DESPATCHES TO ENGLAND

1727-1733

MADRAS

PRINTED BY THE SUPERINTENDENT, GOVERNMENT PRESS

1929

PREFATORY NOTE

The following pages cover the period from 1727 to 1733 in the series 'Despatches to England' and the letters are printed in the order in which they appear in the sixth, eighth and ninth volumes. The India Office had the kindness to supply type scripts from their 'Coast and Bay Abstracts' to fill up the gaps in this period caused by the damaged condition of the whole of the seventh and portions of the eighth and ninth volumes.

2. The manuscript volumes have been mended in this office and are, with the exception of the seventh, in a fair state of preservation.

EGMORE,
1st June 1929.

A. V. VENKATARAMA AYYAR,
Curator, Madras Record Office.
