## PREFACE

This is the 16th publication in the series entitled, "Education in Punjab—Statistical Tables Volume. II." It gives a Statistical Survey of the progress made by the State of Punjab in the field of Education during the year 1979-80.

The data given in this publication is actual and does not attempt to draw any general conclusion. It contains a brief account of Educational Statistics relating to only important aspects of Education in Punjab.

This compilation is based on the data supplied by the district Education Officers, Principals of colleges, Registrars of Universities, Heads of various Departments in the State engaged in imparting Technical, Professional and Vocational Education. I hope that the Educationists, planners, Research Scholars and others interested in the field of education will find this publication useful.

The data for this book has been collected compiled and analysed in the Statistical Branch of the Education Department under the guidance and supervision of Shri Som Nath Sood, Statistical Officer of the Department. I am happy that the members of the Statistical branch have taken keen interest.

Dated Chandigarh, the 8th January, 1987.
