

CENSUS OF THE BOMBAY PRESIDENCY,  
1872.

---

GENERAL REPORT

AND

TABLES

OF THE

POPULATION, HOUSES, &c.

ENUMERATED IN

THE BOMBAY PRESIDENCY

ON THE 21<sup>ST</sup> FEBRUARY 1872.

---

PART II.

---

Bombay:  
PRINTED AT THE GOVERNMENT CENTRAL PRESS.

1875.

## INDEX TO PART II.

### THE RESULTS OF THE CENSUS.

#### *Area and Population.*

| PARA.  | PAGE.      |
|--|------------|
| 1. Enumeration area defined ...  | 1          |
| 2. Area and Population ...   | <i>ib.</i> |
| 3. Comparative area and population ...   | <i>ib.</i> |
| 4. Density of population ...   | 2          |
| 5. Relative position of Presidency, both in and out of India ...   | 3          |
| 6. Its several divisions ...   | 4          |
| 7. Deccan ...  | <i>ib.</i> |
| 8. Konkan ...  | <i>ib.</i> |
| 9. Guzerat ...   | <i>ib.</i> |
| 10. Sind... ...  | <i>ib.</i> |
| 11. Division details for area and population contrasted with corresponding areas in America ...                        | 5          |
| 12. Deccan Districts ...   | 6          |
| 13. Average size of each Deccan District and its value for the three elements of area, population, and density ...     | <i>ib.</i> |
| 14. Towns and villages... ...  | 7          |
| 15. Their distribution in the several districts; proportion of the rural population in the several districts ...       | <i>ib.</i> |
| 16. Town and village sites in square acres and square miles... ...   | <i>ib.</i> |
| 17. How allotted to each district; the distribution of uninhabited villages and their percentage for each district ... | 8          |
| 18. Towns with more than 10,000 inhabitants classified ...   | 9          |
| 19. Detailed list of these towns with their population ...   | <i>ib.</i> |
| 20. Their percentage on the total number of towns ...  | <i>ib.</i> |
| 21. The maxima and minima densities per square mile in different districts ...   | 10         |
| 22. Comparative proximity of Deccan towns and villages each to each ...  | <i>ib.</i> |
| 23. Konkan Districts ...   | 11         |
| 24. Average size of each Konkan District and its value for the three elements of area, population, and density ...     | <i>ib.</i> |
| 25. Towns and villages... ...  | <i>ib.</i> |
| 26. Their distribution in the several districts; proportion of the rural population in the several districts ...       | 12         |
| 27. Town and village sites in square acres and in square miles ...   | <i>ib.</i> |
| 28. How allotted to each district; the distribution of uninhabited villages and their percentage in each district ...  | <i>ib.</i> |
| 29. Towns with more than 10,000 inhabitants classified ; detailed list of these towns with their population ...        | 13         |
| 30. Maxima and minima densities per square mile in different districts ...   | <i>ib.</i> |
| 31. Density per square mile in Bombay City ...   | 14         |
| 32. Comparative proximity of Konkan towns and villages each to each ...  | <i>ib.</i> |
| 33. Guzerat Districts ...  | <i>ib.</i> |
| 34. Average size of each Guzerat District and its value for the three elements of area, population, and density ...    | <i>ib.</i> |
| 35. Towns and villages... ...  | 15         |
| 36. Their distribution in several districts; proportion of the rural population in the several districts ...           | <i>ib.</i> |
| 37. Town and village sites in square acres and square miles ...  | 16         |
| 38. How allotted to each district; the distribution of uninhabited villages and the percentage for each district ...   | <i>ib.</i> |
| 39. Towns and villages with more than 10,000 inhabitants classified ...  | 17         |
| 40. List of these towns with their population ...  | <i>ib.</i> |
| 41. The maxima and minima densities per square mile in different districts ...   | 18         |
| 42. Comparative proximity of Guzerat towns and villages each to each ...   | <i>ib.</i> |
| 43. Sind Districts ...   | <i>ib.</i> |
| 44. Average size of each Sind District and its value for the three elements of area, population, and density ...       | 19         |

| PARA.  | PAGE:      |
|--|------------|
| 45. Towns and villages .....   | 19         |
| 46. Their distribution in several districts, the proportion of the rural population in the several districts ..... | 20         |
| 47. Town and village sites in square acres and square miles .....  | <i>ib.</i> |
| 48. How allotted to each district .....  | 21         |
| 49. Towns with more than 10,000 inhabitants classified .....   | <i>ib.</i> |
| 50. Detailed list of these towns with their population .....   | <i>ib.</i> |
| 51. The maxima and minima densities per square mile in different districts .....                                   | <i>ib.</i> |
| 52. Comparative proximity of towns and villages each to each .....   | <i>ib.</i> |
| 53. Summary of foregoing points for the Presidency as a whole .....  | 22         |
| 54. The maxima and minima densities in the several districts and their talookas .....                              | <i>ib.</i> |
| 55. Chief points relating to area and population .....   | 23         |
| 56. Average side of each division viewed as a square .....   | 24         |
| <i>Houses.</i>   |            |
| 57. Difficulty of classifying houses .....   | 24         |
| 58. Rules prescribed by Government for the same .....  | <i>ib.</i> |
| 59. Exceptional cases .....  | <i>ib.</i> |
| 60. Instructions for enumeration .....   | 25         |
| 61. Houses under construction not provided for .....   | <i>ib.</i> |
| 62. Houses in several Indian Provinces .....   | <i>ib.</i> |
| 63. Do. compared .....   | 26         |
| 64. Density of houses and their inhabitants in the several provinces .....   | <i>ib.</i> |
| 65. Inhabitants per house in the provinces .....   | <i>ib.</i> |
| 66. Percentage distribution of houses .....  | <i>ib.</i> |
| 67. Classification of houses .....   | 27         |
| 68. Proportion between houses of better sort and those of inferior; average population of each house .....         | <i>ib.</i> |
| 69. Houses per town or village in other Provinces .....  | <i>ib.</i> |
| 70. Distribution of houses in the divisions .....  | <i>ib.</i> |
| 71. Average number of houses for each division; houses per square mile and persons per house .....                 | 28         |
| 72. Density of houses and their inhabitants in each division .....   | <i>ib.</i> |
| 73. Houses in Bombay Divisions compared with those in divisions of other Indian Provinces .....                    | <i>ib.</i> |
| 74. Average houses per each town or village in the divisions .....   | 29         |
| 75. Proportions between land built upon and houses on it .....   | <i>ib.</i> |
| 76. Density of houses of the two classes for each division .....   | 30         |
| 77. Better and inferior houses in the divisions .....  | <i>ib.</i> |
| 78. Houses in the Deccan .....   | 31         |
| 79. Distribution of houses in the district .....   | <i>ib.</i> |
| 80. Houses per square mile .....   | <i>ib.</i> |
| 81. Persons per house .....  | <i>ib.</i> |
| 82. Houses in each town or village .....   | <i>ib.</i> |
| 83. Houses of the two sorts in the districts .....   | <i>ib.</i> |
| 84. Their inhabitants .....  | 32         |
| 85. Land built upon with reference to houses .....   | <i>ib.</i> |
| 86. Houses in the Konkan .....   | <i>ib.</i> |
| 87. Distribution of houses in the district .....   | 33         |
| 88. Houses of both classes, their inhabitants and their proportion .....   | <i>ib.</i> |
| 89. Average number of houses per acre built upon and average amount of land per house .....                        | <i>ib.</i> |
| 90. Houses in Guzerat .....  | 34         |
| 91. Density of houses per square mile in the districts .....   | <i>ib.</i> |
| 92. Average number of persons per house in the districts .....   | <i>ib.</i> |
| 93. Average number of houses in each town or village in the districts .....  | <i>ib.</i> |
| 94. Proportion of houses of both classes .....   | <i>ib.</i> |
| 95. Average number of persons per house of both classes .....  | <i>ib.</i> |
| 96. Average number of houses per acre built upon and average amount of land occupied by each .....                 | 35         |
| 97. Houses in Sind .....   | <i>ib.</i> |
| 98. Average number of houses per square mile in the district .....   | <i>ib.</i> |
| 99. Number of houses per town or village in the district .....   | <i>ib.</i> |
| 100. Number of houses of both classes .....  | <i>ib.</i> |
| 101. Proportion of better to inferior houses .....   | 3          |

INDEX TO PART II.

V

| PARA.              |   | PAGE       |
|--------------------|---|------------|
| 102.               | Proportion of population living in houses of both classes .....   | 36         |
| 103.               | Average number of persons to houses of both classes ; detailed table .....  | <i>ib.</i> |
| 104.               | Average number of houses per acre built upon and amount of land taken up by each .....  | <i>ib.</i> |
| 105.               | Area and number of houses in detail for Bombay City .....   | <i>ib.</i> |
| 106.               | Houses, how occupied .....  | 37         |
| 107.               | Density of population per square mile .....   | <i>ib.</i> |
| 108.               | <i>Do.</i> on shore population .....  | <i>ib.</i> |
| 109.               | Comparison of the three Presidency towns with London .....  | <i>ib.</i> |
| <i>Enclosures.</i> |   |            |
| 110.               | Instructions for filling in enumerator's form .....   | 38         |
| 111.               | Instructions differently read in different districts .....  | <i>ib.</i> |
| 112.               | Proportions of enclosures and houses detailed .....   | <i>ib.</i> |
| 113.               | Attempt to enumerate enclosures unsuccessful .....  | 39         |
| <i>Population.</i> |   |            |
| 114.               | Several heads of inquiry under which population considered .....  | 40         |
|                    | Population not distinguished by conjugal condition .....  | <i>ib.</i> |
| 115.               | Want of available data for discussing Census problems .....   | <i>ib.</i> |
| <i>Sex.</i>        |   |            |
| 116.               | Disparity of sexes .....  | <i>ib.</i> |
| 117.               | Proportions of males to females in several Indian Provinces .....   | <i>ib.</i> |
| 118.               | Exceptional disparity in Panjab and North-West Provinces .....  | 41         |
| 119.               | Proportion of males to females in India and Europe .....  | <i>ib.</i> |
| 120.               | Causes of preponderance and comparative proportions with foreign countries .....  | <i>ib.</i> |
| 121.               | Proportion of sexes for each denomination .....   | 42         |
| 122.               | Sex proportions of Hindus and Mahomedans .....  | 43         |
| 123.               | Mr. Acworth's opinion on preponderance of Mahomedan males in Poona District .....   | <i>ib.</i> |
| 124.               | Percentage of Hindu males to Hindu females and Mahomedan males to Mahomedan females .....   | 44         |
| 125.               | Males out-number females everywhere .....   | 45         |
| 126.               | Proportion of sexes compared with other divisions and other Indian Provinces .....  | <i>ib.</i> |
| 127.               | Proportion of sexes .....   | 46         |
| 128.               | Proportion of births of both sexes contrasted with other Indian Provinces and European countries .....  | <i>ib.</i> |
| 129.               | Theory on increasing proportion of male births .....  | <i>ib.</i> |
| 130.               | Proportion of males and females under 1 year .....  | <i>ib.</i> |
| 131.               | Proportion between 1 and 6 years .....  | 47         |
| 132.               | Proportion between 6 and 12 years .....   | <i>ib.</i> |
| 133.               | Percentages of males and females between ages of 6 and 12 on total population of same ages for each district in each of the four Indian Provinces in detail ..... | <i>ib.</i> |
| 134.               | More males than females between 6 and 12 .....  | 48         |
| 135.               | Proportion between 12 and 20 .....  | <i>ib.</i> |
| 136.               | General fall in proportion of males and females, especially in Decean and Konkan .....  | <i>ib.</i> |
| 137.               | Proportion between 20 and 30 years .....  | 49         |
| 138.               | <i>Do.</i> do. 30 and 40 <i>do.</i> .....   | <i>ib.</i> |
| 139.               | <i>Do.</i> do. 40 and 50 <i>do.</i> .....   | <i>ib.</i> |
| 140.               | <i>Do.</i> do. 50 and 60 <i>do.</i> .....   | <i>ib.</i> |
| 141.               | <i>Do.</i> from 60 years upwards .....  | <i>ib.</i> |
| 142.               | General fluctuations in each Presidency and Province .....  | <i>ib.</i> |
| 143.               | Above details for divisions and districts .....   | 50         |
| 144.               | Boys to girls .....   | 51         |
| 145.               | Proportion of boys and girls in England and Wales .....   | <i>ib.</i> |
| 146.               | Men to women .....  | <i>ib.</i> |
| 147.               | Adult males and females .....   | <i>ib.</i> |
| 148.               | Excess of males over females greater amongst children than amongst adults .....   | 52         |
| 149.               | Proportions for Hindus of both sexes amongst children and adults in divisions and districts .....   | <i>ib.</i> |
| 150.               | Proportions of adult males to adult females in general in divisions and districts .....   | <i>ib.</i> |
| 151.               | General proportion of males to females lower than that of boys to girls amongst Hindus ; exceptional places pointed out .....                                     | 53         |

## INDEX TO PART II.

| PARA. |   | PAGE. |
|-------|---|-------|
| 152.  | Preponderance of males over females amongst children in detail                    | 53    |
| 153.  | Males and females in Deccan generally   | 54    |
| 154.  | Males and females in districts  | ib.   |
| 155.  | Average and real numbers  | ib.   |
| 156.  | Percentage contribution of both sexes for each district of the division           | 55    |
| 157.  | Males and females in Konkan generally   | ib.   |
| 158.  | Females exceed males in Ratnagiri District and in other provinces                 | 56    |
| 159.  | Males and females in districts  | ib.   |
| 160.  | Males to females  | 57    |
| 161.  | Average and real numbers  | ib.   |
| 162.  | Percentage contribution of both sexes for each district of the division           | ib.   |
| 163.  | Males and females in Guzerat generally in detail                                  | ib.   |
| 164.  | Males and females in the district   | 58    |
| 165.  | Average and real numbers  | ib.   |
| 166.  | Percentage contribution of each district  | ib.   |
| 167.  | Males and females in Sind generally. Marked disparity of sexes in Sind and Punjab | ib.   |
| 168.  | Males and females in districts  | 59    |
| 169.  | Average and real numbers  | ib.   |
| 170.  | Percentage contribution of each district  | ib.   |

*Age.*

|      |   |     |
|------|---|-----|
| 171. | Importance of deductions relating to age and sex  | 60  |
| 172. | Difficulty in obtaining returns of age  | ib. |
| 173. | Children and adults   | ib. |
| 174. | Do. in divisions  | 61  |
| 175. | Do. by sexes  | ib. |
| 176. | Proportion of children in Deccan Districts  | ib. |
| 177. | Do. do. Konkan do.  | 62  |
| 178. | Do. do. Guzerat do.   | ib. |
| 179. | Do. do. Sind do.  | ib. |
| 180. | Do. for Presidency  | ib. |
| 181. | Do. of children where above the average for the Presidency  | ib. |
| 182. | Comparative statement of results for other Indian Provinces and England and Wales                               | ib. |
| 183. | Children in India and England   | ib. |
| 184. | Causes which influence the population   | 63  |
| 185. | Comparison between approximate death-rate of children and adults in India and their truer death-rate in England | ib. |
| 186. | Relative proportion of deaths higher in India than in England   | ib. |
| 187. | Partial answer to the question  | 64  |
| 188. | Proportions of children of different classes or denominations   | ib. |
| 189. | Do. of children amongst Mahomedans higher than amongst Hindus   | ib. |
| 190. | Do. of Buddhists and Christians comparatively low   | ib. |
| 191. | Hindu and Mahomedan children  | ib. |
| 192. | Do. in districts  | ib. |
| 193. | Maximum and minimum proportions   | 65  |
| 194. | Comparative proportions with details  | ib. |
| 195. | Points elicited from above  | 66  |
| 196. | Contrasting results with other Presidencies and Provinces   | ib. |
| 197. | Review on above   | ib. |
| 198. | Comparison of children and adults in Bombay and other Indian Provinces and England                              | ib. |
| 199. | Second age period (over 12) sub-divided into three sub-periods  | 67  |
| 200. | Population under 30 years   | ib. |
| 201. | Details for the first sub-period contrasted with those of England and Wales                                     | ib. |
| 202. | Do. for the second sub-period   | ib. |
| 203. | Do. for the third and last sub-period   | ib. |
| 204. | Decennial periods of age. Decrease in each advancing period from birth downwards, with details                  | ib. |
| 205. | Similar results in England  | 68  |
| 206. | Decennial groups for each division and class, with details  | ib. |
| 207. | Age-of equal division   | 69  |
| 208. | Do. do. for each class  | ib. |

INDEX TO PART II.

vii

| PARA.   | PAGE.  |
|---|--------|
| 209. Comparison of do. with other Indian Provinces .....  | 69     |
| 210. Do. do. with England and Wales.....  | ib.    |
| 211. Average age .....  | 70     |
| Method to find do. explained .....  | ib.    |
| 212. Average age for other Indian Provinces .....   | ib.    |
| 213. Do. in England and Wales .....   | ib.    |
| 214. Mean ages of males and females for each district and division .....  | ib.    |
| 215. Results approximately correct .....  | 72     |
| 216. Life expectancy or average duration of native life .....   | ib.    |
| Do. how computed .....  | ib.    |
| 217. Death-rate per mille per annum on total population of both sexes .....   | ib.    |
| 218. Computed death-rates and approximate life expectancy of males, females, and persons for each division and district ..... | 73     |
| 219. Remarks on do. ....  | ib.    |
| 220. Death rate per mille for population between 0 and 6 years .....  | ib.    |
| 221. Birth-rate by Birth Register; method to ascertain birth-rate explained .....   | ib.    |
| 222. Ditto for Bombay Presidency and for England .....  | 74     |
| 223. Similar results for each district .....  | ib.    |
| 224. Effective and non-effective population .....   | 75     |
| 225. Chief points connected with age summarized .....   | ib.    |
| <i>Religion.</i>  |        |
| 226. Introduction .....   | ib.    |
| Christian .....   | 76     |
| Jew .....   | ib.    |
| Parsi .....   | ib.    |
| Mahomedan .....   | 77—79  |
| Hindu .....   | 79—83  |
| Buddhist .....  | 83     |
| Jain .....  | 83, 84 |
| Sikh .....  | 84     |
| Brahmo-Somaj .....  | 84, 85 |
| 227. Nakashatras or quasi duties supposed to influence all ordinary events and actions .....                                  | 85     |
| 228. Principal religions adopted for statistical purposes .....   | 86     |
| 229. Proportion of each .....   | 87     |
| 230. Do. of Hindus and Mahomedans for this Presidency and other Indian Provinces .....  | ib.    |
| 231. General proportions of Hindus and Mahomedans .....   | ib.    |
| 232. Divisional do. do. ....  | ib.    |
| 233. Details of do. tabulated .....   | ib.    |
