ACKNOWLEDGEMENTS

The thesis was begun and completed under the guidance of Professor (Dr.) S.S.M. Desai, Head of the Department of Economics, Nowrosjee Wadia College, Pune 1. I am much obliged to him for helping me through all the stages of the preparation of my dissertation. I take this opportunity to record my deep sense of gratitude to my guide, Prof. S.S.M. Desai without whose inspiration and guidance I would not have been in a position to complete my thesis. In fact, I do not have words enough to express my deep sense of gratitude to him.

I am thankful to the authorities of the Servants of India Society's Library for permitting me the use of their library ever since I started working on my theme. Particularly, I must mention Mr. M.V. Sovani who rendered me great assistance in securing the necessary literature on the subject. My thanks are also due to Mr. D.K. Joshi of the Library on whom I could always depend for the necessary assistance in this respect.

I am thankful to Shri D.B. Sardesai of the Gokhale Institute of Politics and Economics, Pune; to Prof. J.K. Jog, Department of Geography, University of Poona; to Prof. Harischandrakar and Prof. (Miss) Neela Joshi both from S.P.
