PREFACE.

SINCE 1879, when Messrs. E. T. Atkinson and H. C. Conybeare published the Gazetteer of Budaun, the district has changed in many respects so that the former volume has become in a large measure obsolete. The most notable event was the reassessment of the land revenue by Mr. J. S. Meston, whose Settlement Report is a mine of valuable information. In expressing my obligation to him, I must not omit to mention the help I have received from other officers, foremost among them being Mr. J. R. Pearson, who has supplied me with many useful notes and spared no pains in correcting the proofs.
