Is hereby given, that persons desirous of entering into a contract for performing the duties of WASHING and ROLLING BOTTLES, &c., of this Department, for the term of one year from the 1st day of December next, may, on application at this Office from 11 A. M. till 5 P. M. daily, (Sundays excepted,) obtain copies of the Schedule, or List of Prices, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this Office on Friday the 28th instant, at 2 P. M. precisely, when intending contractors will be required to bid a percentage above or below the prices exhibited in the above list at which they will undertake to perform the whole of the work embraced therein, on the understanding that it must be performed in a satisfactory manner, and that the materials used must be of unexceptionable quality, or of the usual description; that the work must be performed whenever ordered, free of all charges beyond the stipulated price; and that the same is liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. No person will be allowed to bid for the contract unless he previously deposits in this Office, in cash, the sum of Rupees (70) seventy, which sum will be forfeited in the event of delay, evasion, or refusal on the part of the contractor to execute the necessary deed of contract, whenever required to do so, on his offer being accepted, in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees (281) two hundred and eighty-one, which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

8. Bills for work performed under this contract must be preferred within one month from the date of the performance of the work, in default of which the contractor will forfeit the full value of the work performed for which bills have not been so preferred, unless it clearly appear to the satisfaction of the Commissary General that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractor's bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

10. Any party who, after offering for the contract, fails to furnish the necessary security, as provided for in Clause 7th of this Notice, will be interdicted from bidding on future occasions, unless he produce a certificate from individuals of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.
