## 'P R E F A C E'

The Transport Research Division has been publishing for the last few years certain Statistics on Motor Vehicle Accidents in its annual publication 'Motor Transport Statistics'. A separate Road Safety Cell has recently been set up in this Division and this special issue on 'Motor Vehicle Accident Statistics' is an effort of this Cell.

This issue covers mostly the period upto 1986. It contains information on the Road accidents, persons killed and injured in these accidents in States/UTs and Metropolitan Cities, the accident statistics by causes, by types of vehicles etc., as far as the states have reported, road accidents involving State Road Transport Undertaking buses, and information on road accident in selected foreign countries. Some additional useful information about the Motor Vehicle population, length of roads etc. are also included.

The concerned Police Departments of the States/UT's are the sources from where the Division receives the Motor Vehicle accident statistics on an annual basis. The Division is grateful to the Inspector Generals of Police of States/UT's for providing accident statistics concerning their State/UT and look forward for their continued co-operation in future in supplying detailed data in time for dissemination on an all-India basis.
