NORTHERN LIGHTHOUSES.

NOTICE TO MARINERS.

**WHALSEY SKERRIES, SHETLAND.—
TEMPORARY LIGHTHOUSE.**

The Commissioners of Northern Lighthouses hereby give notice, that they are at present engaged in erecting a Lighthouse on the OUTSKERRIES of WHALSEY, on the Eastern Coast of the SHETLAND ISLES, and that, until the completion of the permanent Lighthouse, a Light will be shown from a temporary Tower, and will be exhibited for the first time on the night of Friday the 15th September, and every night thereafter, from the going away of day-light in the evening, till the return of day-light in the morning.

The following is a specification of the Light-house, and the appearance of the Light, by Mr. David Stevenson, Engineer to the Commissioners :—

The Lighthouse is situated on the Eastern part of the Island of Gruna, in N. Lat. 60° 25' 24", and W. Long. 0° 44' 20", the Bound Skerry of Whalsey bearing from the Lighthouse about E. by Compass. The outer or seaward extremity of the Bound Skerry is about half a mile or thereby from the site of the Lighthouse, so that Vessels in rounding the Light must give it a wide berth.

The Whalsey Light will be known to Mariners as a Revolving Light, which shows a Bright White Light once in every minute.

The temporary Light will be exhibited from a Tower of Timber Frame-work, and is elevated

about 108 feet above the level of high-water of ordinary Spring-tides, and may be seen at the distance of about 16 nautical miles, and at lesser distances according to the state of the atmosphere. To a near observer, in favourable circumstances, the Light will not wholly disappear between the intervals of greatest brightness.

The Commissioners further give notice, that by Order in Council dated the 3rd day of July las, the following Tolls are authorised to be levied in respect of the said Lighthouse, viz :—

“ For every vessel belonging to the United Kingdom (the same not belonging to Her Majesty, her heirs or successors, nor being navigated wholly in ballast), and for every foreign vessel privileged to enter the ports of the United Kingdom upon paying the same duties of tonnage as are payable by British vessels, which may pass or derive benefit from the Light, the toll of two-sixteenths of a penny per ton of the burthen of every such vessel for every time of passing or deriving benefit therefrom, if on a coasting voyage.

“ For each time of passing or deriving benefit on an oversea voyage, one penny per ton for every such vessel.

“ For every foreign vessel not navigated wholly in ballast, and not privileged in manner before specified, double the respective tolls above set forth.

“ Which tolls are liable to the following abatements on payment :—for a coasting voyage, ten per cent. ; for an oversea voyage, twenty-five per cent.”

By Order of the Board,

Secretary.

Legislative Council.

11th November 1854.

The following Act, passed by the Legislative Council, received the assent of the Most Noble the Governor General of India on the 11th of November 1854, and is hereby promulgated for general information :—

ACT No. XXVI. OF 1854.

An Act for making better Provision for the Education of Male Minors subject to the Superintendence of the Court of Wards.

Whereas the existing laws are found insufficient to ensure the proper education of male minors subject to the superintendence of the Court of Wards, and it is expedient to make further and better provision for the education of such persons, It is enacted as follows :—

I. The general superintendence and control of the education of every male minor, whose property has been or shall be brought under the management of the Court of Wards, in and for any part of the Presidency of Port William, by virtue of any Act or Regulation which now is or hereafter shall be in force, is hereby vested in the Collector of Revenue, acting under the said Court of Wards, in the zillah or district wherein such minor's estate is situate; or if such minor is possessed of immovable property in different districts, in such one of the Collectors of Revenue of such districts as the said Court of Wards shall select.

II. It shall be lawful for every Collector of Revenue, in whom the superintendence of the education of any minor is vested by this Act, to direct that such minor shall reside, either with or without his guardian, at the sudder station of the district, or at any other place within the said Presidency, and shall attend for the purposes of education, such school or college as to the said Collector may seem expedient; and to make such provision as may be necessary for the proper care and suitable maintenance of the said minor whilst attending such school or college.

III. If it shall appear to place any such minor at a school or college, he shall, if the proceeds of the estate are sufficient for that purpose, cause such minor to be educated by a private tutor, properly qualified, either at the family residence of such minor, or at the sudder station or elsewhere within the said Presidency; and in that case also, the Collector shall have power to determine from time to time the place of residence of such minor, and to make such provision as may be necessary for his proper tuition and maintenance during the period of his education.

IV. All charges and expenses which may be incurred on account of any male minor ward under the provisions of this Act for college or school fees or for other charges of tuition or education, or by reason of his residence in any place other than his own home or otherwise, shall be defrayed from the profits of his estate in the same manner as other expenses incurred under the authority or with the sanction of the Court of Wards.

V. It shall be lawful for the Court of Wards, on the application of a Collector, to remove from office any guardian who shall neglect or refuse to obey, or shall evade compliance with any orders passed, or direc-

tions given by such Collector under the provisions of this Act, and to cause a new guardian to be appointed in his place, whether the person so removed shall have been first invested with the guardianship of the minor upon the nomination of a Collector acting under the Court of Wards, or by a testamentary appointment confirmed by the Court of Wards, and if in any such case the guardian to be removed shall be also the manager of the minor's estate, it shall be lawful for the Court of Wards, at its discretion, either to remove him from both the said offices, or to continue him in that of manager only.

VI. The guardian so removed shall, notwithstanding his removal, continue liable to account to the Collector for his receipts and disbursements during the period of his guardianship; and every guardian appointed in the place of a guardian so removed, shall be chosen in the same way, and shall have the same rights and powers, and be subject to the same responsibilities as persons originally appointed to be guardians of minors by a Collector of Revenue acting under the Court of Wards.

VII. The right of the custody of the person of any male minor, whose property is under the management of the Court of Wards, is hereby vested in the person appointed with the sanction of the Court of Wards, either originally or upon the removal of a former guardian, to be the guardian of such minor, or in the absence of any such person, in the Collector of Revenue having the superintendence of the education of such minor under the provisions of this Act.

VIII. All orders and proceedings of a Collector under the provisions of this Act shall be subject to the revision of the Court of Wards, and every person aggrieved by any such order or proceeding may prefer an appeal therefrom to the Commissioner of Revenue acting as a Court of Wards in and for the division to which such Collector belongs.

Notice

Is hereby given, that persons desirous of entering into contracts for supplying GRAM, FORAGE, COUNTRY MEDICINES, &c. as may be required by the Commissariat Department at Kolapoor for the use of the Gun Draught Bullocks attached to the Artillery, and Country Medicines, &c. for the use of the different Hospitals at this Station, from 1st January to 31st December 1855, may, on application at this Office from 10 A. M. to 5 P. M. daily (Sundays excepted), obtain a list of prices and such information relating thereto as they may require, as per lists below stated :—

List No. 1, Gram, Forage, &c.

List No. 2, Country Medicines, &c.

2. Verbal offers for the contracts will be received at this Office, on the 22nd December 1854, at 12 o'clock, when bidders will be required to bid a per-centage above or below the prices exhibited in the above lists at which the supplies will be made, on the understanding that the Gram, &c. must be of unexceptionable quality, of the description usually furnished to this Department, and to be delivered daily, free of all expenses beyond the stipulated price, into the Commissariat Stores or at the Lines of the Gun Draught Bullocks, and the Country Medicines, &c. to the different Hospitals at this Station, or as may be ordered. If any Gram tendered is considered objectionable by the executive Native Commissariat Agent, or indenting Officers, and the same is not immediately exchanged by the contractor, the required quantity will be purchased and supplied by this Department without delay, at his risk and cost, and in all such cases thirty (30) per cent. upon the amount of the expenses incurred, or a fine of Rupees fifty (50), at the option of the executive Commissariat Agent, will be levied as liquidated damages for each and every such breach of contract, it being understood that the simple condemnation of any quality of Gram or other articles, &c. by a Committee constitutes a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled at the discretion of the commissary General, and that, if the contract be so cancelled, the cash deposit below mentioned will be forfeited to Government.

4. Biddings for the contracts will be in Company's Rupees. No person will be permitted to bid who has not previously deposited one hundred and forty-five (145) Rupees for the Gram Contract No. 1, and Rupees fifty (50) for the Hospital Contract No. 2, which sums will be forfeited in the event of delay, evasion, or refusal on the part of the bidders to execute the necessary deed of contract when

required to do so, in the event of their offers being accepted. Bonded security to the further amount of Company's Rupees, viz :—

For Gram Contract No. 1, Co.'s Rs. 600

No reason will be stated for rejecting any securities offered.

5. Bills for articles supplied under these Contracts must be preferred within one month from the date of delivery of the articles, in default of which the contractor will forfeit the value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

6. It is further to be understood that the contractor, or an accredited agent on his part approved of by the executive Commissariat Agent, is to attend at this Office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the executive Commissariat Agent, when he may consider it desirable for the public service to require such attendance.

7. Sums retrenched by the Military Board will be recovered from the first bills subsequently presented for payment by the contractors; if such retrenchments are eventually remitted, the amount will be refunded to them.

8. Any person who after offering for the contract fails to furnish the necessary security, as provided for in the 4th clause of this Notice, will be interdicted from bidding on future occasions, unless he produces a document from some person or persons of unexceptionable character for the performance of the contract.

9. The annual outlay on the above contracts is estimated at—

Schedule No. 2, „ 1,186-4-4

10. No reason will be assigned for the rejection of any offer.
