M A D R A S

PRINTED BY THE SUPERINTENDENT, GOVERNMENT PRESS

1929

PREFATORY NOTE

This volume contains the letters received from England during the period 1696-1699, and these are printed in the order in which they are found in the Manuscript Volume II of "Despatches from England." In cases where the letters in the original volume were damaged, the India Office had the kindness to supply transcripts from their Letter Book.

The sheets in the Manuscript Volume, which were brittle and torn, have been carefully mended.
