Memorandum :—The three first Nos. of the following Series (VIII.) bear a date prior to the period specified in the Order of The Honourable House of Commons; but they are delivered, because they are documents referred to in the margin of No. 13 and No. 15 of VIII., two of the documents included in that period and required accordingly, and because their insertion somewhere became consequently necessary; and they are placed here instead of at the end of those documents, because, by the present arrangement, the chronological order of the communications between the Court of Directors and the Tanjore Commissioners is preserved.
