LIST OF TABLES	(vi)
INTRODUCTION	1
Chapter 1 : HISTORICAL REVIEW OF THE FOREST LABOUR CO-OPERATIVE MOVEMENT	4
The Initiative	4
Objectives	6
Conditions and Concessions	7
Sponsoring Agency	8
Planning Committee	9
Financing arrangements	9
Allotment of coupes	10
Development of the movement	11
Chapter 2 : GROWTH OF THE FOREST LABOUR CO-OPERATIVE SOCIETIES	15
The Adivasis and the forest areas	15
The growth in the number of societies and the membership	18
Growth in the financial assets of the societies	20
Growth in the business and profits of the societies	22
Growth in the wages and the bonus to the members	24
Coupes worked by the societies	24
Growth in the working force of the societies	28
Adivasis among the staff-members	30
Minor forest works undertaken by the societies	31
Non-forest labour contracts undertaken by the societies	34
Audit classification of the forest labourers' co-operative societies	34
Litigations and misappropriations	38
Societies going into liquidations	38
Exploitation of coupes through the societies and the other agencies in the State	40
Some characteristics of the forest labour co-operatives in the different States in India	41
Chapter 3 : THE ORGANIZATIONAL STRUCTURE	45
The Structure	45
1. State Council for Forest Labourers' Co-operative Societies	46
2. Sponsoring Agencies	49
3. District Co-ordination Committees for Forest Labourers' Co-operative Societies	54
4. District Federations of Forest Labourers' Co-operative Societies	54
5. State Federation of Forest Labourers' Co-operative Societies	58

	<u>Page</u>
6. Circle Wage Boards	62
7. Central Training School	63
8. Primary Forest Labourers' Co-operative Society	66
9. Annual Conferences of the Forest Labourers' Co-operative Societies	67
The Impact of the Structure	68
 Chapter 4 : CHARACTERISTICS OF THE SELECTED SOCIETIES	 70
Objectives of the survey	70
Selection of the societies	70
Selection of the families	71
Method of investigation	73
Membership in the selected societies	74
Distribution of members in different villages	75
Increase in the membership of the selected societies	78
Coupes worked by the selected societies	79
Coupe working expenditures of the selected societies	80
The proportion of working members in the selected societies	82
The financial assets of the selected societies	85
Other characteristics of the selected societies	87
Other works and activities undertaken by the selected societies	89
 Chapter 5 : COSTS AND RETURNS	 91
Allotment of coupes	
Time table for the allotment of coupes and their exploitation	92
Working of the coupes	93
Methods of determining returns to the societies for the exploitation of coupes	94
The Up-set price formula	94
The Formula of 1953	96
The Revised Formula of 1959	97
Modifications in the Revised Formula	100
The Logging System	104
The Logging Proposal	105
Further changes in the decisions	106
Analysis of the costs	108
Total Costs	109
Costs over coupe work	113
Costs over transport	118
Costs over depot work	123
Costs over office management	127
Costs over welfare	129
Summary of costs over different categories of items	129
The wage component of total costs	131
Implications of the present formula in the context of the costs	136
Finance for the working of the coupes	137
Returns to the societies	138
Profit and Loss	142
Distribution of bonus	143
A comparison of the shares of the societies obtainable by the revised formula and the logging system	145

	<u>Page</u>
APPENDIX 5-I : List of the thirty-three items prescribed by the Government for working out the operational costs	148
APPENDIX 5-II : Coupe-wise costs for the coupes worked by the Mondgaon Society in the period 1961-62 to 1967-68	150
APPENDIX 5-III: Coupe-wise costs for the coupes worked by the Kondhan society in the period 1961-62 to 1967-68	153
APPENDIX 5-IV : Coupe-wise costs for the coupes worked by the Talwada society in the period 1961-62 to 1967-68	157
APPENDIX 5-V : Coupe-wise costs for the coupes worked by the Nagzeri society in the period 1961-62 to 1966-67	162
APPENDIX 5-VI : Coupe-wise costs for the coupes worked by the Raipur society in the period 1961-62 to 1966-67	165
APPENDIX 5-VII: Coupe-wise costs for the coupes worked by the Nanchal society in the period 1961-62 to 1966-67	170
 Chapter 6 : EMPLOYMENT AND INCOME OF THE WORKERS	 173
Background of the analysis	173
Distribution of earners in the selected families and their association with coupe work	174
Classification of the families according to the number of earners in a family	182
Classification of the earners engaged in different activities according to the number of earners in a family	184
Number of days worked by the earners engaged in coupe work	187
Wage income per earner	189
Wage income per family	192
Wages from transport	194
Cultivation of the land	195
Wage rate for coupe work	197
Estimation of the per capita income	198
 Chapter 7 : IMPACT OF THE MOVEMENT ON THE ADIVASIS	 200
Limitations of the impact	200
Leadership	201
Employment and wages	201
Provision of amenities and auxilliary benefits	203
Participation of the Adivasis in the management of the societies	203
Livestock and implements owned by the Adivasis	207
Housing conditions	212
Indebtedness	214
A resume	217

(v)

	<u>Page</u>
Chapter 8 : CONCLUSION	219
Nature of membership	219
Size of the society	221
Financial position of the societies	223
Problems in the distribution of share to the societies	225
Employment and income of the Adivasis	230
The importance of the societies in the Adivasi economy	234
Characteristics of the societies in the State	236
Achievement of the objectives and scope for further development	239
 BIBLIOGRAPHY	 242

LIST OF TABLES

<u>Table No.</u>	<u>Title</u>	<u>Page</u>
2.1	Concentration of Forest area and Adivasi population in scheduled areas of Maharashtra	15
2.2	Distribution of the forest areas, the Adivasi population and the number of forest labourers' co-operative societies in the different districts of Maharashtra	17
2.3	Number of forest labourers' cooperative societies and the number of members in the years 1947-48 to 1969-70 (in the ex-Bombay State upto 1958-59 and Maharashtra State later)	19
2.4	Share capital, reserve fund and other funds held by the forest labourers' cooperative societies in the years 1959-60 to 1968-69	21
2.5	Value of business carried out and profit and loss incurred by the forest labourers' cooperative societies in the years 1959-60 to 1968-69	23
2.6	Wages and bonus paid to the members and the amount spent on social welfare activities by the forest labourers' cooperative societies in the years 1959-60 to 1968-69	25
2.7	Number of coupes worked by the forest labourers' cooperative societies in the years 1959-60 to 1968-69	27
2.8	Member and non-member working force employed by the forest labourers' cooperative societies in the years 1965-66 to 1969-70	29
2.9	Proportion of Adivasis among the staff members employed by the forest labourers' co-operative societies in the years 1959-60 to 1968-69	31
2.10	Minor forest works undertaken by the forest labourers' cooperative societies in the years 1959-60 to 1968-69	33
2.11	Non-forest labour contracts undertaken by the forest labourers' cooperative societies in the years 1959-60 to 1968-69	35
2.12	Audit classification of the forest labourers' cooperative societies in the years 1959-60 to 1968-69	37
2.13	Cases of arbitration, court litigations and cases of misappropriation of funds concerned with the forest labourers' cooperative societies in the years 1959-60 to 1968-69	39

<u>Table No.</u>	<u>Title</u>	<u>Page</u>
2.14	Number of societies going into liquidation and the number of new registrations during the years 1959-60 to 1968-69	40
2.15	Number of coupes exploited through different agencies in the years 1968-69 and 1969-70	41
2.16	Some characteristics of the forest labourers' co-operative societies in the different States in India as at the end of June 1970	43
3.1	The Sponsoring Agencies and the Number of Societies Sponsored by them in different Districts During the Year 1962-63	53
3.2	Number of students Trained in the Four Sessions of the Years 1966-67 and 1967-68 at the Nasik Training School	64
3.3	Number of Trained and Untrained Personnel Employed by the Societies in Some Important Districts	65
4.1	Distribution of the selected families into the member, managing committee members and worker families	73
4.2	Composition of membership of the selected societies (1967-68)	74
4.3	Number of villages served and the proportion of households joining the societies	76
4.4	Increase in the membership of the selected societies in the period 1961-62 to 1967-68	78
4.5	Number of coupes worked by the selected societies from 1961-62 to 1967-68	80
4.6	Expenditures incurred over coupe working by the selected societies from 1961-62 to 1967-68	81
4.7	Working and non-working members and the total work force of the selected societies	83
4.8	Financial assets of the selected societies	86
4.9	Staff members, audit classification and the profits earned in ^{the} case of the selected societies	88
5.1	Cases of societies incurring losses due to the extra expenditure on extra yield	98
5.2	Shares of the societies and the Forest Department in the net realization from the working of the coupes	100
5.3	Profits and losses of 121 societies classified according to their shares in the net realizations for the years 1959-60 and 1960-61	102

<u>Title</u>	<u>Page</u>
Costs per coupe and per year incurred by the selected societies in the years from 1961-62 to 1967-68	110
Percentages of costs over coupe work incurred by the selected societies in the years from 1961-62 to 1967-68	114
Distribution of coupes according to the total cost and the percentage of wages for coupe work to the total cost in the selected districts	117
Distribution of coupes according to the total cost and the percentage of supervisory charges to the total cost in the selected districts	119
Percentages of costs incurred over transport by the selected societies in the years from 1961-62 to 1967-68	121
Percentages of costs incurred over the depot work by the selected societies in the years from 1961-62 to 1967-68	125
Percentages of costs incurred over office management by the selected societies in the years from 1961-62 to 1967-68	128
Percentages of costs incurred over welfare by the selected societies in the years from 1961-62 to 1967-68	130
Percentages of costs incurred over wages to the total cost by the selected societies in the years from 1961-62 to 1967-68	133
Plans borrowed from the different sources by the Forest Labourers' Cooperative Societies in Maharashtra in the years 1965-66 and 1966-67	138
Returns to the societies from coupe work	140
Profits and losses made by the selected societies in the period 1961-62 to 1967-68	144
Comparison of the probable shares for the societies under the revised formula and the logging system as revealed by the data for the costs and the net realizations for the selected societies	147
Classification of the family members and the earners in the families selected in Thana district	175
Classification of the family members and the earners in the families selected in Dhulia district	177

<u>Table No.</u>	<u>Title</u>	<u>Page</u>
6.3	Classification of the families and the members and earners in the families according to the number of earners in a family for the families selected in Thana and Dhulia districts	183
6.4	Classification of the earners engaged in wage work and coupe wage work according to the number of earners per family for the families selected in Thana district	185
6.5	Classification of the earners engaged in wage work and coupe wage work according to the number of earners per family for the families selected in Dhulia district	186
6.6	Number of days worked by the earners engaged in coupe work in the families selected in Thana and Dhulia districts	188
6.7	Wage income for the earners, engaged in wage work in agriculture and wage work in forestry, in the families selected in Thana district	190
6.8	Wage income for the earners, engaged in wage work in agriculture and wage work in forestry, in the families selected in Dhulia district	191
6.9	Average number of earners and the average income per family for families engaged in wage work and coupe wage work in the sample of families selected in Thana and Dhulia districts	193
6.10	Transport wages earned by the families selected in Thana and Dhulia districts	195
6.11	Land cultivated by the families selected in Thana and Dhulia districts	196
7.1	Proportion of Adivasis among the office staff employed by the forest labourers' co-operative societies in Maharashtra during the period 1959-60 - 1969-70	205
7.2	Livestock resource owned by the families selected in Thana and Dhulia districts	208
7.3	Value of livestock owned by the families selected in Thana and Dhulia districts	210
7.4	Number of families owning implements and tools and their value for the families selected in Thana and Dhulia districts	211
7.5	Characteristics of houses owned by the families selected in Thana and Dhulia districts	213
7.6	Number of families reporting loans outstanding and the amounts of loans reported by the families selected in Thana and Dhulia districts	215

(x)

<u>Table No.</u>	<u>Title</u>	<u>Page</u>
7.7	Amounts outstanding against the different sources of borrowing in ^{the} case of the families selected in Thana and Dhulia district	216
8.1	Total funds and total costs for the societies selected in Thana and Dhulia district	224
8.2	Percentages of total costs that would simulate the present shares of the societies	228
8.3	Percentages of costs over coal manufacturing to the total costs over the 33 items, for the societies selected in Thana district	234
