THE AUTHOR desires to acknowledge the courtesy of Messrs. Longmans, Green and Co. in allowing her to quote extracts from 'English Farming Past and Present', by R. E. Prothero (Lord Ernle); 'History of Trade Unionism', by S. and B. Webb; and 'The Village Labourer', by J. L. and Barbara Hammond.

The design on the cover is from a mediaeval jetton or 'casting-counter', and represents the casting-board or scaccarium used by the mediaeval merchant in his calculations.
