## PREFATORY NOTE

---

This volume contains despatches from Fort St. George to the Company during the period 1743—1746 and they are printed in the order in which they are found in the 13th, 14th and 15th volumes of the series "Despatches to England". The gaps in this period have been filled up by the extracts supplied by the courtesy of the India Office from their "Coast and Bay Abstracts".

The manuscript volumes have been mended in this office and are in a fair state of preservation.

EGMORE,  
31st July 1931.

P. MACQUEEN,  
*Curator, Madras Record Office.*
