FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,
the 16th January 1852.

The following Act is passed by the Hon'ble the President of the Council of India in Council, on the 16th January 1852, with the assent of the Most Noble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. III. of 1852.

An Act to amend the Law relating to Spirituous and Intoxicating Liquors, Drugs, and Preparations within the Territories subordinate to the Presidency of Bombay.

Whereas Chapters XI. and XII. of Regulation XXI. of 1827 of the Bombay Code have been found to be difficult of application in some parts of the territories subordinate to the Presidency of Bombay, owing to local and peculiar causes, It is enacted as follows:

I. The Governor of Bombay in Council may introduce into any part of the said territories such arrangements for the assessment and collection of the revenue derivable from the manufacture and retail sale of spirits, as local circumstances in each case, in the judgment of the said Governor in Council, may require, the same not being inconsistent or incompatible with the provisions of this Act.

II. The licences mentioned in Section LVIII. Clause 1, Regulation XXI. of 1827 of the Bombay Code may be granted by the Collector at his discretion for the manufacture of spirits at any place within his Collectorate, whether a sudder distillery be there established or not.

III. It shall not be imperative on the Collector to accept the highest offer for the farm of the Abkaree duties under Section LX. Clause 2, Regulation XXI. of 1827 of the said Code, but the Collector shall be at liberty to use his discretion as to the tender he will accept under the general instructions of Government.

IV. No person shall directly or indirectly retail in the said territories spirits, however or wheresoever manufactured, except under the authority of a licence from the Collector, to be granted in the form of Appendix 1. to the said Regulation XXI. of 1827; or in such form, and after payment of such fee, as Government may from time to time appoint.

V. Spirits may be manufactured in the said territories for exportation, or removal under a licence from

the Collector, but not otherwise; and such licence, when granted, shall specify the spirit so authorized to be manufactured, the place at which, and the period for which, the manufacture may be carried on, and that the same is permitted for the purpose of removal or exportation only.

VI. Spirits manufactured under the last Section shall not exceed the strength which may, from time to time, be declared by public notification in each district, and shall be liable to the payment of such duty as the Governor in Council shall, from time to time, impose. Liquor found to exceed the prescribed standard shall be liable to double duty, or confiscation, at the discretion of the Collector.

VII. Spirits manufactured under the fifth Section of this Act, shall not be removed from the place of manufacture, except under a pass from the Collector, certifying the payment of the aforesaid duty, and specifying the name of the person exporting or removing the same, the quantity of spirits, their destination, the route by which they are to be conveyed, and the dates from and to which the pass shall be in force, which pass shall exempt the spirits lawfully removed under it from the payment of any further duty in their progress through the same territories, excepting always such import or Customs duty, if any, as may be payable at the place of their destination under any Act or Regulation now or hereafter to be in force.

VIII. The Collector may place such establishments on the premises where the manufacture of spirits for exportation or removal is permitted, and may adopt such other precautions as may be necessary to give effect to the provisions of this Act having reference thereto.

IX. Spirits imported by land from any part of the territories of the East India Company, whether subordinate to the Government of Bombay or not, into any other part of the said territories subordinate to the said Government, shall be liable on importation to the same rate of duty under the same circumstances and rules as are provided in Section XX. of Act No. I. of 1852, for amending the Customs laws of the Bombay Presidency with respect to spirits imported by sea.

X. It shall not be lawful in any part of the territories subject to the Government of Bombay to manufacture or prepare for sale, or sell directly or indirectly, any intoxicating drugs or materials, or any intoxicating drink or preparation manufactured from Bhang, Ganja, Grain, Opium, or other materials, of what nature or description soever, except under a licence from the Collector of the zillah, and it shall be competent to the Collector to refuse, or to recall such licence whenever he shall deem it expedient, and every such licence when granted shall specify the name of the drug, material, drink, or preparation so authorized to be manufactured or sold, the place or district of manufacture or sale, and the length of time for which such licence is to run, and any other terms or conditions which the Governor of Bombay in Council may, from time to time, deem it expedient to require, and such fees shall be demanded, from time to time, on the grant of such licences, as the said Governor in Council may sanction.

XI. It shall not be lawful to mix any noxious drug or material in, or by other process to adulterate spirits manufactured under the provisions of the said Regulation XXI. of 1827, or of this Act.

XII. All persons offending against, or aiding others in offending directly or indirectly, against any of the provisions of this Act, or committing a breach of any of the conditions of a licence to be granted under this Act, or obstructing Officers or others in the execution of their duties connected with any of its provisions, shall be punished by fine not exceeding Rupees five hundred, to be commuted, in default of payment, to imprisonment not exceeding six months; and any person having in his possession intoxicating

drinks or preparations manufactured contrary to the provisions of this Act, or for which he is unable satisfactorily to account, shall be deemed to be possessed of them illegally, and shall be subject to the penalties above specified.

XIII. The powers conferred on the Collector by Chapter XIII. of the said Regulation XXI. of 1827, shall extend and be applicable to the provisions of this Act, so far as the same are capable of being so applied.

XIV. The Collector shall have full powers to seize and destroy all unlicensed liquor, preparations, drugs, or materials, and all unlicensed stills, and to sell the same, if deemed expedient, on behalf of Government.

XV. The duties, powers, and authorities hereby vested in the Collector shall devolve upon, and may be lawfully exercised by the Officer specially appointed under Section LV. of the said Regulation XXI. of 1827, for the purposes herein mentioned.

XVI. The powers vested in the Collectors of Land Revenue by Chapter XIII. of the said Regulation XXI. of 1827, and by Sections XII., XIII., and XIV. of this Act, may be exercised by Mamludars and Mahalkurrees; provided always, that those Officers shall not be authorized to adjudge any fine exceeding Rupees fifteen in amount, commutable, in default of payment, to twenty days' imprisonment; and provided further, that any order passed by a Mamludar or Mahalkurree in virtue of this Act shall be subject to appeal to the Collector or his Assistants, within one month from its date, and that no suit for damages shall be instituted in a Civil Court by persons deeming themselves aggrieved by any proceeding of a Mamludar or Mahalkurree under the authority of this Act, unless they shall first have made an appeal to the Collector or his Assistants.

XVII. FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,
the 30th January 1852.

The following Act, passed by the Governor General of India in Council on the 30th January 1852, is hereby promulgated for general information.

Act No. VI. of 1852.

An Act for defraying the Cost of a Light-House on Pedra Branca.

Whereas it has been deemed expedient, for the safety and guidance of Ships navigating the China Seas, to build a Light-House on the Island Rock called Pedra Branca, situated at the Eastern entrance of the Straits of Singapore; and whereas certain sums of money were subscribed by private individuals for that purpose, but the same were insufficient to defray the expense of building such Light-House; And whereas the East India Company agreed to build such Light-House, and to advance certain sums of money to complete the same, on condition that the said sums of money were repaid to them by the levy of a toll on Ships and other square-rigged vessels entering the harbour of Singapore; And whereas the said Light-House has been built by the East India Company, and it is desirable that the expense of building the same, and of maintaining a Light thereon, should be defrayed out of the monies arising from such toll; And whereas it may hereafter be deemed expedient to establish other Lights or Beacons in the Straits of Malacca, or elsewhere near thereto, It is enacted as follows :

I. The Light-House on Pedra Branca aforesaid shall be called "The Horsburgh Light-House," and the said Light-House, and the appurtenances thereunto belonging, or occupied for the purposes thereof, and all the fixtures, apparatus, and furniture belonging thereto, shall become the property of, and absolutely vest in the East India Company and their successors.

II. From the first day of March 1852, every Ship, being of the burden of fifty tons and upwards, which shall arrive at, or enter the harbour or roadstead of Singapore, from any part of the world, shall pay a toll of three cents, of a dollar per ton for every ton of her registered burden or tonnage; Provided always that no Ship shall pay such toll more than once in every six calendar months.

III. All Ships of War belonging to Her Britannic Majesty, or any Foreign Government or State, and all armed Ships belonging to the East India Company, shall be exempt from the payment of such toll.

IV. The management and control of the said "Horsburgh Light-House," and of the keeper thereof, and of everything relating thereto, is hereby vested in the Governor of the Straits Settlements.

V. The said Governor may appoint any person he may think fit to be a Collector of the tolls payable under this Act.

VI. Out of the funds raised by such tolls, an efficient Light shall be constantly kept up and exhibited during the night-time in and from the said Light-House, and the surplus monies arising from such tolls, after deducting the expense of maintaining such Light as aforesaid, shall, from time to time, be paid over to the said East India Company, in liquidation of the monies they have advanced towards the erection and completion of the said Light-House, and the apparatus and furniture thereof.

VII. The toll to be levied under this Act shall become due and payable immediately on the arrival of every Ship liable thereto within the harbour or roadstead of Singapore; and immediately on the arrival of any such Ship within the said harbour or roadstead, the Collector appointed under this Act shall demand, or cause to be demanded, from the master or other person in command of such Ship, payment of the toll of three cents, of a dollar per ton for every ton of the registered burden or tonnage of such Ship, and if the same be not paid within two days after such demand made as aforesaid, or if at any time after the arrival of such Ship as aforesaid the said Collector shall have cause to suspect, or believe, that such Ship will immediately leave the said harbour or roadstead, without

paying such toll, it shall be lawful for any Justice of the Peace, upon an affidavit to that effect being made before him on oath by such Collector (which oath the said Justice is hereby authorized to administer), to issue his Warrant under his hand, directed to any Peace Officer of Singapore aforesaid, to enter on board such Ship, and to seize and carry away any of the goods, merchandize, guns, tackle, apparel, or furniture of or belonging to or on board such Ship, and to keep the same for the space of three days then next, unless the said toll shall be in the mean time paid; and in case the amount of the toll due by such Ship shall not be before the expiration of such three days have been paid, then the said Collector may cause the said goods, merchandize, guns, tackle, apparel, or furniture so seized to be sold, and out of the proceeds of such sale shall pay the amount of the said toll to which such Ship shall be liable, together with the reasonable charges of the seizure, detention, and sale, rendering to the master or owner, or other person having the command of such Ship, the overplus (if any) on demand.

VIII. The Officer of Government whose duty it shall be to grant a Port-clearance for any Ships clearing out of or leaving the port of Singapore aforesaid, shall refuse to grant such Port-clearance to any Ship until the owner, agent, master, or other person in command of such Ship, shall produce a certificate from the Collector appointed under this Act, that such Ship has paid the amount of toll to which she is liable under this Act.

IX. Notwithstanding anything in this Act contained, the said Collector appointed under this Act may sue for and recover the amount of any tolls payable to him under this Act, by action of debt or suit in equity in any of Her Majesty's Courts in India, against the owner, or master, or other person who, at the time of default made in the payment of such toll, owned or had the command of any Ship liable thereto.

X. In order to ascertain the exact burden or tonnage of any Ship liable to pay the toll leviable under this Act, the Collector appointed under this Act may apply to any Justice of the Peace to require, and such Justice of the Peace shall thereupon summon and require the owner, master, or other person in command of such Ship, or any person having possession of the same, to produce the register of such Ship for the inspection of such Justice, and upon the refusal or neglect of any such owner, master, or person, to produce such register, it shall be lawful for such Justice to adjudge such owner, master, or person, to pay a fine not exceeding one hundred dollars, and, in default of payment, to be imprisoned in Her Majesty's Gaol for any period not exceeding two calendar months.

XI. When and so soon as the monies to be advanced by the said East India Company towards the erection and completion of the said Light-House shall have been fully repaid and liquidated in manner herein provided for, it shall be competent for the Governor of the Straits Settlements to build, or cause to be built, one or more other lights or beacons for the safety and guidance of Ships in such part or parts of the Straits of Malacca, or near thereto, as shall be deemed expedient, and the cost thereof, and of maintaining the same, and of keeping up and exhibiting a light or lights therefrom, shall be defrayed out of the surplus monies arising from the toll payable under this Act, after defraying the current expenses of maintaining the "Horsburgh Light-House" aforesaid.

XII. Nothing in this Act contained shall be construed to authorize the levy of a toll upon any Ship passing through the Straits of Singapore and not entering the said harbour or roadstead of Singapore aforesaid.

XIII. The word "Ship" throughout this Act mentioned shall be held to mean and include a Schooner, Cutter, Brig, Brigantine, Barque, Junk, Steam-boat, and every other vessel, as well as a Ship;

and words importing the singular number only shall include the plural number, and words importing the plural number only shall include also the singular number, and words importing the masculine gender shall extend to females, unless there be something in the subject or context repugnant to such construction.

IV. If the said special duty is not paid on importation, the Tobacco or Ganza shall be warehoused in a bonded warehouse, and the importer shall pay such special duty on the said Tobacco or Ganza, on its removal from the warehouse for consumption.

V. The Collector and Officers of Customs shall have all the same powers and authorities for collecting and enforcing payment of the said duties, in addition to the powers and authorities specified in this Act, as they now have or shall have in respect of the duties on any other customizable articles.

XI. It shall not be lawful for any person to sell or offer for sale by retail any Tobacco or Ganza within the Islands of Bombay and Colaba, without a licence for that purpose under the hand and seal of the Collector of Customs, or other licensing Officer specially appointed by the Bombay Government, and the licence may be in the form of Schedule B to this Act annexed, or to the like effect, and shall be in force for a period of twelve calendar months from the date thereof, unless earlier withdrawn or cancelled by the licensing Officer, and for every such licence the Collector of Customs, or other licensing Officer, shall receive on account of Government a fee of one rupee.

XII. Every person applying for the renewal of any licence for the retail sale of Tobacco or Ganza shall give notice of such application at least ten days before the expiration of his existing licence, and on failing to give such notice he shall, previous to the renewal of his licence, pay to the licensing Officer, on account of Government, the sum of Rupees twenty.

XVI. It shall be lawful for the Collector of Customs, or other licensing Officer, at his discretion, to refuse to grant or renew any licence for the retail sale of Tobacco or Ganza to any party applying for the same, or, on giving three months' notice, to withdraw any such licence from the holder thereof, without stating any reason for such refusal or withdrawal.

XVII. It shall be lawful for the Collector of Customs, or other licensing Officer, to issue a special warrant under his hand and seal, authorizing any public Officer to enter any building or place of deposit in which Tobacco or Ganza may be deposited under the provisions of this Act, or in which such Collector of Customs, or other licensing Officer, has been credibly informed that such Tobacco or Ganza has been and is deposited, contrary to the provisions of this Act; and for such purpose such public Officer shall have power, if necessary, to break open any doors, drawers, or other place or receptacle, or supposed receptacle, and to examine and weigh any Tobacco or Ganza therein found, and to seize, remove, and take away from thence any Tobacco or Ganza or other articles subject to confiscation under this Act, and to detain the same until the case has been adjudicated on, as hereinafter provided.

Notice

Is hereby given, that Verbal Offers will be received at this Office, at 12 o'clock, on Friday the 12th proximo, for the supply of Hospital Provisions to this Department, for two years, from the 1st April next. A List of the articles may be seen, and all necessary information connected therewith obtained, at this Office, any day from 10 to 5 o'clock, Sundays excepted.

The List in question exhibits the current selling rate of each article in Company's Rupees. Every person coming forward will be required to bid for the supply of all articles in the List, at a per-centage above or below the said rates, as the case may be, and on the understanding that the articles are to be delivered, free of any expense beyond the stipulated price, in the first instance at the Commissariat Stores, and afterwards to the Departments requiring them, either at Poona or Kirkee.

No person will be permitted to bid for the Contract who has not previously deposited in this Office the sum of Company's Rupees (245) two hundred and forty-five, which will be forfeited in the event of delay, evasion, or refusal to execute the necessary Deed of Contract, should his offer be accepted; and in case of such acceptance he must be prepared to furnish approved bonded Security to the further amount of Company's Rupees (980) nine hundred and eighty, which, together with the above-mentioned deposit, will be held as guarantee for the due fulfilment of every part of the Contract.

The Contractor must comply with all demands without delay or demur; the articles must be of unexceptionable quality, and of the description generally used by the Departments requiring them: if not approved of by the Commissariat Executive Officer, or Indenting Officers, they will be rejected, and others purchased, wherever procurable, at his risk and loss; and in all such cases the Contractor will be liable to be fined (50) fifty Rupees, or (30) thirty per cent. on the amount of expenses so incurred, at the option of the Executive Commissariat Officer; but, if dissatisfied with the decision of the above Officers, or either of them, the Contractor may claim to have the rejected articles examined by a Committee of Officers, whose decision shall be final.

The annual outlay on account of the above Contract is estimated at about Company's Rupees (4865) four thousand eight hundred and sixty-five.

Sums retrenched by the Military Board will be recovered from the first Bills subsequently presented for payment by the Contractor; if such retrenchments are afterwards remitted, the amount will be refunded.

Any person who, after offering for the Contract, fails to furnish the necessary Security, will be interdicted from bidding on future occasions, unless he produces a certificate from individuals of unexceptionable character, and sufficient means, binding themselves to stand security for the due execution and fulfilment of the proposed Contract.

No reason will be assigned for the rejection of any offer.
