ACKNOWLEDGEMENTS

The present work was initiated and completed under the supervision of Prof. B.S.R. Rao, RBI Professor of Finance, Gokhale Institute of Politics and Economics, Pune. I am extremely grateful to him for his encouragement and valuable guidance. I must admit that but for his critical comments and helpful suggestions the present work would not have taken the shape it has.

I am thankful to the authorities of the Gokhale Institute of Politics and Economics for making available the facilities at the Institute and providing me with a UGC Junior Fellowship. I take this opportunity to express my thanks to the staff of the Servants of India Society's Library for their cooperation. Thanks are due to the Reserve Bank of India, Department of Company Finance Studies, for making available some of the data that were essential for completing the study.

The constant encouragement and moral support extended at some critical times, by a friend, are sincerely acknowledged. Shri Inamdar deserves special thanks for excellent typing.
