AUTHOR'S NOTE

IN the preparation of this work the writer received material assistance from Mr. John S. MacLean, correspondent of the *Toronto Globe* at Montreal, who spent many laborious hours in examining the files of the French papers in the Library of the Fraser Institute. He is likewise indebted to Mr. W. H. Dickson, *The Globe's* resident correspondent at Ottawa, for similar useful and necessary work in the Library of Parliament. He has also to thank Mr. John A. Ewan of *The Globe's* editorial staff, and Mr. A. H. U. Colquhoun, former chief editor of the *Toronto Empire*, for books and pamphlets loaned from their private libraries. He is further indebted to Mr. Colquhoun for the preparation of the Index; and under obligation to Mr. Avern Pardoe, Librarian of the Legislative Assembly at Toronto, and the officials of the Toronto Public Library for access to newspaper files, blue books, and parliamentary papers.

It can hardly be necessary to add that Sir Wilfrid Laurier had nothing to do with the preparation of these volumes, and has no responsibility for the material collected by the writer, for the manner of its presentation, or for the opinions expressed.
