DE LA

LISTE MENSUELLE D'OUVRAGES CATALOGUÉS A LA BIBLIOTHÈQUE DE LA SOCIÉTÉ DES NATIONS

OF THE

MONTHLY LIST OF BOOKS CATALOGUED IN THE LIBRARY OF THE LEAGUE OF NATIONS

La Bibliothèque de la Société des Nations a adopté les règles de cataloguement des associations anglaises et américaines. Les publications gouvernementales se trouvent sous le nom du pays, et les publications des associations, institutions, etc., sous le nom de la société qui les édite. Dans l'index suivant, des références ont été faites des titres de tous ceux d'entre les ouvrages indiqués ci-dessous qui ont un titre défini.

In the Library of the League of Nations, the cataloguing rules of the British and American library associations are followed. Works published by governments are entered under the name of the country, those published by associations, institutions, etc., under the name of the body issuing them. In the following index, references have been made from the titles of all such works which have distinctive titles.
