Thesis Supervisor
RBI Professor of Finance

ACKNOWLEDGEMENTS

The present study "Dividend Policy : A Case Study of Indian Joint Stock Companies (1961-81) is completed under the able guidance of Prof. B. S. R. Rao, R.B.I. Professor of Finance, Gokhale Institute of Politics and Economics, Pune 4. It would not have been possible to complete this work without his constant encouragement and timely help. His detailed and incisive comments on several rough drafts of the chapters are of great value in improving my presentation at many places. Mere words of acknowledgement are insufficient to express my deep sense of gratitude to him.

I am grateful to the authorities of Gokhale Institute for the award of U.G.C. Teacher Fellowship for doing Ph.D. and also for providing all the necessary facilities for successful completion of this work. I am also thankful to Government of Orissa for granting me leave for the period of fellowship and later one year of study leave to undertake and complete this study.

I wish to thank the members of S.I.S. Library at Gokhale Institute for their unfailing cooperation. Special thanks are also due to Shri D. B. Sardesai, Smt. Vidya Kher, Smt. A. Kulkarni and Shri M. M. Marathe for their

(11)

help in computer work. Shri S. K. Athale deserves special mention and praise for the neat and efficient typing of the manuscript in record time.

Last but not the least, I wish to thank my wife "Sarmistha" for her ungrudging cooperation and psychological support during the period of my study.
