A Wandering Student in the Far East

BY

THE EARL OF RONALDSHAY, M.P.

AUTHOR OF 'SPORT AND POLITICS UNDER AN EASTERN SKY,'
AND 'ON THE OUTSKIRTS OF EMPIRE IN ASIA'

"He (Dr Johnson) talked with an uncommon animation of travelling into distant countries; that the mind was enlarged by it, and that an acquisition of dignity of character was derived from it. He expressed a particular enthusiasm with respect to visiting the wall of China."—*Boswell's Life of Samuel Johnson.*
