afternoon. (2) Prabhadevi Child Welfare Centre : Unit II (3) Naigaum child Welfare Centre : Unit III

In addition to comprehensive health care, nutrition classes and Milk distribution has been done regularly.

School Health Clinic :

Under this programme, children from Municipal Schools in the 'F and 'G wards are tran-'sported to K. E. M. Hospital for regular check-up, investigations and treatment.

Paediatric Research Laboratory (PRL) :

The laboratory continued to make progress. Special investigations relevant to the diagnosis of genetic disorders continue on a specialised referal service basis.

New research projects study of neurodegenerative disorders and study of pollocitaneous albinismihave been taken up. Standardization for methodology for two more leucocition intermediate Beta glucosidase and sphing omvelinase has been attempted standardisation of method for the diagnosis of San Eillipo disease Type II-B, a rare mucopolysaccharidosis.

In December 1982, preparations were made to attempt the first prenatal diagnosis, on a second preganancy of a mother of an index case of Tay-Sachs Disease, in co-operation with the M.T.P. department and radiology department (Ultrasonography). Results of enzyms study on a naiotic fluid and amniotic cell indicated that the fetus was probably normal. Culture of cells failed as CO2 incubator facilities are not ideal. The pregnancy is continuing and it is hoped that blood analysis of the newborn will be normal, with due risks explained to the parents, being a very preliminary attempt.

The laboratory, between June and December 1982, has been the prestige of being recognised for M.Sc. and Ph.D. in Applied Biology under the Professorship of Dr. N.B. Kumta, who will now have students for the above degree working in the laboratory. The Dean of the faculty of Science and a committee member visited P.R.L. on 5th August 1982 and recommended that the lab. be recognised, and were thoroughly impressed with the facilities available.

		DEPART	MENT C	OF NEU	ROLOGY	,	

DEPARTMENT OF NEUROLOGY

The Neurology department runs two out patients in each neurology and epilepsy out patients. These continue to be well attended and becoming popular. The department has patients not only from Bombay but from all over India and abroad:

The E. E. G. department has functioned well and has recovered 719 graphs in 1982-83.

Research work is in full progress and papers continued to be presented at various medical conference.

NEURO-SURGERY3DEPARTMENT

The department continues to attract patients from a wide draining area ranging from Uttar Pradesh and Chandigarh to Karnataka and Kerala. The availability of highly specialised equipment and the expertise for the performance of procedures such as selective angiography, therapeutic embolisation, microvascular anastomoses and trans-sphenoidal surgery on sellar and parasellar I esions make this centre a major neurosurgical referral unit.

Microscopic surgery, in general, has now been carried out almost a routine for some years ' and the accuracy and safety of complex, delicate operations highly enchanced.

As a consequence of the theatre shutdown, the number of operations performed during the year is very small during the shutdown. Our patients were fully investigated here and transferred t the Sion, Nair or J.J. Hospitals for surgery through the courtesy of the consultants at those centres.

Out-patient service at the R.N. Cooper Hospital :

Out-patients :

This service continues to prove of help to patients attending this Suburban Hospital. We have ensured that each of our consultants attends the weekly outpatients in rotation and have been able to ensure unbroken attendance. Whilst patients with urgent neurosurgical problems benefit not, those with slowly progressive lesions also receive the benefit of specialist advice and often from transfer and definitive investigation, therapy at the K.E.M. Hospital. All seriously ill individuals needing urgent neurosurgery are transferred at once to this hospital.

Statement showing the work done in the Department of Radiology from 1-1-82 to 31-12-82.

DEPARTMENT OF PSYCHIATRY

The department operates daily out-patients services. Patients do not have to take previous appointment.

Treatment Programmes:---

- Programmes:—
 Drug Therapy.
 Electroconvulsive Therapy.
 Modified Insulin Therapy
 Abreactive Therapies
 Psychotherapy (Individu 1 and Group)
 Behaviour therapy Clinic
 Group Psychotherapy for sexual problems of males
 Child Guidance Clinic
 Occupational Therapy
 Maintanance Therapy of Schizophrenia
 Lithium Therapy Clinic
 Biofeedback Therapy
 Chronic a'coholism Ther py

DEPARTMENT OF PHARMACOLONY

Teaching and Training Programmes :

(1) Undergraduate Programmes :---

Besides teaching IInd M.B.B.S. students, this department participates in teachingipharmacoloy and therapeutics to Occupational therapy and Physiotherapy students and nurses.

(2) Post-graduate Programme :---

The department offers a training programme for M.B.B.S. and B.Sc, students, leading to M.D./Ph.D. in Pharmacology and M.Sc. in Applied Biology degrees. It also offers facilities for training in Clinical Pharmacology and conducts 8 weeks training course sponsored by Indian Council of Medical Research.

DEPARTMENT OF PAEDIATRIC SURGERY

During the year 1982-83 the new Theatre Complex and the Intensive Care Unit started functioning. The results of Surgery of new born and infants have shown considerable improvement. Cost of the life-saving equipment is available in the Intensive Care Unit only some of the equip-ment like pumps for intravenous alimentation are waited. There is round the clock supervision by a well qualified Paediatric Surgeon in the Intensive Care Unit Miss Augustine, Sister-incharge of Intensive Care Unit Hospital for Sick Children of Dublin was deputed for aperiod of three weeks to help the Department for setting up the Nursing Care in the Intensive Care Unit.

THE E. M. HOSPITAL AND SETH G.S. MEDICAL COLLEGE STAFF SOCIETY

The Staff society was continued during the year 1982. (January to December) Dr. C.K. Deshpande, Dean was President during the entire year 1982.

Six clinical meetings and few guest lectures were held during the year 1982.

Nurses : Nursing Establishment is having 967 Scheduled and 93 Non-Scheduled posts out of which 106 posts are vacant. Approximate expenses per Nurse per month is Rs. 734.64 for the ycar 1982-83.

Total No. of Students, General Nursing : 309. .

Iotal No. of Midwifery studentsi; 70.

Examination	Period	Appeared	Passed	Percentage
General Nursing Part I	February 82	61	52	85%
	August 82	37	32	94.6%

APPENDIX VI

RESEARCH

Department of Preventive and Social Medicine :

(1) Profile of Sexually transmitted Disease in Child prostitutes in the Red light areas. Published in child labour and Health a special Publication of a Seminar jointly organised iby 'Tata Institute of social science and WORLD HEALTH ORGANIZATIONS.

(2) "Diet for Hypertensive patients" Published in Health education journal Bombay and Beauty Care Vol. No. 1, August 15, 1982:
(3) "Infant Diet" published in "CARE" Vol. No. 2 September 1982 Page 17.
(4) "Diet for School going Child" published in "CARE" Vol. 3 September 1982.
(5) "NOVEL" approach to scabies errdication programme in a community accepted to be Published in second half of 1983 Journal "Tropical Doctor" of Royal society of Medicine, London WIMOBR WIMOBR.

Molecular Biology Department:

(1) Isolation and Characterization of drug resistant plasmids of Pseudomonas aeruginosa. (1) Isolation and Characterization of ereg resolution provide of the ereg resolution of the ereg reso

(4) Transfer of Drug resistance from Pseudomonas aeruginosa to Escherichia coli.
 (5) Effect of various chemicals in elimination of Multiple drug resistance in hospital strains.

(6) Identification of Mycobacteria by Flurorescent staining techiques.
 (7) Drug sensitivity of Mycobacterium tuberculosis.

 (7) Drug sensitivity of Infocoacterium tuberculosis.
 (8) Study of Salmonella paratyphi A Phages.
 (9) Isolation and Identification of Vibro parahaemolyticus from Indian Shrimps.
 (10) Compartive studies of antibodies to various streptococcal antigens (viz. streptolysin O, Streptococcal cellwall polysaccharides and streptozyme antigenic reagent) in patients with streptococcal infections and its sequelae.

(11) Effect of antimicrobial agents on salmonella strains isolated from processed frog legs

Psychiatric Department :

(1) Dr. D.R. Doongaji :

(a) Effect of three modalities of ECT on fronto-temporo-parietal lobe functions.
(b) Use of oral metoclopomainde in the treatment of Schizophrenia and tardive dyskinesia.
(c) CSF and serum immunoglobulin levels in tardive dyskinesia.
(d) Effect of ECT on levels of biogenia mines in CSE and serum

(d) Effect of ECT on levels of biogenic amines in CSF and serum.
(e) Standardization of MMPI for Indian Population.
(f) Effect of Iron Deficiency and other kinds of anaemias on human performance.
(g) Abstraction capacity—Is it a function of pathology level, premorbid intelligence or education ?

(h) Study of psychological, genetic and biochemical variables in different grades of mental retardation.

(i) Personality concelates of patients on lithium therapy.

(1) Personality correlates of patients on lithium therapy.
 (j) Serum immunoglubulins in psychiatric disorders.
 (k) Early clinical evaluation of "Centbutindole—indigenously developed neureleptic (ehase-II (1- Study of schizophrenic Rerschach protocol in two different populations.

(m) Categorical and dimensional analysis of Hysteria and Schizophrenia.

(2) Dr. L. P. Shah:

(a) Clinical istudy of patients suffering from neurotic illness and their management (Research Society Project), Phase-I-Management with deep muscle relaxation, yoga therapy and placebo therapy

(b) Clinical study of patients suffering from neurotic illenss and their management (Research Society Project) Phase-II—Clinical and psychopathological study of these patients and management with 3 different treatment modalitizs viz. drug, counselling and biofeedback.
 (c) A pilot project at National level of sociodemography in mental illenss—multicentric trial

(ICMR Project).

(d) Validity of the scale for suicide ideation.

(e) A study of psychiatric morbidity associated with textile mill strike in Bombay.

(f) Study of psychosocial aspects of children whose parents suffer from schizophrenia.

Department of Pharmacology:

Experimental Studies :

(1) Pharmacological properties of Hamiltonia Suaveolens.

(2) Pharmacological properties of Tinospora Cardiofolia.

(3) Study of hypoglycemic activity of indigenous plant powder used by Ayurvedic physicians.

(4) Study of anticonvulsant effect and other pharmacological actions of Tantupashan powder.

(5) Study of hepatoprotective property of P. longum, T. Cardiofolia and pure catechin.

(6) Adaptogenic activity of Ashwagandha and Shatavari.

(7) Drug interaction between antiinflammatory and antihypertensive agents.

- (1) Effect of chronic treatment with enphenamic acid andibuprofen on renal function, B. P. and plasma renin activity in normal volunteers and hypertensive patients.
- (2) Study of Aspririn induced hepatotoxicity and nephrotoxicity in children.
- (3) Corelation of oxidation status with drug metabolism.
 (4) Effect of food on bioavailability of drugs.
 (5) Antipyrine half life and thyroid status.

÷.,

(6) Epidural pethidine.(7) Study of phagoctic function in patients of tetanus and patients for spinal operations and influence of drugs.

. T. Y.

- (8) Clinical trail of piper longum in asthma.
 (9) Hormonal profile of Centchroman.
 (10) Phase I study of Mefloquine and antimalarial drug.
- (10) Phase 1 study of Menoquine and anomalatia drug.
 (11) Estimation of doxycycline by a non-invasive method.
 (12) Interaction choroquine and rifampicin with low dose hormonal contraceptives.
 (13) Bioavailability of thophylline.
 (14) Pharmacokinetics and dose-searching of Centperazine-an antifilarial agent.

- (15) Gugulipid in hyperlipidemia.(16) Curcumin in trauma cases.

(10) Curcumin in trauma cases.
(17) Centbutindole as an antipsychotic.
(18) CGI 13744—an antidiabetic drug.
(19) CGI 13866—an anthelmintic.
(20) CGI 10213—radio-labelled knetics.
(21) Tolerability (high dose) of 9,333 an anthelmintic.

(22) Study of blood glucose levels following standard dosage of soluble insulin from different batches.

Department of Anotomy :

(1) Anatomy of Female Bladderneck and Urethra. Read in Urological Society of India XVI— National Conference Manipal 1982. Dr. M.B. Indurkar.
 (2) Ligamentous Support of Female urethra—Read in Annual Conference of A.S.I. Bombay,

- 82 Dr. M.B. Indurkar.

- (3) Principles of gnetics—Dr. Lopa A Mehta Dr. M.L. Kothari.
 (4) Principles of embryology—Dr. Lopa A. Mehta, Dr. M.L. Kothari.
 (5) Transtechnique aspects of Disease and Death. Dr. Lopa A. Mehta, Dr. M.L. Kothari.
 (6) Medicine—A Biological approach. Dr. L.A. Mehta, Dr, M.L. Kothari.
 (7) Cytoplasm as the basis of cell defferestiation. Dr. Lopa A. Mehta, Dr. M.L. Kothari.

APPENDIX VII RESEARCH

Physiotherapy Department :

(1) As a part of the activities planned by the Silver Jubilee celebrations committee of the physiotherapy School and Centre, a lecture on "Muscle—Past and Future" was delivered by Prof. Sir Andrew Huxley, President, Royal Society and a Noble Laureate, University College, London, on 31st December, 1982.

Physiology Department :

(1) Dr. (Mrs.) Kendurkar, Dr. More, Dr. Dharani, Dr. (Mrs.) Bha adwaj and Dr. Kashalikar published a paper on 'Role of Min on oubain induced cradiac arrhythmias in Journal of Post Graduate Medicine October 1982.

(2) The paper entitled "Effect of Mn%% on blood sugar levels in rats" was published by Dr. (Mrs.) Kendurkar, Dr. Kashalikar and Dr. More in Indian Journal of Physiology an Pharma-cology Vol. 26 (No. 3) 1982.

(3) Dr. J.B. Dharani, Dr. Jindal, Dr. G.B. Parulkar published paper on vector impedance cardiography in Indian Heart Journal Vol. 34 1982.

Division of Endocrinology and Metabolic Disorder :

(1) Radioimmunoassay, A Laboratory Manual (a monograph) by Dr. S.D. Bhandarhar and Mr. M.R.A. Pillai Pub. by Bhabha Atomic Research Centre, Trombay, Bombay-400 085.

(2) Syndroms of Inappropriate A.D.H. Secretion, Prevalence in Respiratory Disorders, by B.T. Kudva, S.R. Kamat and S.D. Bhandarhar, J. Postgrad. Medicine 28: 92, 1782.

Radiatrics Department :

(1) Dr. N. B. Kumta :

(i) Siblings with Larsen's Syncome—Indian Peditrics.
(ii) Sandhoff's disease—GM2 Typer-II gangliosidosis—Indian Pediatrics.
(iii) Trisomy—18, a report of 3 cases—Journal of Post-graduate Medicine.
(iv) Componelic Dwarfism Sydrome—Journal of Postgraduate Medicine.

(2) Dr. M.K. Jain :

(i) Shigellesis in Children-Journal of Post-graduate Medicine October 1982.

(ii) Study of Neonatal Diarrhea-Indian Pediatrics.

(iii) Study of E-coli in acute diarrhea-Journal of Post-graduate Medicine.

(3) Dr. B.A. Bharucha :

(1) Contributed to Dr. A.G.F. Golwall'as book "Medicine for students", 12th Edition. The pediatric section was revised and chapters contributed were :---

1) Growth and Development.

(1) Orowin and Development.
(11) Vomiting and Regurgitati on in the Newborn.
(11) Respiratory distress in the newborn and hyaline membrance disease.
(1v) Failure to thrive.
(v) Indian Childhood Cirrhosis.

(ii) Papers under publication :---

(a) Siblings wi!h Larsen Syndrome—Indian Paediatrics.
 (b) Sandhoff's disease GM2 ganliosidosis Type 2—Indian Paediatrics.
 (c) Trisomy-18; a report of 3 cases—Journal of Post-gradutate Medicine.

(4) Dr. M.K. Jain :

۴

(i) Shigellosis in Children, Jr. Post-graduate Med. October 1982.

(ii) Evaluation clinical criteria in acute diarrhea.

(iii) Study of Neonatal diarrhea Ind.-Paediatrics.

(iv) Study of E-Coli in Acute diarrhea Jr. Post-graduate Medicine .

(5) Dr. P.W. Kandoth :

(i) CSF Immunoglobulins in CNS. Disorders.

(ii) In Indian Journal of Paediatrics.

Molecular Biology Department :

(1) Sathe M.J., Joshi L., Bapat R.D., Kamdar M.S. and Supe A.N. (1982) In-vitro and in-vivo efficiency 5 per cent. Povidone-(Betadine) J. Med. and Surg., February 10-12.

Psychiatric Department :

(1) Dr. D.R. Doongaji :

(a) Use of Metoclopramide in the Differential Diagnosis of Drug Induced Involuntary Movements., Journal of Post-graduate Medicine 28(2)(101-106 (1982) D.R. Doonagji, A.S. Seth, A.B. Desai, J.S. Apte, Shubha Thatte, S.A. Vahora, M.D. Parikh, M.H. Gandhi, J.B. Meher Homji, D. V. Jeste and R. S. Satoskar.
(b) Tardive Dyskinesia in India : A prevalence study, Journal of clinical/psychopharmacology 2(5), 341-344 (1982) (D. R. Doongaji, D. V. Jeste, N. M. Jape, A. S. Sheth, J. S. Apte, V. N. Vahia, A. B. Desai, S. A. Vahora, Shubha Thatte, Tnaz Vevaina and Jyoti Bharadwaj).
(c) Study of Intravenous Metoclopramide in SL patients with Tardive Dyshinesia Journel (1990)

(c) Study of Intravenous Metoclopramide in 81 patients with Tardive Dyshinesia. Journal of Clinical Psychopharmacology, 2(6), 376-377 (1982) (Dr. Doongaji, D. V. Jeste, N. M. Jape, A. S. Sheth, J.S. Apte, V.N, Vahia, A.B. Desai, M.D. Parikh, L.G. Rathi, M.H. Gandhi, R.M. Parikh, Shubha Thatte Jyoti Bhardwaj).

(d) Clinical Evaluation Centbutindole—A new antipsychotic agent. (Dr. Doongahi, A.R. Sheth, J.S. Apte, S.A. Vohora, R.M. Parikh A.K. Upadhyaya, Teresa Paul, N.R. Desai, R. S. Satoskar). Submission for publication to Indian Journal of Medical Research.

(e) Elevated Cerebrospinal Fluid Nirepinephrine in Tardive Dyskinesia. (D.V. Jeste, D.R. Doongaji, M. Loinnoila, N.M. Jape, M. Scheinin, Wen Ho Chang, A.B. Desai, A.S. Sheth, J.S. Apte, S.S. Thatte, R. Jed Wyatt) Submitted for publication to British Journal of Psychiatry.

 Apte, S.S. Thatte, R. Jed Wyatt) Submitted for publication to British Journal of Psychiatry.
 (1) Metoclopramide in Gilles de la Tourette's Syndrome : A case report. (A.B. Desai, D.R. Doongaji, R.S. Satoskar) Submitted for publication to Americal Journal of Psychiatry.
 (g) Some problems inithe counduct of psychotropic drug trials—A review. (D.R. Doongaji, M.D. Parikh) Submitted for publication to the Journal of Post-graduate Medicine.
 (h) Psychological sequelae in medical termination pregnancy-study of enxiety and hotility in married and unmarried, first and repeat abortees. Submitted for publication to Indian Journal of Clinical Psychology.

(2) Dr. L.P. Shah :

(a) Male Homosexuality: A psychiatric study of 13 cases. Indian Journal of Psychiatry,
P.V. Pradhan, Dr. K. S. Ayyar, Dr. V. N. Bagadia.
(b) Male Homosexuality: Treatment 13 cases by Behaviour therapy. Indain Journal of Psychiatry, Dr. P.V. Pradhan, Dr. K.S. Ayyar, Dr. V.N. Bagadia.
(c) Evaluation Disulfiram iin ithe treatment of Alcoholism, Indain Journal of psychiatry,

Dr. P.V. Pradhan, Dr. K.M. Dhawale, Dr. L.P. Shah, Dr. V.N. Bagadia.

PATHOLOGY DEPARTMENT

(1) Malignant Carcinoid tumors in Children-Cancer-Jan, 1982-Dr. S.Y. Sane.

(2) Disseminated toxoplasmosis-A case report-Indian Paediatrics.-July 1782-Dr. S.Y. Sane.

(3) Embryonal rahadomyosarcome-A case report-Journal of Post-gravitate Medicine. (3) Emeryonal function your come of a case report - round of a congregation of a congregation

(5) Review Article—10xic schoch syndrome in journal of Scientific isociety, 1902, vol. 2—
Dr. S.S. Deodhare.
(6) "True hermaphoditis—A case report with review of literature published in Indian Journa of Pathology and Microbiology—Dr. A.S. Pandit. 25:161-164:1982.
(7) Primary melanomas of the leptomeniges, A case report of two cases—Dr. A.P. Desai, A.D. Bhat, M.H. Parab, R.D. Nagpal, and G.H. Tilve, Indian J. Cancer, 18, 161-164, 1782.
(8) The HLA antigens in Indian Hindus. K.K. Mittal, S. Naih, N. Sansonetti, R. Cowherd, R. Kumar and D. Wong.—Tissue antigens 20, 223, 1982.
(7) Histocompatibility in transplantation.—J.P. Narang, Sita Naik and R.V. Yadav—Bull P.C.I. 16:74-79, 1982

(10) HLA antigen frequency in endemic tropical sprue—S. Sengupta, Sita Naik and S.R, Naik—Indian Journal of Gastroenterology (i) (in Press).
(11) Immunoregulatory 'T' cymphocyte subsets—Sita Naik. The M. D. News letter.
5: 2-5, 1982.

(12) Hepato cellular carcinoma-An Autopsy study of 23 cases. Dr. I.M. Vora F. P. Caals and V. Vadera-sent for publication to Indian Journal of Cancer.

Department of Microbiology:

(1) Karnik P. P., Kale V. V., Kalambi D. M., Kirtane M. V., 'Bacteriological study of acute Otitis media and comparative trial of three antibiotics. Ind. J. of Otolarynogolgy, 34, 10-12-1982.

(2) Pal R. B., Kale V. V., Prabha Sundarrjan. 'Salmonella eniggitis, Indian Paediatirec, 17, 377-378 1782.

(3) Kale V. V., Iyer L., Jain M. K. 'Shigellosis in infants and children J. of post graduate Med. 28, 206-207. 1982.

(4) Dr. G. G. Bhave, 'Platelet antibodies in I. T. P. and other immune disorders' Indian J. Patho. & Micro. 25: 179 1982.

(5) R. B. Pal. V. V. Kale., Prabha S., Ind. Paed. 19,377-1982.

(6) R. B. Pal. Sant S. M, "Correlation of Clinical and Bacteriological Diagnosin in Men Meningitis.—J. of Ind. Pathol. Microbiol. : 25 : :291-295; 1982.

Department of Fharmacology :

(1) K. C. Gupta, J. V. Joshi, K. Hazari, S. M. Pohujani and R. S. Satoskar; Effect of low of lowestrogen combination oral contraceptive on mentabolism of aspirin and pheny lbutazone, Int. J. Clinical Pharm. Ther, and Toxic 20,511-513 1982.

(2) M. A. Deshmukh, M. R. Prabhoo, A. V. Sathe, N. D. Motashaw, K.C. Gupta, P.D. Jarag and R. S. Satoshar-Cogaulation studies following mid-trimester inta-amniotic urea injection. J. Postgrad. Med. 28, 210-213, 1782.

(3) N. K. Desai, K. Karbhari, T. Paul, N. A. Kshirsagar and U. K. Sheth, Prolongation antipyirne half life after correction of sevare anemia due to whookworm infestation. Br. J. Clin. Pharm. 13,745-747, 1982.

(4) N. A. Kshiragar : Noble Prize for medicine-Science Today Dec. 1982.

(5) Kala Mogre, Sunanda S. Nayampalli, Jyoti Bhardwaj, S. J. Kashalikar, J. B. Dhurani and Shashkala M. Kendurkar : Role of Manganese in auabain induced cardiac arrhythmias, J. Postgrad, Med. 28, 194 - 197, 1982.

(6) Dr. D. R. Doonagaji A. S. Sheth, A. B. Desai, J. S. Apte, iShubha S. Thatte, S. A. Bahora, M. D. Parikh, M. R. Gandni, J. B. Meherhomji, D. V. Jeste and R. S. Satoshar : Use of metocolopramide in the differential diagnisid of drug induced in volutantary involuntary movements : J. Postgrad. Med, 28, 101-106, 1982.

- (7) Papers accepted for publications :
- (a) A. B. Samsi, S, C. Shah, R. A. Bhalerao, B. B. Mody, T. Paul and R. S. Satoskar, Evaluation of Centbucridine as local anesthetic agaent, Anesthesia and Alnalgesia (Inpress)
- (b) D. Dasgupta, M. Garasia, K. C. Gupta, and R. S. Satoshar; A randomised double blind study of Centburidine and lignocaine for suboarachnoid bloch. Ind. J. Med. Res. (Inpress).
 - (c) S. A. Dahanukar-Rethinking on Ayurvedic Research "-Indian Drugs (and IDMA Publication).

APPENDIX VIII.

Seminar's Conference Associations and Papers read.

Department of Anaesthesiology :

(1) 5 staff members attended the Annual Conference of Indian Society of Anaethetists. Three Scientific papers based on worh at our Institutions were presented. One student was guided in Thesis worh for M. Sc.

Social Service Department :

(1) Medico-social workers assisted in various medical researches whenever studies on social aspects are conducted. Miss Gowswami conducted a research project and read a paper on Psychosocial rehabilitation of burns' patients a study of cases of 5 years and co-author Dr. K. S. Goler'a. Read at 'Plastic Surgeons' conferance.

(2) Social workers attended seminars and presented papers at the seminars conducted by other institutions. Miss Goswami read a paper on Study of paraplegies and their rehabilitation ar inergural function of Association of Trauma Care of India.

Division of Endocrinology and Metabolic Disorder :

(1) Mr. H. H. Javle read a paper on "Physical exercise in the treatment of diabetes mellitus" at the Conference of World Federation of Physical Therapists at Stocholm in May 1982. The paper has based on work done in the Division.

(2) Mrs. Meena H. Gupte, dietician, attended the XVIth Annual Convention of the Indian Diabetic Association in Calcutta in January 1982.

(3) Mrs. Meena H. Gupte (along with other diaticians in the hospital) presented on exhn bition on "Diet in Diabetes" at the Annual Conference of the General Practitioner's Associatio of Bombay in February 1982.

(4) Dr. B. T. Kudva, Lecturer, (a) Passed M. N. A. M. S. (Medicine)

- (b) Was awarded "Kursonji Ranchhodji Prize" for ithe best statistical analysis.
- (5) Dr. S. J. Shah., Registrar
 - (a) Passed at first attempt the M. D. examination (Medicine and Therapeutics) held by the University of Bombay in November 1982.
 - (b) Was awarded the Third rank in the above examination.

(6) Dr. Vimala Ratnam, reader, continued to be the Editor in chief of the M. D. Newsletter, a monthly publication of the Dept., of Medicine.

(7) Dr. Vimala Ratnam, reader, was appointed Joint Secretary, Editorial Board, Journal of Association of Physicians of India.

Department of Cardiology :

(1) Department of Cardiology had organised one WHO Seminar on on Coronary Heart Disease in Feb. 1982 and also organised "International Conference on Update in Cardiology" at at Hotel Oberoi Towers in Dec. 1982.

(2) Head of the Department of Cardiology, Dr. Ivan J. Pinto was awarded the prestigious "Uma Rani Award" at the "International Conference in Tropical Cardiology" in October 1982 for research in Coronory Artery Disease.

(3) The dietician of this Department Mrs. M. M. Prabhu participated in the 16th Annual Convention of Indian Diabetic Association which was held in March 1982 at Calcutta, received the K. G. Naidu Medical Trust Award for best paper on "Therapeutic diet". She had sent for Paper on "Therapeutc diet in hypertension.

Department of E. N. T.:

(1) Participated as a Faculty Member in the VIIth workshop on Neurotology held in Bad Kissingen, West Germany in September 1982.

(2) Participated in the Otologic Microsurgery Workshop in Tubingen in October, 1982.

(3) Invited as a Guest Lecturer on 'Vidian Neurectomy and Vestibulometry' at the University ENT Clinic, University of Rome.

(4) Invited as the Guest Lecturer at the Gujarath State Annual ENT Conference in November, 1982.

Department of Plastic Sargery :

(1) Dr. K. S. Goleria :

- (a) Participated in the Summer Conference of the Association of Plastic Surgeons of India at Trivendrum in September 1982 and was on the faculty for the continuing Medical Education Programme.
- (b) Participatediin the XLII Conference of the Association of Surgeons of India at Bombay in December 1982 and in the Instructional Course. Subject of Facio-Maxillary Injuries.
- (2) Dr. C. V. Menendale :
 - (a) Participated XLII Conference of Association of Surgeions of India at Bombay in December 1982. Presented three papers as follows :

(i) Treatment of T. M. Joint Ankyosis.

(ii) Cosmetic Tattooing.

(iii) Aids to Skin grafting.

(b) Presented a personal photographic Examination on Plastic Surgery at the Scientific Exhibition of XL11 Conference of Association of Surgeons of India, Bombay.

(3) Dr. S.R. Tambwekar

(a) Was appointed as (i) Member of the Executive Committee, and (ii) as Convenor of the Scientific Exhibition at the XLII conference of the Association of Surgeons of India at Bombay in December 1982.

(b) Two papers on (i) Gastrocnemus myocutaneous flap and (ii) Osteoplastic Transposition flap written by Dr. S.R. Tambwekar were read by Dr. K.S. Goleria n the Summer Conference of the Association of Plastic Surgeions of India at Trivendrum in September 1982, as Dr. S.R. Tambwehar could not attend the same due to some unavoidable circumstances.

(c) Research in Microvascular Surgery has been performed under the guidance of Dr. S.R. Tambwehat with the funds provided initially by K.E.M. Hospital and Seth G.S. Medical College Research Society and later on by R.D. Birla Smarak Kosh. This act vity is continuing.

· Paediatric Department :

(1) Dr. N.B. Kumta :

(a) W.H.O. Seminar on Heart Diseases—Chairman for the session on "Rheumatic Fever in India" Address on "Rheumatic fever preventioniin India,' at same session February 1982 K.E.M Hospital, Bombay.

(b) Gujrat Academy of Sciences—Invited guest speaker on (i) Inherited Biochemical disorders associated with mental retardation and (ii) Genetic counselling February 1982.

(c) Gujrat Branch of Indian Academy of Paediatrics—Lecture on "Sheletal Dysplasia" February 1982.

(d) Indian Medical Association—XIII refresher course Lecture on "Tuberculosis in Children" Hubli, March 1982.

(e) VIII Gujrat State obstetricians and Gynaecologists Congress-Keynote Address on-"Prenatal determination of fetal malformation Ahmedabad, November 1982.

(f) International conference of date cardiology-Address on "Rheumatic heart Disease Bombay, December 1982.

(g) Attended VI World Congress on Mental Retardation, Sponsored by IAssmd—Toronto, Canada, August 1982.

(h) Attended XXth Annual Conference for the Society for the study of Inborn Errors of Metabolism—" Trace Metals and Inborn Errors of Metabolism "—Manchester, England—August—September 1982.

(i) Examiner in M.Sc. (Genetics)-Marathawada University, March 1982.

(j) Examiner for M.D. and D.C.H.—Aurangabad and Ambejogai Marathawada University— March 1982.

(2) Dr. M.D. Shah :

٠

(a) Attended International Conference on Update in Cardiology December 1982.

(b) Lecture delivered on "Newer Developments in drug therapy of epilepsy.

(3) Dr. M.D. Shah & V.V. Kulkarni :

(a) Attended 2nd National Congress on Respiratory Diseases in Bombay. Papers read-

(i) Evaluation of Rorced Expiratory Volume spirograme (EEVS) and PEEr in diagnosis. Prognosis and management of bronchial asthma in children.

(ii) Evaluation of usefulness of EEVR and PEEr in diagnosis prognosis and management of bronchieatasis in children.

(b) Article under publication : Niemann-Pich Disease Type B with oculoneural involvem nt : Dr. P.R. Patel and M.K. Jain same as with Dr. M.D, Shah and Dr. V.V. Kulharni.

(4) Dr. P.W. Kandoth and Dr. (Mrs.) M.K. Joshi :

(a) Attended National Conference on Update in Cardiology, Bombay. "Rheumtiac Fever-Follow up study" was presented.

(b) Attended National Conference of Indian Academy of Paediatrics. Cuttach, Orissa, December 1982. Paper read : "Actiological factors of Prematurity".

Paper under publication : "CSF Immunoglobulins in CNS disorders "-Published by Indian Journal of Paceitatrics September October 1982.

(5) Dr. S.F. Irani :

(a) Took part in the Workshop on Intensive Care in Paediatric Surgery at Bombay, Talk on Thermoregulation in newborn March 1982.

(b) Invited to the Perinatal Medicine Workshop of the POGSI at Bombay. Talk on "Pathogenesis of RDS". Also took part in the panel Discussion.

(c) Invited by the W.H.O. at New Delhi to the Task Force on Neonatal Care in M.C.H. Programme. Gave a talk on "Neonatal care in the National Perspective.

(d) Took part in the National Neonatology Forum and was Chairman for the Session on "Neonatal shock and Fluid and Electrolyte Requirements of the newborn".

(e) Invited by W.H.O. and UNICEF through the Ministry of Health New Delhi to take part in the Breast Feeding Workshop and delivered a talk on "Introduction of Solid Foods".

(6) Dr. M.K. Jain :

(a) Attended Nutrition Society of India Annual Conference at Hyderabad.

(b) 19th National Conference of India Academy of Paediatrics, Cuttack.

(c) National Conference in Update on Cardiology.

(d) Presented a paper "Study of Vit. A levels in Children" at N.I.N. Hyderabad.

(e) Presented paper " Evaluation of Clinical Criteria in diarrhea " at Cuttack, December 1982.

(7) Dr. R.D. Khare :

(a) Presented a paper on "Epidemiology of Rheumatic Fever in India" at WHO sponsored seminar on Tropical Cardiology at K.E.M. Hospital, Bombay. February 1982.

(b) Presented a paper on Child Labour in Rural Community " at the Seminar on Child Labour (joint sponsors WHO & Tata Institute of Social Sciences), held at TISS. Bombay, April 1982.

(c) Attended International Conference on Update Cardiology paper presented on "Epidemilogy of Rheumatic fever in India December 1982.

(8) Dr. G.V. Koppikar :

(a) Awarded "Shantilal Sheth Prize and Gold Medal" for standing first at the practical examination in D.C.H., June 1982.

(b) Awarded the Maneck P. Bhagat Gold Medal at the M.D. (Paediatrics) Eamination October, 1982.

(9) Dr. M.K. Jain : Conference Attended.

(a) Nutrition Society of India Annual Conference Hyderabad.

(b) Indian academy of paediatric 19th National Conference, Cuttuck.

(c) International Conference in update Cardiology.

Papers Presents :

(d) Study Vit. A3in children. N/N Hyderabad.

(e) Evaluation of clinical critaria in diarrhea-Cuttuck

(10) Dr. P.W. Kandoth :

(a) Conferences Attended National conference of Update in Cardiology-Bombay-"Rheumatic Fever-Follow up study.

(b) Papers Read :

"Actiological factors of Prematurity " at National conference Indian Academy of Paediatric, Cuttock-Orissa.

Department of Molecular Biology :

(1) Papers presented in Medical Microbiology conference at Calcutta :--

(a) M.J. Sathe, L.M. Joshi, R. D. Bapat Control of Post-operative infections in general surgery cases.

(b) L.M. Joshi, Lata Thiruvenkadam, M.G. Karmarkar. T-Typing and serum opacity factor detection of theclinical isolates of Group A streptococci.

Department of Psychiatry :

(1) Dr. L.P. Shah was installed as the President of the Indian Psychiatric Society, West Zone.

(2) Dr. L.P. Shah was re-elected unopposed as the Hon. General Secretary of the Indian Psychiatric Sociey for a second consecutive term.

(3) Dr. P.V. Pradhan was elected as Joint Secretary of the Staff Soeiety, K.E.M. Hospital and Seth G.S Medical College.

(4) Dr. P.D. Lakdawala was appointed as Honorary Assistant Psychiatrist and Honorary Assistant Professor in June 1982.

(5) Dr. (Mrs.) S.S. Thatte, Clinical Psychologist, was awarded the degree doctorate of Philosophy (Ph.D.) for her thesis in clinical psychology.

(6) Dr. I.R. Rajkumar secured firstrank and the Marfetia Gold Medal in M.D. (Branch XI) examination of Bombay University held in November 1982.

(7) Dr. S.J. Sunkersett and Dr. R.M. Parikh were joint Ist rank at the D.P.M. (Part-II) examination of Bombay University held in May 1782.

(8) Dr. M.L. Sharam stood first and secured distinction on D.P.M. (Part-II) e camination of Bombay University held in November 1982.

(9) Dr. Gupta stood first in D.P.M. (Part-I) examination of Bombay University held in November 1982.

(10) Dr. D.R. Doongaji : Papers read.

Psychological Sequelae in Medical termination of pregnancy-Study of anxiety and hostility in married and unmarried, first and repeat abortees. Read at National conference in Clinical psychology at Bombay, November 1982.

(11) Dr. L.P. Shah : Papers read.

(a) Behaviour therapy in a general Hospital Psychiatry department a six year experience. Dr. V.N. Bagadia, Dr. L.P. Shah, Dr. K.S. Ayyar, Dr. P.V. Pradhan, Read at the 34th Annual Conference of the Indian Psychiatric Society at Madras, January 1982.

b) Emotional factors in Myocardial Infarction. Dr. B.R. Agrawal, Dr. L.P. Shah, Read at the International Conference on Coronary Artery Disease held in February 1982 at Bombay.

Department of Pathology :

(1) Papers presented at Annual-conference of Indian Association of patholgists and Microbiologists, held in December 1982 at Ahmadabad.
 (a) "Cardiomyopathy—An authopsy study".
 (Dr. Jaya Subramaniam, Dr. S. G. Kinare).

- "Aspriation biosy cytology of breast lesions." (Dr, A, A. Pandit, Dr. V. K. Gupta Dr. P. M. Chaphekar, and Dr. S. G. Kinare). (b)
- (c) Congenital Toxoplasmosis—An authopsy study" (Dr. S. V. Sane and Dr. Varsha Vadera).
- "Secondary hyaline membrane disease in (Dr. S. Y. Sane and Dr. S. S. Deodhare). Children." (d)
- "Metachromatic leucodystrophy" (Dr. S. Y. Sane and Dr. H. V. Cunderia.) (e)
- "Pathology of Hyaline Membrane disease (H.M.D.) in Neonatas" (Dr. iS. Y. Sane and Dr. B. M. Patel). (f)
- "Renal lession in bacterial endocarditis—An autopsy analysis of 50 cases (1977-1981)" (g) (Dr. B. V. Mittal and Dr. S. G. Kinare).
- "Nodular transformation of the Liver-A case report" (h) (Dr. I. M. Vora).
- "Association of Rheumatic heart disease and congenital heart diseases. (Dr. M. G. Ajinkya and Dr. S. G. Kinare). (i)

(2) International Conference in Tropical Cardiology, held in Bombay. 1982.

- (a) "Conduction System in Cardiao Tuberculosis." (Dr. S. G. Kinare).
- "Primary pulomonary hypertension study of 24 cases." (Dr. J. Subramaniam and Dr. S. G. Kinare). (b)
- (3) Annual Conference of on respriatory disease held in Bombay December, 1982.
 - "Unusual presentation of tuberculos lesions in lung." (a) (Dr. M. S. Ajinkya and S. G. Kinare).

- (a) "Early diagnosis of Myocardial infaraction." (Dr. M. S. Ajinkya and Dr. S. G. Kinare).
- (b) "Extra-hepatic portal vein obstruction with portal hypertension—A clinics patholgical study of 10 cases.
 (Dr. Firoza Dalal, and Dr. R. A. Bhalerao, Dr. I. M. Vora.).
- (5) ISG Kashmir, 1982 held at Srinagar in October, 1982.
 - (a) "Extra hepatic portal vein obstruction with portal hypertension—a clinico patholgical study of 10 cases" (Dr. I. M. Vora Dr. Firoza Dalal and Dr. R. A. Bhalerao).
 - (b) "Acute hapato-renal damage-autopsy study of 4 cases. (Dr. F. P. Candes, Dr. I. M.Vora. Dr. B.V. Mittal and Dr. S.G. Kinare).

(6) Dr. S. G. Kinare was invited to participate in following Seminars.

- (a) "Rheumatic heart disease in Young." —International conference on Tropical Cardiology held in Bombay October 1982.
- (b) "Non-specific aorto-arteritis" —International conference on Tropical Cardiology, held in Bombay, October, 1982.
- (c) "Ischaemic heart disease."
 —Annual conference of railway medical conference held in Jabblepore in December, 1982.
- (7) Dr, S. Y. Sane was invited as speakar in work-Shop on Neonatology at Wadia Hospital.
- (8) Dr. Sita Naik was invited to be a member of the I. C. M. R. Task Force on "HLA in and Disease" Attended meeting of the Task Force at New Delhi on 14th July, 1982.
- (9) Dr. Naik Sita was invited participatant in panel discussion "HLA and Haematology" Annual Conference of Bombay Immunology Group, Bombay 5th and 6th Feb. 1982.
- (10) International Symposium on Recent Advance in Immunoheamatology Bombay, 23rd to 25th Oct., 1782.

(11) Papers presented by Dr. Sita Naik in various conferences.

- (a) IX Annual conference Indian Immunology Society New Delhi 30th and 31st Oct. 1982. "Genetic factors in the Occurrence of epidermic haemorrhagic conjuctivitis and its neurological complications." (Dr. Naih S.).
- (b) XIII symposium of International union of Immunological societies on "Regulation of the Immune Response and its modulation in infection and Malnutrition" New Delhi Ist to 5th Nov. 1982.
 Invited to lead group discussion on the genetic control of the immune response." 32nd Annual Conference of Neurological Society of India held at Cuttack December 1982.
 "Morphological pattern in Ethyl nitrusurea tumour of the Nervious system in Rates." (Dr. A. P. Desai).
 Dr. A. P. Desai was invited to speah on "Fungal infection of CNS" in the symposium on 'Non-Tuberculous Infections of CNS' at the 32nd Annual Conference of Neurological Society of India held at Cutack December 1982.

Department of Microbiology :

- (1) 'Detection of Toxoplasma antibodies by passive haemagglutinationation and enzyma linked immunosorbant assay.'
 Miss Neelam Wagle Dr. C. K. Deshpande Dr. G. G. Bhave.
- (2) 'Two unusual cases of Mycetoma'.
- -Mrs. U. D. Wagle Dr. D. S. Pardanani Dr. G. G. Bhave.
- (3) 'Pattern of infections in Neonates (high risk)-Dr. J. G. Kulharni Dr. A. P. Mehta Dr. S. F. Irani P. Singh.
- (4) 'Anaerobes by various methods'. —Miss J. M. Talwalkar Dr. P. Y. Bhatlavande Dr. A. P. Mehta.

(5) 'Anaerobic Infection in Surgical Patients'-Dr. A. P. Mehta. presented this paper at All India Surgeons Conference at Bombay-Dec. 1982.

(6) 'Study of Retro spective and Prospective (1977-1980) (Post Operative Aerobic and Anaerobic Peritonitis) Dr. R. A. Bhalerao Smitha Mehta Dr. A. P. Mehta.

All India Surgeions Conference-At Bombay-Dec. 1982.

'Bacteriology of Brain Abscess' Dr. A. P. Mehta Savita Walimbe Dr. S. Gopal Dr. R. D. Nagpal. Teaching iPathologists At Bombay-Feb. 1982.

- (8) Dr. A. P. Mehta was invited as a faculty member for 'Workshop on Intensive Care in Paediatric Surgery' held on 10 to 15 March 1982 at K. E. M. Hospital.
- (9) Dr. A. P. Mehta also attended workshop on 'Gas Chromatolgraphy' organised by Packerd Instrument International 1982.
- (10) Dr. V. V. Kale attended 5th National Conference of Association of Medical Micro biologists at Madras held from 10th to 12th Jan. 1982 and presented a paper on Bacteriological study of Neonatal Diarrhoea.
- (11) Dr. G. G. Bhave and Dr. M. Mathur attended workshop on 'Gell Immunodiffusion Techniques for Medical Laboratory' iheld by Microbilogy dept. of Grant Medical College-Bombay in Dec. 1982.

Department of Pharmacology i:

- (1) VIII Annual Conference of Pharmacologists of Maharashtra State held at Sevagram. Wardha :
 - (a) Antiinflammtory activitiy of an Ayurvedic preparation containing Ocimum Sanctum, Ocimum basilicum and Aeorus calamus—A. B. iVarde P. Y. Naik S. R. Naih M. B. Bhide and R. S. Satoskar.
 - (b- Professor Karandikar attended the Conference. XV Annual Conference of Indian Pharmacological Society held in November 1982 at Chandigarh

(2) Papers presented

- (a) Piper longum in asthma-Shardinin Dahanukar S. M. Karandikar Meena P. Desai
- (b) Cardiovascular and diuratic effects of Tinospora Cardifolia in animal meodels-S. S. Nayampalli S. S. Aniapure and N. K. Desai
- (c) Effect of low astrogen combination oral contraceptive on metabolism of aspirin and phenylbutazone : K. C. Gupta, J. V. Joshi, K. Hazari, S. M. Pohujani and R. S. Satoskar.
- (3) All India Surgeons conference held in Bombay-December, 1982. "Improvement of blood flow in peripheral vascular disease patients with epidurally adminstered, morphine-R. D. Bapat, R. P. Padmashree, K. C. Bhagtani A. R. Bapat N. A. Kshirsagar, G. B. Parulhar. i

Department of Paediatric Surgery :

- The staff of ithe Department has actively participateed in the following National and International Conferences.
 - (1) 42nd Annual Conference of A. S. I. at Bombay.
 - (2) 19th Annual Conference of Indian Academy of Paediatrics Cuttack.
 - (3) Annual conference of the British Association of Paediatric Surgeons at Madrid.
 - (4) West Zone confer nce of A. S. I.
 - (5) Maharashtra State Chapter conference at Nashik.
 - (6) Andhra Pradesh State Chapeler conference at Vijayawada.

APPENDIX IX.

PROJECTS INVESTIGATIONS AND TESTS.

Department of Biochemistry and Nutrition :

(1) Action of lipid lowering agents in prevention of Atherosclerosis (project completed),

(2) Electrolyte balance regulation in controlling essential hypertension and ayhmic. (Project in progress).

(3) Some aspects of tryptophon metabolism in mentally retarded children. (Project completed).

(4) Study of protein metabolisum in alcholies with special reference to amino acids involved in Neurochemical disorders. (Project in progress).

Division of Endocrinology and Metabolic Disorders :

(1) "Diabeties in the Tropics" under the Burroughs Wellcome Grant (Dr. Bhandarkar together with Prof. R. S. Satoskar, Head of Dept. of Pharmacology.)

(2) "Plasma I. R. I. in planning Treatment of Diabetes" under a grant from the Society for the help of Diabetics (Dr. V. J. Retnam and Dr. S. D. Bhandarkar).

(3) "Lipoproteins in Diabetics" (Dr. V. J. Ratnam together with Dr. (Mrs.) Taskar of the Dept., of Biochemistry).

(4) "Evaluation of Renal Function in Psychiatric patients on Lithium Carbonate" (Dr. S. D. Bhandarkar together with Prof. D. R. Doongaji, Head, Dept, of Psychiatric).

(5) "Renal Function in Diabetics with Albumin Cria". (Dr. Nishit Shah and Dr. S. D. Bhandarkar).

(6) "Prevalence of Mitral Valva Prolapse in Thyrotoxic patients (Dr. B. T. Kudva and Dr. Dr. S. D. Bhandarhar together with Dr. (Miss) Neelam Shah and Dr. A. S. Vengsarkar, of the Dept., of Cardiology under a grant from K. E. M. Hospital and Seth G. S. Medical College Research Society.

Department of Chest Medicine :

(1) Comparative blood levels and physiologic changes after various preparations of theophulline.

(2) Diagnosis of asbestosis.

(3) Physiologic studies of exercise induced bronchospasm after beta blockers in hypertensivz patients.

Department of Paediatrics :

Dr. P. W. Kondoth :

(1) Immunoglobuline estimation in Rheumatic fever.

(2) C--Reactive Protein for early diagnosis of neonatalsepsis.

(3) L. D. H. estimates in Urinary Track Infection.

(4) Blood glucose levels in newborns.

(5) Echocardiolography in congenital Acyanotic Heart disease.

(6) Thronibocytopenia in children.

(7) C. S. F. Immuniglobulins in C. N. S. disorders.

(8) Salicylate To city with High dose Therapy.

(9) Blood lead levesl in children.

(10) ELSA of Tuberculoproteiin in T. B. M..

Department of Microbiology :

(1) Use of Enzyme linked immunosorbent assay (ELISA) for early diagnosis of typhoid fever Dr. G. G. Bhave.

(2) Bacteriological study of Yersenia Enterocolitical Enteric Infections—R. B. Pal.
(3) Diagnosis of Cryptococcal Meningitis by Cultural Biochemical and Immunological Methods. Mrs. U. D. Wagle Haemagglutination Test and Quinacrine Fluorescence for Rapid Diagsois of Human Malaria.—Dr. J. G. Kulharni, Dr. P. Y. Bhatlavande.

Paying Bed Scheme :---

The paying bed scheme has started functioning from 18-7-1977 in the side section of Ward 17 for female patients and Ward 20 and 21 for male patients 325 patients had taken the advantage of the paying beds during the year 1982.

INTENSIVE PAEDIATRIC CARE UNIT :

An Intensive Paediatric Care Unit started functioning from 1-8-1977 in a special & separate section of the Paediatric ward. The Intensive Paediatric Care Unit admit acutely ill children in need of continuous observation. It is equipped with all the monitoring and resuscitative equipment. A Registrar and a Staff Nurse are posted for round the clock duty. Mortality rate has been declining after the commissioning of this specialised unit. During the year 1982, 323 children were admitted in the unit.

MEDICAL ACUTE CARE UNIT :

The Department of Medicine established a separate Medical Acute Care Unit with 12 bede which started functioning from March 1978 onwards. These beds are housed in a single ward with pooled in equipment which includes Respirators, E. C.G. machine, X-Ray unit etc., All the critically s ck patients are isolated in this section and observed under the supervision of trained staff. Medical and Nursing, round the clock service is provided with post-graduate qualified doctors in attendance. 758 patients w(g) treated in this section.

B. Y. L. NAIR CHARITABLE HOSPITAL AND

TOPIWALA NATIONAL MEDICAL COLLEGE

Bai Yamunabai L. Nair Charitable Hospital continued to render Medical Relief to the sick and Topiwala National Medical College imparted Medical Education to the students, as usual.

Dr. J. V. Bhatt, M.B.B.S., M.D. and Dr. K. K. Gulati, B.Sc. (Hons.), M.B.B.S., D.A., C.P.S., D.A., C.I.H., D.P.H., F.R.I.P.H.H. (Lond.) held the posts of Dean and Asstt. Dean respectively during the year.

Dr. (Smt.) P. G. Hiranandani, M.B.B.S. and Dr. (Smt.) N. Dixit, M.D. held the post of Sr. Asstt. Medical Officer.

Shri Dinesh Jadhav held the post of Ward Officer from 8-6-1981 to 12-7-1982. Shri A. D. Doctor held the post of Ward officer from 2-7-1982 to 1-2-1983.

SCOPE OF ACTIVITIES :--

The hospital has been progressively expanding to include various new specialities. Apart from the well established department of General Medicine, General Surgery, Obstetrics and Gynaecology, Psychiatry, Pediatrics, Anaesthesiology, E.N.T., Orthopaedics, Radiology, Tuberculosis, Ophthalmology, Dermatology and Venerealogy, there are also the specialised departments of Cardiology, Cardio-Thoracic Surgery, Neuro-Surgery, Plastic Surgery, Genito-Urinary Surgery, Nephrology, Gastroenterology, Hematology, Endocrinology, Rheumatology and Collagen Diseases, Neo-natology, Pediatric Surgery, Head and Neck Surgery and the department of Neuro-science, this is approved by W.H.O. for research and training in strokes and tropical diseases. Besides this special out-patient clinics are being conducted in the hospital, namely, Thyroid, Renal, Diabetes, Premature and New Born Care, Hypertension, Asthma, Abortion, High Risk Pregnancy, Glaucoma and Squints Anaesthesia Assessment and a School Clinic.

Special units for hospitalised patients have been developed like Intensive Care Unit and Medical Acute Care Unit. There is a Special Family Planning Centre, Health Check up Centre and a most modern Speech Therapy and Audiology Clinic and department which is also a training school affiliated to the University of Bombay. There are also well established departments of Pharmacy, Physiotherapy, Occupational Therapy, Social Service and Medical Records.

The hospital has an immunization centre and growth and development clinic established by the Department of Preventive and Social Medicine. This department also carries out several health educational programmes in the community and have developed several audio-visuals and sound slide shows on various aspects of health which are regularly screened in the slums of the City.

The hospital has an eye bank and a full equipped blood bank which functions on voluntary donations of blood by relatives of patients and members of the public.

DEPARTMENT OF SEXUAL MEDICINE :---

This department was established in December 1981 and conducts an Out-patient's Clinic once a week. Patients with Sexual dysfunctions are treated at this clinic.

ULTRASONOGRAPHY :---

This unit was established in December 1981 with Ultrasonography equipment with video and biopsy facility costing Rs. 14 lacs. This unit carries out immaging of organs like liver, gall bladder, spleen and also studies of the foetus.

ARTIFICIAL KIDNEY DEPARTMENT :--

This department started functioning in January 1982 with 4 machines. It plans to develop related live donor kidney transplants in the near future.

MENTAL' HEALTH CASE OF SCHOOL CHILDREN :----

A special clinic has been set up in the department of Psychiatry which looks after the mental h calth care problems of the municipal school children.

WORKSHOP FOR THE REHABILITATION OF THE HANDICAPPED :---

A well equipped workshop for handicapped patients requiring rehabilitation has also recently been set up. Patients are given training in envelopes making, purse making, assembling forms of R.T.O. etc.

HEALTH CENTRE :---

Two new health centres have been set up at Shivaji Nagar, Govandi and Shahaji Nagar, Cheetach Camp. The average attendance at these centres is 300 patients per day.

NATIONAL CENTRE OF NEUROSCIENCE :---

At the National Centre of Neuroscience, a C.T. Scan has been installed by construction of additional space, installation of a lift and specialised airconditioning units. At this place, a Guest House for visiting W.H.O. experts has also been constructed. The machine will be available for public very shortly.

DEPARTMENT OF CARDIOLOGY :---

In the department of Cardiology, 2 Diamensional Echo Cardiography Machines have also been installed during the year and are working satisfactorily.

A new life block with 6 lifts has now been constructed as a part of Nair Hospital Building. These 6 lifts, in addition to the 4 already existing in the building, will greatly facilitate movement of staff, patients, public and hospital material.

E.N.T. THEATRE :--

The E.N.T. Theatre has also been renovated providing one more theatre for carrying out highly sophisticated operations. A special T.V. room has been constructed adjoining this theatre so that the operative work can be seen by students on a colour T.V. screen by sitting in this room.

HYPERBARIC CHAMBER :---

Hyperbaric chamber at Kasturba Hospital is now ready for commissioning and will start functioning before the end of March.

TEACHING CENTRE AND PAEDIATRIC CENTRE :---

Conversion of Kamathipura Maternity Home into a teaching centre and the Ahilyabai Holkar Maternity Home as a Paediatric Centre are also nearing completion and both are likely to be commissioned by end of March.

EXPANSION PROGRAMME :

During the next year, it is proposed that the construction of the work of the 18 storeyed Nair Hospital Annexe Building will start and also acquisition of land for Nurses Hostel and other ancilliary structures will also be completed. During the next year, it is also proposed to start various super specialities in the Nair Hospital. The super specialities are Haematology, Paediatric,—Surgery, Urology and it is also proposed that all these specialities will get recognised by the University of Bombay for post graduate training. During the next year, it is also proposed to acquire certain equipments for respiratory Functions Laboratory and New sophisticated X-ray machines to replace some of the old ones.

TRAINING CENTRE :---

The hospital provides facility to medical and dental students from the Topiwala National Medical College and Nair Hospital Dental College. Training of nurses also done at these institutes.

CHARGING OF FEES TO O.P.D. AND INDOOR PATIENTS AT THE MUNICIPAL HOSPITAL :--

The Standing Committee under item No. 1733 of 2nd March 1982 has approved M.C.'s proposal for levy of charging of O.P.D. and Indoor papers attending Municipal General Hospital. As per C.A.'s circular No. CA/RG/95 of 2nd March 1982 this scheme is to be implemented from 1st April 1982. The staff at the Registration Counter receive Rs. 2 per O.P.D. case paper from the patients coming for treatment in O.P.D. O.P.D. case paper would be valid for 15 days only. After 15 days the patient has to pay Rs. 2 for renewing the case paper.

As regards Indoor patients an admission fee of Rs. 5 is to be collected at the time of admitting the patient. Each paper is valid for 10 days only. If however the doctor attending on the patient, advises that the patient is required to be kept in the hospital beyond 10 days and the Dean, Assistant Dean or A.M.O. of the hospital on considering the advise prescribed such a stay beyond 10 days the same old form will be continued beyond 10 days and no additional fees would be levied. In the absence of such certificate from the doctor attending on the patient, a fee of Rs. 5 per day of stay in the hospital beyond 10 days is levied and recovered.

PAYING WARD CHARGES :---

The present charges of Rs. 12 per patient per day for paying beds (Side Room) have been increased to Rs. 30 per patient per day. Similarly, present charges of Rs. 6 per patient per day in paying wards at Sion and other hospitals have been increased to Rs. 15 per patient per day. Besides, these patients will also be charged at Rs. 60 for minor operation and Rs. 120 for major operation.

They will also be liable to pay Rs. 10 per X-ray plate for X-ray investigation and Rs. 10 for Pathoogical/Bacteriological BMR Test each and for E.C.G. or encephalogram. These fees are to be paid In the offices of the hospitals as at present.

The Municipal employees and their nearest dependent family members are to be given treatment free of above levies for case paper etc. The Municipal employees, however, will have to produce his identify card or a proof from the head of the department about his employment in municipal service.

1. DEPARTMENT OF MEDICINE :---

The department of Medicine consists of 3 full-time and 3 part-time units. Department of Medicine have started 6 beds. Artificial Kidney Department with all the facilities for kidney transplant. Department has carried out 4 live donors of kidney transplants.

Department of Medicine is in the process of establishing Gastroenterology, Hacmatology, Endocrinology and Nephrology as full-fledged super speciality units. with separate 16 beds in each of the departments. This is done to start the D. M. courses in the above said subjects affiliated to University of Bombay.

2. DEPARTMENT OF SURGERY :---

The department of General Surgery is now being developed by acquiring sophisticated instruments such as working elements for cutting urethral stricture and prostatic surgery. G. E. endoscopes plus Photographs attachment, Lecturescope and Teaching accessories for endoscope is ordered. Meetings of the General Units were held quite frequently to discuss and solve the problems in the proper manners. Under-graduate and post-graduate teaching programme as well as clinical meetings were conducted as per schedule. Clinicals as well as lecture programme of the dental students was also conducted properly.

ENDOSCOPIC PROCEDURES :

Diagnostic	: Weekly twice oesophago, gastro, duodenoscopies.
E. R. C. P.	
Therapeutic	 1. Oesophageal varieceal injections. 2. Endoscopic sphincterotomics. 3. Endoscopic basketing for extraction of Round worm which obstructed the CBD.
Ultra sonography	: Routine diagnostic for all liver, kidney, pancreatic and any other swellings. Ultrasonically controlled antigrade pyelography.
Therapeutic	: Ultrasonically controlled percutanean nephrostomy in hydronephrosis.

3. DEPARTMENT OF GYNAEC AND OBSTETRIC :---

Department of Gynaec and Obstetric consists of 3 units, one full-time and two units under Hon. Professor and Asstt. Professor. Each unit functions twice a week.

4. DEPARTMENT OF PEDIATRICS :---

Total No. of attendance : 2163

The Department of Pediatrics continued to work with one full-time unit and one part-time unit.

9. THORACIC AND CARDIOVASCULAR SURGERY ;---

O. P. D. Attendance :-

The Department of Cardio-vascular & Thoracic Surgery is running three out-door clinics every week i.e. on every Monday, Thursday and Friday. On an average in outdoor clinics about 4 to 5 new patients are seen; as many indoor and out-door patients are referred from other departments of this hospital as well as from other peripheral hospitals including Kasturba Hospital, Rajawadi, Bandra Bhabha and Jagjivanram Hospital. Their referrals are for various Cardiac, The racic & Vascular problems. The total Number of Patients attending O. P. D. during the year 1982 was 1983. The Department of Cardiovascular & Thoracic Surgery have four Operation days every week for cardiac cases.

In 1982, following operative work was done in the department of Cardio-vascular and Thoracic Surgery. Total 334 operations were carried out with breakdown as follows ;--

11. RENAL MEDICAL UNIT:

O. P. D.'s are conducted on Wednesdays and Saturdays.

12. HYPERTENSION CLINIC:

Hypertension clinic is run every Tuesday at 11-30 a.m.

13. ASTHMA AND OBSTRUCTIVE AIRWAY DISEASES CLINIC:

Asthma & Obstructive airway diseases clinic is conducted on every Tuesday.

14, PLASTIC SURGERY:

The O. P. D. was conducted every Wednesday and Friday and a total of 550 new cases were seen. In addition, about 90 to 100 patients were seen every week for follow up treatment. Full documentation and records were maintained in all cases.

During the year, 510 cases were admitted for surgery and total number of 435 operations were performed, 250 emergency Plastic Surgery operations, particularly of those of face and hands.

During the year papers entitled (1) "Pan-facial fractures" was presented jontly by Dr. S. M. Mahaluxmivala and Dr. Ashok Shah at 17th National Conference of Association of Plastic Surgeons of India. (2) Problems in "Use of different types of implants in Augmentation Mammaplasty" was presented by Dr. S. M. Mahaluxmivala and "Use of Silastic and Teflon implants in Reconsouring the face" was presented jontly by Dr. S. M. Mahaluxmivala and Dr. Ashoh Shah at XVII Annual Conference of the Association of Surgeons of India. (3) "Malignant Melanoma Thumb-Primary Policization" was presented by Dr. S. M. Mahaluxmivala at VIII Annual conference of society for Surgery of the Hand.

The department of Plastic Surgery arrange clinical meetings of plastic surgeons of Bombay. Studies were carried out on "Pharyngeal reconstruction."

15. ENDOCRINOLOGY DEPARTMENT :

O. P. D. Day :---

Mondays and Fridays mornings 11-00 a. m. to 1-00 p. m. No. 19. Patients requiring attention and clinical testing on other days are seen in the department between 10-00a. m. to 12-00 a. m. every day.

Dr. George Bryan, who was a member of Faculty of this department, during 1966-68 under Fullbright Programme, conducted a "Short Course on Aphasia" from 15th March 1982 to 20th March 1982. This course had been arranged in collaboration with the Bombay Branch of Indian Speech & Hearing Association. A large number of current and past staff and students of this department benefitted from the course.

Prof. Heribert J. P. Reitboeck, Head of the Study Group of Applied Physics and Experimental Biophysics, Philips University gave a talk on "Information Processing in the "Audiotory System" on 22nd March 1982. This lecture had been arranged in association with the Max Meller Bhavan, Bombay.

Clinical :

2488 number of cases were seen as per statement attached.

During the year 40 hearing aids were issued free of cost to needy patients under Indo-Danis h Project.

1921 number of ear moulds were issued to the patients.

The poor patients are also being supplied with cords and cells free of cost so that they can use bearing aids to the maximum extent.

Report of classes of Deaf Children :

In February 1982 a picnic was arranged for the children to Vihar Lake and Powai Lake.

At the Inter School Elocution Competition two of our children got prizes.

Some of the children participated in the Inter School art and crafts competition and secured prizes,

In June 1982 approx. 12 children were integrated into normal schools. These children attend class on a part-time basis:

During the calender year 1982 due to shortage of funds, we did not have the regular celebrations during the festivals. All the events will be organised in 1983.

A documentary film on the treatment of speech and hearing problems and E. N. T. problems has been made by the Films Division. This film is made mainly with the idea of making the public aware of the speech and hearing problems in general and the facilities available in this institute in particular.

17. PREVENTIVE AND SOCIAL MEDICINE :---

Services :---

In the Community : Comprehensive health Care to Slum Communities.

In the department Comprehensive health care was given to the Municipal Sweeper Community of Arthur Road.

The Schedule of services rendered was 2 times a week.

The record of clinic attendance for the period from January 1982 to December 1982 was as follows :--

Community		of clinic n held.	No. of first visit.	No. of revisits.	Total.
Arthur Road	•,•	95	19	1530	1549

In addition to follow up care at the clinic a proportion of patients were referred to hospitals outpatients departments for consultations and investigations.

(b) B. C. G. Vaccination #

B. C. G. Vaccination was carried out. 1898 neonates and 1168 paediatric patients including the school clinic patients were vaccinated.

· In the Community :--

I. COMPREHENSIVE HEALTH CARE TO THE COMMUNITIES :

Comprehensive health care services were provided to two communities :

1. Shivaji Nagar Deonar-through Urban Health Centre.

2. Shahaji Nagar Cheetah Camp-with the help of B. P. C. C. Van.

Activities were shifted to urban health centre on 22nd October 1982.

Following is the report of activities carried out in the two communities for the year 1982.

*.	•			;	S	hivaji Nagar	Shahaji Nagar

II. SCHOOL HEALTH SERVICES :

Medical inpection of school children belonging to standard 1st to VIIth at Cheetah Camp. School was continued. 1260 students from Tamil School, 1334 students from Urdu School and 274 students from Hindi School were examined in the year 1982. (Total-2868 children examined) and 806 children immunised with D. T. and Polio Vaccine.

III. NUTRITION PROGRAMME FOR MUNICIPAL SCHOOL CHILDREN:

Nutrition programme for primary children at Baiganwadi Municipal School was started in the month of February 1982. On average 1143 children per day were given nutrition supplements under this programme.

IV. BALKALYAN KENDRA :

2370 patients were examined and treated in the year 1982. 408 children were given polio vaccine, 206 were given D. T. vaccine, 149 children were given tetanus toxoid and 34 were given D. P. T. Vaccine.

V. HOME PROGRAMME :

Under this programme comprehensive health care services were given to 2 communities.

4541 patients were examined and treated. 229 children were given polio vaccine, 190 triple vaccine, 11 were given D. T. and 132 patients were given tetanus toxoid.

III. Under Five Clinics :--

•

6. Health education task given to mothers.

Group activities for adolescent girls and boys started in the centre.

Nutrition programmes under MCH category has been started with the help of Catholic Relief Society in two communities at Deonar and Cheetah Camp for 150 beneficiaries. Coohing demonstration for community women has been adopted as a regular feature.

Special Activities :

1. Arranged a guest lecture by Mrs. Shrilata Batliwala on 'Research in Community Health .

- 2. Municipal School Children at Baiganwadi Municipal School performed a song-dance sequence on nutrition under the guidance of the departmental staff at the inaugural function of school feeding programme at Deonar.
- 3. World Health Day Celebrations on 7th April a seminar was organised for interns of "Health Problems of the Aged." Health check up of the elderly was organised in community at Deonar.
- 4. Hindi version of the slideshow "Roopa's Illness" was screened at University Club House and Tata Institute of Social Sciences for N. S. S. College Teachers of Bombay University.
- 5. Arranged a guest lecture by Dr. R. K. Anand on "Breast feeding."

Academic Achievements:

1. Audiovisual slide show on "Add life to years" was prepared by Dr. Saraj S. Jha.

- 2. Dr. Jha invited to attend W. H. O. interconsultative meeting at Delhi in September 1982.
- 3. Dr. Jha selected for preparation of teaching aids for maternal and child care by UNICEF.

18. THYROID CLINIC :---

Thyroid Clinic is conducted on Monday and follow up on Thursday. The attendance in Thyroid Clinic is as under :--

Play therapy for children is conducted on every Thursday and average 3-4 children per session attend it.

Group therapy for alcoholics and sex related disorders are also conducted once per week. Teaching Programme :---

- Following was the teaching Programme of our department in the year 1982.

(1) Lectures and case discussion for postgraduate students : by senior psychiatrist twice per week.

Journal club on alternate Friday. (2)

(3) Short topic discussion on alternate Friday.

(4) Lectures on psychology : For Nurses of B.Y.L. Nair Ch. Hospital.
(5) Lectures for undergraduates of T.N. Medical College.
(6) Lectures for students of S eech and Audiology Therapy.
(7) Lectures and Clinics for students of Tata Institute of Social Sciences.

Highlights of Annual activities of the Department of Psychiatry :-

(1) 35th Annual Conference of India Psychiatric Society : The department of Psychiatry has taken great efforts to host in Bombay the 35th Annual Conference of Indian Psychiatric Society, in this year. Though it was actually on 5th 6th and 7th January 1983, the preparations of it started in September 1982. All the members of the Dept. were actively involved in organisation of the con-ference Dr. C. Pinto and Dr. Barve worked as Organising Secretaries to make this conference grand success.

(2) 13th Annual Conference of West Zone of Indian Psychiatric Society : 13th Annual Conference of West Zone of Indian Psychiatric Society was held this year at Kripamayee Institute, Miraj on 20th and 21st November 1982. Nine Psychiatrists from our department attended it. We presented one paper on 'Comparison of alcohol dependent females and alcohol dependent male in a city, hospital sample ' (With the aid of overhead projector) which was discussed with enthusiasm and was appreciated by the attending psychiatrists.

Public Relations :-

In the year 1981-82, the department was also ahead in conveying concept of mental health to general population. All the members of our department attended various seminars to provide information regarding psychological disorders, delivered speeches on All India Radio on various psychiatric topics, attended discussions arranged by various medical and paramedical professionals. Motivation being bringing awareness about on mental health in the mind of every citizen of this dity, department always estimated balance hand towards them. Begular articles on Beychiatwi city, our department always extented helping hand towards them. Regular articles on Psychiatry, written by some of our doctors were published in regular new papers.

Miscellaneous :-

A Psychiatrist from our department also attends child Guidance Clinic (attached to Paediatric Department), everyday.

Annual Report of School Mental Health Clinic for the year 1982 :--The School Mental Health Clinic (S.M.H.C.) catering to the needs of Municipal School children was inaugurated on 22nd January 1982 by Shri Arun Dabholhar, Chairman, Education Committee, Bombay Municipal Corporation.

The School Mental Health Clinic carries out mental health check up at O.P.D. No. 13, Dept. of Psychiatry, B.Y.L. Nair Ch. Hospital. The children are mainly referred from Municipal Hospital. The children are mainly referred from Municipal and Private Schools, Medical Officers, Teachers, Parents etc. The team also operates by arranging lectures, programmes, and psychological examination of the children in the peripheral schools.

Total No. of New examined in the clinic	· • •	••			735	
Total No. of cases followed up in the clinic	••	••	••	6.0	800	
Lectures on mental health problems of the sch	ool chi	ildren were arr	anged in f	ollowing se	chools	
(1) A. K. Munshi Yojna, Girgaon.						

(2) C incholi Municipal School, Malad.

(3) Anjuman Islam High School, Mahim.

(4) Bazar Road Municipal School, Bandra.

(5) Shivaji Nagar Municipal School, Govandi.
 2 Lectures : 1. General Topics.
 2. Specific on mental retardation and enuresis.

(6) Maharshi Shinde Municipal School.

(7) Kamathipura Municipal School.

2 Lectures : 1. Parents. 2. Teachers

(8) A Special meeting of 400 Municipal School Teachers in Bhandup was addressed by the team.

The team of School Mental Health Clinic Visited the following schools for examination of referred children :-

(1) A. K. Munshi Vojna-2 visits.

(2) Shivaji Nagar Municipal School—5 visits.
(3) Kamathipura Municipal School—6 visits.

(4) Khar Danda Municipal School.

(5) Colaba Municipal School.

Since the team has no provision of a vehicle, work in other school could not be carried out.

In April 1982, a series of Orientation. 2 week programme was arranged for the Medical Officers (School) by the school Mental Health Clinic.

Play therapy, Group Therapy of the parents of the Mentally retarded children, counselling work is carried out by their team.

Annual report for the year 1982 of Occupational Therapy in Psychiatry Unit of B.Y.L. Nair Ch. Hospital :-

All these work looked after by four full time and one part-time Medical Social Worker.

Report of the Workshop for the Rehabilitation of Handicapped. Advances of

The new project in the form of workshop for disabled started on 13th December 1981. It was inaugurated by Honorable Municipal Commissioner Shri D. M. Sukthankar. The benefit is given to the disables who are taking treatment from B. Y. L. Nair Charitable Hospital. The main objective is rehabilitation of these disables with the collaboration from various charitable organisations and private industries. Job facilities are given in Tailoring, assembling, packing, spinning and numbering on hospital registers etc. The remuneration is paid for the same by industries hospital who dispatch the work. During this year regularly 13 disables are taking advantage of this projects.

Free lunch facility is arranged through donations but there was break in lunch programme for three months from October 1982 to December 1982 as the post of Hamai' was discontinued. It was restarted from January 1983 as Honorable Shri P. P. Kamdar, D. M. C. (I) has taken keen interest in this project and arranged the necessary staff required which was discontinued.

Two Max numbering machines bought through donation which are very helpful for disables to carn their bread. Medical Record Department, Nair Hospital is kind enough to provide continuous work to number on hospital registers. Medical Social Workers sees continuity of the work.

Expansion programme will take place within short period with the collaboration of Asso ciated capsule group, Kandivali. Few more disables will be given opportunity to work due tonew expansion programme. All the initial expenses were managed from the donations collected for the welfare project.

The first anniversary of the workshop celebrated this year on 14th December 1982 under the kind blessings of Honorable Shri Pravin P. Kamdar, D. M. C. (I). All the donors who helped us generously in this project also took part in this function help at B. Y. L. Nair Ch. Hospital,

- 4. Quality Control:

During the year January 1982 to Desember 1982 a total number of 35 different types of products splitted up in 964 batches, manufactured by Pharmacy Department were tested during processing and as final products. A total number of 8013 tests were performed on the same. Three batches were rejected.

A total number of 666 different kinds of products splitted up in 3449. Number of batches purchased from outside were tested and total number of 26456 tests were performed on the same. 110 batches were rejected.

All the sterilizers of Bhajekar Hospital and Nair Hospital were tested for their effective working every fortnightly throughout the year.

65 items were tested urgently and the results given within one hour in order to meet the wrgent requirements of the stores for immediate supply to the patients.

All the above work if got done from Haffkine Institute would have costed Rs. 3,60,546.00

(5) Glass Blowing Work :

Following articles are prepared by the Glass Blower in the year 1981.

Name of the articles

Murphy's drips Needle Covers Bleeding set rod for Blood Bank Test tubes for manufacturing section and Analytical Section.	Murphy's drips		

Needle Sharpening :

7803 number of hypodermic Needles are resharpened and brought in use which would have been condemned otherwise.

(6) Maintenance of Machineries :

This section looks after the maintenance and repair work of all machineries of Pharmacy Department and the minor repairs of sterilizers of Wards and Theatres and Bhajekar Hospital.

Major repairs done is numbering to 741 during year 1982 which includes the replacement of heaters and other spare parts, removal of leakages and other minor repair works.

31 RHEUMATOLOGY AND IMMUNOLOGY :

This section conducts two O. P. D.'s per week. The days are Tuesday, 9-00 a. m. onwards and Saturdays, 10-30 a. m. onwards. There is facility to inpatient treatment.

Dr. V. R. Joshi successfully completed one years training in Rheumatology at Royal National Hospital for Rheumatic diseases Bath and Hammersmith Hospital, London.

The unit is at present, busy setting up common, useful laboratory diagnostic tests in rhoumatology. It is involved in active research.

32 E. N. T. DEPARTMENT :---

Department of E. N. T. consists of one Part-time unit under Dr. N. L. Hiranandani, Hon. E. N. T. Surgeon and Hon. Prof. of E. N. T. and Head of E. N. T. Department and one Fulltime Unit Under Dr. A. G. Pusalkar, Prof. of E. N. T. & Head of A. S. T. S. Each unit attending alternate day O. P. D. and Operation Theatre.

The following were the activities of the department of E. N. T. during the year 1982.

O. P. D. Services :--

The total No. of patients attended E. N. T. O. P. D. during the year 1982 were 13825. In addition old cases of the previous years requiring follow-up and treatment have been attended.

Operative Session :---

The total No. of operation performed in the year 1982 were 1030.

Daily ward rounds are taken.

E. N. G. Clinic :-

We have ta en the E. N. G. (Electronystagmography) of 192 patients during the year 1982. The E. N. G. Clinic was conducted every Wednesday and Friday and total No. of 192 new cases were seen during the year 1982. In addition old cases of the previous years requiring follow-up and treatment have been attended. Cases of Vestibular Neurectomy were studied alongwith diabetic cases. In addition Optokinetic test had been done in cases of vestibular neurectomy and diabetics.

School Clinic :---

Work for 6 days in a week.

Peripheral Activities :---

A.—Bombay Hospital :—Dr. N. L. Hiranandani, Hon. E. N. T. Surgeon & Hon. E. N. T. Prof. and Head of E. N. T. Department continues to visit Bombay Hospital twice a week.

B.—E. N' T. Hospital :—Dr. N. L. Hiranandani, Hon. E. N. T. Surgeon and Hon. Prof. of E. N. T. and Head of E. N. T. Department continues to visit E. N. T. Hospital twice a week and Dr. A. G. Pusalkar, Prof. of E. N. T. and Head of R. S. T. s. continues to visit E. N. T. Hospital on every Tuesday.

Teaching activities :---

A.-Under-graduate students :- Lecture series and clinical terms.

B.—Post-graduate students :—We have at present 17 post-graduate students attached to our department. The post-graduate teachers of the department guide prepare the post-graduate students in their thesis work for M. S. Examination in E. N. T. of Bombay University. Regular clinics with case discussions are held and selected topics are discussed where Honorary full-time E. N. T. Professor, Reader, Tutors and Post-graduate students participate.

C.—Speech Therapy Students :—Lectures in E. N. T. are held for the B. Sc. (A. S. T.) students of our college.

- Every month one clinical meeting headed by E. N. T. Specialists for different diagnostic was held with the staff and students of the department of A. S. T. This has encouraged the students to participate in clinical discussions and case presentations.

Academic Courses :---

First advanced course in 'Microsurgery of the ear and Parotid gland' was conducted from 3th December to 17th December 1982 under the anspices of Golden Jubilee Research Foundation by the department of E. N. T. with the participation of three leading Otologists of Europe. Total participants were 30.

Visits :---

11 leading E. N. T. Surgeons and Otologists from France and Europe visited the department and participated in the academic session in Microsurgery of the year.

33 DEPARTMENT OF SEXOLOGY :---

A new department of Sexual Medicine is being opened by the Civic Authorities at the B.Y. L. Nair Ch. Hospital from Thursday the 17th December 1981. The department will be treating sexual dysfunctions in males and females and will also be teaching the medical students in the field of Sexual Medicine. This is the first department of its kind in public hospital in the country.

The department function on every Thursday from 11-30 a.m. onwards.

During the year 1982 more than 500 patients were treated in the Department.

34 ISOTOPE UNIT :---

Dr. D. N. Velingkar was awarded a W. H. O. fellowship on 'Medical uses of Ionizing Radiation' for a period of three months in U. K. During this period *i. e.* 29th May 1982 to 28th August 1982 he worked at Guys Hospital and Hammersmith Hospital, London, on Neuclear Cardiology.

Investigations carried out in the Radioisotope Unit during the period of 1st January 1982 to 31st December 1982.

35 NURSING :--

The total number of Students admitted for General Nursing and Midwifery in the year 1982 are 82 and 41. The number of students discontinued from training are 25.

The number of students left the institution are 4.

The number of students appeared for Midwifery examination are 65 and 62 passed and 3 failed.

The number of students appeared for General Nursing Part II examination are 76, 68 passed and 8 failed.

The number of students appeared for General Nursing Part I examination are 106, 86 passed and 20 failed.

Mayor's award was awarded to student nurse Anita Das.

Nair's award were awarded to following nurses.

1. Smt. S. S. Salgaonkar	Sister-in-charge.
2. Smt. Ratnamma M. O.	Staff Nurse.
3. Smt. Sulbha More.	Staff Nurse.
4. Smt. Aleyamma K. V.	Staff Nurse.
5. Smt. Mrudula Patel.	Staff Nurse.
6. Smt. Vijaya Kambley.	'Student Nurse.
7. Smt. Surekha V. V.	Student Nurse.
8. Smt. Suja Thomas.	Student Nurse.
9. Smt. Shailaja Gaikwad.	Student Nurse.

In the month of March sports were arranged for trained staff and student nurses on Hajiali ground.

In the month of April variety entertainment programme were arranged in the auditorium.

In the month of October lunch was arranged in nurses dinning hall for trained staff and student nurses and Dean, A. D., A. M. O. were invited. Film Shows were arranged in the month of April and November.

In the month of December picnic (Malad) was arranged for trained staff and student nurses.

One sister was send for special training in paediatric to K. E. M. Hospital.

35. TOPIWALA NATIONAL MEDICAL COLLEGE :----

The College has been permanently affiliated to the University of Bombay for teaching the courses of students leading up to M.B.B.S. and post-graduate examinations.

The College has also been affiliated to the University of Bombay for teaching the courses of studies leading to B.Sc. (Audiology and Speech Therapy) degree examination.

37. TOPIWALA NATIONAL MEDICAL COLLEGE LIBRARY

The total No. of books added to the library during the year was 1,507 as against 1,079 books during the previous year, out of which 150 books were donated to the library by different institutions, 358 books were purchased for 34 different departmental libraries and 1017 books were purpurchased for Central Library.

The library subscribed 255 periodicals as against 282 during the last year. 108 periodicals were received as compliments from the publishers, Hon. & teaching staff of the T.N.M. College & Nair Hospital & others. The library therefore has 360 periodicals as against 370 during last year.

The No. of books and periodicals issued on the premises to the undergraduate, postgraduates; the teaching staff of the college, Professors, Honoraries, Teachers and Reasearch Workers from other institutions was 78,927 as against 69,591 during the last year.

3,545 books including reference books and periodicals were issued out for home reading to the teaching and residential staff of the B.Y.L. Nair Ch. Hospital and T.N.M. College as against 2,814 books and periodicals issued during the last year. 29 books and bound volumes of periodicals were borrowed from other libraries on Inter Library Loan and 63 were loaned out to them 64 back issues of various journals has received in exchanged under IEDML Scheme.

351 thesis were issued for reading on premises as against 300 during the last year. 63 new thesis of different diciplines were entered as against 151 during last year. So, library has 1,382 thesis at present.

Budget grants allotted to library department for expenditure during 1982-83 were Rs. 4,00,000 out of which Rs. 3,85,000 were used to purchase of books, Import of journals & slides, purchase. of medical series & binding of volumes. Grant alloted for the purchase of books for T. N. Medical College departmental library was Rs. 55,000 out of which Rs. 27,500 were used for the purchase of books for those departments. Grant of Rs. 1,09,000 was allotted for 23 Departments of B. Y. L. Nair Ch. Hospital out of which Rs. 64,000 were used to purchase the books for those departments.

47 books costing Rs. 8,500.37 were written off during the last year. 430 outsiders including faculty members of sister institutions has made usage of the library reference during the year 1982-83.

220 bound volumes were added to the library during the year 1982-83. The library, at the end of the year has 28,724 books, 12,360 bound volumes and 1382 thesis.

38. DR. BHAJEKAR MUNICIPAL HOSPITAL :

Dr. Bhajekar Hospital was taken over by Municipal Corporation of Greater Bombay in 1956 from Dr. Bhajekar M. V. son of late Dr. V. N. Bhajekar. The main function of this hospital is to provide Medical Relief to the patients by giving them indoor and out-door treatment as required.

This is a minor surg cal hospital for the male patients only, consisting of 58 beds. 14 beds for convalescence of Orthopaedic patients and 4 beds are reserved for Heal, Neck surgery, for patients sent by Nair Hospita!.

During 1981-82 and 1982-83 the patients attended at Dr. Bhajekar Hospital are mentioned below :

·	1981-82	1982-83
O. P. D. patients	11998.00	10537
Indoor patients.	1494.00	656
Operations	,	553
Total Indoor patients maintained.		7370

For the period for January 1982 to December 1982 however the O. T. was closed from 16th April 1982 to 12th November 1982, as such there were no admissions of patients. (O. T. close on account of no accounts of water proofing work).

List of Research Work

.,

Doctor	Subject
Dr. D. R. Trivedi	 General Surgery :— Iatrogenic pancreatitis—it's biochemical and histopath changes, study in dogs.
	2. Gynaec. and Obst. Tubar Microsurgery for Infertility.
	Trans cervical Chemical Sterilisation in females.
	Gynecological problems in adolescence genital tuberculosis and infertility.
	3. Department of Anaesthesiology. Use of Carticaine in epidural anaesthesia.
	Endi-expiratory CO2 levels in anaesthesia.
	Etomidate in Cardiac Surgery.
	Etomidate in thermocoagulation.
	Research projects in hand.
	Dorsalis pedis cannulation for arterial pressure monitoring.
	Lung volumes in Normal Indian subjects.
	Capillary blood gas analysis in Air-Ether Anaesthesia.
	Studies in Co-agulation in surgery and anaesthesia.
	4. Endocrinology Department. Clinical studies in growth retardation.
	Studies in cases on intersex.
	Studies in cases of thyroid disturbances.
	Stimulation tests in cases of adrenal disorders.
	Experimental studies in Reproductive biology.
	Effect of pharmacologic agents on pulse amplitude of LHRH.
	Comparison of L-Dopa, Ex-L-Dopa and insulin hypoglycemia stimulation tests for diagnosis of growth hormone deficiency.
	Response to Bromocryptine in hyperprolactinaemia and pituitary Adenoma.
	Evaluation of gonadotropin response to the estrogen feedback in abnormal sexual behaviour, genetic disorders and CAH.
	Evaluation of Antiandrogen therapy in Hirsuitism. Evaluation of Antisperm AB in vasectomised males and infertile couples.
	Purification and development of HCG-LH receptor from rate test and bovine corporatutea for development of HCG receptor assay
	Sex chromatin and karyotyping studies in genetic disorders.
	5. Department of Gastroenterology. Serum Gastrin levels with and without intragastric infusion, to Red Chilli Powder.
	Clinical study of patients with Acute upper G.I. Bleeding,
	Clinical study of patients with Traumatie proctitis.
	Histological study of Ocsophagus, Stomach in patients with symptomatic clinical Tobacco Gastritis.
	6. Plastic Sergery. Pharyangcal reconstruction.

ر

APPENDIX VI.—(Contd.)

Doctor.	Subject.
<u></u>	7. Department of Preventive and Social Medicine.
Dr. Saroj S. Jha ·	Health education through game.
Dr. Saroj S. Jha Mrs. Asha Krishnamurthy	Burns Mortality in Bombay city.
Dr. Saroj S. Jha Dr. Parimala Subramanian	Sex and Family life education for youth
Dr. Radha Aras Dr. Vijaya Naik ,	Impact of Health programme on pregnant women
Dr. Daksha Pandit Dr. Saroj S. Jha	Study of knowledge, attitude and practices of Traditional Birt Attendants in an urban slum community.
Dr. Radha Aras Mr. S. S. A. Rashid	Epidemiological study of some of the characteristics of medic problems in hospitalised elderly.
Dr. Vijaya Naik Dr. Radha Aras	Field Testing the Weight for Height Chart Technique for the assessment of Children's nutrition.
Dr. Parimala Subramanian Dr. Arun Goel	Human Sexuality.
Dr. Parimala Subramanian .'. Dr. Vijaya Naik Dr. Sunita Shanbhag Mr. Rashid	Population survey at Shahajinagar, Cheeta Camp and Deonar.
Dr. Sunita Shanbhag Dr. Saroj S. Jha	A survey of health and social status of elderly women in a Bomba slum.
Dr. Chawla	Epidemiological study of deafness in children of deaf school.
Dr. Vijaya A. Naik Dr. Parimala Subramanian	Tuberculosis in Deonar slums.
•	Skin and V.D.
	Gonococcal Culture and Antibiotic Sensitivity.
· •	Fungal Cultures.
	Clinico-cultural studies in urethrites in females.
	Clobutasol propionate and Triamcinolone acetate—a double blin study.
	Clinical study of a new antifungal agent—Keteconazole in superficia fungal infection.
	9. Department of Psychiatry.
	Follow up of chronic Schizophrenic patients.
	Longitudinal study of alcohol dependent females.
	Prospective study of problem children in Municipal Schools.
	Patient attitude and experiences towards ECT.
	Psychosis and temporal lobe epilepsy case reporting.
	Analysis of 'Attempted Suicide' cases.
	Study of hyperactive children from school mental health clinic.
	Psychiatric illness in the first year of marriage.
	Parents attitude towards their mentally retarded children.
	Project on sterility has been completed and research on 'Psychoso-

	206
Doctor.	Subject.
	10. Physiotherapy Department.
	Ultraviolet therapy on psoriasis and vitiligo.
	Electromyography and Nerve conduction, studies in Neurological Conditions.
	11. Department of Microbiology.
	Microbial flora of Dental plaque in pan chewers and smokers—work still in progress.
	Antibiotic sensitivity tests of M. tuberculosis study completed in 1982.
	A study of Mycobacteria isolated from cervical lymphnodes study being carried out.
	12. Department of Biochemistry.
	Biochemical profile in anaesthesia during surgery. **
	Biochemical studies in Rheumatoid arthritis.
	Biochemical aspects in contraception.
	Biochemical studies in mental disorders.
	Human Chorionic Gonadotropin/Lutenising hormone receptors— Extraction and application.
	Immunological aspects of Andrology.
	13. Department of Anatomy.
• •	Special Exfoliative cytology including the use of Tetra Cyclin Fluoresence for exclusion of malignancy.
	Developing a hystological stain from a plant extracts.
	Use of Calcium hydroxide as a stimulator for the bone formation.

٠

APPENDIX No. 9

List of Publication and Papers read.

,

Doctor.	Subject	Particulars where published.
	1. General Surgery,	
Dr. D. R. Trivedi	Endoscopic retrograde cholangic pancreaticography in view of 70 cases.	
	Splenectomy in various haematologi- cal disorders.	At A.S.I, in December 1982.
	Acute Haemodilution in routinely planned surgery.	At A.S.I. in December 1982.
	Percutaneous transhepatic cholangio- graphy.	At A.S.I. in December 1982.
	Obstructive Jaundice.	At A.S.I. in December 1982.
	Selective shunting in portalhyper- tensia.	At A.S.I, in December 1982.
• • • • • •	2. Obst. an' Gynaec.	
Dr. C. M. Alwani	Hysteroscopy	At World Conference Obst. ar
		Gynaecology held in San Francisc in October 1982.
	Cervilator	Coauthor in paper presented a World Conference Obst. and Gynaec. held in San Francisco i October 1982.
	Unmarried mother 🕳 🛥	6th World Conference of Sexolog to be held in Washington in Ma 1983.
	Adolescent Premarital Heterosexual Attitudes.	6th World Conference of Sexolog to be held in Washington in Ma 1983.

THE NAIR HOSPITAL DENTAL COLLEGE

.. Rs. 6,81,194.74

Patients Treated :

High Lights-

(i) Out Patients : 1,34,008

(i) Income :

Students Section : University Examination Results.

(ii) Daily average 436.

(ii) Expenditure Rs. 49,36,297.

The College conducts 4 years course in Dentistry leading to the Degree of Bachelor of Dental Surgery as also Post Graduate course in 9 Dental subjects leading to the Degree of Master of Dental Surgery of the University of Bombay.

Educational Activities and Seminars :

During the year five eminent specialists from abroad visited the college and delivered lectures for the students and the staff of this college. Dr. Virendra B. Dhuru, Marquette University School of dentistry U. S. A. gave a talk on "Recent development in dental restorative materials and their applications. Prof. Bajramian Robert, Head of the Deptt. of Community Dentistry, School of Dentistry, University of Michigan, U. S. A.; Dr. Noshir R. Mehta, D. M. D., M. S. Director of Cranio-Mandibular Dys function. Clinic and assistant Prof. Deptt. of Periodontics Tufts University, School of Dental Medicine, Boston U. S. A.; Dr. C. J. Burstone, University of connecticut, Health Centre. Farmington, connecticut U. S. A.; Dr. George Stewart, D.D.S., Prof. of Endodontics, Pennsylvania School of Dentistry, U.S.A.; delivered lectures.

These specialists also had exchange of thoughts and discussions on various problems of teaching and reasearch with the staff members of this college. Discussions were very valuable and revealing to all.

Hostel:

Nair Hospital Dental College Hostel for boys and for girls nas been started from 1st July 1976 and from 28th Nov. 1977 respectively.

Library :

During the year 420 books have been added to the collection totalling to 6702 books and 1620 bound periodical volumes. Currently the library subscribes to 70 'journals and in addition complimentary periodicals and some college magazines were received. Total No. of dissertations are 217. The Library also has a special collection of National Technical Information services Reports from U. S. A. and I. S. I. specifications on dental items in addition the Library also provides on index to world dental literature.

Special Equipments.

The College has 200 Dental chairs 166 Dental Units, 120 Bench type engines, operation theatre. latest dental drilling equipments including Airotors and Air motors. Cavitron Dental prophylaxis units, CS-cryosurgical system unit and slide talk sound system.

There are 6 X-ray units which includes ergophos-4E, 200 M. A. X-ray unit, with tomographic of screening facilities. Cyphalostate X-ray unit, Heliodant 60 and G. E. C. unit for Intra-oral X-ray and Super practic (Philips) Mobile X-ray unit, status X-ray Unit have been added to facilitate panoramic radiography. A Mobile Dental Van for rendering dental treatment in the areas where treatment facilities are not available to the citizens all over Greater Bombay has also been started during the year under report :--

The college has a ward of 16 beds (Male 8 and Female 8) specially for dental in-patients. The number of patients admitted during the year 1982-83 was male patients 3247 Female patients 1842 children 493 *l. e.* in all 5582 patients were treated in the ward

The Staff engaged for the services in College is 449, para Dental 21, Non-Medical-268, Dental 147 and Medical-13.

Resume of Work done in the College i

The total number of dental out-patients treated in different dental clinics was 1,34,008 including School Children from the Municipal Schools in the morning as well as in the evening clinics which include males, 62,792 females 44,385 and children. 26,831 In addition to the above patients, 3861 patients were treated with the Community mobile dental Service. The details of work carried out in different departments are given in the appendices 'A' to 'L' attached herewith.

During the year a revenue of Rs. 6,81,194.74 was collected by way of fees from the students and charges from the patients etc., The total expenditure incurred is Rs.49,36,297.00 as against Rs. 48,62,422.34 during the preceeding year.

Poor Box Collection was Rs. 6,078.40.

During the year 146 dental camps were arranged by the Institutions.

DR. S. T. TALIM, B.D.S., M.D.S. Dean, Nair Hospital Dental College.

Scholarship, Medal awarded by the University of Bombay to the Students of this College for different academie achievements.

Medal/Prize

(1) Dr. K.K. Mistry Gold Medal awarded to Dr. S.S. Solanki for securing highest No. of marks in the subject to Orthodontia at Final B.D.S. Examination at University level held in April 1982,

(2) Mrs. Indumati Jhaveri Scholarship and the Rustomji Bejonji Vachha memorial scholarship awarded to Dr. C.A. Kelkar of this College for obtaining highest number of marks at the University level held in April 1982.

Best student award delivered by Medical Welfare Trust :---

One for Male and one for Female.

Male Prize awarded to-

(1) Dr. Atul Tuli.

Female prize awarded to :--

(1) Dr. (Miss) Freny J. Dadrewala.

G. T. B. Hospitals

T. B. CONTROL PROGRAMME

HIGH-LIGHTS OF THE YEAR 1982-83.

I The services aim at the following:

- 1. To ensure proper control and effective working of the Anti-T. B. activities conducted by various agencies in Greater Bombay to bring this disease under reasonable control.
- 2. To give concentrated attention to the management and implementation of the measures to be adopted in the control of the disease.
- 3. To o-ordinate and manage the whole T. B. programme.
- 4. To remove short-falls which are in existence in the control programme.
- 5. Research work.

Achievements :

Six Up-graded General Dispensaries which were adopted as Area Tuberculosis Centres have been replaced by full fledged T. B. Clinics at Suburban General Hospital. Four Area Tuberculosis Centres have been added to the present strength of 16 Area Tuberculosis Centres raising the total to 27 Area Tuberculosis Centres in Greater Bombay.

Every Area Tuberculosis Centre is staffed by Medical Officer, Health Visitor and 2 to 3 T. B.-Every Area Tuberculosis Centre is staticd by Medical Officer, Health Visitor and 2 to 3 T. B.-Investigators (Treatment Organizers) and some members of lower staff. Out of 27 Arda Tubercu-losis Centres, 15 have M. M. R. X-ray equipment and Pathology Department and the remaining are having X-ray and/or Screening Machines and Laboratories. All these Centres serve as diagnostice cum-treatment centres. The Peripheral Centres which are Municipal General Dispensaries, serv. as Treatment Centres only. The Medical Record Department of the hospital and T. B. clinics and Central Statistical Section for field services is located/at the Group of T B. Hospitals, Sewri, respectively for collection of data. As provided under the National Tuberculosis Programme, Central Control Agency is also

formed under the Chairmanship of the Municipal Commissioner.

Greter Bombay.

(2) Maharashtra Government's B. C. G. Team No. 1 and Organised Home Treatment Clinic, Sewri, carry out-B.C.G. work in private Schools. In addition, O. H. T. Clinic is also conducting B. C. G. in slums during their shibirs.

(3) Central Training Centre of the Municipal Corporation has been established at the Bhabha Hospital, Karla for imparting training in B. C. G. Technique to the staff involved in City Tuberen-losis Programme. This Centre is conducted by Non-medical Team Leader (B. C. G.) trained at the National Juberculosis Institute, Bangalore. In all 1,78,595 B. C. G. Vaccinations were given during the year,

Work done by the Municipal Corporation of Greater Bombay in T.B. Control Campaign 1982.
 The statistical data of the work done with the active assistance from various services like E.S.I.S.,
 State Government T.B. Centres, B.P.T. Centres and the Private Centres are as follows :.

Seth A. J. B. Municipal E. N. T. Hospital.

The Municipal Ear, Nose & Throat Hospital which was started in December 1962 at Improve-ment Trust Building has been renamed as Seth Atmasingh Bankebihari Municipal E. N. T. Hospital.

The Scheduled bed strength of the hospital is 100. But as the hospital building is under repairs since 13-5-1982, only 50 to 30 beds out of 100 were commissioned for patients admitted in the hospital during the year. 4474 operations were performed on In-patients. In Patholog. Department totally 44,354 investigations were performed.

(a) Clinical Pathology	·			42,351
(b) Bio-Chemistry				928
(c) Histo-pathology	1	•	••	1,075

An Audiology Room for full comprehensive hearing tests of handicaped individuals with services of speech therapist are also available in this hospital. In audiology speech therapy Department 5834 audiograms including 1027, post-operative audiograms were recorded. 358 Speech therapy cases were treated.

An amount of Rs. 14,206.51 was collected through the poor Boxes during the year. Tracheo-stomy tubs, blood Transfusion and tlfion piston were provided to the poor and deserving patients at part full cost through Poor Box Fund.

Yoga Research studies have been undertaken in the areas of stammering and allerigic rhinitis and E. N. T. problems. The preliminary results of the yogic treatment are encouraging. Besides diabetic patients have also been attending for Yogic treatment. The Hon. Yoga therapist, Shri A. T. Mulla, was invited to present his paper, How yoga works in Diabetes"" at the 11th I. D. P. Congress" at Nairobi (Kenya) in November 1982.

A Diabetes Detection Drive was also organised by Yoga Therapy Centre, Birla Krida Kendra oniSunday 6th March 1983 under the Supervision of Dr. M. M. Vaidya and Mr. A. T. Mulla.

266 ·

Dr. J. T. Shah Hon. E. N. T. Surgeon and Shri A, T. Mulla presented a paper on "Yoga and Some of the E. N. T. problems" at the E. N, T. conference, Trivendrum in January 1983. No. of posts

BLOOD BANK RÉPORT

This year all attempts were made to increase the percentage of replacement of Blood collection and maintained the balance between collection and the utilization of the blood satisfactorily New set up of rules and regulations were introduced by the Federation of Blood Bank, which were adopted by this blood bank being a member.

Drives from Kurla to Ambarnath were arranged by different organisers with the new policy. adopted by the Federation. It was very difficult to collect Blood from Voluntory Blood Donors Organisers are still organising Blood Donation camps but the response from the Voluntary Blood Donors is poor. Special efforts had to be made to meet the demands by persuading relatives and friends to replace the blood.

The Lions club of Ghatkopar and the Somayya College of Commerce, Arts and Science arranged Blood Donation Camps and in the time of emergency in our hospital they have sent their voluntary Donors to our Blood Bank.

A detailed report of the Blood collection and utilisation of Blood is as under -

9 cases Medicine supplied 351 pts.

- Orthopaedic appliances i.e. Crutches, calipens L. S. Belt, Toilor Brace, Abdominal belt etc. supplied to 111 patients. Spectacles have been provided by Narayan Seva Mandal to poor (4) patients.
 - (5) Implants (Orthopaedic) like S. P. Pining, Screw nailing, Tibia Nailing provided on deposit basis and on part payment to the Orthopaedic patients. 60% recovery is met from the patients as per their social economic condition and per capita income, rest of the amount is sanctioned from Poor Box Fund. Implants provided on concessional rates to 29 patients.

In deserving cases of Poor-socio economic group the appliances were given free of charge or with help from social institutions viz.

- (1) Narayan Seva Mandal.
- Abhyabhilasha Mandal.
- (3) Lions club of Ghatkopar.

6. No of Institution visited during the year-3

(i) All India Institution of Physical Medicine & Rehabilition, Haji Ali.

- (ii) K. E. M. Hospital, Parel
- (iii) Sarvodaya Hnspital, Ghatkopar.

Attended problems of 39 discharged patients having no relativzs Two patients were sent to (7) native place (i.e.) U.P. & M.P. by paying their railway fare.

Handled N.S.S. Project-Somayya college, Vidyavihar, S. P. N. Joshi College for womens, Ghatkopar.

DIET DEPARTMENT

A dictician was appointed on 1-3-1982. She has improved the food distribution and given dicticitic advice to 378 patients. She informs the Medical Superintendent regarding charges and improvements and reports regularly. She has undertaken training of dictitic students too. She given nutrition rehabilitation lectures to the mothers in the paediatric ward.

SPECIAL CLINICS

Diabetic Clinic is conducted by Dr. (Smt.) S. A. Talwalk r (Hon. Physi.) on her O.P.D. days *i.e.* on Tuesday and Friday.

Gastroenternlogy Clinic is conducted by Dr. H. G. Dalvi (Hon. Physi.) on his O.P. D. days *i.e.* on Tuesday and Friday.

Paediatric Surgery clinic is conducted by Dr. V. S. Waigankar, Hon. Assistant Surgeon on his O.P.D. days *i.e.* on Wednesday and Friday.

SARVODAY HOSPITAL

Hundered beds have been reserved of Sarvodaya Hospital, Ghatkopar, for treating convalescent Orthopaedic Patient's from Suburban Municipal Hospitals in the Eastern and Western Suburbs. -

A course in internal fixation was conducted by Dr. S. D. Mehta wherein participants from all over India were represented. The hospital continued to impart training to interns and few undergraduates from T. N. M. College.

High lights during the year under report (Comparison between 1981-1982).

No of inpatients has decreased from 33,366 to 29,332.

Daily average of inpatients has decreased from 496 to 496. Total indoor attendance has decreased from 181212 to 165479. The O.P.D. attendance (New) including Casualty is decreased from 2,16,956 to 167813. The daily O.P.D. avaerage of new patients is decreased from 516 to 351. The no of operations has decreased from 1,51,34 to 11684, The total expenditure has increased from 1,79,66,870 to 1,88,59,83.

The staff of this hospital is as below :

Medical — 101 Administrative 70

Nursing --- 204 Labour .. 54!

Paramedical and others-94

POOR BOX FUND COLLECTION

Donations received— Rs. 702.00 Amount collected from the boxes— Rs. 6,112.90 Amount spent on medicines for patients— Rs. 9,961.58

The following equipment purchase during the year 1982.

Name of the equipment	Name of the company	Amount.
Olympus Duodeno Fibers cope.	Messrs. Olympus Optical Co. Ltd. Japan.	Rs. 68,658,55

FUTURE DEVELOPMENT

The work of Construction of Coroner's Court at this hospital cannot be taken up in hand as the plot is encumbered with hutments. Similarly the proposal to start nurses training school also cannot be proceeded with unless student nurses quarter's class room and family quarters for the staff are constructed. The plot for this is also encumbered by hutment dwellers.

DEFICIENCIES AND SHORT COMINGS

The existing O.P.D.'s are still not well situated and results in overcrowding. This is some what controlled by segregating Gynaec. and Obst. O.P.D.s temporarily since 1978. Many of these ground floor structures are deficient in ventilation, leak heavily in monsoon and become hot and stufy in hot seasons.

The Medical Records Department is hampered for want of adequate place for its smoth function. A proposal to house it in a shed to be constructed on the terrace of the old hospitals building as a temporary measure, has been turned down by the architect as the building is old. Efforts are still being made to erect a shed on the terrace with support of wall and atleast use it as a record room for medical record department which also is required to be given on urgent basis.

There is a dearth of qualified and full trained nurses and anaesthetists at this hospital. The R. M. Os quarters need to be expanded to accommodate more doctors for its expanding activities.

1982 was the year of financial stringency no new work or project was undertaken and the stress was on maintaining the services to the optimum.

T. B. Clinic :

Due to shortage of accommodation T. B. Cases were treated in this hospital in general O. P. D. in the Medical Unit. The patients who were diagnoised were referred to the nearby Municipal dispensaries for the further treatment. However, S. M. Injections were given in this Hospital to those patients who were residing in the vicinity of this Hospital.

Total No. of patients treated during the year-22,201.

Ambulance facilities :

One ambulance van attached to this Hospital for round the clock services. The van was made available to the general patients at the scheduled rates.

Hearse facilities ; One hearse was provided to work in two shifts for removal of dead bodies from this hospital the same is made available for general publics at the Scheduled rates.

Mobile dispensaries :

Two mobile dispensaries vans are attached to this hospital to cater the needs of the people residing in the slums where no medical facilities are available.

Future Projects and Development of the Hospital.

The hor ital is proposed to ibe expanded in two phases, so as to increase bed-strenxth up to 500 beds. The construction of 1st phase is started during the year under reference. The building is likely to be completed in all respectibly Dec. 1984. On completion of 1st phase bedstrength will be increased up to 350 beds.

The plans and estimates of 2nd phase are under preparation.

Dr. (Smt), P. S. PARALKAR,

Classification of patients according to Sex

Dr. (Smt.) P. S. PARALKAR, Medical Superintendent, K, B. Bhabha Hospital, Bandra.

285

Dr. R. N. COOPER MUNICIPAL, GENERAL, HOSPITAL (JUHU).

In the year 1982-83, Dr. R. N. Cooper Municipal General Hospital, Juhu has completed 12 years of services, rendering Medical relief to the ailing persons in the western Suburbs of Bombay.

Medical Superintendent

Dr. (Smt.) Kusum Shah, M. D., D. G. O., appointed as Medical Superintendent.

Assistant Medical Officer (Administration)

Dr. (Smt.) S. K. Parshad, M. B. B. S., D. G. O. was appointed as Assistant Medical Officer (Administration) by Maharashtra Public Service Commission and continued to hold the post through out the year under report.

Assistant Medical Officer

Dr. (Smt.) H. A. Mangat, M. D. D. C. H., Assistant Medical Officer appointed continued to hold the said post through out the year under report.

Honorary Staff

Medical Department.

- (1) Dr. J. C. Doshi, M. D. was appointed and promoted as Associate Honorary M. D. He is nowholding the post of Honorary.
- (2) Dr. A. K. Joshi, M. D. Assistant Honorary.
- (3) Dr. R. D. Darne M. D. (Bom.) M. R. C. P. (U. K.), F. C. C. P (U. S. A.)
- He is now holding the post Honrrary Physicion (Cardiology)
- (4) Dr. R. N. Shetty, M. D. Assistant Honorary.
- (5) Dr. J. S. Barve, M. D. Assistant Honorary.

Surgical Department

- (1) Dr. D. K. Dastur, M. S. (Bom.) Honorary Surgeon.
- (2) Dr. S. R. Padhye, M. s. assistant honorary Surgeon.
- (3) Dr. S. V. Shetty, M. A., M. S. M. S. Aesistant Honorary.
- (4) Dr. A. C. Pinto M. S. Honorary Assistant.
- (5) Dr. Hindlekar, M. S. Honorary Assistant.

Obst. and Gynaecology Department

- (1) Dr. Sharad H. Shah, M. D. (Bom.) D. G. O., D. F. P., F. C. P. S. Honorary.
- (2) Dr. (Smt.) K. S. Shah, M. D. D. G. O. working in Unit I
- (3) Dr. S. S. Palnitkar, M. D. (Bom.) D. G. O. F. C. P. S. M. R. C. O. G. (Lond.) Honorary.
- (4) Dr. A. G. Kale, M. D. (Bom.) D. F. P. F. C. P. S. Assistant Honorary.
- (5) Dr. S. D. Chaubal, M. D. D. G.O.D.F.P. was appointed Assistant honorary and promoted as Honorary.
- (6) Dr. S. J. Penkar, M. D. D. G. O. D. F. P. assistant honorary.

Paediatric Department

- (1) Dr. G. S. Hathi, M. D. (Paed.) D. C. H. Honorary.
- (2) Dr. (Smt.) S. Y. Joshi, M. D. C. H. Assistant Honorary.
- (3) Dr. P. N. Patnekar, M. D. (Paed.) D. C. H. Honorary.
- (4) Dr. V. S. Kulkarni, M. D. D. C. H. Assistant Honorary.

Orthopaedic Department

- (1) Dr. R. N. Katre, M. S. (Ortho.) appointed as Honorary Assistant Surgeon.
- (2) Dr. R. H. Pathak, M. s. Assistant Honorary.
- (3) Dr. A. J. Thakur, M. S. (Ortho.) F. C. P. S. (Ortho) Honorary Assistant Surgeon (Ortho.).

Ear, Nose, Throat Department.

- (1) Dr. M. V. Ingle, M. s. (Gy. Surgeon) M. s. (E. N. T.) appointed from 1-6-72 and deputed to K. E. M. Hospital.
- (2) Dr. S. P. Wagh, (M. S.) D. C. R. L. (E. N. T.) Honorary Assistant Surgeon.
- (3) Dr. S. S. Joshi, M. S. D. O. R. L. as Assistant Honorary.
- ...

(1) Dr. L. M. Pancholia, M. D. (Radiology), D. M. R. E.

Pathology Department

- (1) Dr. (Smt) A. S. Mehta, M. D. (Patho.) Honorary Assistant Pathologist. At present holding the post of Honorary Pathologist.
- (2) Dr. S. A. Nimkar, M. D. D. D. P. B. Assistant Honorary.

Anaesthesis Department

(1) Dr. U. V. Desai, M. D. (Bom.)

Skin and V. D. Department

(1) Dr. D. P. Deshpande, M. D. D. V. D. appointed Honorary Assistant and promoted as Honosary.

Psychiatric Department

(1) Dr. V. N. Vahia, M. D. D. P. M. Honorary Assistant.

Opthalmic Department

- (1) Dr. V. H. Gandhi, D. O. M. S. M. S. D. O. (London) F. R. C. S. was appointed as Honorary Assistant Surgeon (Opth.) Now holding the post of Honorary.
- (2) Dr. M. V. Patel, M. S. D. O. M. S. F. C. P. S. now holdin, the post of Honorary.

Dental Department

- Dr. A. B. Shroff, B. D. S. Honorary Assistant. Dr. V. C. Shroff, B. D. S. Honorary Assistant. Dr. B. S. Shroff, M. D. S. Honorary Assistant.
- Dr. B. N. Wadgama, B. B. S. Honorary Assistant.

Special Clinics

T. B. Clinic Department

(1) Dr. D. T. Jadhav, M. D. Assistant Honorary.

Neurosurgery Department

Neurosurgery O. P. D. is conducted with the help of Neuro-Surgery Department of (1)K. E. M. Hospital on every Wednesday.

Neonatalogy Clinic

Neonatalogy Clinic is started from 1-8-78 and conducted by Dr. Hathi, Dr. Patnekar, (1) Assistant Honorary (Paed.).

Nutrition Clinic

(1) Nutrition Clinic is attached to Paediatric O. P. D. and has on every Friday from 9-00 a. m. to 4-00 p. m. started functioning from February 1972.

Hansen's Clinic

Hansen's Clinic is managed by Acworth Leprosy Hospital, Wadala on every Friday from (1) 9-00 a. m. to 4-00 p. m.

Diabetic Clinic

Diabetic Clinic is conducted by Dr. J. C. Doshi, on every Thursday from 8-00 a. m. (1) to 10-00 a.m.

School Clinic

School Clinic Department started functioning from July 1973. Dr. Surekha, Honorary (1) Assistant is appointed from 12-11-80.

Impression : The calender year 1982 was a year or stab lisation for the department. A policy to shift from ECTs to group approach and individual psychotherapies was implemented. Social rehabilitation and attempt at resolution of psychosocial factors in the genesis of emotional disturbances was one of the salient features this year. The effect of this change in therapeutic strategy of the department is evicent in drop in No. of ECT sessions conducted during the year (1300 in year 1982 as opposed to 1499 in year 1981). Considering a better rapport established between the staff and the patients, more patients could be treated with modified insulin therapy (1228 in year 1982 as compared to i983 in the year 1981).

The Psychologist and the Social Worker were able to jointly set up a schedule for family therapies. Total No. of families trated this way increased to 83 as compared to 22 families last year. Incidentally each family takes away about 2 hours per session. 204 such sessions were conducted this year as opposed to 66 similar sessions last year. 128 sessions of marital counselling were conducted this year as opposed to 36 sessions last year. 184 patients were taken up for individual supportive psychotherapy (as compared to 140 patients last year). 81 pts. were included in Group Therapies which are being conducted regularly last year. The No. of patients tkaen up for social case work have been jumped to 630 as opposed to 315 last year and No. of social case work sessions have increased to 1700 as opposed to 1049 last year. 445 Play Tharapy session were conducted for 200 patients this year as compared to 348 sessoins for 111 pts.

Thus, it is observed that the department has made a definite progress in the proposed direction. Non-availability of the Tutor was hindereance to out group therapy programme. Financial stringency lead to inon-availability of several drugs in the horpital. The department could partically overcome the hazzard with the help of donations and pooling of drug samples.

We are now looking forward to commissioning of the EEG laboratory and the appointment of Tutor. If the staff pattern is maintained as per the sanctioned schedule, we should be able to continue to maintain the orientation towards psychological and psychosocial therapeutic proe sedures rather than to back to physical therapies like ECT.

As regards teaching activities, 4 canditate passed their diploma and degree exams. A majo research project on use of propranolol in Schizophrenia is being planned this year. Two papers on Tardive dyshinesia (a joint research project with K.E.M. H. and NIMH, Washinton) are submitted for publication this year.

DEPARTMENT OF ORTHOPAEDICS

Orthopaedic department consists of two Assistant Honorary, two registrars and two house officers. Following was the work done in this deartment during the year under report. In view

of the heavy O. P. D. and the indoor work to dispose the patients efficiently, the record section and O. P. D. patients require with two clerical staff and one steno to manage the same.

Out door attendance			••	• ••	••	9631
Indoor admissions	• •	••	••	· ••	· • •	2504
No. of operations	••	••			• ••	387

The department is well equipped to cope with the large no. of traumatic cases brought to the hospital. This is the only public hospital in the western suburbs having in Orthopaedic department. It is necessary to have a seperate ward for female and paediatric orthopaedic patiets and operation theatre and plaster room with attached dark room for quick development of X-Ray films.

EAR, NOSE AND THROAT DEPARTMENT

Ear, nose and throat department was started from June 1972. All the routine and emergency ear, nose and throat surgical procedure with constructive ear surgery and stapedectomy are now undertaken for which necessary operating microscope is available.

There are three O. P. D.s and two operations sessions each week. All the routine investigations like caloritic test and audiowetry are carried out in the O. P. D. The following is the account of work done in the department during the year under report.

NURSINS SCHOOL :

There are 39 student Nurses in the Nursing School. In March 1782 a new batch of 20 students was taken for general Nursingiin the school In March 1982-22 students passed in general Nursing Course. In sept, 1982-11 students passed in general Nursing Course. It was about 100% result. TNA Bombay city Branch every year celebrates nurses week from 6th May to 12th May. This year our hospital nurses participated in the inaugaration programme of nurses week. Many hospital Nurses have attended the programme.

Smt. Rozy George is attending post-graduate nursing post, that is B.sc., Nursing at the Institute of Nursing education at J.J. Hospital, Bombay and is on study levare for two years. Smt. A.D. Dhuru is attending post graduate Diploma course at R.A.K. Coollege Nursing Delhi from July 1782. Smt. Joshi, sister Tutor has attended Refresher Course at Tata Cancer Institute (Cancer Nursing), or anised by S.N.D.T. Nursing College, Bombay.

Training of Medical students of G. S. Medical college ;

Medical students training started from July 1979 at Dr. R. N. Cooper Hospital. The following departments of this hospital have been recognized by the University for the purpose of undergraduate Teaching-Medicine, Surgery, Gynaec and Obst., Paed., and ortho. The students of G. S. Medical college are attending the hospital from April 1979 onwards. The following members of the staff have been recognised by the University as post graduate teachers. Dr. J. C. Doshi, Dr. R. D. Darne, Dr. Dastur, Dr. S. H. Shah and Dr. R. N. Katre. For sports, cricket tournament was conducted by Hoechst.

Expenditure out of poor box charity fund :

Besides the expenditure incurred from Municipal Funds as sum of Rs. 34,738 was s'pent out of the poor Box Charity Fund in the year of 1982-83. as against Rs. 11,084.65 the previous year. The amount was mostly spent on costly Drugs, Blood, Transfusion, Provisions of crutches spectacles etc. for the poor and deserving patients of the hospital.

Expenditure out of the Hospital Budget Grant :

The total expenditure incurred on the maintenance of the hospital during the year 1982-83 including liabilities at the end of the year but exclusive of the cost on new works amount to Rs. 1,72,20,694 approximately. The expenditure was inclusive of the cost of Maintenance and treatment of in-patients, out--patients, and establishments, drugs on Medical Nursing Administrative and Labour staff as well as the cost of the staff for maintenance and repair of the buildings.

New constructions and expansions and extension work completed :

A building for (Emergency medical care centre)has been built and the I. C. C. U. & Burns wards have Been stated on grouudfloor floor and 1st floor from Nov.1982.

ANAESTHESIA DEPARTMENT

Anaesthesis department of Dr. R. N. Cooper Municipal General Hospital, Juhu has the following staff on its establishment Dr. U. V. Desai, Honorary Asstt. Anaesthetist appointed from 10-1-77.

Since date 1-9-78 Dean (K) has been deputing six registrars and six lecturers to manage the workload of the hospital.

This arrangement has been working very smoothly under the guidance of Dean (K).

SPECIAL ACKNOWLEDGEMENT.

Due to the persistent efforts and guidance of Dean (K) Dr. C. K. Deshpande, the number of posts of registrars and house officers recognised for the purpose of post-graduate studies in the various departments of Dr. R. N. Cooper Municipal General Hospital, Juhu have been increased. Eight posts were recognised in the year 1978-79. In the year 1979-80 sixty-five more posts are recognised in the following departments. The list of the same is given below :--

SHORT NOTE.

10 Department of Psychiatry

11 Department of Casualty

The late Shri Harilal Bhagwati donated a piece of land of the Municipal Corporation in the year 1962 for construction of the hospital so as to provide Medical relief facilities to the people staying in the Northern end of the city. Foundation stone was laid by late Shri Marotrao Kannamwar, the late chief Minister of Maharaashtra on 1-9-1965 and the hospital was inauguarted by Shri Morarji Desai, the then Deputy Prime Minister of India on 4-2-1968. Originally the hospital started with 50 beds with only two wards, one for females and another for males. There was a unit of two operation Thea res and laboratory for rutine Pathological examinations. In the year 1971 Paediatrics ward with 30 beds was added and the bed strength of the existing Wards was increased by 10 each making the total bed strength to 100. In the year 1975 expansion activities started at the hospital and all specialised departments such as Gynaec and Obstetrics, E. N. T. Orthopaedic Opthalmic iSkin and V. D., Radiology, Pathology, Anti Rabic-Immunizations, School Clinics, Psychiatric Dental Department, Anaesthesia, Audiology and speec' Therapy, Poor box Charity fund. Dispensary Family planing centre, Special facilities to Municipal Emplouyees, library Internship for Post Graduate, etc., were gradually raising the total bed strength to 300. The No. of operation Theatres was also increased to 7.

We have now 2 Suits of operation Theatres with in all 7 Operation Theatres. Two suits have been air-conditioned.

The Blood Bank at the hospital was in to Commission in August 1977. It is working round the Clock on receipt of donation from the Lions Club of Borivli (West). It has been named after Shri Keshavlal Jethuchand Bhonsali Lions Blood Bank on 24th June 1979.

The hospital had no casualty Department and cases of accidents etc., were, therefore, directed to Dr. R. N. Cooper Hospital. The casualty Department at the hospital was put in to commission from 22-5-1978.

Part time Dental Clinic started at this hospital trom March 1978. School clin'es start d from 3-3-1980. Psychiatric department from 8-9-1980.

The following Departments an	l services exist	at the hospital.

This hospital has the facility of supply of Liquid Petroleum Gas through Pipes to Kitchen and ward pantries for which a Gas tank with 10 metric Tonnes capacity has been installed in the compound of the hospital. The facility of centralised supply of medical gases and suction system has been installed and started functioning.

Nurses Training school is started for 60, student nurses at this hospital in the 1981 and necessary construction have been completed for classroom, laboratries with built in Furniture facilities. The traines Nurses are accomodated in the Nurses Home building etc.. There are Three buildings for residential Quarters with in all 40 blocks in the compound of the hospital, which accomodateate issential staff.

At present Mortury is constructed and the mortury block is expected to start soon.

DR. (SMT) S. K. SARAF Medical Superintendent, Shri H.B.M.G. Hospital, Borivali, Bombay 92.

1 What is a second second

2. REPAIR BOARD CELL:

Two A.Es. with four Sub-Engineers, (at present only three Sub-Engineers as one Post is not filled in for more than last six months), are working in this Cell under direct control of City Engineer and since 21st February 1983 under direct control of Dy. City Engineer (City).

The Repair Cell is created in the year, May 1970 for doing such work as will help the members representing the Corporation on Bombay Housing and Area Development Board to play their Roles effectively and also to collect such informations as they may need for giving effect to the provision of Bombay Municipal Corporation Act, concerning the repairs action as enunciated under Section-102 of the Maharashtra Housing and Area Development Board Act.

The road features of the work done by the Staff working in the Repairs Cell during the year, from 1st April 1982 to 31st March 1983 are as under :---

Preparing of Agenda Notes for Boards meeting.

(1) Boards Technical Committee meetings and special meetings held every month (27).

(2) Scruting of the Draft Schemes submitted by the Board for reconstruction of Buildings (25).

(3) Sites inspection of Location of the Building which were to be undertaken by the Bombay Housing and Area Development Board for Structural Repairs (140). Such inspections are necessary to determine the admissibility of Structural Repairs for such Buildings viz. if affected by Development Plan Reservation, proposed Regular Line of Roads, widening of Road Schemes, etc.

(4) Replies to interpellation, short-notice questions and notice of motion by the members of the Corporation and in the different Committee members, repies to Assembly stard Questions referred to by the State Government, etc.

(5) Comments on the proposals referred to by the Building Proposal Section, are given on the repairs to the cessed Building for considering the permission for Repairs, etc. (160).

3. SLUMS.

Since establishment of the Cell in 1969, the work of providing civic amenities in different hutment colonies has been continued under the programme of environment improvement of Slum. A grant assistance of Rs. 26,33,977.06 has been received during the year from Bombay Housing. & Area Davelopment Board by way of reimbursement of the expenditure incurred on the basic amenities provided during the year.

The colonies comprising of a population of about, 1,19,595 were provided amenitics under the Slum Improvement Programme during the year. The Corporation has provided about 90 Nos. of W. C./A. P. Seats, 94,341 Sq. mts. passages of 34,075 R. Mts. of drains and 19 Nos. of water Taps.

The Corporation in addition to the basic amenities has also provided additional amenities such as five Nos. of school, Nine Nos. of Dispensaries, Five Welfare Centres, Two Balwadies Two Police Chowhy, Two Rent Collector fchowhy and construction of Twenty Nos. of A. P. Bloch 380 seats at Cheeta Camp, Chembur 'M' Ward.

The details in respect of the colonies improved and works in progress during the year, 1982-83 are given below:

(1) No. of colonies on Municipal land.		••		107 Nos.
(2) No. of colonies on Government land.	••	. 🕶	••	3 Nos.
(3) No. of Colonies on private land	••	••		7 Nos.
			Tota	1: 117 Nos.
(A) S. I. worh of basic amenties completed		• •		57 '
S. I. worhs in progress.		,		60
(B) Worh of additional amenities completed				23
Worh in progress.				64

4. DEVELOPMENT PLAN :

The Development Plan Department has the following main functions — (1) Implementation of Development Plan sanctioned in 1267.

(2) Revision of Development Plan as required under Section 38 of the Maharashtra Regional and Town Planning Act, 1966.

(3) Acquisition of land required for providing various amenities.

(4) Implementation of Town Planning Scheme.

Specific work done during the year as under :---

(1) Implementation of Development Plan Sanction in 1967 :--

18 proposals were initiated for modifying the Development Plan reservations in the year 1982-83 out of which 5 proposals were sanctioned by the Corporation under Section 37 of the Maharashtra Regional and Town Planning Act, 1966. 4 proposals are submitted to the Government for their sanction and 9 proposals are in process. No proposal is initiated under section 50 of the aforesaid Act. In addition to this, 5 proposals for modifying the provisions under Development Control Rules for Greater Bombay were initiated out of which one proposal is submitted to Government for their sanction and 4 proposals are in process.

2 Revision of Developmedt Plan :

The work of preparing draft Revised Development Plan of the City Words is already completed and the maps have already been printed. The Corporation have accorded their sanction to publish the same as required under Section 26 (1) of the Maharashtra Regional and Town Planning Act, 1966 inviting suggestions and/or objections from the member of the public. Further action in this respect is in progress. Draft Revised Development Plans for Suburban Wards are finalised and are being discussed with the Ward Councillros. The suggestions and/or objections receive from the Word Councillors are under examination. The revised Development Plan of Suburban Word will be suitably modified wherever necessary and will be submitted to the Corporation for their approval to publish the same very shortly.

The Draft Revised Development Control Rules including Municipal Building Bye-laws is finalised for all the Corporations in the State of Maharashtra and decided to be adopted for the Revised Development Plan have also been printed and are available on sale to the members of public.

, ¹7. s

3 Aquisition Section :----

Due to the financial stringency, the Acquisition proceedings to acquire the properties for various public purposes were required-to be slowed down during the year 1982-83. It had become difficult to initiate proceedings to acquire even partly encumbered properties specially for want of suitable alternative accommodation to clear such lands. However, 3 properties have been acquired by negotiations and further 14 properties were acquired through Land Acquisition proceedings. Awards were made by the Special Land Acquisition Officer in respect of 18 properties. One property is acquired under the Land Acquisition Act (I) 1894. Work of acquiring 325 properties under Maha - rashtra Regional and Town Planning Act 1966 and Land Acquisition Act (I) 1894 and 10 propertie s by negotiation is in progress.

In addition to this, land rates in respect of acquisition of set bach lands, in all 3 cases wer fixed. The standard rent in respect of 44 Municipal properties were also fixed.

4 Town Planning Scheme :

4

There are 33 Town Planning Schemes in the whole Greater Bombay, 4 in City Proper, 25 in Suburbs and 4 in Extended Suburbs.

CITY :

(1) Town Planning Scheme Bombay City No. 1: Work is already in Progress.

(2) Town Planning Bombay City No. II (Mahim Area)—The Tribunal concluded its earing on 30th March 1982 on varied scheme and further action is being taken by the Arbitrator T. S. Bombay for this scheme.

(3) Town Planning Scheme Bombay City No. III (Mahim area) Tribunal was appointed for this scheme under variation by the Government of Maharashtra *vide* Government Notification of Urban Development Department No. TPB/4382/1496/UD-5, dated the 23rd August 1982 and Tribunal concluded its hearing on 9th March 1983. Further action by the Arbitrator T.P.S. Bombay is in progress.

(4) Town Planning Scheme Bombay City No. IV (Mahim area) This scheme is under 2nd variation and worh thereof is in Progress.

SUBURBS :

There are in all 25 Town Planning Schemes in Suburbs. Except the below mentioned schemes all other schemes are finalised and are being implemented by the concerned Ward. Officers. It may be added here that now all the schemes except the following, are under variation.

(1) T.P.S. Bandra No. III (1st variation)	••	Arbitator has forwarded the scheme to Gova- ment and its sanction is awaited.
(2) T.P.S. Santacruz No. VI (1st variation)	. ••	Do. Do.
(3) T.P.S. Ghatkopar No. III (1st variation)	· • •	Do. Do.
(4) T.P.S. Vile Parle No. v (Principal)	••	Arbitrator has declared the award on 31st March 1982. Tribunal has been appointed vide Government Notification No. TPB/
	•	4383/5361/UD-5, dated 28th April 1983.
() T.P.S. Santacruz No. V (1st variation)	••	This scheme has been finalised and sanctioned by Government. The scheme is in force from 1st February 1982.

EXTENDED SUBURB :

"There are in all 4 Town Planning Schemes in Extended Suburbs out of these 4 schemes, the 2 schemes viz. T.P.S. Malad No. 1 (1st variation) and T.P.S. Borivli No. 1 are under variation.

Position of other two Schemes is (1) T.P.S. Borivli No. 11 (1st variation)		This scheme has been submitted to Govern- ment by the Arbitrator for its final sancticn, and the same is awaited.
(2) T.P.S. Borivli No. III (Principal)	••	This scheme is before the Arbitrator for fin ilisa tion.

2. CIVIL AND ENVIRONMENTAL SANITATION AND PROJECT BRANCH :

(1) The department of the Dy. City Engineer, Air Pollution and Projects came into existence in June 1976.

(2) The following offices work under the Administrative and Technical Control of this Department :-

(a) Air Pollution Prevention and Control Cell.

(b) Central Ambulance Service and Emergency Medical Care Project including setting up-of Tele-communication Net-work for water works installations and CAS.

(c) Civil Defence.

(d) Project of supply of Natural Gas in Greater Bombay and matters connected with Muni-cipalization of Bombay Gas Company.

(e) Special Projects.

1 **र**

....

(f) Expansion. proposals of Deonar Abattoir

1. AIR POLLUTION PREVENTION AND CONTROL CELL:

As the Ambient Air Quality (AAQ) in Greater Bombay started showing deterioration, an independent Air Pollution Prevention Cell (APPC) was atedted by the Corporation in June 1976 to tachle exclusively the problem of Air Pollution and related matters. The APPC has two distinct wings :—

(a) Administration and Engineering Wing; and.

(b) Health Survey Wing, which operates from K.E.M Hospital, Parel.

The Administrative and Engineering wing is further divided into three distinct Groups :-

(a) Air Quality Monitoring Group which is entrusted with air quality surveillance, Air Pollu-tion Meteorology and determination of the pollution trends, investigation of pollution episodes, vegetation and property damage studies, etc.

(b) Emission Inventory Group, which is entrusted with the task of compilation of compre-hensive emission inventory of all polluting sources, stack monitoring, nature of pollutants, their transporation, dispersion etc. industrial location policy, shifting of industries which are obnoxious and posing danger to public health etc.; and noise pollution surveys.

(c) Enforcement Group, which is entrusted with factory administration and licensing from Air Pollution Point of view, investigations of complaints, concerning pollution, taking control measures.

3.1. The Air Pollution Analytical Laboratory has been set up at Worli since 17th January 1978 for carrying out Ambient Air Quality and stach monitoring of various "Criteria" pollutants like Sulfur dioxide, Suspended particul te matter, Oxides of Nitrogen in general and ammonia, oxidents, carbon monoxide, Hydroc rbons at certain specific places. The meteorological paramets li e wind speed, wind direction, temperature and relative humidity are also monitored. The Labo-ratory is shifted to Khar from 7th April 1782,

3.1.1. During the year under report the following activities were carried out by this wing :---

(i) Total number of stations under routine survey programme are ten. The monitoring frequency is every 6th Day. The ten sites are :-

(1) Colaba.
(2) Babula Tank.
(3) D.C. Road.
(4) Dadar.
(5) Chembur Naka.
(6) Saki Naka. 💷 .
(7) Ghathopar.
(9) Mulund.
(8) Borivli.
(10) Goregaon.
Five Air Monitoring st

(ii) Five Air Monitoring stations set up under the Health Survey Programme are continued to be operated during the year.

(iii) Air Monitoring stations sponsored by BMRDA were set up and air monitoring was carried out. They are as follows :-

ì

(1) Bharat Refineries.

(2) Sewree (Nautical Engineering College).
(3) Mankhurd (First the air monitoring was carred out at Anushakti Nagar which was discontinued due to residents' complaints and shifted to Manhhurd).

(iv) Air Monitoring Stations sponsored by RCF were set up and air monitoring was carried out. They are as follows :---

Maravali.
 Sion-Koliwada.

(v) The Pollutants monitored during the year were SO2, NOX, SPM (Suspended Particulate Matter). The SPM was further anylased for 12 different parameters like water solubles, Sulphate, Nitrate, Chloride, Volstile Matter, Heavy metals like Cadmium, Lead, Nichel, Vanadium, Arsenic, Bismuth, Chromium, Cobalt, Copper, Iron, Manganese and Carcinogenic substances like Benzo(a) Pherne.

(vi) The research projects like property damage, vegetation damage, sulphation rate were continued during the year.

(vii) The meteorological data is collected at various stations established by us, for the measurement of wind speed, direction, temperature and relative humidity. Rain fall data is collected at twenty stations. Five Stations have been set up for the measurement of ground level temp. and relative humidity.

(viii) The Laboratory has acquired and is using :---

(1) Spectrofluorometer.

(1) Spectronuoronieter.
 (2) Atomic Abscrption Spectrophotometer.
 (3) Automatic Chemistry analyser along with SP-3-100 Spectrophotometer.
 (4) Gas Chromatograph for the analytical work of air pollutants.
 (5) Anderson's size selective inlet.

(6) Anderson's dichtomous sampler.

(6) Anderson's dichtomous sampler.
(7) Anderson's size fractionator.
(8) High Volume air sampler of General metal works.
(9) Cahn balance.
(10) Dynamic calibration system of monitor Lab.
(11) Personal monitor of Cyclon prefiltexa of Du pont.
(12) Calibration unit of GMN.

(13) Cotton dust sampler of GMN.

(14) Photomicroscope.

(ix) WHO sponsored Project to assess the Human exposure to air pollutants in Bombay habeen commissioned in October 1982.

(x) The Laboratory which was housed in NEERI building at Worli is shifted to new Municipals Market Building at Khar from 7th April 1982.

(xi) The statastical informatin about the monitoring activities is given in Annexure I & II

3.2. Emission Inventory Group :

This group was set up during the year 1980-81.

The main function of the group is to prepare a Comprehensive Emission Inventory of all polluting sources. The group also deals with the proposals of shifting of Non-Conforming Industries which are obnoxious and causing danger to the public health:

Noise Pollution Problems and traffic studies in Greater Bombay are looked after by this group. All matters pertaining to air quality sectional committee and sub-committees of I.S.I. are attended by this section as a liasioning agency.

3.2.1. Equipment for Stack sampling were procured from Messrs. Anderson Samplers Incorporated of U.S.A. The pollutants like particulate matter, SO2, NOX, Aicd Mist and other gaseoas pollutants from the Stack would be collected from the Stack on site. This will help in quantifying pollutants discharged from the stack.

3.3.1. Following Equipments were also procured in t e year under report for setting up the Laboratory to analyse the samples collected from the stack :---

> (i) Spectrophotomer. (ii) Single Pan Balance. (iii) Hot Plate. (iv) De-onoizer.

(v) Gass Wares.

3.2.3. Data Collection forms the Vital Part for Comprehensive Emission Inventory. Amongst the various methods available for data collection it was decided to follow the method of "Collecting the data by sending Question aires". The industrial Sector and the mobile sources were given 'first priority for data collection.

From the data collected from varioas ward offices and the departmental files a list of industrics was prepared.

The Industries were categorised according to the connected load and 1,182 questionaires to the industries in the individual groups were sent by post. The response from the industries was recorded and further scruitinized for sending the next questionnaires calling for process details etc. so as to work out the emissions.

3.2.4. In addition to this traffic studies were carried out during the year at selected junctions and traffic counts were taken with the help of Traffic Counter.

3.2.5. Five noise Nuisance complaints received from the Enforcement Wing were also attended.

3.2.6. The information regarding 484 Non-conforming Industries whic are to be shifted was collected from all the wards and activitywise lists were prepared and were forwarded to the Government from time to time.

3.2.7. I.S.I. meetings connected with the subject concerning Air Pollution were attended from time to time. Suggestions to amend existing standards and preparation of new standards were also forwarded to I.S.I. for consideration.

3.3. Enforcement Group :

During the year under report 1002 proposals were dealt with as listed below as against 901 dealt with in the last year.

301	(i) Air Pollution complaints including Noise Vibration Odour and Smoke Nuisance	
67	(ii) No Objection Certificate issued for Steam Boilers Thermic fluid heaters oil/coke fired furnaces. Diesel Generating sets etc.	
530	(iii) Proposals concerning factory administration dealing with renewal of permits, regularisation/rejection of additional loads, etc.	

3.3.1. The Corporation has sanctioned the proposals for levying pollution abatement fees on the Industries vide C.R. No. 1646 of 17-10-1978. During the year under report the fees amounting to Rs. 54 65 170 were collected from the different industries as against Rs. 40,65,750 collected during the last year.

3.4. Health Survey Wing :

A separate Health Survey Unit has been established to study the effects of air pollution on human health, which is carrying on its work at K.E.M. Hospital.

3.5. Water Pollution Control :

3.5.1. Various Industries are discharging their industrial efflent into Municipal drains' nallas, sewers without giving any treatment. A Survey of such industries which was started in the year 1980-81 was continued in the year 1982-83.

3.5.2. So far a total of 94 industries in the City and 504 industries in the Suburbs are found to be discharging harmful industrial/domestic effluent without any treatment. As a first step a questionnaire is sent to these industries to detect the extent of pollution, to ascertain quality and quantity of trade effluent. The industries are also requested to obtain consent of M.W. (P. & C.P.) Board for the discharge of their effluent. They are also persuaded to put up treatment plant to give treatment to the effuent and bring it to the prescribed standards. Action against defaulting/adamant industries is initiated through the concerned Ward Officer. Reference is also endoresd to M.W. (P. & C.P.) Board to initiate action. Similarly in case of certain industries M.W. (P. & C.P.) Board has requested the M.C.G.B. to initiate action. In case of any complaint the sites are inspected. A technical scrutiny of proposals of waste treatment plant is also made by this Cell and suitable modifications suggested, if required. For expediting the proposals through various Departments of Corporation necessary guidance is given to the industry desirous of putting up the waste water treatment plant. About eight industries have already come forward with the proposals to construct Treatment plant through their consultants. Three other industries have already commenced the work of construction of Treatment Plants.

The normal policy of the water pollution control cell is to motivate the industries to take measures for control of water pollution and only in hard cases action is instituted.

4. Emergency Medical Care Project :

4.1. The Planning, execution and Operation of the Project was continued during the year as under :---

4.1.1. Emergency Medical Care Centress :

(i) In the E.M.C.C. at L.T.M.G. Hospital, Sion, additional facilities such as ICCU, separate, operation theatre, for Trauma Ward, piped oxygen are almost ready for commissioning.

(ii) EMCC at Dr. R.N. Cooper Hospital is commissioned on 27th October 1982 along with ICCU. This is the second EMCC, which is commissioned as per the plan of CAS.

(iii) Construction of EMCC at M.T. Agarwal Hospital, Mulund, is in progress. Fabrication and airconditioning work, oxygen piping, are to be completed. The above centre is expected to start functioning next year. (iv) Construction of EMCC at Centenary Hospital, Kandivli, is completed and O.P.D. section is inaugurated by M.C. on 25th March 1983. Since the back-up facility at this newly built hospita I is not available, EMCC will be started after the hospital starts functioning normally.

(v) Centenary Hospital at Govandi is also completed and O.P.D. Section is inaugurated on 12th December 1982. Here also EMCC is ready. However, as the back-up facility is not available, EMCC will be started after the hospital starts functioning normally.

(vi) Tenders for construction of EMCC at Rajawadi Hospital are to be invited.

4.1.2. CAS Head Ouarters at Chembur :

The block estimate and plans prepared by Messrs. Premnath and Assoicates, are ready with Dy. C.E. (P. & D.). However the plot on which this head quarters is to be constructed is under litigation and encroached upon by illegal occupiers. Sr. W.O. M. Ward and Law Officer have been been the restructed to the restructure to the restructure of the restructur requested to take necessary steps to acquire this plot so that construction can be started.

4.1.3. Ambulance Garages and Satelite Centres :

Maternity Home, Tagore Nagar, Vikhroli.
 Bhandup Maternity Home.
 Maternity Home, Mulund (East).
 Bhabha Hospital, Bandra (West).
 Maternity Home, Kherwadi, Bandra (East).
 Haji Bapu Road Maternity Home and General Hospital, Malad (East).
 G.T.B. Hospital, Sewree.
 Mahim Maternity Home

(8) Mahim Maternity Home.

(B) For following garages work orders have been issued and the work will be started soon :---

۷.,

(1) Rawli Maternity Home.

• • •

(2) Maternity Home, Chunabhatti.

(3) Maternity Home and General Hospital at Barve Nagar, Ghathopar (West).

(C) Tenders for CAS Garage at Maternity Home at Chembur Naka have been invited and the same is before Standing Committee.

(D) For the following garages plans and estimates are being prepared by Dy. C.E. (P & D)'s Department. These after tenders will be invited. It is expected that these garages will be ready in the next financial year.

(1) GAS Garage at Maternity Home at Malad Marve Road, Malad (West).

(2) GAS Garage at I.B. Patel School Compound, Goregaon (W).

4.1.4. Central Ambulance Service Ambulance Section :

(1) Fabrication of body building on 3 'A' type Ambulances is completed and all the Ambu lances in 'A' type are registered with RTO.

(2) Installation of oxygen piping in 3 'A' type Ambulances is completed.

(3) Installation of Oxygen piping 8 Nos. of 'B' type Ambulances is completed by Messrs. Indian Oxygen Ltd.

(4) One 'A 'type and one 'B' type Ambulance is attached to the EMCC at Dr. R.N. Cooper Hospital from 27th Octomber 1982. One 'B' type Ambulance is also given to A.T.C.I. and W.I.A.A., which is stationed at Churchgate for picking up accident cases, etc. on trial basis. It is also decided to allot all the available Ambulances to EMCC's at Rajawadi Hospital, Nair Hospital, L.T.M.G. Hospital, Sion and Dr. Cooper Hospital

(5) Garage for repairs and maintenance of Ambulances have been established in the premises of Sion Hospital. The space here is very limited. All the facilities cannot be provided in this garage. However, this garage is being equipped with minimum facilities which can be accommodated in the available space.

4.1.5. Telecommunication Net Work:

(1) Existing 26 wireless sets including 22 static stations of Water Supply Department and that of CAS maintained satisfactorily during the year under report.

(2) Wireless operating licences for 9 additional wireless stations 6 for Phase-II and 3 for Phase-I have been approved by the Wireless Advisor Government of India for W.S. Department and licences are being obtained.

(3) Because of the increasing demand for additional wireless sets from W.S. Department the whole net work of W.S. Department is being re-planned to meet all time needs of W.S. Depart-ment Nearly 60 stations are to be added to the existing net work. The block estimate for the same is ready and will be submitted to W.S. Department.

(4) Wireless Maintenance workshop : A well equipped electronic workshop is established at Sion Hospital to maintain wireless net work of W.S. Department and that of CAS and other electronic equipments. This workshop has been recently shifted from old Building to t e old barracks.

(5) Installation of Antenna Mast : Old Antenan mast of W.S. Department maintained satisfactorily. However the following masts are to be installed-

at Kapurbawadi Bhandup, Pise, Panjrapore, Padgha, Upper Vaitarna Bhatsa Dam. Mast at L.T.M.G. Hospital, Sion, is also to be shifted to the college building.

(6) Telecommunication net work for CAS is being replanned to meet the future requirements of the CAS:

5. Civil Defence Cell :

The Civil Defence Cell was created in the year 1971 to look after the work of Civil Defence Measures to be undertaken by the Corporation and also to have a close liaison with the Director and Controller of Civil Defence Service. Subsequently, the Cell was entrusted with the additional work of vigilance over Electrical and Mechanical works. During the year under report the following works were attended to by the Civil Defence Cell. 5.1. Civil Defence Training :

The Civil Defence activities are decentralised in 61 sub-units in all wards, Engineering Depart-ments and Hospitals. This has been basically done to impart Civil Defence Training to as many volunteers as possible. The training courses are being arranged by this department in liaison with Director of Civil Defence. The actual training is imparted free of cost by the City Controller of Civil Defence. During the year under report 150 Municipal employees were trained in Civil Defence Courses. .

5.2. Civil Defence Plans :

The operational and survival plans of following essential services are revised and brought up-to-date :-

- (1) Water Works.
- (2) Roads Department.

.

- (3) Sewerage Department.
- (4) Care of Animals.
- (5) Disposal of Dead bodies.

5.3. Liaison Work with Government Department :

The close liaison was maintained with State Directorate of Civil Defence and the City Controller of Civil Defence. The work pertaining to the maintenance of static tanks, construction of new tanks, installation of new sirens, warden posts and accommodation to Civil Defence Divisional Offices was attended to satisfactorily. In addition, the planning of new 60×600 PABX Telephone Board at Head Office is undertaken and the matter is being pursued with the Bombay Telephones.

5.4. Vigilance over Elect. and Mech. Works :

Technical audit was carried out in respect of 160 proposals. The Electrical, Mechanical and Refrigeration works totalling 171 and costing Rs. 1 crore and 15 lakhs were inspected. In addition the proposals for additional staff, specifications for plant and machinery and Fair Market Schedule for Electrical Works for 1982-83 were ascrutinised. The statistical information in case of Vigilance work is given in Annexure-III.

6. Natural Gas Project :

6.1. Distribution of Natural Gas in Greater Bombay :

The Municipal Corporation had submitted a Techno Economic Feasibility Report for dis-tribution of 0.833 MCMD of Natural Gas to the Textile Mills and domestic Sector in Greater Bombay to the Study Group appointed by the Government of Maharashtra in the year 1979, Afterwards as per the decision taken in one of the meetings, the Corporation updated the above report (*i.e.* distribution of Natural Gas to Textile Mills) with a possible demand of 1.2 MCMD of Natural Gas, and submitted to the Gas Task Force appointed by the Government of India in the year 1982.

It was decided in one of the meetings that a joint sector co. be formed for supplying Naural Gas in domestic and industrial sector, with 51 per cent. share of Government of India and 241% share each of Government of Maharashtra and M.C.G.B. and M.C.G.B. will prepare a techno-economic feasibility report for distribution of Natural Gas to domestic sector and industries enroute in City as well as Suburbs. This work of preparing the report has been entrusted to Messrs. Humphreys and Glasgow Consultants Pvt. Ltd. and the report will be ready by May 1983.

In the meantime, meetings were held with the Member of Gas Task Force and necessary information has been given to them. After completing the above report, the same will be submitted to the Gas Task Force for further recommendations.

6.2. Municipalisation of Bombay Gas Co. :

The Municipal Corporation has passed a resolution under No. 112, dated the 10th May 1976 to Municipalize the Bombay Gas Co., and the same has been communicated to the Government of Maharashtra with a request to issue necessary orders in the matter.

Action is taken against the Co. as per the provisions of the Bombay Municipal Corporation Act from time to time, for causing nuisance.

At present the Co. is closed due to strike and hence it is not possible to take any action agains the Company.

7. Special Projects :

7.1. Supply of Trailor Mounted Gully Emptier Units :

For cleaning Storm Water entrances and gullys in Greater Bombay, 9 Nos. of Indigenous Trailor Mounted Gully Emptier Units have been purchased from Messrs. Lucky Equipment Corpora-tion. These Units have been handed over to the Dy. C.E. (M & E). A separate operational and maintainance cell has been formed for these units.

7.2. Ferry Service at Marve-Manori Creek :

For the people residing at Manori Island in 'P' Ward the ferry service between Marve and Manori was a night-mare. The problem was referred to A.P.P. Cell for procuring the ferry boats for meeting the needs of the people. Accordingly tenders were invited for two mechannised flat bottom ferry boats on the lines of one ferrying between Punjim and Betim Goa. The capacity of ecah boat is 75 passengers and their luggage.

The ferry launches were constructed as per the requirements of Mercantile Marine Department of Government of India. Necessary registration Nos. and Survey certificates were obtained from Mercantile. Marine Department Necessary passenger licene was obtained from Chief Port Officer to operate the service for creek crossing. The ferry launches were handed over to BEST Under-taking and regular service has been started the by BEST undertaking from 1st November 1981. This department co-ordinated with different departments like port authorities Municipal Depart-ments electric supply Co. etc. to resolve various problems faced by BEST Undertaking for smooth operation of the launches.

Annual survey by Mercantile Marine Department of Government of India for the launches M.L. Manori and M.L. Gorai was due on 20th August 1982 and 20th October 1982-respectively. Complete annual survey work of both the launches one by one was got carried out by this department to the satisfaction of Engineer Surveyor of M.M.D. The launches were put into operation again after getting new survey certificates in eac case.

7.3. Remodelling of Dhobi Ghat :

The Dhobi Ghat is in operation at Mahalaxmi where there are 357 Bhatties provided for washing of cloths. The cheap type of fuel used in these bhatties with no proper arrangement for supply of air required for combustion causes severe ground level pollution. The problem being of socio-economic nature was studied in depth and the practical solution of providing live steam to the bhatti pots directly from the Central Generation Plant rather than producing steem in each and every bhatti pot was found out. The scheme estimated to cost Rs. 25 lakhs was prepared and submitted to the Corporation for approval to the Corporation for approval.

The administrative approval of the Corporation to the scheme has already been received. A proto type bhatty-pot was got manufactured and working trials were taken. Necessary modifications were also carried out on the proto type bhatty-pot and further trials were taken. The trials were found successful. The draft tender for inviting the tenders to implement this project on turn key basis is also completed and is under scrutiny. When the project is executed the problem of ground level air pollution will get solved.

7.4. Rehabilitation of Potters, Dharavi :

There is considerable ground level air pollution and the smoke nuisance near Dharavi. This is mainly because of the potters manufacturing earthen pots using cheaper type of fuel without any effective combustion system. A techno economic feasibility report was got prepared from Messrs. Kirloskar Consultants and the matter is under consideration. They have suggested complete reha-Kirloskar Consultants and the matter is under consideration. They have suggested complete reha-bilitation of potters in a planned and hygienic way. The project incorporates construction of residential buildings for potters construction of centralised working places for manufacturing acti-vities and construction of mechanical furncaes to carry out manufacturing activities in planned and hygienic way. The project report prepared by Messrs. Kirloskar Consultants has been scrutinised completely by this department. A decision has been taken that the potters should themselves im-plement this project under the overall supervision of Bombay Municipal Corporation on the guide lines suggested by Messrs. Kirloskar Consultants. The potters architects have submitted a scheme to this effect which is under scrutiny. Certain clarifications have been called for from the potter architecis before Municipal land at Kumbharwada Dharavi is leased to the potters to implement this project. The architects have not yet come forward with details and their reply is awaited.

7.5, Design of Small Capacity smoke free Light Diesel oil fired type of tar boiler :

Ward Officers faced various problems in their road maintenance works with the existing tar boilers as they are bulky and work on fire wood. The designs of various tar boilers with indigenous available technology were studied. None was found suitable to carry out small patch work efficiently and with clean environment. The design of small capacity tar boiler with light diesel oil firing system from pressurised air/fuel system tank was therefore developed by this department. The combustion equipment specially designed for firing light diesel oil with automised air supply was got manufactured through private contractors. The trials were taken on this combustion equip-ments which were found satisfactory. The work order has been placed with local contractor in July 1981 to supply 50 Nos. of such tar boilers mounted on mobile chasis with the above type of com-bustion s stem. A proto type tar boiler is supplied by the contractors on which extensive actual work trials have been taken. The balance 49 tar boilers will be obtained after further necessary modi-fications if required. fications if required.

7.6. CONVERSION OF ANIMAL DUNG INTO USEFUL ENERGY SOURCE :

A 'Fact Finding Committee' has been constituted to take up the project of conversion of animal dung into useful energy source. Details of the survey of the existing cattle sheds, gober gas plant, feasi bility report from Khadi Village Industries Commission, etc., are collected. After collecting further information and discussing it in the next meetings of 'Fact Finding Committee', a complete report on conversion of animal dung into useful energy source will be prepared.

• ...

8. EXPANSION OF DEONAR ABATTOIR :

The slaguhter house at Deonar is working to the full capacity since the year 1972. On account of persistent demand for meat it needs to be expanded in its slaughtering capacity. The tenders for expansion on turnkey basis were invited in past. The expansion scheme is however found to be capital intensive. Further there is an uncertainty in the supply of cattle due to the agitation against slaughter of horned cattle, increased export potential from other states and the Govt. policies in the export of beef. The expansion proposal is therefore, deferred and it is proposed to augment the slaughter capacity through modernisation and balancing of throughput.

•

6. MECHANICAL BRANCH :

During the year ofunder view of Municipal Workshop received 1198 fresh Jobs. Total numbers of jobs completed 1124 including previous year pending jobs. The total ex-penditure on the departmental works amounted to Rs. 26,39,439.00. The up-keep and overhead charge amounted to Rs. 5,19,468.00 which works out to be 19.67% The labour strength during the year was about 370 There were 294 working days during the year

(i) Machine Shop: Repairs to the pump of Pumping Station and Purification on works were undertaken. Special jobs of repaire fitter plant of Dadar is carried out. In addition manufacturing of Impellers, C. I. Bushies, shafts of pumps and C. I. casting of Hospital Lown, mrovers, Shear sharpening works of Garden Department were undertaken. Shaft sppindles Brass bushes were also manufactured.

(ii) Boiler Shop; In this section the major jobs were of, the fabrication of refuse and different types of hand carts for conservancy department and Drainage Department, repairs to tar boilers and different types of handcarts were undertaken. Various play apparts for Garden Department were fabricated and repaired by this section. Various clamps, hooks, xles, brackets iron racks of Conservancy department were fabricated in the Smithy Section of Boiler Shop.

(iii) Carpentary Shop; The work undertaken in this shop, was of maunfacturing of wooden marks, Notice-boards, tables, benches, chairs, wooden handcarts, wooden cupboards, sea-saw diffe-reat play apparats of garden department clining boare for swimming pool, lockers for swimm-ing pool and some such other jobs were undertaken. The meter boxes and switch board of required for hospitals and other departmentswere also manufactured. The work of polishing recoden articles tike chairs, tools ate, of hospital ware also undertaken wooden articles like chairs, tools etc. of hospital were also undertaken.

(iv) Pant shop: In the paint shop besides day-to-day work of painting of name boards of various department painting of parts manufactured at workshop, viz, hand ckrts, dust bins etc. were carried out, vehicles of transport department furniture of different department.

(v) Design ection : Mechanical design section prepares estimates, blue prints and speci-fication for machinery, furniture and mechanical equipments, invite tenders or sealed quotations for all types of mechanical jobs for Municipal Department.

(A) The following important works were executed during the year.

(i) Polishing of wooden furniture for various Departments of Corporation.

(ii) Erection of chimneys for Asphalt Plant Worli and G. T. B. Hospital.

(B) The following general report works were carried out during the year.

(1) Repairs to overhead M. S	. Tanks.	8×8	*.*		119 Nos.	۰.

(C) The following works were carried out during the year.

(1) Installation of 10 M. T. L. P. G. tank at G. T. B. Hospital Sewree with necessary piping work.

(2) S. & I. of wall mounting cup-board at Imamwada Maternity Home.

(3) Replacing of chimney of dust extractor plant at Worli.

(4) Manufacturing and supplying T. W. wall mounting cupboard at N. S. T. department K. E. M. Hospital.

(5) Supply of fixing T. W. furniture at Municipal Marathi Primary School Laxmi Nagar, Khar.

(6) Replacing chimney of boiler at G. T. B. Hospital, Sewree.

(7) Manufacturing and supplying T. W. tables with S. S. sink for T. Bone Lab. of E. N. T. Department of K. E. M. Hospital.

(8) Providing T. W. counter student counter at T. N. M. College Building at Nair Hospital.

(9) Providing M. S. tank work railing for steel tanks of A. K. D. Department, K. E. M. Hospital.

(10) Manufacturing and supplying T. W. furntiture for deaf school at Mahalaxmi Municipal School.

(11) Providing T. W. cash counter side position for new A/C unit of W. A. S. D. at 'M' Ward Office, Chembur.

(12) Providing and fixing T. W. cash counter for Assistant Accountant at C. V. T. Building, K. E. M. Hospital.

(D) During the year this section completed the work to the tune of Rs. 13,85,000.

(vi) Foundry shop: Municipal Foundry situated at Municipal workshop easts ferrous and non-ferrous items as per requirements from various municipal departments. For ferrous castings, there is one number of 2 Ton/hrs. capacity cupola and for non-ferrous casting 2 numbers of coal fired pit furnaces. C. I. manhole frames and covers are the main products of Municipal Foundry., other articles includes pump casting, casting type impellers housing blates, hubs bushings frames, gun-metal brange, white metal bearings and special allege etc.

During the year foundry received 170 jobs for manhole frames and covers, numbers of jobs out of this 160 numbers of jobs completed and 10 jobs of the year 1981-82. Foundry has supplied to C. S. and Dy. Chief Engineer stores and other departments 463 numbers of circular manhole* frames and covers and 313 numbers of rectangular M. H. F. & C 50 numbers of vent pipe against a guarantee of 600 numbers of manhole frames and covers per year.

(vii) Municipal Power Laundr : During the Administrative year the Laundry washed 44,08,540 lines of 49 medical institutions. The rate of washing was fixed at Rs. 100 for 100 picees of linen for the period from March 1982 to March 1983.

7. ELECTRICAL BRANCH ;

The activities of the different sections of the Electrical Branch were as under :--

(i) Planning and Design Section :-- This section deals with the preparation of Estimates, invitation and recommendation of tenders, execution of contract for major electrical works in the newly constructed and old Municipal Buildings under the Loan Works Programme in the City, Suburbs and Extended Suburbs.

During the year some of the tenders were invited jointly with the Civil Tenders for synchonisation of electrical and civil works. For details as regards preparation of estimates, awarding contract please see Appendix-5.

(ii) Building Construction Section :-- This section supervises the execution of major works in different zones for which contracts were awarded by the Planning and Design Sections. Details are provided in Appendix No. 8. (*iii*) Refrigeration Section: This section is entrusted with the preparation of estimates, invitation and recommendation of quotation and tenders, execution of contracts and supervision of contracts in respect of works for purchase and installation of air-conditioning and Refrigeration Machinery under Loan Works Programme as well as under the Revenue Budget for City and Suburbs.

(iv) Plant and Machinery Section : This section carries out repairs and maintenance of electrical machinery and electrical works in the existing municipal properties.

39 Estimates were prepared.

57 works were carried out through outside agencies costing Rs. 2,31,411.500

413 works were executed departmentally costing Rs. 6,35,896.

(v) Ward Maintenance Section : This section carried out electrical works in the existing municipal properties other than those looked after by the plant and mackinery section.

There were 88 estimates amounting to Rs. 26,92,341 prepared and works of electrif⁴cation, providing pumping sets, electrical fans fitting clocks, repairs and providing sound systems, In tercom system etc., amounting to Rs. 5,57,665 are completed and works costing Rs. 1,48,768 in progress.

8. CONSERVANCY BRANCH :---

The Department of Solid Waste Management including the Transport Branches works under the direction and control of the Director (Solid Waste Management). He is assisted in the work by Dy. City Engineer (Solid Waste Management), Head Supervisor, Court Solid Waste Management), Head Supervisor, Court Solid Waste Management), Head Supervisor, Court Solid Waste Management, Head Solid Waste Managemen

Solid Waste Management :-- The service consist of collection, removal and disposal of garbages and sweeping from the Public Roads, streets, foot-paths and by-lanes and maintenance of Dumping Grounds. The work of removal of Night Soil and Cess Pool from un-sewered area and maintenance of public sanitary conveniences is also undertaking.

(i) Collection of refuse: All the public roads, foot-paths and house gullies were oleaned daily. The quantity of refuse and other waste material collected in street cleansing operation from the City and Suburbs is as follows:

Refuse collected.				Average per/day.
City 7.01 Lakhs tonnes	••	• •	••	1918.80 tonnes
Subs. & Ext. Subs. 4.54 Lakhs tonnes.	••	• •	•••	1,245.00 tonnes.

During the year 313 (City), 789 Sub. and (Ext. Subs) Hutmet Colonies situated on the Government of Maharashtra Housing Board, private and B.M.C.'s lands were attended to and 23,113 tonnes (City), 55,754 tonnes (Subs. and Ext. Subs.) refuse was removed from said colonies.

(ii) Transportation of refuse: Transportation of refuse was regularly carried out by engaging Mechanical fraction. Total vehicle shifts employed for removal of refuse during the year are as follows:—

Serial Area	•	Municipal vehicle	Vehicles shifts on contract	Ratio	
1 City		31,245	1,11,919	22.78	
2 Subs. & Ext. Subs.		30,261	57,303	37,63	•

For transportation of refuse 18 compacting vehicles which carry $1\frac{1}{2}$ times more load than that carried by conventional vehicles were used.

(iii) Disposal of Refuse: The final disposal of refuse was carried out by reclaiming lowlying land at Deonar.—Total refuse dumped at Deonar from City Wards was approximately 7,00,435 tonnes The final disposal of refuse was done by reclaiming low-lying land at Chincholi, Gorai, Esic Nagar and chandan marve in western Suburbs and Deonar and Mulund in Eastern Suburbs. Total disposal of waste in western Suburban and eastern suburbs dumping ground was 10,69,644 tonnes.

(iv) Collection, Removal and Disposal of Night Soil:

Night Soil, Collection and disposal service was rendered to 2560 basket privy seats in the City and all Suburbs and extended Suburbs 874.01 Kilo Litres quantity of night soil was removed daily in Municipal Mechanical tranction using 2 vehicles per shift and emptied in Night soil Depot. at Dharavi and Kurlaof Night Soil Deppts.

(v) Public and Private Latrines and Urinals ;

During the year 1031 public sanitary conveniences with 6494 W. C. seats and 986 urinal stalls were maintained, there exist 97 separate urinal blocks with 415 urinal stalls in the City area and 191 urinal blocks with 762 urinal stalls in Subs. & Ext. Subs.

(vi) Prevention of Nuisance :

During the year 1,548 cases in the City and 1939 cases in the Suburbs and Extended Suburbs were made by 91 Nuisance Detectors for offences such as Urinating, deacefting and throwing refuse on public roads under section 115 of Bombay Police Act and Rs. 36,046 were recovered as fine. During the year 1,124 cases in the City and 1320 cases in Suburbs and Extended Suburbs were made under section 372 (E) of the Bombay Municipal Corporation Act and Rs. 15,998 and Rs. 13,130 were levied as fine respectively in the City and Suburbs.

(vii) Removal and Disposal of Dead animals:

Bombay Khadi and village Industries Associations. are the contractors for The work of removal and disposal of dead animals from area within the Greater Bombay Limits Skinning work is being carried out at village Bapne in Thana District about 20 Kl. m. away from Dahisar since 1-5-1973 about 69,539 dead animals were removed during the year.

(viii) Conservancy and Special Services:

These services were rendered to circuses., Exhibitions Big-concerns, Industrial Establishments etc., on payment of Schedules charges. A amount of Rs. 54,37,121.59 was received rendering conservancy services.

(ix) Conservancy Staff Quarters :---

161 Labour Chawls in the City and 108 chawle in Sub-to with 4,066 and 1,796 tenements of the Joint in the City and the Suburbs respectively have been provided with the free housing accommodation and the rest are given House Rent allowance.

(x) Labour Welfare :---

22 welfare centres are working for benefit of conservancy staff at different places in the City and Suburbs.

(xi) Co-operative Credit Societies for Labourers :--

There are 12 Co-operative Credit Societies with an aggregate membership of 7,335 members for the benefit of the labour ers of S. W. M. Department.

(xii) Expenditure on conservancy Services

The total expenditure for Div. I incurred on Conservancy Services for garbage cess pool and public sanitary, conveniences etc., during the year was Rs.13,49,26,882.00 out of which Rs. 12,87,13,378.64 was for clearance, transportation and disposal of refuse of 7.01 lakhs tonnes. The expenditure on Halakhore services in the City and Suburbs was Rs. 62,13,503.36 and Rs. 4,08,59,040.00 respectively.

The cost pet tonne garbege came to Rss. 165,32 and per capita Rs. 21.74.

(xiii) Special features :

(a) Work shop: There is a workshop for Solid Waste Management Department situated at Mahalaxmi. During the period from 1-4-82 to 31-3-83, 137 Wooden Handcarts and 180 Iron Handcarts and 2 Square Type and 48 Rectangular types Refuse Bins are repaired in the workshop.

(b) The installation of Rat—Incinerator at Haffkine Institute is completed and trials are in progress.

(c) 250 k. g./hour capacity Incinerator Plant installed at group of T. B. Hospital at Sewree for burning of Hospital refuse is functioning smoothly.

(d) Emergency services were given in all City Wards. 80 Chronic complaints were attended during night time and 1775 tonnes of refuse and 514 tonnes of offal was removed. A good relief has been given to public.

(e) It is proposed to set up a Mechanical Transfer station of 1000 tonnes per day capacity at Mahalaxmi to handle the garbage of A, B, C, D, & E Wards.

(9) TRANSPORT BRANCH:

The Transport Department (City) is entrusted with the maintenance and operation of vehicles supplied to various Municipal Departments. There are 500 Vehicles 17 BEML Bulldozers and 3 front and loaders and 36 Trailers in the City.

The overall efficiency of the fleet was maintained at above 75 per cent. throughout the year.

During the year 14 new vehicles were added in the fleet. and 29 new. Vehicular Chassispurchased will be put on road after body buildingwork on them is carried out.

The suburban Transport Section is entrusted with the operation and maintenance of vehis cles which are rendered for different Services. New vehicles were added to the fleet and thu there were 355 effective vehicles in the fleet, excluding the vehicles proposed to be scrapped.

The details of vehicles, which were utilised for various services are detailed below :-

2				Total		355	
Others		•••	•••	•••	•••	100

ACHIEVEMENTS.

(a) Selling of the accumulated scrap materials.

(b) 15 Nos. of new vehicles were added in the fleet.

Total average efficiency of the fleet achieved during the year. 67 per cent.

10. PRODUCTIVITY UNIT.

The activities of this Department are as follows :

Training programmes conducted : 57.

Project Studies undertaken and completed : 32.

Besides these, a number of Staff proposals, specially referred to this Department, were scrutinised through application of Industrial Engineering Techniques.

New Activities :

Preparation of training Schemes : for all the Departments of the Corporation with specific training modules based on the detailed job descriptions of each Category, is in progress.

The R. & D. Cell has started functioning with the Project of Search of Low Cost Sewerage. Scheme.

Monthly Seminars introduced in March, 1982 on Service discipline areas are in good progress. 13 Seminars were organised wherein Senior Officers presented the papers on different Topics.

Central Library :

372, New Books were added, taking the total number of Books to 3,131.

The Strength of the membership increased from 1,216 to 1,357.

Papers, reports and dissertations contributed by the Municipal Officers deputed for Seminars, Conferences training programmes and post-graduate Studies, are maintained in the Library.

First Phase construction of the proposed Civic Training Institute and Research Centre, Borivali (East) is nearing completion and the Institute is likely to start functioning by the end of 1983-84.

11. MAINTENANCE OF MUNICIPAL BUILDINGS AND ROADS :

(i) Municipal Buildings : Municipal Buildings in the City at the end of the year were :---

(a) Housings: 25,303 No. (Tenements are in the City and 7,962 No. Tenements in the Suburbs.

(b) Other Buildings: 917 in the City and 977 in the Suburbs.

The works of maintenance is classified under the major heads (1) Normal Repairs, (2) Special Repairs and (3) New Works. Normal Repairs includes works of monsoon repairs. Special repairs covers the works which are likely to increase the life of buildings or structures were as the work of additions and alterations to the buildings. As also those of providing additional amenities fall under the category of New Works.

The repairs and maintenance works at the Municipal properties were carried out either departmentally or through petty works contractors.

The total expenditure incurred on the maintenace of Municipal properties was Rueeps 3.20 Crores (City Rupees 1.63 crores and Rs. 1.57 crores) out of this an amount of Rs. 2.43, crores was spent on Normal maintenance. An amount of Rs. 77 was spent on new special repairs works. Works costing Rs. 1.41 crores (City 73 crores and Suburbs 68 crores) were executed through the Petty Works Contractors Total No. of works carried out through peetty works Contractors was 1.296 and total No. of works carried out departmentally was. 11,952 and the amount of expenditure incurred was 1.97 crores Rupees.

Rs. 146 crores and Rs. 1.20 crores have been spent on repairs of road including reinstatement of trenches in City and Suburbs respectively.

17 works and 85 works costing Rs. 8 lacs and Rs. 14 lacs respectively in City and Suburbs were executed through the Annual Petty works contractors.

As usual an amount of Rs. 8,21,855 was paid to Bombay Port Trust for clearing and repairing the Port Trust wharves and Roads.

Miscellaneous works like repairs, repainting of sheets name boards, providing new boards, maintenance of public movements, benches on the footpath and guard railings were under taken as usual.

While widening road 2664.41 sq.mtrs. land & 22908.04 sq. mtrs. land was acquired under setback in city and Suburbs respectively. compensation claims for set back settled during the year amounted to Rs. 374166/-in Suburbs.

There were 40 road rollers out of which 1 petrol driven and 39 were diesel driven,

Permits :-- 4,270 permits in City and 7,858 in suburbs were issued for excavation in roads and footpath, the cost of reinstatement of disturbed surface was charged to the respective permit holders and the trenches were repaired. Amount of Rs. 17210- in City and Rs. 3074851in Suburbs were recovered as fees for the purpose.

183 Notices in the City and 9 Notices under section 322 (b) of the Bombay Municipal Corporation Act were issued in City against unauthorised occupation of roads and fo otpath by dumping building materials. In addition 616 in City and 331 in Suburbs permits were issued for occupation of roads for erecting mandaps, placing chairs and benches etc., and Rs. 36,869/were realised from City and Rs. 19,693 from Suburbs.

12.---Asphalt Plant and Crusher ----

The work of asphalting roads approved by the Corporation was continued during the year and Roads covering an area of 84,392 Sq. meters, were asphalted at a cost of Rs. 24,97,083.20

Asphalt Plant. :---

(a) The Municipal hot-mix asphalt Plant at Worli was in operation throughout the year, except during the monsoon from July 1982 to October 1982. The Pegaon Plant mixer worked for taking out cold-mixed materials required to fill in the potholes in the City. The labourers for running the Asphalt Plant were engaged departmentally.

(b) The total area of 4,504 Sq. mts. of potholes were repaired during the year, for, Rs. 1,52,243.29

(c) Capital roads admeasuring 84,392 Sq. mts. were repaired by surface, chip coat, Grit coat

The main Asphalt Plant and Pegaon Plant worked for 266 days and remained closed for 99 days on account of rainy season, Sundays holidays and breake down of Plant.

The rates adopted for booking expenditure for different mode of construction were the same as per previous year. The total expenditure for repairing the road surface, the cost of which chargeable to repairs grant amounted to Rs. 24,97,083.20.

The total turn out by the main and Pegaon Plant were 5,101,50 M. T. and 4,287.19 respectively please.

During the year 6,309.595 K. wts (Load) and 23,19,038 K.W.H. units were consumed fo maintenance of street lighting through B. E. S. T. Undertaking.

Additional expenditure of Rs. 4,21,282.43 has been incurred on street lighting on number of roads and junctions, some of the newly constructed roads were provided with street lights, some of the street lighting poles were required to be shifted from traffic point of view due to widening of roads.

Additional expenditure of Rs. 8,17,805.06 was incurred for the rebate given to Bombay Port Trust Authorities as usual due to maintaining and lighting some of the roads in B. P. T. areas which are used by the general public and for the light maintenance and cleansing of these roads, cotton depots, whars docks and bunders.

The lighting arrangement on 52 roads have been improved, street lights were provided on 45 new roads.

The temporary lighting arrangement was made during the Ganapati Festival at Girgaon Chowpatty, Cuffe parade, Mazgoan, picr Colaba, Banganga, worli, Prabhadevi, Dadar, Shivaji Park Sewri, Mahim Beaches for safety of General Public Visiting immersion ceremony.

The lighting arrangement was provided during Navratri, Festival at Mahalaxmi Temple area Mahim Fair at Mahim and on 'New Year Evening.' and 26th January at Gateway of India.

The traffic islands, central dividers and railings have been provided at 87 different junctions at the total cost of Rs. 13,65,408.

All these lighting arrangements were provided at the cost of Municipal Corporation from safety point of view.

To illuminate the big junctions where vehicular as well as pedestrian Traffic is heavy g emihigh mast lighting being provided for better result.

(ii) Romoval of Vehicules.

Vehicles which were found undergoing repairs or abandoned on public roads or footpath there by causing obstruction to traffic and pedestrian, removed in the Municipal custody under section 314 of the Bombay Municipal Corporation Act, During the year under report total number of vehicles removed to Municipal custody was 1346 out of which 1178 vehicles retrieved by the parties were released on payment. Steps are taken to auction the unclaimed 168 vehicles to recover Municipal dues.

(iii) Traffic :---

The work of constructing traffic islands, central dividers, R.C.C. Railings, were carried on 85 roads at the approximate cost of Rs. 10,00,030.

5 Numbers of junctions on which Automatic Road traffic signals were installed.

Road marking strips, pedestrian crossings and road divide line and Kerbs were painted on all important roads in City and Suburbs.

STORM WATER DRAINS AND NALLA PLANNING.

During the year, 1982-83, various suggestions regarding the remedial measures, temporary as well as permanent, suggested by the Natu Committee were implemented. These are described as under :--

(1) Regarding the City, intercepting and Arterial Drains were desilted in City areas by appointing the Contractors. The areas requiring immediate attention were sorted out and the desilting done to ensure proper disposal of Storm Water. In Addition, Agencies were appointed for 9 Wards in City (One each) for (a) Repairs to the Storm Water Drains and (b) desilting of Dhapa Drains. These Agencies were utilised during the Course of a year and the work was carried out to the extent of Rs. 31,50,000.

Water entrances, Gullies, Drainage connections were cleaned through the Ward Staff in the City.

The work of desilting of major Drains and Nallas in 'F' and 'G' Wards was carried out through the two Agencies.

Four major works pertaining to the Storm Water Drains and Nallas were executed at a total cost of Rs. 31,11,849.

Eight estimates were prepared for the works pertaining to the Storm Water Drains. The. cost of these estimates, worked out to Rs. 1,79,32,479.

(11) Regarding the Suburbs, the following Jobs were carried out.

Tenders were invited and the Contractors were appointed for the 12 Wards in the Suburban areas and the various Drains, Culverts, Nallas were desilted during the Course of a year In Addition Labourers were employed for Departmental affort for better results. The advises were given to the Wards regarding the measures to be taken as and when necessary in the form of exca vating Kutcha Drains, desilting and diversion of Storm Water Drains wherever necessary.

Thirty estimates were prepared during the year under review. The cost of such estimates was Rs. 2,57,61,340. Twenty Three tenders were invited, amounting to Rs. 2,35,57,981. in the Subrban areas. This is in addition to the tenders invi/ed in the City.

During the year under review the position regarding supply of cement improved considerably. However, because of Training and Construction of Nallas had to be pruned and sized in accordance with the Budget Provisions which were drastically curtained.

During the Course of a year, 442 proposals for the development of the areas and Building Plans were received from the private Builders. They were scrutinised and the recommendations were made for the purpose of implementation.

Two major Water Courses viz., (1) S. N. D. T. Nalla, Santacruz, (2) Rasraj Nalla at Civil Aviation, Juhu, were planned for desilting because of heavy flooding reported during the mansoons of 1982. The works have commenced and are expected to be completed before the conset of mansoon of 1983.

The works of desilting the Drains and the Culverts through the Railway Propoerties between Churchgate and Dahisar and from V. T. to Mulund, were executed through the Central and Western Railways. These works were carried out at the cost of the Bombay Municipal Corporation.

Regarding the widening of existing Culverts or providing of new Culverts across the Railway Lines and the Express Highway, the matter was taken up with the Authoritics concerned. matter pursued and the payments made wherever necessary in two cases.

This year Schedule for S. W. D. was revised and was effective from 15-2-1983.

15. BUILDING CONSTRUCTION BRANCH. :

This branch supervised the work of Building construction after contracts are awarded by Planning and Design department. A synopsis at the work done by this branch during the year is as undee i—

A-Ex-Trust Section.

There were no changes in Schedules X, Y, and Z Lands. The changes effected in the other Ex-Trust Estates are shown in Statement 'A'. The undeveloped land at present with the Corporation is approximately 494 acres which covers the land at Dharavi Scheme 56.

B-Municipal Section.

5 plots in Municipal Scheme have been disposed off in the year 1982-83 as shown in statement 'C'.

The Statement below indicates the progress of the disposal of the Municipal land during the previous years.

 Year		No. of Plots	Area in Sq. Metres	Capital Value
 1979-80	•••	Nil	Nil	Rs. Nil
1980-81	••	5	7850.28	30,64,534.00
1981-82		6	8,044,12	10,25,052.40

Slum Clearance

No new tenements were completed during the year under report.

Industrial Estates

The construction of Industrial Estates has been taken by Corporation for rehabilitation of the Industrial Units required to be shifted from the lands required for Municipal purposes. No new Industrial Estate has been constructed during the year under report.

New Housing Schemes

(1) The following new tenements were completed during the year under report :---

- (i) 44 Tenements in transit camp near Bombay Central Railway Station.
- (ii) 9 Shops in Shopping Centre at Kamathipura 5th Lane.

(2) The recoveries of rents of the dormitory at Palton Road amounted to Rs. 53,254.14 during the year.

DISPOSAL OF LANDS

(A) Long Leases

5 plots were let out during the year. The total area of the land thus disposed off admeasures 18,335.09 square meters valued at Rs. 61,15,052.25. The total No. of plots disposed off upto the end of 1982-83 were 4,409 with an area of 54,49,468.32 square metres and valued at Rs. 16,13,12,037.65 yielding an annual ground rent ot Rs. 74,39,115.69. The ground rent is charged at 10 per cent. on the value of land. The rate for calculating ground rent revised from 7 per cent. to 10 per cent. as per C. R. No. 546 of 23-3-1976. The commutation of Ground rent is stopped from 1st July 1962.

The progress of the disposal of Trust lands on permanent basis is shown as under :---

Particulars	No. of Plots	Area in Sq. Mts.	Capital value	Annual Rent
Plots leased on Rental basis. Corresponding figures :—	••	Rs.	Rs.	Rs.
1979-80	Nil			
1980-81	5	7,850.28	30,64,534	67,16,314.00
1981-82	6	8,044.12	10,25,052	41,11,295.00

The amount received by way of Commutation of ground rent and premium etc., during the year was Rs. 4,75,130.00.

As can be seen in the Statement 'J' vide Item No. 8 that percentage of 57.50 arrears could be attributed mostly to the usual tendancy on the part of the prospective lessees to withhold payment of ground rent to the extent to cash security deposited by them with a view to getting the same adjusted towards the ground rent. The main items of arrears which constitute a part break up of Rs. 93,48,500.00 pertaining to 'B' Budget and of Rs. 3,01,513.00 pertaining to 'A' Budget shown in statement 'D' can be classified as under :--

	Ground rent	Rs.
1)	With held by lessees to the extent of their Security deposit	1,46,749
2)	Of plots occupied by Government of Maharashtra and Defence Department.	6,39,586
3)	Of properties vested in the Deputy Custodian of Evacuee Property.	277
4)	Of Plots against which disputes have been raised and cases are under con- sideration.	11,77,354
5)	Due from Western and Central Railways	1,04,543
6)	Due from Municipal Departments	1,25,657

(2) Short Leases

No temporary leases were granted during the year under report.

The number of vacant land tenancies both ex-Trust and Municipal Estates excluding those given in Mankhurd and Jogeshwari Colonis were 5086 and 678 respectively at the close of the year. The demand for vacant land tenancies in Ex-Trust Estates and Municipal Lands for the year under report was Rs. 12,59,363 and Rs. 5,77,269 and the recovery was Rs. 12,27,699.55 and Rs. 6,32,575 respectively inclusive of arrears.

MANAGEMENT OF PROPERTY AND COLLECTION OF REVENUE.

A-Trust Section.

(a) Chawl Permanent: The gross demand of tenements in the Chawls for the year was Rs. 41,20,341.87 on 31st March 1982 as against Rs. 52,20,500.

The concessional rent includes the rents of rooms let out to the peons of the different departments in lieu of house rent allowance and rent free quarters allotted to 193 sweepers of this department.

The Collection on account of rents from the permanent chawls during the year amount to Rs. 58,98,748 deducting therefrom the charges on account of outgoing amounting to Rs. 1,79,29,450 net loss comes to Rs. 1,33,40,167.

The capital expenditure incurred on the chawls including the value of the land is Rs.246 lakhs. The Corporation have to pay interest and sinking fund charges at the rate of 4.61 per cent. per annum on the capital expenditure prior to 1919-20 and 6.35 per cent. per annum on the capital expenditure incurred in subsequent years and 4.24 per cent. in respect of those constructed after 1950. This amounts to 13.85 per annum. After adding the amount of net loss into the amount of interest and sinking fund charges as shown in Statement 'G', the A/c. for the chawl shows a loss of about Rs. 38,57,987.

(b) Semi permanent Sheds: The gross demand in respect of 7,237 rooms in the Semi Permanent Sheds including Labour Camps for the year was Rs. 37,97,972.14 The net demand after excluding the concessional rent and vacancies was Rs. 37,90,978 The revenue actually collected comes to Rs. 22,70,853 which was equivalent to 59.90 per cent. of the total recoverable rent including arrears of Rs. 33,86,900 for the previous year.

The percentage of outgoing in respect of the Chawls and Semi-permanent sheds are shown in Statement on the basis of annual rental of Rs. 118,35,346 for chawland Rs. 33,86,900 forsemipermanent sheds, total outgoing being 106.10 percent. and 115.94 per cent. respectively.

Amounts transferred to Rent Equalisation Fund and Amenity Fund were Rs. 1,78,178 and Rs. 59,591 respectively. The difference between the standard rents works out on 5 percent, of the cost of fland and 10 per cent, on the cost of construction of post-war residential tenements and subsidised rents actually charged are to be met from the Rent Equalisation Fund.

Revenue collected from tenements constructed for slum clearance was Rs. 37,10,293 against the demand of Rs. 94,71,675 inclusive of arrears.

Acquired properties: At the commencement of the year there were 449 acquired or surrendered buildings in charge of this department containing 6479 tenancies. At the close of the year, corresponding figures were 449 Buildings and 6479 Tenement.

The gross demand of 6479 tenements in the acquired and re-entered buildings was Rs. 21,12,942 After excluding the amount for concession in rent and vacancies the net demand for the year was Rs. 21,12,942

The revenue collected amount to Rs. 17,68,904 which was equal to 45. 26ner cent. of the total recoverable amount including arrears of Rs. 39,07,765 for the previous year.

Summary of revenue: The total collection of revenue from leasehold plots and rent and ground rent from Building, Vacant land tenancies and slum clearance properties are shown in Statement 'D'

Requisitioned Buildings: The management and collection of rent in respect of 17 properties. having 386 tenancies requisitioned from private landlords for A. R. P. purposes were continued to be looked after by this department. The demand inclusive of arrears in respect of these tenancies for the year was Rs. 1,74,471 and the recovery was Rs. 74,502 which was equal to 42.70 per cent. of the total recoverable amount.

During the year under review, the demand and recovery of taxes aggregated to Rs. 4,61,859.87 and Rs. 11,096.74 respectively. The arrears due for collection at the close of the year stood; at Rs. 4,50,763.

B-Municipal Section

Details of the total collection of revenue from Municipal properties under Budget 'A'are shown in Statement 'D'.

Tenements constructed under Budget 'A' for Municipal General Staff are shown in Statement 'H'.

The highlights of ithe administrative events for the year are as under :---

(1) Income and Expenditure :

The annual reciepts by way of fire tax and other receipts aggregated to Rs. 2,45,29,256 The total expenditure including Revnue expenditure and debt charges towards Capital Expenditure amounted to Rs. 2,48,90,501

(2) Premises :

Fire Stationsi: The total number of Fire Stations in Greater Bombay remained at 19 only.

Tenders will be invited soon for the construction of III—Phase of the remodelling of the Fire Brigade Head-quarters at Byculla (incorporating Multi-storeyed Drill Tower, Administrative Offices, Control Room, Officers' Quarters, etc.)

Detailed drawings for Phase-IV of the remodelling of Fire Brigade Head-Quarters at Byeulla (incorporating work-shop, fire stations, staff quarters, etc.) are ready:

Construction of Marol Fire Station and Suburban Head-Quarters at Marol is nearing completion. Construction of Malad Fire Station at Malad (W) and Remodelling of Memonwada Fire Station are also in progress. Tenders are also being invited for the construction of Fire Station at Bandra (W) and Backbay-Reclamation.

The present Control Room Complex at Byculla, is being shifted to another Building in the same compound to enable the construction of new premises for the establishment of New Connol Room Complex for which the project report is ready.

Detailed plans and estimates for the construction of modern multi-storeyed Drill Tower at the Fire Brigade Head-Quarters Byculla are ready. Tenders for construction will be invited soon.

(3) Communications :

(a) Street Fire Alarms

The total number of street fire alarms installed were 218. Most of these are not operational as the Bombay Telephones are unable to obtain the necessary spares. However, a new system of Street Fire Alarms is being planned as part of the New Control Room and Communication Project.—

(b) Telephones :--

~.

5

Eight Telephone lines for receiving emergency calls (101-4 Lines and 395991-4 Nos.) two lines for receiving ambulance calls (102) and three lines (376111-2-3) for non-emergency purpose were in operation.

(c) Wireless Communication System :

The wireless network (VHF Radio Telephone Simplex System () with 18 Static Stations and 31^r mobile stations continued to be operative during the year.

(4) Appliances and Equipment :

The Brigade has p urchased most sophisticated and modern appliances which include two Turn Table Ladders—Mo del DL-377 one Turn Table Ladder Model DL-50 from West Germany. The Brigade has also purchased four hydraulic platforms—Model SCA 160 (Snorkel type) superstructure of which was imported from U.K. and mounted on Indian Chassis in India. The Brigade has also purchased 100 sets of protective clothing for personnel, manufactured by Messrs. Teled S.A., Switzerland. Besides, the Brigade has also increased the number of High Pressure Pumps by importing four High Pressure Pumps from West Germany and also 7 sets of pneumatic lifting bags were imported from West Germany for carrying out rescue operations smoothly and effectively. The fleet of ambulances was replaced by eleven new ambulances on petrol chassis for better comfort to the casualties during the transportation.

(5) Emergency Calls :

The emergency calls dur ing the year under report were as follows :----

Fires : 3,031*	House Collapses : 420	Rescue Service Calls	:533
Other Service Calls : 958	False Calls : 171.		

(* Includes 2 calls to out-side the Municipal Limits).

There were 47 serious fires during the year (Vide Appendix-II).

Burn Casualties :

There were a total of 510 casualties due to fire. Out of these 163 succumbedi to burn injuries including 91 suicide cases.

Death of Fire Brigade Personnel on duty :

Due to the motor accident. of a Fire Engine on 6th March 1983 at Parel, Shri Dinkar Rajaram Chavan, Driver Operator succumbed to injury in hospital on the same day.

				Total	9,959	

Note :

In order to make fire prevention an effective part of fire protection activities of the Brigade, the following decisions have been taken :---

(1) Schedule 'M' of the Bombay Municipal Corporation Act is ammended and certain decisions are taekn to prohibit the storages of dangerous and hazardous commodities in congested localities.

(2) Chemical godowns in Wadgadi, Samuel Street, Princess Street, etc. areas are to be shifted to specially built godowns at Wadala.

(3) The trader of transporting of goods are to be shifted to the New Truck Terminal at Wadala which is to be developed.

(4) Demonstration, lectures and audiovisual presentations in prominent localities were undertaken by the Brigade during the fire prevention week to increase public awareness about fire hazards.

(9) Deputation of Officers for advanced training :

During the year under report, Sarvashri Subhash P. Dalvi and V.J. Kulkarni, Station Officers were deputed to the National Fire Service College, Nagpur for undergoing Divisional Officer's Course.

(10) Other Activities :

(a) Shri V.B. Niham, Chief Fire Officer, has been appointed/nominated as-

(i) Member on the high level Departmental Committee appointed by the Ministry of Home Affairs, Government of India, to examine various problems confronting all the Fire Services in India.

(ii) Visiting Faculty for various Courses at National Fire Service College and B.E. (Fire Engineering) Course at Nagpur University.

(iii) Member on the working group of All India Fire Service Professional and Sports Meet.

(iv) Member on the Fire Research Panel of Fire Research Station of Central Building Research. Institute, Roorkee.

(v) External Examinar for B.E. (Fire Engineering) Course conducted by the Nagpur University.

(b) Shri D.J. Kulkarni, Divisional Officer, has been appointed as visiting Lecturer for Courses at National Fire Service College, Nagpur.

(c) Professional Interstate Fire Drills Competitions in (i) Fire Trailer Pump Drill; (ii) Extension Ladder Drill with Rescue; (iii) Tactical Medley drill were or eanised at Nagpur by the National Fire Service College. Two teams of the Brigade participated in all events and won second. prize in Fire Trailer Pump Drill and Tactical Medley Drill. They also won the shield for overall best performance.

(d) Annual Fire Drill Competitions :

The Annual Fire Drill Competitions could no be completed and subsequently cancelled due to unavoidable circumstances.

(e) Sports: The annual tournaments in various games were conducted and the sports-meet was held as usual during the year. All fire stations showed great- ethusiason by sending teams and competitors. The function was presided over by the Deputy Municipal Commissioner Shri S. V. Gambhir and prizes were also distributed by him.

(f) Observance of Fire Services Week : The Bombay Fire Brigade in coordination with other Fire Services of the city observed the Fire Service Week from 8th April 1982 to 13th April 1982 and Fire Service Day on 14th April 1982.

A number of Fire finting demonstrations were arranged to make the public fire conscious in various parts of the city.

Radio and Door-darshan programmes were arranged, films were shown, special wall posters, folders and stickers were distributed in schools and various establishments. Lectures were also arranged. Slides in English and Marathi were exhibited on T. V. and in about 60 cinema houses.

(g) Republic Day: The contingent of this department consisting of Officers and men and the Band Unit participated in the Republic Day Parade alongwith the Defence and other Services and Organisations,

The Brigade Platoon was declared as the Best amongst all the participating units in the Republic Day Parade.

(h) Maharashtra Day: The contingent of this depatment consisting of Officers and men and the Band Unit participated in the Maharashtra Day Police Parade alongwith the Defence and other Services and organisation. The brigade Platoon was declared as the Best and awarded a prize of Rs. 1,000.

(*i*) Awards : (a) On 15th August 1982 (Independence Day) the award of Fire Serivces Medal for Meritorious Service to the following personnel of the Brigade was announced.

(1) Shri Mohmedali Gulamsoddin Sirkhot, Assistant Divisional Officer.

(2) Shri Pandu Laxman Mhamunkar, Fireman.

On 26th January 4983 (Republic Day) the award of Fire Service Medal for Meritorious Service to the tollowing personnel of the Brigade was announced.

(1) Shri V. B. WarKhedi, Divisional Officer.

H (2) Shri Dattaram Bhaurao Mhamunkar, Driver Operator.

(b) Scholarship to the children of Brigade employees were awarded as in the previous years' Scholarships ranging from Rs. 15 to Rs. 75 were awarded to 45 school going children of the Brigade employees who passed the Annual Examination with Credit from Std. IV to XII.

(12) Fire Fighting Training to outside candidates :---

(a) Practical training in fire fighting and rescue operations was imparted to the Home Guards of Greater Bombay.

(b) Officers of the Brigade delivered a number of lectures on fire fighting to the Security Guards

(c) Practical Attachment training to the students of B.E. (Fire Engineering) Course and Sub-Officers Course of the National Fire Services College, Nagpur as per the practice was conducted.

In-service Training : As usual the Driver Operator and Leading Fireman Training Course were conducted.

The cold storage at M. J. P. Market is It scrapped and demolished, and a new cold storage at C. S. Market is under construction.

During the year, revenue amounting to Rs. 1,91,53,315 was collected against the amount of **Rs.** 1,89,54,126 for the previous year. So also, expenditure for the year was Rs. 2,15,98,425 as against Rs. 1,65,78,152 for the previous year.

Wholesome articles viz. vegetables, fruits, mutton, beef pork, fish, poultry eggs etc. were ' supplied through the markets to the citizens of Bombay.

Surprise raids to detect smuggling of animals and unauthorised staughter of animals were carried out regularly by the special staff. Nearly 4976 raids were carried out and Rs. 4,01,185 were collected by way of fine and auction of staff.

Immunization of cattle and dogs is done by a team of Veterinary staff. During the year, 234 dogs and 41,131 milch cattle were immunized at 9 centres. The curative and preventive treatment of animals was continued at Khar Veterinary Dispensary.

Due to increasing number of hawkers during the year 1982-83, some of the municipal markets in the suburbs were not patronised well.

Following Markets are under development

374

City (1) Colaba Market The pile foundation of thrid phase is to start sthortly. Work order is already given. Construction of mutton and eggs stalls is completed. Old. mutton section is demolished. (4) Market on plot No. 36 Mulund (West).

(5) Sant Janabai Market at Ghodupdeo. Construction of market is completed.

Ward Officer (Markets).

DEONAR ABATTOIR

Since the commissioning of the Abattoir all the units continued to function smoothly.

During the year under report there is an increase in the arrival and slaughter of sheep and goats. Cold Storage facilities are made available to the licensees to the full extent.

Production of the blood meal and meat meal was continued in the inedible plant and the international standard was maintained for the products approximately 97.3 tonnes of blood meal and 56.09 tonnes of meat meal were produced during the year under report. This scientific disposal of the waste material, had avoided environmental pollution and health hazard.

The gas produced in the Gobar as Plant was continued to be supplied to the two canteens in the Abattoir premises.

As usual special arrangements were made during the Bakri-Id Festival for "Sacrificial Slaughter" of Horned Cattle in one of the livestock market sheds and Municipal Meat Vans were made available for the transportation of sacrificied meat.

Pharmaceutical concerns like Messrs. Griffon Laboratoir Messrs. Raptakos and Brett. Co., Messrs. Immu Kimia, M/s. Cachet phaamaceuticals Mess. Emcure pharmaceutical the Haffkine Institute and many other technical and research Institute continued to take benefit of the facilities for collection of various glands, tissues etc., at Dconar Abattoir for Pharmaceutical use and research purpose.

Educational Institutions like Bombay Veterinary College, Kokan Krishi Vidyapith Marketing trainees from Director of Marketing and Inspection Government of India, Local Self Government Institute Bombay and many other Educational Institutes availed of the facilities for demonstration/training etc.

Dignitaries from various States and from abroad paid visits to the Abattoir and took advantage of the technical expertise available here.

Dr. S. N. BRAHME, General Manager, Deonar Abattoir.

Functions and Activities: The Licence Department functions in four wings viz., (1) Licence Section (2) Encroachment Section (3) Stall Board and other projection Section and (4) Advertisement Section and their activities are as under :---

(1) Licence Section : This Section issues licences under section 394 of B. M. C. Act for storages and trades which are either in flammable, combustible, corrosive, poisonous etc. and/or which has a nuisance value from public health point of view. Permits under section 393 of B. M. C. act are also issued for controlling Steam Whistles and Steam trumpets etc. A revised Schedule 'M' has come into effect from 26th November 1979, which includes several new commodities and trades. There was a stiff apposition to implement this schedule from the Trade Association including Indian Merchants Chamber as they feel that implementation of this schedule will cause harassment to the traders. However, this department has already started implementing the schedule. Maharashtra Government has also appointed a Experts Committee to go into details regarding grievances of the traders and the Committee is studying their grievances. The report of Government in this case is avaited.

(2) Encroachment Section : This wing controls hawkers and squatters either by issuing licences at suitable places or by removing unauthorised hawkers from roads and footpaths. The total amount recovered by way of redeemption and demuruage charges is Rs. 34,32,254.00 for 1982-83 as against Rs. 24,62,249.00 for 1 81-82. Municipal Commissioner has prepared his report regarding Hawking Zones and it was submitted to the Ex. Mayor, Dr. A.U. Memon for getting the same approved from the Hawker's Committee. The matter is still under consideration of the Hawkers' Committee. After Hawker's Committee approves the report, final sanction of the Corporation will be taken for implementing the same.

Mass Raids are also arranged for removing unauthorised Haewkrs Zone-wise. As regards issuing licences for hawkers, report has been submitted to Hawkers Committee for considering creation of Hawking Zones and in case, this is not accepted, then to create Non-Hawking Zones *i.e.* the hawking on a pitch at areas other than Non-Hawking Zones by paying fees as fixed by Standing Committee without creating any legal rights. The matter is under consideration of the Hawkers Committee.

(3) Stall Board Section : This wing deals with issue of permissions for various types of projections viz. Ssall Board, Weather Frame, Over Hanging Awning, Show-cases, Cupboard, steps etc. under Section 313(1)(b)(c) of the B.M.C. Act.

(4) Advertisement Section : This wing regulate various types of advertisements and sky-signs in City and suburbs, to implement the provision of Section 328-328A.

(5) Mass Raid Section : There are five Mass Raid Sections for detecting unauthorised, inflammable and explosive storages. As a result of their detections of unauthorised storages and trades and infringement in case of licensed premises, 3542 court cases have been launched in addition to orfeiture of security deposit of Rs. 1,28,327. One more Detection Squad has also been established and new trades which were originally not requiring any licences are now being detected and the pro-cess of issue of licence is started. It is expected that the revenue of the Licence Department will increase considerably because of licensing of new items.

D. A. PADGAONKAR,

Superintendent of Licences.

This department administers Bombay Shops and Establishments Act, 1948, payment of Wages Act, 1936, Minimum Wages Act, 1948, and Workmen's Compensation Act, 1923, throughout Greater Bombay, on behalf of the State Government. It will have to administer the Maternity Benefit Act, 1961, also after issue of a Notification by the Government of Maharashtra.

The department consist of 5 Supervisory Staff, 82 Inspectorial Staff and 46 Indoor Staff and 54 Shops Attendants and Peons. The Chief Inspector is in-ch arge of this department.

The total number of establishments registered under the Shops and Establishments Act, 1948, were 2,38,412 and their classification is shown in Appendix 'A'.

The total complaints received during the year were 1,009, out of which 1,012 (including there pending at the beginning of the year.) were disposed of as detailed in Appendix 'B'.

Similarly, Total number of prosecutions launched under the Bombay Shops and Establishments Act, 1948, duritng the year were 13,484 and 13,415 prosecutions were decided and fine Rs. 7,62,538.00 was inflicted.

This year the State Government have not sanctioned grant-in-aid for the year 1981-82 asthere was no Exess of expenditure over income for the administration of the Shops and Establishments Act, 1948, for the saidyear.

The total expenditure in curred on different activities of this department during the reporting year was 31,84,675.46 (exclusive of Provident Fund, leave contribution and Supervision charges). As against this, the total income by way of Registration etc. fees during the year was Rs. 39,65,102.54.

Total number of visits paid to the establishments for the purpose of the enforcement of Minimum Wages Act, 1948, during the year under report were 8,201, out of which, 3,777 were Shops 3,779 for Commercial Establishments 629 for Residential Hotels, Eating Houses and Regteurants, and 16 for Theatres.

As a result of intervention of Inspectors of this department, an amount of Rs. 2,75,496.92 was distributed to 719 employees of different establishments by way of increase in wages, differences, etc.

In all 1,385 Mass raids were held during the year for the purpose of enforcement of the provisions of Bombay Shops and Establishments Act, 1948, and Minimum Wages Act, 1948.

Veermata Jijabai Bhosle Udyan which is centrally located has remained one of the best attractions to the visitors as it was in the past. Joy rides, shady trees and modern play-apparata installed in the garden remained the attraction of the children.

ZOO.

During the year under report we have achieved a good record in breeding the important animals like Hippopotamus, Nilgai, Sambar, Spotted deers, Albino Black Buck, Indian Antelope, Barking deers and birds like peacock and painted stork etc. During the year 24 animals which included lions, spotted deers, sambar, black bucks, Nilgai, 7 painted stocks and 4 cockateels were born in the Zoo. Grey Kangaroo (1 male and 2 famale) are added to the Zoo during year 1982-83. The Zoo section with a variety of animals birds reptiles both Indian and Foreign, occupy 18 acres area where in 198 animals of 45 varieties and about 650 birds of 100 varieties and 450 reptiles of 12 varieties are kept for display. During the year under report an amount of Rs. 14,03,879/- was incurred on Zoo as against the provision of Rs. 15,75,000/-.

Regular annual painting, maintenance of the cages, planting of trees in the cages and enclosures to offer shade and natural environment to the animals, breeding facilities for the birds and animals were provided as was done in the past.

Open Air Theatre.

The Open Air Theatre was hired out to the public on reasonable rent on 160 occasions for drama, social gatherings etc. The theatre is becoming popular day by day.

Recreational Activities

During the year under report 10 gardens, 11 play-grounds, 14 traffic islands are added viz. Garden at the junction of Senapati Bapat Marg and Supari Road, Garden in front of Oscar Hotel Khar, Garden at Dr. Cooper Hospital, Vile Parle, Tilak Nagar Garden, Chembur, Shivaji Nagar. ⁽²⁾ Sobani Municipal Free Reading Room and Library was closed to the public from 25-6-1981 onwards as some portion of the building collapsed and repairs were undertaken by the contractor of the tenents with the consent of the Repairs Board. Khatry Municipal Free Reading Room and Library was also closed to the public from 17-10-1981 onwards as repairs were unertaken by the contractor of the Repairs Board.

* The question of recovery of compensation from Mumbai Marathi Granth Sangrahalaya is being reconsidered and the amount to be recovered has been kept in Deposit hence the figure of income is less.

V. N. BARVE,

Chief Librarian i/c., Municipal Free Reading Rooms and Libraries.

Dr. Bhau Daji Lad Museum (ESTD-1855)

The Museum formerly known as Victoria and Albert Museum was handed over to the Corporation by the Bombay Government, in 1885. It was renamed on 1st November, 1975 as Dr. Bhau Daji Lad Museum.

The exhibits in the Museum are classified in different sections such as Agriculture & Village-Life, Armoury, Cottage Industries, Bthnology, Fine-Arts, Fossils, Indian-Coins, Minerals, Miscellaneous-Collection, Old-Bombay-Collection, Pre-History & Geology and Religion & Mythology. A Coin-cabinet contains Ancient Indian Coins. The Reference Library of the Museum contains books on Art, Archaeology, Old-Bombay, History etc. The books, coins and eighteen volumes containing specimens of Indian Textile are made available for reference/perusal on request.

The work of preparing second album of the positives from the negatives 'on old-Bombay was completed and the album is made available for reference. The alphabetical index for 862 glass negatives was prepared. The work of preparing fair copies of the annual reports of the Museum since 1886 was taken in hand with a view to compiling for reference, the brief history of the Museum. The work of recording the details of the ethnological figures, which are being painted a fresh was taken in hand.

The photographs of the two ex-Governors of Maharashtra have been obtained. One bronze plaque with Dr. J. A. Turner's bust in relief was received from the Health Department. A copy of the historical survey of Suburban Railways from 1853 to 1953 was obtained from Dr. Ashok-kumar Arora and its typed copy was added to the collection. Some rare books were purchased and the publications from Goa Hindu Association and Mumbai Marathi Sahitya Sangha regarding the history of the institutions were acquired and added to the library.

Given necessary help to the National Institute of Designs, Paldi to prepare exhibits for the Exhibition which was held in London. Necessary steps were taken to strengthen the security measures. Due to economic measures no major repairs work was undertaken by the engineering department.

t The Museum was kept closed to the public for 11 days, as the work of oil-painting the building externally was carried out.

* The Museum was kept closed to the public due to the strike of Labour staff from 21-9-82 to 26-9-82.

V. N. BARVE, Curator, Dr. Bhau Daji Lad Museum.

MUNICIPAL SWIMMING POOL

All the four Municipal Swimming Pools in Greater Bombay viz. Mahatma Gandh Memorial Olympic Swimming Pool at Dadar, Ghatkopar Lions Municipal Swimming Pool at Ghatkopar, S. V. P. Swimming Pool at Kandivali, & Nirlov Olympic Municipal Swimming Poo at Goregoan were fully utilised by the public during the year funder report. The number of casual Swimmers and the regular members are on increased scale from year to year. Concessional facilities for the school were adequetely utilised by school.

30th Anniversary of the M. G. M. O. Swimming Pool was observed on 27th April 1982 by holding swimming competitions amongst the members of all the four Municipal Swimming Pools.

Senior National Aquatic Championship was held at New Delhi from 12th September 1982 to 17th September 1982. Nine members of M. G. M. O. Swimming Pool had participated in the Senior National Aquatic Championship. Two members had participated in Age Group National Aquatic Championship held at Kanpur from 23rd June 1982 to 28th June 1982.

1

M. G. M. O. Water Polo League Tournament was held at M. G. M. O. S. Pool in July 1982.
