GENERAL DEPARTMENT.

Bombay Castle, 2nd September 1896.

No. 3877.—The following addition which it is proposed to make to Rule 12 of the rules published in Government Notification No. 1877, dated the 21st May 1894, printed at pages 457 to 459 of the *Bombay Government Gazette* of the 24th idem, Part I, is published for the information of persons interested, that is to say,—

“Provided that if in any case a boiler be inspected more than twice before a certificate is issued, the fees leviable in the aggregate for such inspections shall not exceed twice the fee chargeable for the inspections immediately preceding the grant of a certificate.”

2. Notice is hereby given that the foregoing draft will, with any suggestions or objections relating thereto which may be received before the 1st October 1896, be taken into consideration on or after the said date.

No. 3880.—The following General Order by the Government of India, No. 972, dated 28th ultimo, is republished:—

“CANTONMENTS.

REGULATIONS.

No. 972.—The following draft of certain rules, which it is proposed to make for the cantonment of Kirkee in exercise of the powers conferred by section 26, clauses (13) and (20), and section 27 of the Cantonments Act (XIII of 1889), is hereby published, as required by the said Act, for the information of all persons likely to be affected thereby, and notice is hereby given that the draft will be taken into consideration by the Governor-General in Council after the 29th September 1896.

2. Any objection or suggestion which may be received from any person with respect to the draft before the date aforesaid will be considered by the Governor-General in Council.

Draft Rules.

1. The Cantonment Authority may, by notice in writing,—

(1) require any person having control, whether as grantee, owner or occupier, of any land or building—

(a) to close any offensive cesspool belonging to the land or building, or

(b) to provide a receptacle (of a pattern, if any, approved by the Cantonment Authority) for filth accumulating on or in the land or building, or

(c) to keep in a cleanly condition (in such manner, if any, as may be prescribed by the notice) any receptacle provided for such filth, or

(d) to prevent the water of any private latrine, urinal, sink or bath-room, or any other offensive matter, from soaking, draining, flowing or being put from the land or building upon any road or public place or into any watercourse or into any drain not intended for the purpose; or

(2) require the owner or other person having the control of any private latrine or urinal not to put the same to public use; or,

(3) if any plan for the construction of private latrines or urinals has been approved by the Cantonment Authority,—

(e) require any person repairing or constructing a private latrine or urinal not to allow the same to be used until it has been inspected by or under the direction of the Cantonment Magistrate and approved by him as conforming with such plan, or

(f) require any person having the control of a private latrine or urinal to rebuild or alter the same in accordance with such plan:

Provided that, on the application of any person to whom a notice under clause (e) or clause (f) of this rule is addressed, a copy of the approved plan shall be given to him by the Cantonment Magistrate free of charge; or

(4) require the owner or other person having the control of any private latrine or urinal which, in the opinion of the Cantonment Authority, creates a nuisance, to remove the latrine or urinal, and to substitute fresh earth, to such a depth, not exceeding two feet, as may be specified in the notice, for the earth on which the latrine or urinal stood; or

(5) require any person having control, whether as grantee, owner or occupier, of any land or building,—

(g) to have any latrine provided for the same shut out by a sufficient roof and wall or fence from the view of persons passing by or dwelling or working in the neighbourhood, or

(h) to cleanse with deodorants any latrine or urinal belonging to the land or building; or

(6) require any persons having control, whether as grantees, owners or occupiers, of any lands or buildings, who have allowed any offensive matter or rubbish to accumulate or remain thereon or therein, to collect the same and deposit it for removal by the public conservancy establishments, at such times and in such receptacles or places as may be specified in the notice:

Provided that no person shall be required to deposit any offensive matter or rubbish in any receptacle or place situate at a greater distance than one hundred and fifty feet from the nearest boundary of his premises; or,

(7) where any land or building is situate within one hundred feet of a public drain or of some other place set apart for the discharge of drainage, and the drains belonging to such land or building are, in the opinion of the Cantonment Authority, insufficient, require

any person having control of the land or building, whether as grantee or owner, or, in the case of neighbouring lands or buildings, the several grantees or owners having control of the lands or buildings, conjointly,

to provide sufficient drainage within fifteen days from the service of the notice; or

(8) require any person to desist from making Making or altering a private drain leading into a public drain. or altering any drain leading into a public drain;

Altering, etc., public drain, or neglecting to provide culvert, or keeping insufficient culvert.

(9) require any person who is creating or likely to create a nuisance by—

(j) altering, obstructing or encroaching upon a public drain, or

(k) altering any path leading to his premises or any culvert under such path so as to obstruct the flow of water in or into any public drain, or

(l) impeding the flow of water owing to the absence or insufficiency of any culvert or watercourse which he has undertaken to construct or is by law liable to construct or maintain,

to desist therefrom; or

(10) require any person who is constructing or laying a drain to obey any directions which the Cantonment Authority may, on the advice of the Executive Engineer, think fit to give in order to ensure the completion of the work to its satisfaction; or

(11) require any person or persons, being the owner or owners, and having control, of any drain or drains to provide and apply to the same within ten days from the service of the notice such covering as may be specified in the notice; or

Cleansing, etc., of private drain. (12) require any person having the control of a drain,

within a period to be specified in the notice, to remove any obstruction from the drain, or to cleanse, purify, repair or alter the drain, or otherwise to put the same in good order.

2. Whoever fails to comply with any notice issued under rule 1 shall be punishable with fine which may extend to fifty rupees, and, in case of a continuing failure, with an additional fine which may extend to five rupees for every day after the date of the first conviction on which the failure is proved to have been persisted in;

and, if any person required by any such notice to perform any act fails to perform it, the Cantonment Authority may cause the Act to be performed and recover the cost from him.

No. 89.—The following Notice to Mariners is published for general information:—

“INDIA—WEST COAST.

KARÁ'CHI HARBOUR.

Lighting of Outer Buoys and discontinuation of lighting of Leading Marks.

With reference to Notice to Mariners No 71, dated 16th June and published in the *Bombay Government Gazette* of 18th June 1896, information has been received from the Port Officer,

Karachi, dated 15th instant, that from the 15th August 1896 the outer buoys will be lighted and the lighting of the leading marks will be discontinued.

The leading marks will only be lighted when it is impossible to light the outer buoys.”

Bombay Castle, 26th August 1896.

No. 91.—The following Notice to Mariners is published for general information:—

“INDIA—BAY OF BENGAL—EAST COAST.

Position of Oyster Island Light-house.

Information having been received from the Officer Commanding R. I. M. S. ‘Dalhousie,’ dated 7th instant, that the position of the Oyster Island Light-house given in the list of light-houses and light vessels in British India, including those in the Gulf of Aden, as existing at the end of 1895, is doubtful, the following position given in the Admiralty List of Lights of 1896 is to be accepted until further notice:

Latitude ...	20° 12' 00" N
Longitude ...	92° 33' 00" E.

Oyster Island is a bank of sand standing on a rock foundation and the whole of the surrounding reefs are solid rock.

The shape and the extent of the reef is incorrectly shown on the Chart No. 821. Heavy breakers were observed during recent bad weather extending 1½ miles to the northward of the light-house and subsequent soundings revealed four fathoms (irregular bottom) 1½ miles N. 17° W. from the light-house.

No. 94.—In accordance with Rule 8 of the rules prescribed in the Notification by the Government of India in the Department of Finance and Commerce No. 16, dated 1st January 1889, republished in the *Bombay Government Gazette* of the 10th idem, under No. 116, dated 9th idem, Financial Department, His Excellency the Governor in Council is pleased to publish the following application from the Karáchi Port Trust for permission to raise a loan of Rs. 13 lákhs under the provisions of the Local Authorities Loans Act, 1879 :—

“ No. P. T. of 1896.
3415-A

From

THE CHAIRMAN, KARÁCHI PORT TRUST ;

To

THE COMMISSIONER IN SIND,
Karáchi.

Port Trust Office.

Karáchi, 29th June 1896.

SIR,

I have the honour to request, on behalf of the Trustees of the Port of Karáchi, the sanction of Government to the raising of a loan of Rs. 13 lákhs only under Government of India Notification No. 16, dated 1st January 1889, under Act XI of 1879, the Local Authorities Loan Act, published at page 38 of the *Sind Official Gazette* of the 17th of January 1889, for the appliances and works detailed in the accompanying statement, which gives the particulars required by Rule 5 of the rules relating to loans so raised.

2. A memorandum is attached, from which it will be seen that the financial position of the Trust would warrant the Board in applying for permission to take up the loan.

3. The Board would ask that the earliest consideration possible may be accorded to their application, because, owing to the price of Government paper, they are advised that the present time is advantageous for financing the loan.

I have the honour to be,

Sir,

Your most obedient Servant,

(Signed) R. GILES,

Chairman, Karáchi Port Trust.

Statement showing particulars pursuant to Rule 5 of the rules published by the Government of India for the raising of loans by Local Authorities.

I. The Loan is required for the following works :—

1. Hopper Dredger	Rs. 6,65,000
2. Hopper Barge	50,000
3. Enlarging Channel and reclamation connected therewith	2,09,500
4. Deepening Entrance Channel	1,37,000
5. Duplicate Engines and new Boilers for Merewether Pier and Erskine Wharf	1,35,000
6. Central Station at Keamari	20,400
7. Completing Import Yard	76,600
8. Completing Keamari Village (reclamation)	6,500

Rs. 13,00,000

II. The amount which it is proposed to borrow is Rs. 13 lákhs.

III. It is proposed to borrow the said sum on the security of the general revenues of the Karáchi Port Trust, aggregating over Rs. 7,93,000 on the average of the three years ending 1894-95, as per Statement A, hereto annexed.

IV. The laws under which fees are levied, received or held, are Bombay Act VI of 1886 and Act X of 1889.

V. The loan is required for a period not exceeding 30 (thirty) years. It is proposed to raise the loan in instalments as under, *viz.* :—

7 lákhs in 1896. 6 lákhs in 1897.

Tenderers paying up in full will receive interest from date of allotment. Interest will run from date of allotment and will be paid half-yearly at four per cent. per annum (Rs. 26,000 + Rs. 26,000) =

Rs. 52,000 per annum, and a sum of Rs. 27,325 will be set aside annually as a Sinking Fund, which with interest accumulations will pay off the whole loan in 30 years.

VI. The yearly proceeds of each separate source of income are shown in Statement A, hereto annexed.

VII. The expenditure incurred by the Trust in each of the three years (1892-93, 1893-94, 1894-95) is shown in Statement B, hereto annexed.

VIII. All existing prior charges upon the funds of the Trust are shown in Statement C, hereto annexed.

(Signed) R. GILES,
Chairman, Karáchi Port Trust.

Memorandum.

The Trustees of the Port of Karáchi in their application for a loan of 13 lákhs have detailed the works for which the loan is required, and have shown that the Interest and Sinking Fund will amount annually to—

Interest	Rs. 52,000
and Sinking Fund (3 per cent. investments)	„ 27,325
	<u>Rs. 79,325</u>

Taking the income and expenditure for the three years ending 31st March 1895 (the accounts for 1895-96 not being completed and audited), the figures show as under—

	Receipts.	Expenditure.
1892-93	Rs. 6,46,573	Rs. 6,82,345
1893-94	„ 8,58,827	„ 7,00,065
1894-95	„ 8,73,703	„ 7,44,217
	<u>Rs. 23,79,103</u>	<u>Rs. 21,26,627</u>

leaving a surplus of Rs. 2,52,476, or an average net surplus for three years of Rs. 84,159.

It will be noticed that the year 1892-93 shows a deficit, which is exceptional, and consequently the average is reduced. If instead of taking the figures for three years, as required by the rules, the figures for 1891-92 were included, the average net revenue for four years would show a surplus of Rs. 1,26,685, or Rs. 42,200 excess, equal to a difference of 50 per cent.

The net surplus revenue of the Trust, taking the figures for the three years only, is...	Rs. 84,159
Add estimated net revenue from 20 lákhs loan works—	
(1) Export Sheds	„ 24,000
(2) Import Yard	„ 20,000
(3) Cranage, James Wharf	„ 5,000
Extra revenue expected from increased taxation	„ 75,000
	<u>Making a total of—Rs. 2,08,159</u>

Against which must be placed the Interest and Sinking Fund for

20 lákhs loan	Rs. 1,23,250
13 „ „	„ 79,325
	<u>Rs. 2,02,575</u>

Leaving a surplus of Rs. 5,584

The prospective revenue from and expenditure on works under both 20 lákhs and 13 lákhs loans have been taken into consideration in preparing these estimates, so as to arrive at a correct estimate of the present financial position of the Trust.

The extra taxation proposed to be levied is the outcome of a suggestion of a Sub-Committee, and the Board (*vide* Resolution No. 5, dated 31-5-95) asked Messrs. Thöle and Couper to ascertain the views of the Chamber as to the feasibility of raising the rates on exports.

These gentlemen reported that the Chamber proposed an extra 2 annas per ton on wheat and seeds, which taking the exports of these at the low estimate of 400,000 tons per annum, would yield Rs. 50,000 additional revenue, and a further Rs. 25,000 could be raised by increasing the charges on cotton, wool, hides and skins, and on imports of coal and timber. This was approved by the Board, and it was decided to give the Chamber a year's notice and to levy the extra charges from the 1st January 1897. The sanction of Government will be obtained in due course.

(Signed) R. GILES,
Chairman, Karáchi Port Trust.
