The current issue gives farm (Harvest) prices of the principal crops for the years 1954-55 to 1965-66. The data for the years 1962-63 to 1965-66 appear separately under Part II as these are given in rupees per quintal consequent on change over to metric system. Those for earlier years are in rupees per maund. The data presented in this volume are based on the returns furnished by the State Governments.

The detailed work involved in the compilation of this Publication was done in the Agricultural Wages, Prices and Tariffs Branch of the Directorate.
