THE 22ND MAY, 1837.

Resolution.—The Governor General in Council having had under his consideration the present state of the Administration of affairs in the Settlements of Prince of Wales' Island, Singa-pore and Malacca, his attention has been parti-cularly directed to the condition of the landed proprietors, and to the tenures by which lands are held in those Settlements.-The Regulation which prescribes the mode of authenticating titles in one of the Settlements has been declared by the Recorder's Court to be invalid. The validity of other Regulations on the same subject is considered by high authority as questionable, and whether these Regulations be valid or not it is certain that many persons who have a fair claim to landed property within those Settle-ments, would be unable to make out a legal title to that property.

The Governor General in Council has reason to believe that many Estates in those Settlements have been acquired under circumstances which though they might not be considered by a Court of Law as sufficient to create a right of property give the holders a strong claim on the justice of the Government, and he is satisfied that no advantage which could be obtained by rigidly enforcing the claims of the State against such persons, would compensate for the evils which would be the effect of such a course of policy.

The Governor General in Council has therefore determined to avoid taking any measure which can possibly shake the security of property, or diminish the confidence which is reposed in the public faith. He has determined to put an end to all disputes respecting the legality of the existing Regulations which relate to this subject by repealing those Regulations. He has determined to confirm by an Act, of unquestionable legality all the rights which those Regulations bestowed on individuals. He has determined to institute an inquiry into claims to which the

provisions of the existing Regulations do not extend for the purpose of giving validity to all which appear to be well grounded, and at the same time of enforcing the rights of the state in cases only in which they may have been wilfully or fraudulently intringed.

It is the intention of the Governor General in Council that this inquiry shall be conducted in an impartial and liberal manner. It is not the wish of Government to scrutinize in a litigious spirit the claims which may be brought forward or consider itself as placed in the situation of an adverse party with regard to any person who occupies land under any pledge, express or implied, on the part of the State. The Commissioner by whom the inquiry is to be conducted will be placed under the authority of the Government of Bengal and that Government will be requested to give directions for making public the instructions which the Commissioner may receive for his guidance in the determination of questions affecting the rights of the Government or of individuals in Land,

With these views the Governor General in Council has passed the following Act.

ACT No. X. OF 1837.

I. It is hereby enacted, that from the date of the passing of this Act, Regulations I, and IX, of 1830, passed by the Governor in Council of Prince of Wales' Island, Singapore and Malacca, and likewise Regulation I of 1831, passed by the Vice President in Council, shall be repealed.

VIII. And it is hereby enacted, that who-IX. evershall forcibly resist or cause to be resisted any such Commissioner or any person employed by such Commissioner, in the performance of any thing which such Commissioner is by this Act, authorized to perform, or to cause to be performed, shall on conviction before a Magistrate be punished with imprisonment for a term not exceeding one year, or fine, or both, in addition to any punishment to-which such offender may be liable by reason or any other offence com-

XI. And it is hereby enacted, that all Orders. and Decrees passed by any such Commissioner by which the possession of any land within any of the Settlements aforesaid shall be altered or

affected, shall be final.

XII. Provided always, that if any party objects to any Decree or Order of the said Commissioner on the ground that such Decree or Order deprives that party of a legal right to land or to some interest in land, it shall be lawful for that party at any time within six weeks after the making of such Decree or Order, to move the Court of Judicature of Prince of Wales Island; Singapore and Malacca, to quash such Decree or Order, which Court shall try the question whether such Decree or Order be or be not inconsistent with any legal right of the party moving, and if the said Court shall decide that such Decree or Order is inconsistent with any suchlegal right, the Decree or Order of the Commissioner shall be quashed by the said Court and shall be of no effect.

XIII. And it is hereby enacted, that the said Court of Judicature shall not decide whether a Decree or Order of any such Commissioner shall or shall not be quashed, except when the Recorder is sitting in the said Court if there be
