SUMMARY OF RECOMMENDATIONS	1—10
SECTION I —Introduction	11—13
SECTION II —Need for Augmentation of Production of Eggs and Poultry, Mutton and Wool and Pork and Pork Products	14—17
SECTION III —Scope of Poultry, Sheep and Pig production for providing supplementary income to Small and Marginal Farmers and Agricultural Labourers	18—21
SECTION IV —Poultry Production Programmes	22—40
SECTION V —Sheep Production Programmes	41—53
SECTION VI —Pig Production Programmes	54—64
SECTION VII —Coverage, Credit and Organisation	65—67
SECTION VIII —Acknowledgements	68—69
APPENDICES	
I Questionnaire on poultry farming, sheep and goat rearing, pig production and vegetable growing in SFDA and MFAL districts	71—77
II Table showing percentage of sheep flockowners possessing different sizes of land in Andhra Pradesh, Gujarat, Himachal Pradesh and Mysore States	78—81
III Model scheme for the setting up of an intensive egg and poultry production-cum-marketing centre	82—89
[IV List of SFDA/MFAL districts in which intensive poultry development projects are already functioning.	90
V List of SFDA/MFAL districts which could be linked up to a nearby intensive poultry development project.	91
[VI List of SFDA/MFAL districts where new intensive poultry development projects (expanded basis) could be started and the location of consuming markets	92—93
VII List of SFDA/MAFL districts which have limited scope for poultry development	94
VIII List of districts other than SFDA/MFAL districts recommended for intensive poultry development for assisting small and marginal farmers and agricultural labourers	95—98

(ii)

APPENDICES	PAGES
IX Comparative statement showing estimated expenditure and returns from a poultry unit of 50 layers under different systems of rearing	99—100
X Economics of a 25-layer poultry unit under range/semi-intensive rearing conditions	101—102
XI List of SFDA/MFAL districts where sheep and wool production programmes could be linked up with Wool Grading and Disposal Centres under the UNDP assisted projects in States	103
XII List of SFDA/MFAL districts which lie in sheep breeding tracts	104
XIII List of SFDA/MFAL districts which could be linked up with a wool/mutton consuming market	105
XIV List of districts other than SFDA/MFAL districts which have good scope for sheep development and which are recommended for intensive sheep development programmes for assisting small farmers, marginal farmers and agricultural labourers	106—108
XV Estimated expenditure and returns from a Sheep Unit of 20 ewes under SFDA/MFAL projects	109—110
XVI List of SFDA/MFAL districts where pig production could be linked to an existing bacon factory	111
XVII List of SFDA/MFAL districts where pig production could be linked up with the proposed new bacon factories under the Fifth Five-Year Plan	112
XVIII List of SFDA/MFAL districts which offer good scope for pig production for meeting local demand	113
XIX List of districts (not covered by SFDA/MFAL projects) which offer scope for intensive pig production through small and marginal farmers and agricultural labourers	114—115
XX Estimated expenditure and returns from a piggery unit of 3 sows under SFDA/MFAL projects	116—117
XXI Statement showing the list of districts (State-wise) in which programmes for milk production, poultry production, sheep production and pig production through small and marginal farmers and agricultural labourers are recommended	118—126
