STATISTICAL ABSTRACT

OF

Maharashtra State

FOR THE YEAR

1971-72

GOVERNMENT PRESS, NAGPUR—1975

PREFACE

This is the Nineth issue of the Statistical Abstract of Maharashtra State. The scope of the Abstract is more or less the same as that of earlier issues. Additional tables regarding Retail price Index Numbers for Urban Maharashtra and Rural Maharashtra have been included in this issue. Attempts are made to give the latest data of 1971-72 in most of the tables and wherever possible, the districtwise data is also given.

It is hoped that this publication giving the districtwise data for most of the socio-economic characteristics of the State will serve as an important reference book for those interested in the socio-economic and regional studies of the State.

We thank the various departments and offices of the State Government, Government of India and local organisations which extended their full cooperation in supplying the requisite material for inclusion in the State Statistical Abstract.
