ACKNOWLEDGEMENTS

The present study was prepared under the guidance of Dr. N. R. Inamdar, Reader in Politics, University of Poona. I benefited immensely from his critical comments on the drafts submitted to him from time to time. I cannot adequately express in words my profound gratitude to him. I am also indebted to Dr. M. V. Namjoshi of the Gokhale Institute of Politics and Economics, Poona, for his valuable suggestions.

Material for the present work was mostly available in the Library of the Servants of India Society, Poona. It is one of the foremost libraries in India having rich collections in Social Sciences. I should like to thank the Librarian and his staff for the library facilities that I received in pursuance of my work. I have likewise to thank the Librarians and their colleagues of the following two libraries of Poona: the Jayakar Library of the University of Poona and the Library of the 'Sakal' office. Material in the following libraries was also consulted and I am grateful to the authorities in charge of these libraries: the Library of the Indian Council of World Affairs, New Delhi, the Parliament Library, New Delhi, the Library of the Planning Commission, New Delhi, the Library of the All India Congress Committee, New Delhi.

The Manager, 'Janata' (Bombay), made me available for my work the back files of the 'Janata'. Shri N. P. Narawane supplied me the back files of the 'New Age' from the Communist

Party office, Bombay. Back files of the 'Organiser' were available through the good offices of my friend Shri Shripati Shastri. For securing back files of the 'Congress Bulletin', Shri Page of the Bombay Pradesh Congress Committee office came to my aid. Shri Jagannathrao Joshi, Member of Parliament, made me available a typed copy of the Report of Parliamentary Committee 'B' on the Draft Fourth Plan. Shri T.R.Deogirikar, ex-President of the Maharashtra Pradesh Congress Committee and erstwhile Member of Parliament, gave me access to his personal collection of the Congress and Parliamentary literature. I am immensely grateful for the help I received from all these persons.

The first detailed outline of this study was typed by my brother, Anant. The arduous task of deciphering my handwriting and typing the drafts was zealously undertaken by my wife, Sushila. My friend Shri V. N. Inamdar prepared the final typed copy. It is a pleasure to acknowledge the invaluable services I received from this trio.

There are many persons, whose names may not be mentioned here, but who have helped me in various ways in the preparation of this work. I would be failing in my duty if I do not place on record my gratitude to them.
