

Our Agriculture — The Road to Self-Sufficiency

N OF INDIAN CHAMBERS OF COMMERCE AND INDUSTRY

**OUR AGRICULTURE
THE ROAD TO SELF-SUFFICIENCY**

CONTENTS

Foreword 5-6

I. The Background 7-9

This deals with the importance of agriculture in our economy and emphasises the need for self-sufficiency in agricultural sector.

II. Indian Agriculture since 1950-51 10-20

This section makes a brief and factual survey of the progress made during the last 15 years. It also deals with the question of PL-480 imports and the current food policy of the Government of India.

III. The Basic Issues 21-37

Some basic problems of Indian agriculture have been discussed in this section and some solutions have been proposed.

IV. Recommendations of the FICCI Agriculture Sub-Committee 38-43

Statistical Appendix 47-55

This section is entirely devoted to statistical data. The statistics given here are based on the information collected from the Government of India and F.A.O. publications.
