No. 10313 of 1918.

From

HAROLD H. MANN,

Acting Director of Agriculture, Bombay Presidency ;

To

THE SECRETARY TO GOVERNMENT,

Revenue Department, Bombay.

Poona, 9th December 1918.

Sir,

I have the honour to submit the Annual Returns of the Rail-borne Traffic of the Bombay Presidency (exclusive of Sind) for the year ending 31st March 1918.

2. The registration of the rail-borne trade was as usual carried out by the railway administrations concerned, its compilation by the Government Examiner of Accounts, B. B. & C. I. Railway, Bombay, and its review and publication by this Department. The registration of statistics of road-borne traffic which used to be collected at certain selected stations on the borders of this Presidency has since August 1918 been discontinued under the orders of Government (G. O. No. 7134, dated 6th July 1918, R. D.).

3. During the year under report there have been 4 small additions to open mileage of railway in the Presidency aggregating 40½ miles only. The Gáikwár's Bilimora-Kála Amba Railway was extended from Bándsa Road to Kála Amba, a distance of 8¾ miles and of Dabhoi Railway from Masor Road to Jambusar, 7½ miles. The Bodeli-Chhota Udepur Railway was extended by 22½ miles from Jalingam to Chhota Udepur and lastly the Rájpipla State Railway had a small extension of 1¾ miles from Nándod Road station to Nándod city.

4. *Season.*—The late rains of October and November 1916 proved injurious to cotton in Khándesh, rice in the Konkan and *bájra* and other *kharif* crops in the Deccan and Karnatak. *Rábi* sowings had to be made afresh in places. Later on the season was favourable and the late crops turned out fairly well. The season of 1917 made a good start but owing partly to prolonged break in July and mainly to excessive rains in October and November, *kharif* crops ready for harvest were more or less damaged everywhere and they yielded only an indifferent outturn.

5. *Prices.*—The table in the margin exhibits the variations in prices of the principal articles of trade as obtained in the Bombay market. Excepting the prices of wheat and rice, which appear slightly easier, the prices of all articles show more or less a general increase over the previous year, the rise being most marked in the case of cotton, raw as well as manufactured, metals, sesame, castor and cotton seeds and *jowár* and *bájra*. As during the last three years the prices were generally affected by conditions arising out of the war and transport difficulties due to shortage of railway waggons.

Articles.	Percentage rise (+) or fall (-) as compared with last year's prices.
Cotton, raw	+ 45.80
European	+ 55.97
Indian	+ 27.88
Sugar	+ 34.79
Wheat	+ 43.06
Rice without husk	+ 1.68
<i>Jowár</i> and <i>Bájra</i>	- 1.31
Gram and Pulse	- 1.24
Linseed	+ 24.06
Rapeseed	+ 6.82
Sesame	+ 1.05
Castor seed	+ 4.47
Cotton seed	+ 15.04
Wool, raw	+ 16.17
Copper	+ 58.70
Iron and Steel	+ 10.89
Kerosene	+ 35.61
	+ 47.48
	+ 1.68

TOTAL TRADE.

(L. M. = Lakhs of Maunds; 00,000 omitted.)

6. The aggregate traffic carried by rail during the year (exclusive of live animals and treasure) rose from 2,288 L. M. in the previous year to 2,570 L. M. or by 12·3 per cent. in volume and from Rs. 163 crores to Rs. 204 crores or by 25 per cent. in value. As compared with the average of the previous five years it showed an increase of 701 L. M. in volume and Rs. 79 crores in value. The increase is mainly in imports from outside provinces which formed about 68 per cent. of the total trade. These are mainly for export abroad but are also partly used in the Presidency. The exports from the Presidency as also the local transactions showed some increase over the previous year though they were still below the average.

IMPORTS.

7. Of the total transactions of the year 71 per cent. represented the trade with the Bombay Port. Of the rest Gujarát and Deccan took 20·5 and 13 per cent. respectively and the remainder was distributed between the other blocks of the Presidency. The principal transactions of the year are noted below and compared with the previous year and the average.

Coal and Coke.—Owing to conditions of war the receipts of foreign coal continued to be smaller with the result that the trade in the Indian article showed a further advance of 28 per cent. over the previous year and was more than six times the average previous to the war. Nearly the whole of the increase was taken up by the Bombay Port mainly for local consumption. Smaller supplies were received for railway purposes from the Nizám's Territory but these were more than made up by increased receipts from Bihar. For other purposes Bihar and Nizám's Territory were drawn upon to a greater extent to make up the deficit from Bengal and Central Provinces.

Cotton, raw.—The bulk of the trade in this article was as usual with Bombay Port. It showed a fall of 20 and 22 per cent. respectively below the previous year and the average though owing to higher prices obtained it showed increases in value of 13·5 and 35 per cent. respectively. Except Madras which showed a small increase of 1·6 L. M. all the provinces sent out smaller consignments particularly Central Provinces, United Provinces and Rájputána.

Food-grains.—The transactions in food-grains including wheat and wheat-flour were 64 per cent. higher than in the previous year and 48 per cent. over the average. Bombay Port received nearly double the quantity of wheat it received in the previous year, United Provinces (+ 19 L. M.), Central Provinces (+ 24 L. M.) and Rájputána (+ 17 L. M.) mainly contributing to the increase. Gujarát however received smaller supplies (— 3·5 L. M.) from the last. The imports of wheat-flour (20·5 L. M.) were nearly ten-fold those of the previous year almost the whole of the increased supply being taken

up by Bombay Port apparently to meet military requirements. Punjab and United Provinces supplied the bulk of the article, Calcutta also contributing about 2 L. M. The trade in gram and pulse rose from 53 to 79 L. M. mainly owing to larger receipts of these grains into Bombay Port from United Provinces, Punjab, Rájputána and Bihar; in *jowár* and *bájra* from 32 to 37·8 L. M. owing to receipt of larger supplies from United Provinces and Sind into Gujarát, from United Provinces, Central Provinces and Rájputána into North Deccan and from Madras and Mysore into Southern Marátha Country. Gujarát, however, considerably curtailed its supplies from Rájputána. The imports of rice increased from 40 to 72 L. M. owing to its larger consignments received into Bombay Port (+ 21·7 L. M.) from Bengal, Bihar and Madras, into Gujarát from United Provinces, Bengal and Bihar and into Southern Marátha Country from Madras. There was a smaller influx of miscellaneous grains (17·5 L. M.) from United Provinces but the deficit was partially met by larger receipts from Punjab, Rájputána and Bihar.

Metals.—These showed a fall in quantity of nearly 40 and 48 per cent. respectively below the previous year and the average, but owing to the abnormally high prices they commanded, their value rose by 40 and 177 per cent. respectively. The bulk of the trade as usual consisted of metallic ore for export abroad, the receipts under which from the Central Provinces into Bombay Port fell from 93·6 to 50 L. M. and those from Mysore into Goa by 1·5 L. M. Excluding these the transactions in metals proper showed a small improvement of 2·3 L. M. owing to larger supplies of unwrought iron, machinery and millwork, and hardware and cutlery, etc., into Bombay Port from Bengal, Bihar, Central Provinces and Madras. The trade in wrought iron was about stationary, the smaller supplies from Bihar and Bengal being made up by larger receipts from Madras and Central Provinces. The receipts in copper wrought and unwrought and brass wrought declined by 7,000 maunds but the deficit was nearly made up by larger supplies of brass unwrought from Madras, Calcutta and Central Provinces.

Oil-seeds.—The trade in oil-seeds, the bulk of which is received from other provinces into Bombay Port for export abroad, fell to one-half of the previous year and was 44 per cent. of the average. The imports of linseed into Bombay Port receded from 62·4 L. M. to 28 L. M. owing to the receipt of smaller supplies mainly from United Provinces, Central Provinces, Nizám's Territory, Bihar and Rájputána. There was a considerable fall in the receipts of sesame (— 10 L. M.) from United Provinces, Central Provinces, Rájputána and Nizám's Territory, of cotton seed (— 8 L. M.) from Central Provinces and Nizám's Territory, of groundnuts (— 5 L. M.) from Madras and Nizám's Territory, and of rapeseed and poppy (— 5·6 L. M.) from United Provinces and Rájputána. Castor seeds (15·6 L. M.) showed a small improvement of 43,000 maunds. There were larger supplies of sesame into Gujarát from Rájputána, Punjab and Nizám's Territory and of groundnuts into Deccan and Southern Marátha Country from Madras.

Among other articles the most noticeable variations appear in the larger imports of sugar (+ 5·3 L. M.) owing mainly to increased consignments into Bombay Port of refined sugar from Madras and of refined and unrefined sugar from Calcutta. Gujarát also took up larger supplies of refined and unrefined sugar from Calcutta, and Deccan and Southern Marátha Country from Madras and Calcutta. United Provinces sent out a smaller quantity (— 3 L. M.) of raw sugar (*gul*) into Gujarát and North Deccan, but the deficit was nearly made up by larger receipts from Madras into Gujarát, Deccan and Southern Marátha Country, from Bihar and Punjab into Gujarát, and from Mysore into East Deccan and Southern Marátha Country. Of Provisions Bombay Port received larger supplies of *ghi* (+ 1·2 L. M.) from United Provinces, Central Provinces, Rájputána and Madras; of dried fruits and nuts (+ 1 L. M.) from Madras and Punjab and of miscellaneous provisions from Calcutta (+ 2·5 L. M.) which replaced smaller receipts from Madras and Central Provinces. The trade in oils advanced from 3·2 to 8·9 L. M. owing to receipt of larger supplies of castor-oil from Nizám's Territory into Bombay Port, of cocoanut oil from Madras into East Deccan and Southern Marátha Country, and of miscellaneous oils from Madras into Bombay Port, Gujarát, Deccan and Southern Marátha Country. Bombay Port had larger dealings in cotton twist and yarn, Indian

as well as Foreign, with Calcutta and Madras and in piece-goods European with Calcutta, Madras, Punjab and Karachi; but those in Indian goods with Central Provinces and Bengal showed a considerable fall (— 1·6 L. M.). Transactions in Railway materials with Bombay Port nearly doubled owing mainly to larger receipt of steel rails and fish plates from Bihar and Bengal but their receipt into the Presidency as also of carriages and sleepers fell off. Bombay Port received larger supplies of chemicals from Calcutta, bran from United Provinces and Punjab, hay from United Provinces, Central Provinces, Rájputána and Nizám's Territory, liquors from Punjab, Madras and Calcutta, turmeric from Madras, miscellaneous spices from United Provinces and Rájputána and wool (raw) from Punjab and Rájputána. The trade in hides and skins, jute and hemp, betel-nuts, chillies and salt showed some decline.

EXPORTS.

8. The total exports (275 L. M.) advanced by 2·5 per cent. in quantity over the previous year but were short of the average by 4·5 per cent. Owing however to higher prices they show an advance of 22·7 and 47 per cent. respectively in value. Bombay Port contributed 40·5 per cent. to the total exports.

Cotton Manufactures.—The trade in European manufactures advanced by 2·6 L. M., Bombay Port distributing twist and yarn to a larger extent to United Provinces, Central Provinces, Madras and Calcutta and piece-goods to United Provinces, Punjab and Bihar but the supplies of the latter to Central Provinces, Rájputána, Nizám's Territory and Madras fell off. Punjab increased its demand for Indian twist and yarn but its supplies to Calcutta and of piece-goods to all the provinces except Madras and Karachi more or less declined.

Metals.—Show a further drop of 2·3 L. M. below the previous year and of 57 per cent. below the average. Punjab, Calcutta and Madras took up somewhat larger consignments of iron, wrought and unwrought; otherwise the trade in metals showed a general decline.

Oils and Oil-seeds.—The transactions in the former are mainly in kerosene which were curtailed by 1·7 L. M. owing to smaller supplies from Bombay Port to Central Provinces, Rájputána and Nizám's Territory. Among the latter the dealings in cotton seed rose from 4·4 to 16·5 L. M. owing to increased demand for it from Madras, Punjab and Rájputána. Groundnuts were consigned to a larger extent to Calcutta, Punjab, Central Provinces and Rájputána; rapeseed to Calcutta, sesame to Madras and Central Provinces and miscellaneous seeds to United Provinces and Punjab.

Salt.—United Provinces took up smaller consignments (— 3·6 L. M.) of this article but supplies to Calcutta increased from 77,000 maunds to 5·55 L. M.

Sugar.—Supplies of refined sugar from Bombay Port receded from 8·3 to 4·7 L. M., Central Provinces, Rájputána and Nizám's Territory mainly sharing in the decline. The trade in *gul* was about stationary, East and West Deccan making up the deficiency shown by Southern Marátha Country.

Among other articles wheat showed a set back owing to shorter supplies to Rájputána (— 4 L. M.) and Madras, but the trade in other food-grains advanced by 10 L. M. Madras, Mysore and Nizám's Territory received larger supplies of gram and pulse from Bombay Port; Nizám's Territory of *jowár* and *bájra* from East Deccan; Rájputána, Karachi and Central Provinces of miscellaneous grains from Gujarát. Bombay Port sent out larger consignments of dried fruits and nuts to Rájputána, Central Provinces, Punjab, and Madras, and Gujarát to Rájputána; but those of *ghi* from Gujarát to Rájputána and Karachi greatly declined. Cotton (raw) was in greater demand in Calcutta, United Provinces and Central Provinces and Bombay Port and North Deccan mainly supplied it. The trade in chillies, tea (foreign), tobacco (other manufactures) and wool (raw) showed some advance; but that in almost all other articles more or less declined.

LOCAL TRADE.

9. This branch of the trade consists mainly of transactions between the Bombay Port and the rest of the Presidency which formed about 69 per cent. of the total traffic. The remaining 31 per cent. represents merely an interchange of commodities between the rest of the Presidency. The principal fluctuations are given below:—

No.	Articles.	Quantity in thousands of maunds.			Valuation in thousands of rupees.

	Total ...	60,753	54,037	55,135	4,45,559	4,77,449	6,34,265

Bombay Port received noticeably larger supplies of cotton (raw) (+ 17 L. M.) from Gujarát and Southern Marátha Country, copper unwrought (+ 7 L. M.) from Konkan, iron unwrought from Gujarát and Deccan, metallic ore, wheat and gram, castor seed, castor and rape oil, *ghi* and miscellaneous provisions and tobacco from Gujarát, cotton seed from Southern Marátha Country, chillies from West Deccan and Southern Marátha Country, and wool (raw) from Gujarát and East and West Deccan. The imports of the following articles on the other hand markedly declined: among food-grains (— 11·9 L. M.), jowar and bajra (— 7 L. M.) from East and West Deccan, rice from Konkan, wheat from East Deccan and Southern Marátha Country and miscellaneous grains from Gujarát; of oil-seeds (— 12·5 L. M.), groundnuts (— 7·7 L. M.) and linseed from Deccan and Southern Marátha Country, sesame from Gujarát and Deccan and cotton seed from Deccan; *gul* (— 1·7 L. M.) from West Deccan and Southern Marátha Country; turmeric from West Deccan; gunny bags from Gujarát; and tobacco from Southern Marátha Country.

Among exports from the Port there were larger transactions in *jowár* and *bájra*, groundnuts, dried fruits and nuts, salt and tea with all parts of the Presidency, in Indian twist and yarn, unrefined sugar, sesame seed and turmeric with Gujarát, in bran and oil-cake and gram and pulse with Konkan, Deccan and Southern Marátha Country, in wheat-flour with North Deccan and Southern Marátha Country, in brass and copper with West Deccan and Gujarát, in kerosene with North and West Deccan and Southern Marátha Country, in miscellaneous provisions with Gujarát, Konkan and Southern Marátha Country, in refined sugar with Konkan and North and West Deccan and in tobacco with Konkan. There were smaller supplies on the other hand of piece-goods (Indian), iron wrought and unwrought and *gul* to all places, of gunny bags, machinery and betelnuts to Deccan and Southern Marátha Country, of liquors to East and West Deccan and Southern Marátha Country, of kerosene to Gujarát and East Deccan, and sugar (refined) to Gujarát and Southern Marátha Country.

I have the honour to be,

Sir,

Your most obedient servant,

HAROLD H. MANN,

Acting Director of Agriculture.

EXPLANATORY NOTE.

On the system of trade registration in the Bombay Presidency and compilation of trade statistics in the Office of the Government Examiner of Accounts, B. B. & C. I. Railway, Bombay.

For purposes of trade registration India has been divided into blocks

British Provinces (excluding Chief Sea-Port Towns).	Native States.
<ol style="list-style-type: none"> 1. Madras. 2. Bombay. 3. Sind and British Baluchistan. 4. Bengal. 5. Bihar and Orissa. 6. United Provinces of Agra and Oudh. 7. Punjab. 8. Central Provinces and Berar. 9. Assam. 	<ol style="list-style-type: none"> 1. Rajputana and Central India. 2. Nizam's Territory. 3. Mysore. 4. Kashmir. <p style="text-align: center; margin: 10px 0;">Sea-ports.</p> <ol style="list-style-type: none"> 1. Madras Sea-ports. 2. Bombay Port. 3. Karachi Port. 4. Calcutta Port.

comprising the Presidencies, Provinces and Native States named in the margin, according to administrative boundaries. These main blocks are called "External" blocks with reference to each other. The trade with the principal sea-ports referred to in the margin is dealt with separately from that of the Presidency or Province in which the Port is situated.

The Bombay Presidency (exclusive of Sind) is divided into eight "Internal" blocks, viz. :—

- | | |
|---|---|
| <ol style="list-style-type: none"> 1. Bombay Port (Island of Bombay). 2. Gujrat and Kathiawar (all Gujrat Districts and Kathiawar). 3. Konkan (Thana and Kolaba). 4. North Deccan (Khandesh and Nasik). | <ol style="list-style-type: none"> 5. East Deccan (Ahmednagar, Sholapur and Bijapur). 6. West Deccan (Poona and Satara). 7. Southern Maratha Country (Belgaum, Dharwar, Kolhapur and Southern Mahratta Country States). 8. Goa. |
|---|---|

The last seven of the "Internal" blocks form one group which is known as "Bombay" or "Bombay Presidency excluding Bombay Port" as distinguished from "Bombay Port" which is treated as a separate block.

The trade of the Bombay Presidency is of three kinds—

- (1) Imports from "External" blocks,
- (2) Exports to "External" blocks,
- (3) Local trade, *i. e.*, traffic between "Internal" blocks,

- (1) G. I. P. Railway.
- (2) B. B. & C. I. Railway.
- (3) Madras and Southern Mahratta Railway.
- (4) H. H. the Nizam's Guaranteed Railway.
- (5) South Indian Railway.
- (6) North-Western Railway.
- (7) East Indian Railway.
- (8) Oudh & Rohilkhand Railway.
- (9) Bengal & North-Western Railway.
- (10) Eastern Bengal State Railway.
- (11) Jodhpur-Bikaner Railway.
- (12) Bengal-Nagpur Railway.
- (13) Rohilkhand & Kumaon Railway.
- (14) Bengal Provincial Railway.
- (15) Mysore-Arsikere, Kolar District & Bangalore-Chickballapur Light Railways.

and is registered by the fifteen Railway Audit Offices shown in the margin. Nos. 2 to 15 submit to the Government Examiner of Accounts quarterly returns of trade and No. 1 submits monthly ones from which latter quarterly returns are prepared in the Government Examiner's Office similar to those submitted by the other offices named. From these returns quarterly statements are prepared showing—

- (i) the trade of each "Internal" block in the Presidency with other Presidencies, Provinces, etc. ;
- (ii) the trade of the "Internal" blocks of the Presidency with each other ;

from these two a third statement is compiled, showing the trade of the Bombay Presidency with the "Bombay Port" and the "External" blocks. This is not published but submitted to the Government of India in manuscript.

The figures contained in statements (i) and (ii) are registered and at the end of the year the postings for the four quarters are totalled and the following three statements prepared for the official year :—

(a) Statement No. II(a) showing imports into "Internal" blocks of the Bombay Presidency from "External" blocks.

(b) Statement No. II(b) showing exports from "Internal" blocks of the Presidency to "External" blocks.

(c) Statement No. III showing the local trade of the Bombay Presidency, including Bombay Port.

In preparing Statements Nos. II(a) and II(b) all external trade in any commodity which falls below Rs. 10,000 in value is not shown under the block concerned but is grouped together under the head "Other places."

STATEMENT II (a).—Showing the Imports by Rail into the Bombay Presidency during the year ending 31st March 1918.

Note.—(1) Rates of articles classed A relate to articles of foreign merchandise and are furnished by the Collector of Customs, Bombay. These are based on values assigned by the importers at the time of passing the goods out of the Customs House and may be regarded as only approximately accurate.

(2) Rates of articles classed B are obtained from the monthly returns of prices published in the *Gazette* by the Director of Agriculture. They represent the average of monthly prices ruling on the 20th of each month which are furnished by the Huzur Deputy Collectors according to orders in Government Resolution No. 3653, dated 8th October 1892, General Department. The quarterly averages of the Presidency are founded on the monthly prices at the head-quarters of the principal representative districts. These rates may be regarded as fairly reliable.

(3) Rates of articles classed C are obtained every month by special local inquiry in Bombay, and from the monthly rates thus obtained the quarterly averages are found. These rates may be regarded as merely approximate.

(4) The rates of articles classed D are the rates fixed once for all and they are merely conventional.
