No. 3995.—The following Rule is added to the present official rules, and is published for general information:—

‘Correspondence sent by a Local Fund officer, or by any Government officer, acting in a capacity connected with a Local Fund, such as President or Secretary of a Local Fund Committee, is not official correspondence within the meaning of these rules, and may not be superscribed as on Her Majesty’s Service.

‘Service stamps may not be sold to Local Fund officers or to Government officers in capacities connected with Local Funds; and the frank of such officers will not be recognized in support of service stamps.

Simla, the 17th October 1879.

Read again—

Pay and Allowances Proceedings, Nos. 199-222 of 1879.

RESOLUTION.—From these Proceedings it appears to be an occasional practice in the Madras Presidency for the Government to make daily allowances to Public Officers for the provision of accommodation for their offices and records.

2. The Governor General in Council considers that, subject to proper restrictions, this practice may be, sometimes, economical and convenient.

3. Accordingly, Local Governments and Administrations are authorised to grant allowances for the provision of office accommodation at their discretion upon the following conditions and restrictions, which shall apply as well in the Madras Presidency as elsewhere:—

I.—If separate accommodation is provided, the allowance shall not exceed the actual rent paid for such accommodation.

II.—If the officer provides accommodation for the office in his own house, the allowance shall not exceed half the rent paid by the officer if he rents the house, or half the proper rent of the house if it is his own property.

III.—The allowance shall not exceed—

(i) any general or special departmental limit which is or may be prescribed by authority; or

(ii) what is ascertained in the Public Works Department to be a proper proportion of the rent of the house jointly occupied, with reference—

(1) to the share of the accommodation occupied;

(2) to the injury to the house as a private residence from its partial occupation as a public office.

IV.—Except in the Forest Department, all grants for office accommodation being in substitution for charges which must otherwise fall upon Provincial Revenues, shall be recorded as office rent and charged to the Provincial Government.

Regulations relating to passages and messing on board ship.

I.—OFFICERS.

1.—PASSAGES.

(a.) *Of Officers.*

1. Officers will be entitled to passages at the public expense:—

- (a) if proceeding to serve upon the general or departmental staff at a Foreign station, including Her Majesty's East India possessions, or returning therefrom in consequence of reduction or removal; or if proceeding to a Foreign station with, or upon the first appointment of, the General Officer to whose personal staff they belong, or returning in consequence of such General Officer ceasing to hold his appointment, provided such appointment be not that of a Civil Colonial Governor;
- (b) if attached to, and ordered to proceed with their regiments, or in charge of detachments of their regiments;
- (c) if proceeding to fill up vacancies occasioned by death, by promotion, by augmentation, by appointment to any of the Departments of the Army, or by selection, on public grounds, for Adjutancies of Auxiliary Forces, by resignation, by dismissal, or by the exchange, removal, or retirement of officers who have returned home on account of ill health, who have been ordered home on duty, or who have served two years at the dépôts of their regiments;
- (d) if ordered by competent authority to proceed upon Courts-martial or upon any other special public duty, or if returning after the performance of such public duty;
- (e) if returning home in consequence of promotion, or of being placed on retired full-pay, or on permanent half-pay, for length of service, with the exceptions enumerated in paragraph 6; provided that the passage is taken within six months of the date of being placed on the non-effective list;
- (f) if ordered home for Instruction at the Military Educational Establishments, or to join the dépôts of their regiments in their regular tour of duty, and actually joining such dépôts;

- (g) if returning home on leave on account of ill health upon the report and recommendation of a medical board, or if returning to their stations after the expiration of such leave;
- (h) if ordered to do duty with detachments on board ship on the expiration of leave of absence on private affairs;
- (i) if doing duty for two years with the regimental dépôt after leave of absence on private affairs, and being then ordered to rejoin their regiment.

4. If the passages to which officers are entitled as set forth in the preceding paragraphs cannot be provided on board a vessel of war, troopship, transport, or other Government vessel, or a freight ship or contract steam vessel, passage-money will be issued according to the actual expense incurred by the Officer (less the usual contribution for messing for the average period of such voyage) not exceeding the rates for ordinary first class cabin accommodation, to be shown by a certificate signed by the owners or agents of the vessel in which the passage is taken.

5. When, under special circumstances, an officer is allowed for his own convenience to receive a passage allowance, he will be paid the actual expense he incurs, less messing contribution, for the average duration of the voyage, provided the net amount does not exceed the cost to the public by the route by which he would have proceeded if ordered a passage in the usual course.

6. Officers are not entitled to passages at the public expense—

- (a) on transfer, except in the ordinary course of the service;
- (b) if exchanging with other officers for their mutual convenience;
- (c) if coming home on their own private affairs; or if returning to their stations on the expiration of their leave of absence upon private affairs; or on promotion during such leave;
- (d) if returning home on resignation;
- (e) if returning home in consequence of removal for misconduct; or of dismissal by the sentence of Court-martial.

7. If, however, in the last-mentioned instances [paragraph 6 (e)], the officer commanding the troops should be satisfied of the inability of an Officer removed or dismissed from the service, to provide his own passage, he may use his discretion in ordering a passage for him at the public expense, a report of every such case being made to the Secretary of State.

8. Officers returning home from a Foreign station on leave for their private affairs will be required to sign the declaration prescribed by the regulations, section 13, paragraph 19, Queen's Regulations and Orders for the Army, 1873, as revised by General Order 23 of 1877. An officer serving with his regiment abroad who voluntarily retires from the Army after less than 25 years' service under Articles 94, 95, 96, 99, 100, 101,

104, 106, 108, 112, 123, 126, 161 (a), 161 (b), or 161 (c), of the Royal Warrant of the 1st May 1878 (Revised Army Regulations, Vol. I.), will be liable to defray the cost of his own passage home, and of that of the officer who may be detailed for duty and sent out to the Service companies in succession to him.

9. An officer returning from abroad on his private affairs will be liable to pay the expense of the passage of the officer proceeding in his succession to the station from which he has returned, if—

(a) he retires from the service (except on the completion of 25 years' full-pay service), or exchanges to another regiment, or to half-pay, or is seconded in his regiment (except as an Adjutant of the Auxiliary Forces);

(b) he is transferred to the Militia under Article 95 of the Royal Warrant of the 1st May 1878 (Revised Army Regulations, Vol. I.).

10. An officer compulsorily retired on account of age, or an officer compulsorily removed from his regiment to half-pay, under Articles 127 to 129 and 131 of the Royal Warrant of 1st May 1878, or retiring on a pension on the completion of the service necessitating his being so removed, or an officer of more than 25 years' full-pay service, will not be liable to pay the expense of his own passage or that of the officer proceeding in his succession.

11. An officer who has come Home from a Foreign station on private leave, and has completed two years service with the Depôt will not be liable to defray the cost of the passage of the officer proceeding in his succession.

12. Officers will be liable to defray the cost of the passages of the officers sent out in their succession—

(a) if retiring from the service and receiving the value of their commissions (unless they have served 25 years on full-pay);

(b) if transferred otherwise than in the ordinary course of the service, at their own request;

(c) if seconded to take up a civil appointment when at a Foreign station; and

(d) if resigning before the expiration of their period of Staff Service.

(b) *Of Officers' Wives and Children.*

13. General Officers and Departmental Officers having the relative rank of General Officers, will be allowed free passages for their wives and children; also Brigadier-Generals when proceeding to, or returning from, the command of a brigade. This regulation will not be applicable in the case of an officer quitting a Foreign station on promotion to the rank of Major-General.

* * *

15. Married officers doing duty with troops on board ship will be entitled to free cabin accommodation for their wives and children, if permitted to accompany the officers. Otherwise, if accommodation not required for the public service can be provided without cost to the public in a vessel belonging to, or wholly freighted or chartered

by, the Government, the wife and children of an officer accompanying him when he is not doing duty with troops, will be allowed free cabin accommodation. This indulgence, however, is under no circumstances to be given to the exclusion of those entitled to passages at the public expense.

16. Free passages will not be granted to General and other officers' sons who are above 16 years of age, * * * unless they are suffering from any bodily or mental infirmity. All such cases will be submitted to the Secretary of State for special consideration. The unmarried daughters dependent on, and residing with, their fathers will be granted free passage, without regard to age.

17. Officers, who have been promoted from the ranks while serving at a foreign station, will be allowed free passages for their wives and children [limited in regard to age as in paragraph 16] on the first voyage performed on public duty after such promotion.

18. The wives of General Officers and Departmental Officers ranking as such, who may be prevented by illness from accompanying their husbands, will be allowed passages at the public expense at a subsequent date; provided the claim for such passages be preferred within six months of the date of the officer's embarkation.

19. Officers authorized to proceed in private vessels, whether to or from foreign stations or between one foreign station and another, will be required to pay to the owners before embarkation the cost of the passages of their wives and families when the latter are not entitled to conveyance at the public expense.

(c) *Of Officers' Servants.*

20. A General Officer will be permitted to embark three servants at the public expense. In the case of a General Officer proceeding to India, he will be permitted to embark one male servant only, and, if accompanied by his wife, one female servant in addition, at the public expense.

* * *

26. Regimental Officers having brevet rank will be entitled to passage for their servants according to their substantive rank only.

27. If female instead of male servants are embarked with married officers when accompanied by their wives, the extra expense (if any) will be charged to the officers.

* * *

30. The permission to embark servants will in all cases be contingent on the claims of the officers themselves to free passages, and no expense will be allowed for servants unless they are embarked under proper authority, and actually accompany them.

31. Passages to India will not be provided at the public expense for the male servants of officers below the rank of General Officer; but all married officers above the rank of subaltern embarking for India with their wives and children will be allowed passage for one female servant.

(d). For Officers' Horses.

32. Staff and Departmental Officers, and Regimental Officers, entitled Horses: by their substantive rank to draw Forage or Forage Allowance will, when proceeding on permanent duty, to or from Foreign Stations (with the exception of India, China, and the Straits Settlements, Ceylon, Mauritius, or the Cape of Good Hope) and intercolonially, under circumstances which entitle them to free passages, be allowed conveyance by sea at the public expense for the regulated number of horses actually required for the performance of their duties, both at the station they are leaving and that to which they are proceeding.

(e) General Regulations.

33. Any special case connected with the provision of a passage which is not distinctly provided for in the foregoing Regulations, will be immediately reported for the consideration and decision of the Secretary of State.

34. When officers ordered to proceed from one Foreign Station to another cannot be provided with direct passages, care will be taken not to send them on or allow them to take passages to an intermediate port, until every precaution which circumstances or the nature of the service will admit, shall have been used to guard against their detention being unnecessarily prolonged at such intermediate port or ports.

2.—MESSING ON BOARD SHIP.

(a) Rates of Messing Contributions.

35. When Officers are provided with passage, including messing, at the public expense, they will be liable on account thereof to the following deductions from their pay:—

General Officers, Brigadier-Generals, and Officers of relative Army rank	5s. 6d. a-day.
All other Officers	2s. a-day.

These rates will not include any payment on account of wine or beer, and officers who elect to consume the mess liquors, should they be placed on the tables of Her Majesty's troop-ships, will be required to pay for them to the Paymaster at the rate of 1s. 6d. per diem. Should mess liquors not be placed on the table, payment is to be made for the actual quantities supplied to each passenger.

36. In no case will wine or beer be included as part of the messing provided at the public expense for officers on passage, and they will be required to pay on board for what they may consume.

37. Officers whose wives and families are entitled to passage at the public expense will be required to pay for their messing according to the following daily scale:—

	s.	d.
Ladies over 16 years	5	0
Children, 7 to 16 years	3	4
" 1 to 7 "	2	6
" under 1 year		Free.

38. When an officer who is not entitled to passage at the public expense for his wife and children is permitted to take them with him when ordered to proceed by sea, he must, before disembarkation, defray the whole cost of their messing.

39. An officer, who is not entitled to passage at the public expense, but is allowed spare accommodation in one of Her Majesty's ships, a commissioned troopship, or a transport, will be liable to defray the whole cost of his messing before disembarkation.

40. Upon all occasions of an officer who is not entitled to passage at the public expense for his wife and children being permitted to take them with him when ordered to proceed by sea, the officer must himself defray the whole cost of their messing before disembarkation.

41. When the rates of passage for male and female servants are the same, 9d. a-day only will be charged for the messing of female servants.

42. When an officer entitled to two servants takes only one female servant and the rate of passage for her exceeds that of a male servant, but is not more than that of two male servants, then messing will be charged at 2s. a-day.

43. When the cost of passage for a female servant exceeds that of a male servant, and the officer is entitled to conveyance for one servant only at the public expense, then the officer will be charged the difference of such cost and 9d. a-day messing contribution.

44. Officers will be charged for the rations of their native servants on board ship half the daily stoppage paid on account of European servants, viz., 4½d. instead of 9d. This rate is applicable only to passages between ports in India, China and Ceylon.

(b) Mode of recovering Messing Contributions.

45. The settlement for Messing Stoppages to which officers receiving passages at the public expense may be liable will be exclusively effected at the termination of the voyage, no deduction being made from the pay advanced on embarkation. The settlement for the messing stoppages of their wives and families will be effected on board ship before disembarkation, if proceeding in Her Majesty's ships, troopships, or transports; otherwise the amount due will be paid to and credited by the Paymaster or Agent by whom the messing stoppages for the officer are accounted for.

46. At the termination of the voyage homeward or coast-wise in the United Kingdom if in Her Majesty's ships, the Paymaster or Agent from whom the officer receives his pay will credit in his public accounts the amount of messing contribution which shall be shown to be due from the officer by the messing certificate to be produced by him.

47. In the case of officers going abroad or proceeding intercolonially, the Messing Stoppages will be recovered by the Paymaster of their regiment at the station at the termination of the voyage, although the officer may be in the payment of the Agent. If there be no Paymaster of the Corps to which the officer belongs at the station, the messing stoppages will be paid to the District Paymaster.

48. Officers and others about to embark on board ship are to take care to provide themselves with the prescribed form of Messing Certificate (W. O. Form 321 or 323), and before they go on

shore to complete the form or cause it to be completed in every particular, including the signature of the Paymaster or Master of the vessel, and of the Officer Commanding the Troops, or of the officer himself where there is no Commanding Officer.

49. In the event of Officers omitting to obtain the proper Messing Certificate, the Paymaster or other Accountant will immediately recover from the Officer the regulated stoppage for the full number of days for which advanced pay is allowed for the voyage by Royal Warrant, unless the voyage is known by the Accountant to have exceeded on this occasion such period of advance; in which case the stoppages will be made for the full period actually occupied by the voyage. This settlement will be without appeal.

50. The number of days which are to be calculated for the purpose of payment on account of messing contribution commences with that on which the first dinner meal is provided on board and ends with that on which the last dinner meal is provided on board.
