SCRIPPS FOUNDATION FOR RESEARCH IN POPULATION PROBLEMS

Books by Members of the Staff

By Warren S. Thompson

- T-21 Danger Spots in World Population. New York, A.A. Knopf, 1929. (Out of print, see T-74.)
- T-28 Population Problems. New York, McGraw-Hill, 1930. Revised 1935, 1942.
- T-31 Ratio of Children to Women. Washington, Bureau of the Census, Monograph XI, 1931.
- T-49 Research Memorandum of Internal Migration in the Depression. New York, Social Science Research Council, Bulletin No. 30, 1937.
- *T-53 An Experiment in the Registration of Vital Statistics in China. Oxford, Ohio, Scripps Foundation for Research in Population Problems, 1938. (With D.T. Chen and C.M. Chiao) \$1.00
- *T-65 Average Number of Children Per Woman in Butler County, Ohio: 1930, a Study in Differential Fertility. Washington, Bureau of the Census, 1941.
- T-69 Plenty of People. Lancaster, Pennsylvania, Jaques Cattell Press, 1944. Revised. New York, The Ronald Press Company, 1948.
- T-76 Population and Peace in the Pacific. Chicago, University of Chicago Press, 1946.
- *T-81 Growth of Metropolitan Districts in the United States, 1900-1940. Washington, Bureau of the Census, 1947.

May be obtained upon application to Scripps Foundation, Oxford, Ohio

Books by Members of the Staff Continued

By Warren S. Thompson and P.K. Whelpton

- TW-4** Population Trends in the United States. New York, McGraw-Hill, monograph in Social Trends Series, 1933, pp. 1-415. (Out of print)
- TW-10** The Population of Hamilton County, Ohio, in 1935; a Summary and Interpretation of the Regional Census of Hamilton County, Ohio. Cincinnati, The Cincinnati Employment Center, 1937.
- TW-15** Estimates of Future Population of the United States, 1940-2000. Washington, National Resources Planning Board, 1943.

By P.K. Whelpton

- W-26** Needed Population Research. Washington, Population Association of America, 1938. (Available from Milbank Memorial Fund, 40 Wall Street, New York City)
- W-45** Social and Psychological Factors Affecting Fertility. New York, Milbank Memorial Fund, Vol. I, 1946. (With Clyde V. Kiser)
- *W-46** Forecasts of the Population of the United States, 1945-1975. Washington, Bureau of the Census, 1947.

By Donald J. Bogue

- B-1** The Structure of the Metropolitan Community. Ann Arbor, Institute for Human Adjustment, Social Science Research project. (To be published early in 1949)

By John D. Durand

- D-1** The Labor Force in the United States, 1890-1960. New York, Social Science Research Council, 1948.

SCRIPPS FOUNDATION FOR RESEARCH IN POPULATION PROBLEMS
PUBLICATIONS OF THE STAFF

Reprints of articles marked with (*) can be obtained upon application to Scripps Foundation, Miami University, Oxford, Ohio. Order by number.

By Warren S. Thompson:

Articles

- T- 6 Population facts for the United States and their interpretation. (in Journal of the American Statistical Association, v.18, n.s.no.141, March 1923, p.575-587.)
- T- 7 Standards of living as they effect the growth of competing population groups. (in Scientific Monthly, v.17, no.1, July 1923, p.57-65.)
- T- 8 Eugenics as viewed by a sociologist. (in Monthly Labor Review, v.18, no.2, February 1924, p.11-23 (227-239).)
- T- 9 Overpopulation and migration as causes of war...Address before the National Conference on the Cause and Cure of War, January 1925. Issued as reprint from Birth Control Review.
- T-10 Eugenics and the social good. (in Journal of Social Forces, v.3, no.3, March 1925, p.414-419.)
- T-11 Size of the families from which college students come. (in Journal of the American Statistical Association, v.20, n.s.no.152, December 1925, p.481-495.)
- T-12 The wage system and family survival. (in Social Forces, v.4, no.2, December 1925, p.399-407.)
- T-13 Rural demography. (in Publications of the American Sociological Society, v.19, 1925, p.150-160.)
- T-14 Britain's population problem as seen by an American. (in Economic Journal, v.36, no.142, June 1926, p.177-191.)
- T-15 A re-examination of the Malthusian doctrine. (in the Chinese Student's Monthly, v.22, no.1, November 1926, p.43-48.)
- T-16 Natural increase of population. (in Dublin, Louis I: Population problems in the United States and Canada. N.Y. McMillan 1926. Chap.III, p.33-51.)
- T-17 Sterilization: A social view. (in Birth Control Review, v.12, no.3, March 1928, p.76-77; 97.)
- T-18 Population in the United States, 1927. (in American Journal of Sociology, v.34, no.1, July 1928, p.3-15.)
- T-19 The family as a unit of survival. (in Social Forces, v.7, no.1, September 1928, p.141-144.)
- T-20 Recent trends in world population. (in American Journal of Sociology, v.34, no.6, May 1929, p.959-975.)

- T-22 : The principle of population. (in Race Betterment, a symposium. Dayton, Ohio Race Betterment Association, 1929, p. 17-20.) Brush foundation publication, no. 4.
- T-23 Natural selection in the process of population growth. (in Human Biology, v. 1, no. 4, December 1929, p. 503-513.)
- T-24 The eugenics bugaboo. (in American Mercury, v.19, no.73, January 1930, p.33-37.)
- T-25 On living in cities. (in American Mercury, v.20, no.78, June 1930, p.192-201.)
- T-26 The future of the large city. (in American Mercury, v.20, no.79, July 1930, p.327-337.)
- T-27 Probable future growth of population in the United States. (in Bulletin of International Institute of Statistics, Tokio, 1930.)
- T-29 Recent changes in the birth rate and their significance for child welfare. (in The Annals of the American Academy of Political and Social Science, v.151, September 1930, p. 24-31.)
- T-30 Population pressure in Japan. (in Eugenics, v.3, no. 10, October 1930, p. 363-371.)
- T-32 Our future population. (in "Science today; a layman's handbook of recent discoveries." Watson Davis ed. N.Y. Harcourt, 1931, p. 239-244.)
- T-33 Population trends in the United States, and their effect on industry. (in The Annalist, v. 39, no. 991, January 15, 1932, 96ff.)
- T-34 The case for the machine. (in American Mercury, v. 25, no. 99, March 1932, p. 296-300)
- T-35 : Population trends toward concentration and decentralization. (in "Slums, large-scale housing, and decentralization." John M. Gries and James Ford eds. Washington. President's conference on home building and home ownership, 1932. Appendix 1, p. 204-216.)
- T-36 Human welfare and the growth of cities. (in Proceedings of the first annual meeting of Chinese Sociological Association.)
- T-37 Population policy and child welfare. (in Children's Home Record, March, 1934)
- T-38 Future population growth and real estate values. (in American institute Journal of real estate appraisers. v.3, no.1, October 1934, p.34-41.)
- T-38a Effect of population trends on real estate values. (in National real estate Journal, v.35, no.8, July, 1934, p. 37-38.)
- T-39 Natural resources and the welfare of population. (in American standards and planes of living, Eliot, Ed. New York, Ginn, 1931, p. 257-262.)
- T-40 Future Population Trends and Their Significance for Health Work. Presented at the Ohio Welfare Conference. Cincinnati, Ohio, October 11, 1934.
- T-41 Movements of population. (in American Journal of Sociology, v.40, no. 6, May 1935, p. 713-719)
- T-42 Human populations. (in A handbook of social psychology. ed. by Carl Murcheson, Worcester, Mass., Clark University Press, 1935, Chap.3, p.49-82.)

- *T-43 Factors conditioning a population policy for the United States. (in American Sociological Society Publications, v. 29, no. 3 (August 1935) p. 60-69.)
- T-44 Population and social work. National conference of social work. (in Proceedings of 61st Annual Session, Kansas City, Mo., May 20-26, 1934, Chicago, University of Chicago Press. 1934. p. 80-97.)
- T-45 Urbanization. (in Encyclopaedia of the Social Sciences, New York, Macmillan, 1935, v. 15, p. 189-192.)
- *T-46 Population movements affecting the welfare of the farm family. (in Rural America, v. 13, no. 8 (November 1935) p. 3-6.)
- *T-47 Consumer demand for vital statistics. (in American Journal of Public Health, v. 26, no. 5 (May 1936) p. 499-501.)
- T-48 The distribution of population. (in the Annals of the American Academy of Political and Social Science, Philadelphia (November 1936) v. 188, p. 250-259.)
- T-49 Research memorandum of internal migration in the depression. New York, Social Science Research Council, Bulletin no. 30, 1937.
- *T-50 Population Growth and Housing Demand. (in Annals of the American Academy of Political and Social Science, Philadelphia, (March 1937) v. 190, p. 131-137.)
- T-51 Die bevölkerungstewegung in den Vereinigten Staaten. Welwirtschaftliches archiv. v. 46, no. 2. (September 1937) p. 367-408.
- T-52 Population Statistics. 3. Urban Data. Washington, National Resources Committee, 1937.
- *T-53a The outlook for the improvement of standards of living in China. I. Probable effects of progress in agriculture. Oxford, Ohio, Scripps Foundation for Research in Population Problems. 1932 (Mimeographed) (A revised form of this is incorporated in T-53.)
- *T-53b The outlook for the improvement of standards of living in China. II. Probable effects of progress in industrialization. Oxford, Ohio. Scripps Foundation, 1932. (Mimeographed) (A revised form of this is incorporated in T-53.)
- T-54 Standardized Replacement Indices for Native White and Negro Populations of Cities of Three size Classes and of Rural-nonfarm and Rural-farm Communities, by States; 1930 and 1920. Population Index. v.4, no.4 (October 1938) p. 267-276.)
- T-55 The Effect of Housing upon Population Growth. The Milbank Memorial Fund Quarterly, v. 16, no. 4. (October 1938), p. 359-368.
- T-56 An Experiment in Registration of Vital Statistics in China. (in Proceedings of Congress international de la population, vol. 3, p. 56-69, Paris, Hermann et Cie) 1938.
