

ECONOMIC INTELLIGENCE SERVICE

**WORLD
ECONOMIC SURVEY**

SEVENTH YEAR

1937/38

LEAGUE OF NATIONS

GENEVA

1938

TABLE OF CONTENTS

	Page	
PREFACE	6	
 I. THE DECLINE IN BUSINESS ACTIVITY:		
The Changing Economic Outlook in 1937	7	
The United States of America	13	
France	25	
The United Kingdom	28	
Germany	33	
Japan	37	
The Situation in Other Countries	39	
 II. EMPLOYMENT AND WAGES:		
Employment and Unemployment	43	
Wages	51	
Hours of Work	57	
Extension of Social Insurance	60	
 III. PRODUCTION AND STOCKS.		62
Primary Production	65	
Industrial Production	69	
Industrial Production and the Demand for Labour and Raw Materials	74	
 IV. PRICES:		
The Decline in Commodity Prices	77	
Selling Prices and Costs	86	
 V. MONEY AND FINANCE:		
The Supply of Money	91	
The Demand for Money	98	
Monetary Policy and Government Finance	100	
The Security Market	113	
 VI. INTERNATIONAL TRADE:		
The Changing Trend of Trade	118	
Trade of the Principal Industrialised Countries	123	
Trade of the Primary Producing Countries	134	

VII. BALANCES OF PAYMENTS AND FOREIGN EXCHANGE :	Page
Balances of Payments on Account of Current Items	137
Gold and Capital Movements	141
Renewed Hoarding of Gold	147
The Foreign Exchanges	151

Proposals for the Removal of Barriers to Trade . .	159
Tariffs and Quotas	166
Exchange Control and Clearing Agreements . . .	173
Commodity Restriction Schemes	178
Movements towards Autarky	181
IX. PRESENT ECONOMIC TRENDS:	
Summary of Recent Economic Events	187
Comparison between 1937 and 1929	190
Divergent Movements in Different Countries . .	194
Rearmament, Public Works and Monetary Expansion	197
The Economic Outlook	206
<i>Chronological List of Economic Events</i>	<i>213</i>
<i>List of Tables and Diagrams</i>	<i>225</i>
<i>Index</i>	<i>231</i>

INDEX

- Agricultural countries**, 43, 44.
Exports and imports, 173, 174-5.
Monetary policy, 101-2.
- Agriculture** :
Effect of population changes on, 157.
Prices, 18.
Production, 103.
Products, 157, 194, 196, 201, 203.
- Aircraft production**, 129.
- Albania**, occupation by Italy, 216.
- Aluminium and alloys**, 171.
- American States, Conference at Lima**, 188.
- Argentine** :
American credit to, 192.
Birth and death rates, 144, 145.
Capital, movement of, 177.
Exports and imports, 42, 174, 175, 176.
Foreign exchange payments control, 196.
Gold and foreign exchange movement, 180.
Gold value of currency, 184.
Interest rates, 91.
Migration, 164, 166.
Monetary policy, 43, 101.
Prices, 113-14.
Public works expenditure, 63, 64, 66-7.
Social services and insurance, 61-2, 138.
State revenue and expenditure, 50, 52.
Taxation, 48, 53, 54, 55.
Wages, 124.
Wheat, 198.
- Armaments**, *see* Rearmament.
- Asiatics**, migration, 163, 165, 166.
- Australia** : 180, 194.
Birth and death rates, 144, 145.
Capital, movement of, 177.
Defence expenditure, 225.
Employment and unemployment, 120, 126, 127, 128.
Gold value of currency, 181.
Immigration, 165.
- Australia (continued)** :
Import licence restrictions, removal, 195.
Imports and exports, 42, 43.
Industrial activity, 43.
Interest rates, 91.
Migration, 164.
Monetary policy, 43, 101, 102.
Monetary supply, 87, 88.
Mortality, 150, 151.
National income, 47, 84.
Physical fitness movement, 141.
Population, 143, 146-9, 153-5, 160.
Prices, 113-4.
Public debt, 69, 70, 71, 72.
Social insurance, 138.
State revenue and expenditure, 47, 58.
Wages, 122, 122-3, 126, 127.
Wheat, 198.
- Austria** :
Births and deaths, 145 note.
German occupation and economic effects of, 33, 36, 216.
Imports, 171.
Industrial production, 107.
National Bank of, 175, 217.
National income, 84.
Trade, 202.
Unemployment, 128.
- Bacon**, prices, 172, 189.
- Bank of England**, 89, 180.
- Bank of France**, 27, 28, 30, 86.
- Banks** :
See also Central and Commercial.
Reserves, 95, 96, 97.
- Barter**, trade by, 189, 205, 222, 227.
- Belgian Congo**, 186, 187.
- Belgium** :
Capital and gold movements, 177, 181, 184.
Capital market and interest rates, 90, 91, 92-3.
Currency, 65, 181.
Export credit guarantees, 192.

Belgium (continued):

- Family allowances, 161.
 - Holidays, paid, 140.
 - Housing, 139.
 - Imports restriction, 189.
 - Industrial production, 109, 111, 116, 117.
 - Industrial recovery, 7.
 - Migration, 163.
 - Monetary restriction policy, 91.
 - National income, 47, 84.
 - Nutrition, 142.
 - Prices, 113-15, 117, 182-3.
 - Public debt, 69, 71.
 - Public works expenditure, 63, 64, 64-5.
 - Selling prices and industrial costs, 116, 117.
 - State revenue and expenditure, 45, 47, 48, 50, 52, 58.
 - Taxation, 48, 56.
 - Trade, 183-4, 186, 187, 197.
 - Unemployment, 63, 64, 127, 128.
 - Wages, 122.
- Birth rates, 144, 145, 147.**
- Bolivia :**
- German credit to, 203.
 - Gold value of currency, 184.
 - Hours of work, 134.
 - Trade, 195.
- Brazil :**
- Capital movement, 177.
 - Exchange control, 195.
 - Financial agreement with United States, 192, 195.
 - Housing, 138-9.
 - Migration, 164, 165.
 - Monetary supply, 87.
 - Social insurance, 138.
 - Trade, 42, 174, 200, 202, 203.
 - Wages, 124.
- British Dominions :**
- Immigration, 166.
 - Restriction, 164.
 - Population, trend of, 143, 145.
- British Empire, trade, 193.**
- British Malaya, imports, 176.**
- Building activity, 18-19, 21, 139.**
- Bulgaria :**
- Industrial recovery, 9.
 - Mortality, 150.
 - National income, 47, 84.
 - Population, 153-5, 159, 160.
 - State revenue and expenditure, 45, 47.
 - Taxation, 55.

Bulgaria (continued):

- Trade, 187, 201, 202, 203.
 - Butter, prices, 172.
- Canada : 141, 194.**
- Capital market and interest rates, 92-3.
 - Employment, unemployment and wages, 120, 121, 124, 125, 127, 128.
 - Gold movement from, 207.
 - Immigration, 165.
 - Industrial production, 107-8, 116.
 - Industrial recovery, 7.
 - Monetary supply, 86.
 - National income, 47, 84.
 - Prices, 115.
 - Public debt, 69, 71.
 - Selling prices and industrial costs, 116.
 - Social insurance, 138.
 - State revenue and expenditure, 45, 47, 48, 58.
 - Trade, 108, 193, 194, 195.
 - Trade agreement with United States, 193, 195.
 - Wheat, 198.
- Capital, movements of, 21, 27, 28, 102, 177-81, 191, 197, 207.**
- Capital construction, 48, 60, 66, 129.**
- Capital development, 49, 156.**
- Capital equipment, 156, 157, 158, 159.**
- Capital goods :**
- Production, 14, 110-12, 227.
 - World manufacture of, 106, 107.
- Capital markets, 89-94.**
- Carpathian Ruthenia, occupation by Hungary, 216.**
- Cattle, 203.**
- Cement, prices, 172.**
- Central America, immigration, 165.**
- Central banks, 86-7, 88, 91, 207.**
- Cereals, 171.**
- Ceylon, migration to, 163.**
- Chile :**
- Capital market and interest rates, 92-3.
 - Family allowances, 161.
 - Gold value of currency, 184.
 - Housing, 138-9.
 - Industrial production, 109, 112.

Chile (continued):

Monetary supplies and bank reserves, 87, 88.

Trade, 42, 200, 202.

China: 41, 175.

American credit to, 192.

Currency, policy and Japanese action *re*, 184, 211-12.

Economic effects of war in, 208, 209-16.

Exchange restrictions, 197, 212, 213.

Hua Hsing Bank, 212.

Japanese policy in, 211-14.

Population, 160.

Trade, 210-11.

War, *see* Sino-Japanese war.

Chinese, migration, 163, 165.

Chinese Currency Stabilisation Fund, 191.

Clearing Agreements, 186-7, 188, 189, 201, 203.

Clothing industries, 129, 130, 131 note.

Coal, 172, 189, 190, 218.

Coal-mining, 25.

Coke, 172.

Colombia:

Hours of work, 134.

Housing, 138-9.

Wages, 124.

Commercial banks, deposits and reserves, 86, 87, 88, 102.

Commercial policy, 185-206.

Commodity prices, *see under* Prices.

Construction industries, 156.

Consumption duties, 53, 54.

Consumption, Government control, 9, 208, 216.

Consumption goods, 130, 156, 158 note.

Production, 14, 110-12.

Rationing of, 36, 80, 82.

World manufacture of, 106-7.

Copper, 171, 192, 197-8, 203.

Corporation profits tax, 32, 36.

Cost of living, 123, 182.

Cotton: 171, 189, 192, 222, 227.

International Conference, 198.

Stocks, production and prices, 104, 105-6.

Surplus stocks, 198.

Cotton industry, 130.

Credit restriction, 91, 181.

Currency:

Blocs, 185, 186, 215.

Depreciation, 27, 29, 43, 101, 177, 182, 183, 184.

Devaluation, 65, 88.

Customs duties, 53, 54, 55, 56, 57, 197.

Czecho-Slovakia: 188, 198.

Annexation of districts from, by Poland, 216.

Assets in London and Paris, 217.

Employment, unemployment and wages, 126, 128.

German occupation and economic effects of, 190, 216-19.

Migration, 163, 164.

National Bank reserves, 217.

National income, 84.

Trade, 202.

Trade agreement with United States, 193 note.

Death duties, 53.

Death rates, 144, 145, 147.

Debt service, expenditure, 45, 48.

Defence:

See also Rearmament.

Economic organisation for, 220-6.

Essential commodities reserves, 226, 227.

Expenditure on armaments and, 10, 23-5, 29, 31, 44, 45, 49, 50, 51, 52, 58-61, 69, 75-8, 79, 93, 110, 111, 208, 221, 225-7.

Deflation, 7, 10.

Denmark: 55, 180.

Employment, 124 note, 125.

Essential commodities reserves, 226.

Gold value of currency, 181.

Holidays movement, 140.

Housing, 139.

Industrial recovery, 9.

Migration, 166.

Monetary supply, 86, 87.

National income, 84.

Old age pensions, 138.

Population policy, 162.

Trade, 176, 195, 197.

Treaty with United Kingdom, 189.

Unemployment, 128 129.

Denmark (continued):

Wages, 122, 124 note, 125.
War risks insurance, 226.

Dividend payments, limitation,
36, 37, 41, 93.

East Africa, migration to, 163.

East Europe:

Migration from, 163, 165.
Population, increase, 143.

Economic blocs, 185-7.

**Economic effects of war, re-
armament and territorial
changes, 207-28.**

Ecuador:

Gold and foreign exchange
movement, 43, 180.

Hours of work, 134.

Monetary policy, 101, 102.

Trade, 196.

Trade agreement with United
States, 193.

Wages, 124.

Education, 156, 158.

Egypt, 142, 180.

Emigration, 163-7.

**Employment: 11, 12, 13, 14, 20,
121.**

Demand for labour, changes
in, 118-21.

Short-time working, 118, 119.
and Wages, 121.

World indices, 8, 9.

**Engineering industries, 129, 130,
135.**

**England and Wales, population,
146-9, 150, 152-5, 158, 161.**

Estonia: 180.

Employment and wages, 125,
127.

External debt, 72.

Gold reserves, 89.

Holidays, paid, 140.

Hours of work, 134.

Imports, 108.

Industrial production, 108, 109,
112.

Industrial recovery, 9.

National income, 84.

Taxation, 53, 54, 55.

Ethiopia, 186.

Exchange:

Clearings, 185.

Control and restrictions, 33,
39, 43, 67, 85, 88, 101,
102, 108, 177, 184, 185,

Exchange (continued):

186, 188, 190, 195, 196-7,
199, 209, 212, 213, 216,
220.

Foreign exchanges, 7, 182-4.

Movements, 177.

Reserves, movements, 43.

Stabilisation funds, 85.

Excise duties, 55, 56-7.

Export credit guarantees, 191-2.

Exports:

See also Trade.

of Countries producing pri-
mary products, 41-4.

International restriction
schemes, 106.

Prices, *see that title.*

Subsidies, 199-200, 203.

**Family allowances, schemes, 141,
160-1, 162.**

Fertilisers, 171.

Finland: 67, 180.

Budgetary equalisation fund,
68.

Export credit guarantees, 192.

Gold value of currency, 181.

Holidays, paid, 140.

Hours of work, 134.

Imports and industrial pro-
duction, 108.

Industrial recovery, 9.

Monetary supply and gold
reserves, 86, 89.

National income, 84.

Social insurance, 138.

Trade, 195, 197.

Food:

Production industries, 129, 130.

Surplus supplies, disposal of,
141-2.

Foodstuffs: 171, 172.

Basic, demand for, effect of
population changes on,
156-7.

Demand for, 170.

Prices, 104, 115, 116.

Production, 103.

Stocks, 104, 105.

France:

Armaments work, 10, 133.

Birth and death rates, 144, 145.

Capital and gold, movement
of, 21, 27, 28, 177, 179,
180.

Capital development measures,
78.

France (continued):

Capital investment in Yugoslavia, 220.
Capital market and interest rates, 90-4.
Commercial agreements, 195-6, 205 note, 206.
Credit facilities, 27.
Credit to Poland, 192.
Currency depreciation, 27, 29, 182.
Defence expenditure, 29, 59, 77-8, 224, 227.
Economic conditions, 12.
Economic and financial reforms, 27, 28, 29, 77-9, 111, 224.
Economic organisation for national defence, 224-5.
Exchange Stabilisation Fund, 179.
Employment and unemployment, 78, 118-19, 120, 121, 124, 124 note, 125, 128, 129, 132, 136, 137.
Family allowances, 160-1.
Foodstuffs, supervision, 142.
Forty-hour week, 121 note, 122, 124 note.
Franc, stabilisation, 27, 30.
Gold reserves, 89.
Gold value of currency, 181.
Holidays, paid, 140.
Hours of work, 26, 30, 133, 134, 135, 224, 225.
Housing, 139.
Imports restriction, 189.
Industrial production, 78-9, 107-10, 111, 224.
Industrial recovery, 7, 26-31.
Interest rates, 26-7, 28, 29, 30, 98.
Migration, 163, 166.
Monetary policy, 98-9.
Monetary supplies in cash reserves, 28, 86, 87, 88, 98.
Mortality, 150, 151.
National Defence, Ministry of, 225.
National income, 47, 84.
Nutritional policy, 141.
Old age pensions, 138.
Population, 146-9, 152-5.
Price control, 30.
Prices, 113-14, 182-3.
Production and unemployment, 30-1.

France (continued):
