 LEGISLATIVE,

THE 30TH AUGUST 1845.

The following Act, passed by the Governor
 General of India in Council on the 30th August
 1845, is hereby promulgated for general information:

ACT NO. XIX. OF 1845.

An Act for incorporating the Assam Company.

Whereas it hath been discovered, that there are
 in the British Province of Assam and other the
 North Eastern parts of India, numerous and ex-
 tensive tracts of country producing the genuine Tea
 Plant, and it has been ascertained that the soil and
 climate are in all respects adapted for the cultiv-
 ation of the Tea Plant on an extensive scale.

And whereas it is considered, that the cultivation
 and manufacture of Tea in India will be of great
 national importance and benefit, as well to the
 United Kingdom as to the British Territories in
 India, and the same may be advantageously pro-
 secuted on a scale beyond the resources and enter-
 prize of individual Capitalists, and a Society or
 Company hath been lately formed for the purpose
 of prosecuting and extending the said culture and
 manufacture with a Capital of Company's Rupees
 50,00,000 in 10,000 Shares of Co's. Rs. 500 each,
 and certain grants of land have been already made
 to the said Company in Assam and the North East
 parts of India aforesaid, and establishments have
 been formed by the said Company for the purposes
 of the said culture and manufacture, and are now in
 operation,

And whereas the whole 10,000 Shares have been subscribed for and appropriated, and the Proprietors have actually paid up Company's Rupees 20,00,000 of the said Capital of Company's Rupees 50,00,000 and the several Subscribers are willing at their own expense to carry on the said culture and manufacture, and it would tend much to the convenience and advantage as well of the said Subscribers as of the public, that they should be incorporated in the manner hereinafter mentioned and provided.

And whereas it is considered, that there are in Assam other articles and products of indigenous growth, or to which the soil and climate are also adapted, the culture and preparation of which may be carried on with great advantage and profit by the said Company as incidental to, or in connection with their Tea cultivation and establishment, and whereas it is desirable that provision should be made for enabling the said Company if they shall think fit to avail themselves thereof, and for enabling them to increase their Capital Stock.

And whereas several of the persons hereinafter named had been appointed and acted as a Provisional Committee for the purpose of forming and establishing the said Company and commencing the business thereof, and the said Company has since been constituted under the provisions of a Deed of Association, bearing date the 31st day of January 1840, and made between the several persons whose names are thereunder subscribed, and whose seals are thereunto affixed, (except the several persons, parties thereto of the second and third parts), of the first part, Sir William Baynes, Baronet, Richard Twining, Thomas Weeding, John Alliston, Andrew Henderson, Francis Fox, and William Cracroft, therein respectively described of the second part, and Sir George Gerard de Hochipied Larpent, Baronet, John Small, Alexander Rogers, Foster Reynolds, John Travers, William Manning, William R. Robinson and Ross Donnelly Mangles, therein also respectively described, of the third part, and under which Deed the business of the said Company has been commenced and carried on, and whereas in such Deed provision was made for confirming the several Acts, Deeds, Matters and Things executed and performed by the Provisional Committee in that capacity.

And whereas it is expedient that like provision should be made herein, and also provision for vesting, continuing and establishing in, for and against the Corporate Body hereby created after (and notwithstanding their Incorporation) all such property, rights, contracts and liabilities whatever as the said existing Society or Company are, or but for such Incorporation would be possessed of, entitled or liable to.
