Read a Generall Letter from Fort St. George dated 13th. ins^t. and rec^d. by Tappies yesterday which is cheifly in answer to the Dispatch of Ships Bouverie and Mary wishing we could have put on board more bales especially brown Longcloth ordinary but that was in our thoughts th^o not in our powers as we wrote them.

They promise to pay more Ten thousand pagod^s. to Sunca Ramah for his bill on Sunca Narran on acco^t. what we owe on his running contract and wish our old merchants would be satisfied wth. the same sort of Paym^t. w^{ch}. they must now accept th^o they did expect their mony to be paid here as we promis'd not having the correspondence and conveniency for receiving and negociating monys in Madrass as Sunca Ramah & that Comp^s.

They recommend our increasing the number of washers from Pondicherry but we can have Little hopes hearing of a new Investment there from forty to 60,000 pagodas.

What they mention about the Conjeveram Betteelaes and the 40 and 50 Covid Betteelaes can only be answer'd that to the 1st. we kept to y^e. Letter of their order and found great difficulty therein, is just coming as the ships were dispatching.

To the last for want of an acco^t. of what by Sunca Narrans People in Fort St. George we could not help taking their words here but shall be more cautious how we trust them hereafter.

Our reasons for detaining the Madapoll^m. Yatch as enter'd in our Last Consultation shall be sent wth. our answer to what they write on that subject.
