Legislative Council.

3rd May 1856.

The following Act, passed by the Legislative Council, receiving the assent of the Right Honorable the Governor General on the 9th May 1856, and is hereby promulgated for general information:—

ACT No. XII. of 1856.

An Act to amend the Law respecting the Employment of Ameens by the Civil Courts in the Presidency of Fort William.

Whereas the Law by which the Civil Courts are authorised to employ Ameens upon local investigations is defective, and requires amendment; and whereas, in consequence of the extended jurisdiction which has been given to Moonsiffs, and the change which has been made in the constitution of the office, it is no longer expedient that Moonsiff's should be employed in the attachment and sale of personal property, nor, except on rare and special occasions, in any of the duties enumerated in Sections L., LI., and LIII. Regulation XXIII. 1814; and it is necessary to make provision for the performance of those duties by other agency; It is enacted as follows:—

I. Section XVII. Regulation IV. 1793, Section XVIII. Regulation III. 1803, and Clauses 2 and 3 of Section LI. and Section LIII., Regulation XXIII. 1814, are repealed.

II. In each district officers, to be designated Civil Court Ameens, shall be appointed for the purposes of this Act, and shall be remunerated by fixed monthly salaries. The number of Ameens to be employed in each district, and the salaries

to be allowed to them, shall be determined by the local Government, with the sanction of the Governor General of India in Council.

III. The Civil Court Ameens shall be appointed by the Judge of the district, with the sanction of the Court of Sudder Dewanee Adawlut, and the Judge shall from time to time attach them to the several Courts of the district according as the state of business may require: provided that an Ameen attached to any particular Court may, with the sanction of the Judge, be employed occasionally by any other Court.

IV. Before entering upon the duties of their office, the Civil Court Ameens shall subscribe a declaration in the following form:—

I, A. B., appointed to the office of Civil Court Ameen, solemnly declare that, in the performance of the duties of my office, I will act according to the best of my abilities and judgment, without partiality, favour, or affection; and that I will not directly or indirectly receive for my own benefit, or knowingly permit any other person to receive on my behalf, any money, effects, or property, on account of any duty which I may have to execute, except the authorised allowances of my office.

V. Subject to such general directions and restrictions as may from time to time be prescribed by the Sudder Court, the Civil Court Ameens may be employed in any of the following duties:—

1. In investigating or adjusting accounts in any suit or other judicial proceeding.

2. In making local investigations when the Court may deem investigation on the spot to be requisite and proper for the purpose of elucidating the matters in dispute, or of ascertaining the amount of mesne profits or damages, in any suit or other judicial proceeding.

3. In delivering over possession of lands, houses, and other immoveable property, in execution of decrees or orders of Court.

4. In the sale of moveable property, and of houses, gardens, and other immoveable property of the kind described in Section III. Regulation VII. 1825.

5. In ascertaining the sufficiency of sureties, and the means of persons suing *in forma pauperis*.

VI. Whenever any accounts shall be referred to a Civil Court Ameen for investigation or adjustment, the Court shall direct the parties or their agents to attend the Ameen, and shall

furnish him with such part of the proceedings and such detailed instructions as may appear necessary for his information and guidance; and the instructions shall specify whether the Ameen is merely to transmit the proceedings which he may hold on the inquiry, or also to report his own opinion on the matter referred for his investigation.

VII. Clause 1.—Whenever a local inquiry is directed, the Court shall distinctly specify the point or points to be investigated, and the

Procedure in cases of local inquiry.

Civil Court Ameen shall have power to examine, on oath or affirmation, such witnesses as may be produced to him by the parties or any of them, the parties themselves, and any other persons whom he may think proper to call upon to give evidence; and also to call for and examine documents and other papers relevant to the subject of inquiry: and persons not attending on the requisition of a Civil Court Ameen, or refusing to give their testimony or sign their depositions, or to produce any documents or other papers, shall be subject to the like penalties and punishments by order of the Court, on the report of the Ameen, as they would incur for the same offences in suits tried in Court.

Clause 2.—Having completed his proceedings, the Civil Court Ameen shall return the depositions taken by him, together with his report, in writing to the Court.

Report of the Civil Court Ameen, and return of the depositions taken by him.

The report and depositions shall be received as evidence in the case; but it shall be competent to the Court, or to the parties, or any of them, with the permission of the Court, to examine the Ameen personally in open Court touching any of the matters referred to him or mentioned in his report, or the manner in which he may have conducted his investigation.

VIII. Whenever a Civil Court Ameen may be employed on any duty connected with a pending suit, or the execution of a decree,

Expense of Civil Court Ameens how to be charged.

except the sale of property, the Court shall estimate the time which the duty may be expected to occupy, and shall charge for the expense of the Ameen such fixed rate *per diem* as may be determined by the Sudder Court. The amount shall be paid into Court by the party at whose instance or for whose benefit the Ameen is deputed, and shall be added to the costs of suit.

IX. When a Civil Court Ameen shall be employed to sell property, a deduction at the rate of one anna in the rupee shall be made from the proceeds of the sale.

When employed to sell property, deduction to be made from proceeds.

If no sale takes place by reason of the claim being satisfied, or for any other cause, a charge shall be made for the expenses of the

Expenses, if no sale takes place.

Ameen according to the time he may be employed. A deposit to meet this charge, calculated in the manner prescribed in the preceding Section, shall be made before

the Ameen is deputed, and shall be returned to the depositor if the sale takes place. All sums paid for the employment of Ameens, and all sums deducted from the proceeds of sales, shall be credited to Government.

X. Nothing contained in this Act shall be held to prohibit the Civil Courts in the North-Western Provinces of the Presidency of Fort William from making use of the agency of the Revenue Officers in investigations and adjustments of accounts connected with land paying revenue to Government, under such general directions as may from time to time be prescribed by the Sudder Court. Whenever a Tuhseeldar, a Naib Tuhseeldar, or a Peshkar, shall be employed in any such investigation or adjustment under the orders of a Civil Court, he shall possess all the powers vested in Civil Court Ameens by Section VII. of this Act; and the provisions of the said Section shall be applicable to the proceedings held by such officer.

Civil Courts in the North-Western Provinces may employ Revenue Officers in certain cases.

Notice.

Under the authority of the Mint Committee, the Mint Master hereby notifies, that, from and after the 1st of December 1856, all Gold and Silver Bullion and Coins that may be tendered to the Mint for coinage will be melted and cast into bars, by the Mint Premelting Establishment, prior to their being received or assayed, in conformity with the practice which obtains in the Calcutta Mint.

In modification of the charges for premelting Bullion laid down in the Notification published at page 671 of the Government Gazette of the year 1846,* the Mint Master begs to notify that, on the introduction here of the new or Calcutta system, a premelting charge will be levied of seven and a half Rupees per one thousand Tolas of Standard Gold, and of one Rupee per one thousand Tolas of Standard Silver, which premelting charge will be independent of the ordinary charge for seignorage.

All charges at present levied for cutting, burning, and preliminary examination, will cease on the introduction of the new system.

In order to further assimilate the practice of the Calcutta and Bombay Mints, the Mint Master begs also to notify that from the 1st of December 1856 Mint Bills will be granted on the Treasury at twenty days' sight after actual receipt and registry of any Bullion or Coins that may be tendered; the receipt and registry to date from the day on which the actual out-turn value shall be ascertained,—that is, after premelting and assay operations have been completed.

Bombay, Medical Board Office, 10th June 1856.

GENERAL DEPARTMENT.

The Right Honorable the Governor in Council has great satisfaction in drawing attention to several instances of enlightened liberality on the part of some of the most opulent and influential citizens in Ahmedabad.

2. Shett Hemabhaee Vukutchund Nuggursett, of that city, has undertaken to construct, at his own expense, a handsome Building for the accommodation of a Native Library, a Museum, and the Offices and Printing Establishment of the Guzerat Vernacular Society. He has also made over a sum of Rs. 1,800 to the Grant Medical College in Bombay, with a request that the annual Interest may be devoted to the presentation of a Gold Medal in his name to the most deserving Student in any branch of study which the Principal may select.

3. Rao Bahadoor Shett Mugunbhaee Kurumchund, in addition to his liberal endowment of Girls' Schools in Ahmedabad, has appropriated a sum of Rs. 7,000 to the endowment of Scholarships in connection with the Provincial College which it is proposed to establish at Ahmedabad.

4. Shetanee Hurkooverbaee, widow of the late Shett Hutteesingjee Kesreesingjee, has expressed her intention of erecting a new Building for the accommodation of the Girls' Schools, which she has long supported, and which she now further proposes to endow with a sum of Rs. 6,000.

5. The late Shett Hutteesingjee Kesreesingjee contemplated the erection of a Hospital for the Poor at Ahmedabad, but died before this charitable intention was carried into effect. The two widows of the Shett, however, Shetanee Hurkooverbaee and Shetanee Rookmanibaaee, with the adopted son of the latter, and a near relation of the deceased, have undertaken in the most liberal manner to fulfil the original design, and have already furnished contributions to this object which amount, with interest, to Rs. 78,000. By means of these noble donations, in aid of which the Government has been glad to contribute, a Hospital, with an Ophthalmic Ward, on the general plan of the Sir Jamsetjee Jejeebhoy Hospital in Bombay, is to be erected in the city of Ahmedabad.

6. His Lordship in Council is anxious to take this opportunity of expressing publicly the gratification with which he has received these munificent proposals, and the high sense which he entertains of the benefits which must result from such examples of generosity and public spirit. He deems that it would be premature to make more than a passing allusion at present to another large subscription for Educational purposes, which has been commenced in the same city, and already seems likely to exceed in amount even the largest of those above commemorated.

By order of the Right Hon'ble the Governor in Council,

W. HART,

Secretary to Government.

NOTICE.

As there is much injury to articles despatched under the Book Post Rules when put up in paper covers, the Officiating Director of the Post Office in India recommends that Books, Pamphlets, &c. be invariably, at all seasons of the year, covered with wax-cloth, having the ends open, but projecting sufficiently so as to admit of the wax-cloth being folded down.

2. As a precaution against miscarriage, it is recommended that the address on Books, Pamphlets, &c. be written not only on the wax-cloth covers, but also *inside the boards, or on the title-page*. The address, when written only on *flimsy paper covers, as heretofore customary*, has not unfrequently, together with the covers, been lost, or destroyed by friction while in transit by the dāk, and in consequence it has been found impossible to have such Books, Pamphlets, &c. delivered to the addressees.

3. Although every possible degree of care is taken by the Post Office, it is impossible in all cases to secure Parcels against injury from wet during the rains, except on the main lines of road, on which Mail Carts are used.

4. Under instructions from Government, Public Officers, when despatching Books on the Public Service during the rains, are directed to have them packed *in tin*, and sent by the *Banghy* in the place of the *Book Post*.

Under instructions from the Government of India, the Director General of the Post Office in India has the honour to request, that all Public Officers who may have occasion during the Rains to despatch Books on the Public Service will send them by the ordinary Banghy Post, packed in tin, and not by "Book Post" in short paper covers open at both ends.

NOTICE.

The following Rules, which, under the orders of the Government of India, have been issued for the guidance of the Officers of the Post Office, are published for general information:—

I. Letters arriving at the Presidency towns by Mail Steamers will be immediately sorted for delivery, without any reference to instructions which may have been received regarding change of address. Such changes will be left to be discovered by the Delivery Officers, and be corrected in the Forward and Unclaimed Departments of the Office.

II. A separate instruction will be required for every change of address, and no instruction will be attended to for more than three months after its receipt.

III. Under Section XXIII. of Act XVII. of 1854, Forward Postage will be charged, in addition to all other Postage due or paid thereon, upon every letter without exception which may be re-directed in any Post Office. For example, if a letter posted in Calcutta, and addressed to Hooghly, is, under instructions which may have been received from the addressee, re-directed in the Calcutta Post Office and sent to Barrackpore, Forward Postage will be charged in addition to the Postage which would have been due had the letter been despatched to Hooghly according to its original address.

IV. The practice of giving instructions to the Officers of the Post Office to intercept and re-direct letters not only imposes much labour upon them, but, in large Offices, seriously retards the delivery and despatch of the Mails. A Register of instructions regarding changes of address will be kept in every Post Office but it must be understood that it is impossible to guarantee that they shall be attended to, except in the case of letters received for delivery.

(Signed) H. B. RIDDELL,

Director General of the Post Office in India.

Camp, 7th November 1855.

NOTICE.

The present system of addressing letters in the Native languages being excessively inconvenient, and not affording in most cases the information most desired by the Post Office, viz. particulars regarding the Addressee, which has been ascertained to be a most frequent cause of the non-delivery of Native letters, the Public, and especially the Native portion of it, are recommended to omit from the superscription of their letters all compliments, and to write simply the full name of the person addressed, the name of the town or village, and the street or quarter in which he resides. These should occupy separate lines; but in all cases the name of the Post Town should be written by itself, in large characters, to prevent mis-sending and delay in sorting.

A model of address is given for guidance:—

To

Sheik Hingum,

Sahib Nazir of the Collector's Court,

Moozuffer Khan's Kuttra,

In the quarter Shahazadee Munde,

AHMEDABAD.

If the sender wishes the letter returned in the event of the Addressee not being found, he should write his own name and address on the *back*, not on the front of the letter.

Deputy Post Masters and all Subordinates are instructed to explain, and, as far as lies in their power, to induce the general adoption of the above practice.

Bombay Post Master General's Office, 3rd May 1856.

Offg. Post Master General.
