Indian Statesmen
INDIAN STATESMEN
DEWANS AND PRIME MINISTERS
OF NATIVE STATES.

WITH SEVENTEEN PORTRAITS

MADRAS
NOW that the question of the future of Indian States and their place in the Constitution of the country is being widely discussed, this volume of Indian Statesmen is of more than ordinary interest to politicians and laymen alike. In this new publication we have sketches of Eminent Indian Statesmen, notably those who have been Dewans or Prime Ministers of well-known Indian States. Besides being a record of the lives and achievements of these statesmen and administrators who have distinguished themselves both in British India and in the territories of the Ruling Princes and Chiefs, the book offers an instructive study in the evolution of Indian States. For the lives of these men are so linked with the fortunes of the States which they served that it is hardly possible to draw the line between biography and history. We see the one merging in the other: especially as the early records of these States are little more than the doings of the men who made them what they are. Hyderabad without Sir Salar Jung, Nepal without Jung Bahadur or Gwalior without Sir Dinkar Rao, is inconceivable. Bhavanagar and Oodeshaniker, Mysore and Rangacharlu, Travancore and Sir T. Madhava Rao, Pudukottah and Sir Sashiah Sastri are so intimately connected that neither the history of the States nor the lives of the Statesmen can be complete without the other.
It is hoped that this volume recounting the lives and achievements of several distinguished Indians will be welcome not only to the subjects of the Indian States wherein they laboured under the most trying conditions but by all those who feel a just and legitimate pride in the capacity of Indians for Self-Government.

LEADERS OF THE BRAHMO SAMAJ

BEING A RECORD OF THE LIVES AND ACHIEVEMENTS OF THE PIONEERS OF THE BRAHMO MOVEMENT.

A HISTORY of the Brahmo Samaj was published in two admirable volumes by the late Pundit Sivanath Sastri. It was his further desire to supplement these volumes with a third giving the lives of Brahmo leaders. But the Pundit did not live to do it. The present volume may be said to fulfil the Pundit's aim—in a way. For it contains a record of the doings of Brahmo leaders since the days of Raja Ram Mohun Roy; that is to say, it is a narrative of the social, religious, educational and philanthropic activities of the pioneers of the Brahmo movement. Now pioneers and reformers have ever lived a life of courage and devotion and their self-denying services to their fellow-men cannot but be an inspiration to those who come after them. Apart from its biographical interest the volume is enriched with an exposition of the philosophy and tenets of Brahmoism as interpreted by the leaders who preached and made the new faith popular. There are also copious extracts from their writings and speeches which must add considerably to the value of this publication.

With Seven Portraits.

Raja Ram Mohun Roy

HIS LIFE, WRITINGS AND SPEECHES

WITH A BIOGRAPHICAL SKETCH

This is the first attempt to collect under one cover the voluminous writings of Ram Mohun Roy. They deal with religion, social reform, politics, education, law and administration—to the discussion of which he brought a mind trained in the best cultures of the East and West. The Volume opens with a lengthy biographical sketch recounting the story of his life and achievements and in particular the establishment of the Brahmo Samaj of which he was the founder. It ends with his own modest auto-biography which he wrote at the request of an English friend. The book is invaluable to publicists and reformers.

Contents:—Biographical Sketch; Suttee—The Burning of Widows; The Character of Hindu Women: Suttee and the Shastras; Address to Lord William Bentinck; Petition to the House of Commons; The Rights of Women; Freedom of the Press; Memorial to the Supreme Court; Appeal to the King-in-Council; English Education in India; Religious Toleration; Prospects of Christianity in India; Rights of a Hindu Over Ancestral Property according to Law; The Revenue System of India; The Indian Peasantry; The Judicial System of India; Settlement in India by Europeans; Regulations III of 1820. Address to British Unitarians; Autobiographical Sketch.

Eminent Mussalmans

This book is a welcome addition to the biographical literature now extant in India touching the lives and achievements of many Mussalman patriots who have in recent years contributed to the intellectual and social advancement of their countrymen. Among such leaders have been reformers, statesmen, judges, educationists, lawyers and politicians. Commencing from Sir Syed Ahmed, the story is brought down to this day.

From Ramanand to Ram Tirath.
LIVES OF THE SAINTS OF NORTHERN INDIA
INCLUDING THE SIKH GURUS.

His new book, as its title suggests, recounts the lives and teachings of the Saints of Northern India from Ramanand to Ram Tirath. It includes sketches of Ramanand and Kabir, Nanak and the Sikh Gurus, of Ravi Das the Chamar Saint, of Mira Bai the ascetic queen of Chitor, Vallabacharya, Tulasi Das, Virajanand, Dayanand the founder of the Arya Samaj and Swami Rama Tirath. * * * * Some of the rapturous songs and hymns of the Vernaculars are to be found in the ecstatic utterances of Mira Bai, of Nanak and Kabir. The sketches contain ample quotations from these hymns as well as from the sayings and teachings of Dayananda and Ram Tirath.

Temples, Churches and Mosques

BY MR. YAKUB HASAN

In this remarkable volume Mr. Yakub Hasan has attempted to give a kaleidoscopic view of the world's architecture. The author describes the evolution of the simple altar of the primitive man into the magnificent temple and church architecture of mediæval times. He takes us through the Chaldean to Roman, Greek and Egyptian temples, to Buddhist Monuments and the temples of the Far East in all their variety and splendour; to Solomon's temple and the Kaaba at Mecca; to the coming of the Messiah and the magnificent Cathedrals of Mediæval Europe; to the birth of Mahomed and the Mosque architecture of Egypt and Turkey and Spain; and finally to the beautiful Moghul architecture of Hindustan. Every style of Temple, Church or Mosque architecture is described at length to the accompaniment of no less than 68 Illustrations, the masterpieces of the world's architecture. A valuable study in comparative Religion.

"It is certainly my good fortune that this booklet of mine is receiving wide attention. In my opinion it is a book which can be put into the hands of a child. It teaches the gospel of love in the place of that of hate. It replaces violence with self-sacrifice. It pits soul force against brute force. It has gone through several editions and I commend it to those who would care to read it. I withdraw nothing except one word of it, and that in deference to a lady friend."
