POST OFFICE NOTIFICATIONS.

Changes of Address.—All communications on the subject should be made to the **POST MASTER** of Bombay, or other **POST MASTERS**, and not to the **POST MASTER GENERAL**. The name of the **Post Town** to which letters will be found addressed should be stated in the application.

Re-direction of Overland Letters.—Hitherto the Bombay Post Office has, as a favour, attended to instructions from the Public for the interception and re-direction of Overland Letters addressed to stations beyond Bombay.

2. The introduction of Sorting the Overland Mails on board Steamers between Suez and Bombay has necessitated the abandonment of this system, as time does not allow of the necessary intimation to Sea Sorters, who are also otherwise fully employed, and letters reach Bombay ready packeted for the interior.

3. Requests to intercept or redirect Overland Letters are therefore not attended to by the Bombay Post Office. Those expecting a change of residence, are recommended to have their letters consigned to some Agent in Bombay.

Complaints from Residents of Bombay requiring redress as to surcharge of postage, mis-sending, or delay in the delivery of letters, &c., should be made to the Post Master, accompanied by the envelopes of the letters referred to.

Similar complaints in the Mofussil should be made to the Inspecting Post Master of the Division, also accompanied by the envelope.

An appeal against the decision of the Post Master of Bombay, or of the Inspecting Post Master, can always be made to the Post Master General.

Overland Mails.—The Overland Mails per P. and O. Company's Steam Packets leave Bombay every Tuesday at 5 P.M. during the monsoon months, *i. e.*, commencing on the 25th May and ending on the 14th September, after which Saturday will be the day of departure at the same hour.

The Mails close at the General Post Office at 2 P.M.

The After Packet at 3 P.M.

After-Packet Letters are not forwarded unless an 8-anna stamp is affixed to the letter in addition to the postage.

Registered Letters are received until 1 P.M.

The latest hour for posting Overland Covers at the several Branch Post Offices is 1 P.M.

Late Letters for the Overland Mails.—Independently of the After-Packet which is kept open at the General Post Office till 3 P.M., late letters for the English Mail will be taken at the Pier Post Office from 2 P.M., and as late as 4-30 P.M. The full postage, including the usual fee of 8 annas, must be prepaid on each cover.

Registered letters will be received until 6 P.M. of the previous day.

Mail between Calcutta, the Straits, and Hongkong.—It is hereby notified for general information that under arrangements made with the owners of the Opium Steamers, which will ply monthly between Calcutta, the Straits, and Hongkong, these Steamers will in future be closed as Indian Mail Packets, and that Letters, Newspapers, and Packets of Newspapers, Books, or Patterns will be forwarded by them from Calcutta for the Straits and Hongkong under the same conditions, and at the same rates, as similar articles forwarded by British Mail Packets [Peninsular and Oriental Company]. This arrangement will commence with the first Opium Steamer which leaves Calcutta in April.

2. These Steamers leave Calcutta about 12 days more or less after each Government Opium Sale; the advertised dates of the Opium Sales for the current year (1869) being as follows:—

April 8th.	September 9th.
May 6th.	October 4th.
June 7th.	November 5th.
July 7th.	December 6th.
August 9th.	

3. Mails for the United States of America, via Hongkong, can be forwarded by these Steamers at the same rates and under the same conditions as by British Packets.

4. The Opium Steamers proceed from Calcutta direct to the Straits and thence to Hongkong, and the time of transit from Calcutta to Hongkong is only about 15 days, that is about 7 days less than the time taken by the British Packets [Peninsular and Oriental Company], which proceed by the more circuitous route of Madras and Galle.

Banghy Parcels.—As a precaution against damage by wet, the public are recommended to secure by outer wax-cloth coverings all parcels or book packets posted in the monsoon.

Postage Stamps cut from Envelopes or Notepaper not to be recognized in payment of Postage.—The Governor General in Council is pleased, under Section 36 of Act XIV. of 1866, to order that Postage Stamps, impressed on Envelopes or Notepaper, shall not be recognized in payment of postage when cut or otherwise detached from the envelopes or paper on which they were impressed.

Rules for the treatment of official correspondence.—From the 1st of July 1869, the following Rules for the treatment of official correspondence will come into operation, superseding the Rules passed in the Home Department under date the 4th May 1866, No. 567.

A—PRIVILEGED OFFICES.

2. The Public Offices enumerated in the annexed list, will be privileged to send and receive (without actual payment of postage) all letters and packets *bonâ fide* and exclusively on Her Majesty's Service. The Post Office will keep an account of the postage due on the official correspondence of each privileged office, in the manner described under Section G.

Official covers despatched from a privileged office.

3. Official covers despatched from a privileged office must be properly tied up, faced and enclosed in a bag sealed with the seal of the office.

Paid.	<i>On H. M.'s Service only.</i>
To	THE SECRETARY TO THE GOVT. OF INDIA, FINANCIAL DEPT., A. B., CALCUTTA. <i>Registrar, Home Department.</i>

4. Each cover must be endorsed and addressed according to the specimen form given in the margin, under the full signature (autograph or stamp) of the Head Clerk, or some other principal officer of the establishment.

5. Official covers, which it may be inconvenient for a privileged office to send to the Post Office in the official bag, should be pre-paid by service stamps, unless addressed to a privileged office, in which case they may be posted under Rule 9.

At the Presidency towns and other places where there is a separately organized local post for the receipt and delivery of letters at frequent intervals during the day, it may often be convenient for privileged offices to post local letters in a neighbouring pillar-box, instead of sending them to the Post Office in an official bag, and in such cases this rule ought to be availed of.

Official covers delivered to a privileged office.

6. Official covers will be delivered to a privileged office enclosed in the official bag and sealed and sent out with the ordinary delivery, or given to the messenger of the office, should one be in attendance.

7. For rules relating to supplementary postage accounts in respect of privileged officers proceeding on tour and in certain other cases, see Section D, and for rules relative to the adjustment of postage accounts, see Section G.

B—OFFICES NOT PRIVILEGED.

8. Offices not privileged consist of those Government offices which are not included in the list, and do not therefore enjoy the privilege referred to in Rule 2.

Official covers despatched from offices not privileged, to the address of privileged offices.

9. Official covers despatched from an office not privileged to the address of a privileged office must be endorsed and addressed according to the specimen form given in the margin, under the full signature and official designation of the person by whom they are despatched. The address must include the full official designation of the office to which the cover is directed.

Covers so addressed will be regarded by the Post Office as private letters, but will be charged on delivery with bearing postage at "forward" (*i. e.*, pre-paid) rates, and not at double rates. Under this head come replies sent to communications of the kind noted on the margin, as well as any other communications of a like kind which Government Officers may make to individuals (whether private persons or Government Officers) relating to the private interest of the addressees.

This rule is intended to provide for cases of zemindars reporting the occurrence of crime to a Police Officer; of employers of labourers sending returns required by the Protector; of aided schools forwarding returns required by a Government Inspector; and of any similar reports or returns required by Government for its own purposes from private individuals, societies, associations, or institutions.

<i>(Address to be entered.)</i>	

13. In cases where it is not thought advisable to entrust postage stamps to a subordinate official who has to correspond with, or send returns to, a superior (not being a privileged officer); he may be allowed by his superior to address official covers to him under the above rule: and the same course may be adopted in other cases where it is found convenient or proper to make the postage charge fall on the receiving office (*vide* rule 23, clause 3).

D—SUPPLEMENTARY POSTAGE ACCOUNT BOOKS FOR PRIVILEGED OFFICERS WHEN ON TOUR, AND FOR CERTAIN OTHER CASES.

14. Privileged officers proceeding on tour will be supplied by the Post Office at their head quarters, with a supplementary postage account book, which must be presented by the traveller at any Post Office where the privilege of sending and receiving official covers, without actual payment of postage, may be claimed. The book will be left with the Post Master of the place during the stay of the officer on tour, and taken back on his departure; the entries made therein being totalled by the Post Office before it is returned. At the close of each calendar month, the officer on tour must take out from the book the leaf relating to the month, and forward it to the Post Office at his head quarters, for incorporation in the regular account; and on his return to his head quarters, the book must be at once sent to the Post Office in view to the incorporation in the regular account of any remaining entries of the supplementary book.

15. If a privileged officer goes on tour without a supplementary postage account book, or if, having one, he does not present it at the Post Office, he cannot enjoy the privilege of sending and receiving covers without actual payment of postage, but he may in such case post covers under the rules prescribed for officers not privileged.

16. For a Governor or Lieutenant Governor proceeding on tour, the same rules apply, except when a Camp Post Office is organized. In that case the Camp Post Office will keep the postage account, forwarding monthly returns to the Head Quarter Post Office.

17. A District Officer (see definition of the term in the list, entry No. 23) may obtain from the Post Office at his head quarters supplementary postage account books for the use of Assistants or Deputies stationed in the interior of the district and in charge of Sub-Divisions, the Post Master who supplies such books being informed of the designation and locality of the subordinate office for which each is required. These books, when supplied to Sub-Divisional Officers, will be placed by them in the Post Office where they desire to enjoy the privilege, and will entitle them to send and receive official covers just as if they were privileged officers. At the close of each calendar month the Sub-Divisional Officer will obtain from the Post Office the leaf containing the entries for that month, totalled by the Post Master, and will forward it to his superior (the District Officer). The District Officer, after collecting all the returns from his Sub-Divisional Officers, will forward them to the Post Master at the head quarter station with an abstract showing the total for each Sub-Divisional Office, and in doing so he will be expected to examine the accounts, and take notice of any apparent abuse of the privilege, as well as to discontinue the arrangement in any case where the amount of correspondence is not sufficient to render it necessary.

18. Similarly, District Superintendents of Police may obtain supplementary postage account books for the use of Assistant Superintendents stationed in the interior of the district.

E.—SPECIAL RULES FOR SPECIAL DEPARTMENTS.

* e. g.,—

Telegraph Department.
 Indo-European Telegraph Department.
 Registration Department.
 Management of Estates under the Court of Wards.
 Money Order Agency.
 Paper Currency Department.
 Cotton Frauds' Department, Bombay.
 Government Printing Establishment.
 Port Funds.
 Municipalities.
 Small Cause Courts, at the Presidency.
 Agencies for the distribution and sale of Books.
 Agencies for laying Palkee Daks for Travellers.
 Newspaper Agencies, such as the Punjab *Sirkaree Akhbar*.
 Emigration Department, local.
 Ditto ditto foreign.
 Unconvenanted Civil Service Examination Department, Madras.
 Military Funds.
 Local Fund Committees, &c.
 British Administrations of Native States of which the general expenditure does not form a charge against the Imperial Revenues, Committees, &c.

19.—There are some Government Departments* the accounts of which it is desirable to keep separate, either because the expenditure does not form a charge on the general revenues of the country, or because there is a special object in seeing how far they are really self-supporting.

20. In so far as these departments are worked by a separate agency, it will only be necessary to bear in mind that all letters or packets sent from such special offices as are not privileged should be pre-paid by ordinary stamps, and that such special offices as are privileged should adjust their accounts by actual payment either in cash or by transfer in account.

21. But many of these departments are not worked wholly by a separate agency. Government officials, holding various offices in the country, may be appointed to be also Money Order Agents, District Officers may act as local Registrars of Assurances, or as Presidents or Secretaries of Local Fund Committees, or as managers of Estates under the Court of Wards; the Master Attendant or Superintendent of Marine may manage the affairs of a Port Fund; the Director of Public Instruction, or Members of his office or staff, may manage a book-selling agency, or a Newspaper like the Punjab *Sirkaree Akhbar*; and Government Officers of various positions may be also connected in various ways with other local Institutions.

22. In these and similar cases, care must be taken by Government Officers not to mix up the postage charges which they may incur on account of such work with the postage charges appertaining to their substantive offices, whether the latter be paid in the form of service stamps, or in account with the Post Office; and the best way to avoid such mixing up of accounts is to pre-pay communications which may be sent by them in virtue of their association with such special departments by ordinary postage stamps, charging the cost to the special department concerned.

23. In some cases the object may be attained more easily, as for example—

- (1).—A District Officer, who is also a local Registrar, when sending returns, &c., by post to the Registrar General (whose office is in the privileged list), should send the covers as from an unprivileged office under Rule 9, taking care, if his own office is a privileged one, not to send such covers in his official bag, and not to endorse them with the word 'paid' as prescribed in Rule 4. By this means the postage will be charged by the Post Office in account with the Registrar General.
- (2).—A Sub-Registrar of Assurances addressing the District Registrar may send the cover 'service bearing' under Rule 13. By this means the District Registrar will be made to pay for the cover in cash on delivery.
- (3).—A Civil Court forwarding memoranda of decrees to a Registration Office should send them 'service bearing' under Rule 13, the Registration Office paying for them on delivery. By this means the Registration Department to which the registration fee is credited is made to pay the postage.

24. The heads of all departments of the kind referred to in this section must arrange for the proper incidence of postage charges in accordance with the foregoing directions.

F.—MISCELLANEOUS.

25. All official covers conveyed by General Post, even within the limits of one district, will be subject to the above rules: the exemption of the official correspondence of local officers within the limits of their respective districts being withdrawn, so far as concerns conveyance by the General Post, from the date on which these rules come into operation.

26. Judicial processes issued by Courts, communications made by Military committees for the adjustment of the estates of deceased officers, and all correspondence of a like character which Government officers may carry on, should either be sent 'bearing' or pre-paid by means of ordinary postage stamps, the postage being charged to or realized from the parties interested.

27. Commanding Officers have been authorized by Government to pre-pay, by means of ordinary postage stamps, *urzees* from sepoys respecting their estates in Oude, and the replies to such *urzees* should be sent 'service bearing' under Rule 11, the postage charged being paid by the Commanding officer.

28. Money Order Advices, when sent open at the ends, and with the words 'Money Order Advice' printed on the outside are not chargeable with any postage, owing to an arrangement which has been made under which postage will be paid by the Central Office at the rate of $\frac{1}{2}$ anna for each Money Order Advice issued throughout the country.

29. Complaints against the Post Office, certified as such under the full signature and address of the sender, and addressed to any officer of the Postal Department, are not chargeable with any postage.

30. Official communications addressed to Government Offices 'On H. M.'s Service' under Rules 4, 9, or 10, or 'service bearing' under Rules 12 or 13, are not liable to additional postage on account of re-direction.

31. Government Officers are bound to receive and pay any postage which may be due on covers addressed to them under the superscription—'On H. M.'s service' or 'service bearing.' If the charge of postage results from any irregularity or omission on the part of the sender, his fault should be represented to the proper authority.

32. Service postage labels can be purchased at any Government Treasury by public officers requiring them, but Treasury Officers are enjoined not to sell them to private individuals, societies, associations, or institutions, or to the officers of any of the special departments mentioned under Section E.

33. The penalty for a false certificate on any article sent by post is a fine not exceeding Rs. 500 (Section 43 of the Post Office Act of 1866).

34. Covers posted by a privileged office under Rule 4, but without the word "paid" will be treated as if posted by an unprivileged office, *i. e.*, charged in the account of the receiving office if it be privileged, and charged with postage at pre-paid rates if addressed otherwise than to a privileged office. Covers sent by an unprivileged office under Rule 10, but without service stamps, will be charged with postage on delivery at pre-paid rates, and if the stamps affixed be insufficient, the deficiency will be charged. Any other irregularity or incompleteness of the address or superscription, whether under Rules 4, 9, 10, 11, 12, or 13, will render the cover liable to be treated as an ordinary unpaid cover.

35. Government Officers when on leave, and those who have retired from service of Government can correspond only as private individuals.

36. The limits of weight and size in respect of official letters or packets, are the same as those* prescribed for ordinary packets; a cover exceeding those limits can only be forwarded as a banghy parcel, and must either be pre-paid by ordinary postage stamps by the sender, or paid for in cash by the addressee. Receipts for such banghy parcels when presented ready written will be returned stamped with the Post Office stamp. Service banghy parcels forwarded bearing postage, will be accompanied on delivery with a separate receipt for the amount due, which will be given to the addressee on payment. The receipts so given may be used by public offices as vouchers in support of payments made. Service banghy parcels are exempted from the rule requiring them to be packed in wax-cloth or tin, and sealed at intervals along the lines of sewing, but they must be securely packed.

* Not to exceed 200 tolas in weight, or one and half foot in length, or one foot in breadth or depth.

G.—POSTAGE ACCOUNTS OF PRIVILEGED OFFICES.

37. Official covers despatched by a privileged office and marked 'paid' will be charged in its account. Each day's despatches will be weighed in bulk, and the weight entered in a book, fractions of a tolah being reckoned as a full tolah. The total weight at the close of each month will be charged for at the rate of $1\frac{1}{2}$ anna per tolah, fractions of an anna being reckoned as a full anna.

38. Official covers delivered to a privileged office (except those which have been forwarded as 'paid' from a privileged office or on which postage is separately chargeable under Rules 12, 13, 34 or 36) will be charged in its account on the same principle in respect of entry, weightment, and assessment as above.

39. The postage accounts of privileged offices will be adjusted in such way as may from time to time be ordered by Government. All privileged offices belonging to the special departments referred to in Section E must adjust their accounts by actual payment either in cash or by transfer in account.

40. In order to afford to public offices the means of checking the postage accounts kept against them in the Post Office, reasonable opportunity will be given, under the orders of the Post Master General, for the inspection of the Post Office account by an officer deputed for the purpose from any public office.

H.—OFFICIAL CORRESPONDENCE WITH PLACES ABROAD, OR BETWEEN INDIAN POST OFFICES WHEN CONVEYED BY BRITISH OR FRENCH MAIL PACKETS.

41. The rules contained in the preceding sections relate exclusively to official inland correspondence, *i. e.*, correspondence conveyed between one Indian Post Office and another by H. M.'s Indian Post.

42. Official correspondence with places abroad or between Indian Post Offices when conveyed by British or French mail packets (*e. g.*, between Calcutta and Madras or between Bombay and Aden) is governed by the same rules as ordinary private correspondence, and neither service stamps nor official franks will be recognised for such correspondence.

43. The only exception to the preceding rule has reference to official correspondence sent by British packet to or from the 'India Office, London,' which has a special account for overland postage with the London Post Office. Official covers intended for the India Office, London, need not be prepaid if superscribed as on H. M.'s service under the full signature and official designation of the sender.
